Editorial

Imagination is more important than knowledge. For while knowledge defines all we currently know and understand, imagination points to all we might yet discover and create.

-Albert Einstein

Today's world has a panoramic vista with widespread knowledge through new technologies, skills and futuristic approaches. So, one should move on with times and equip with the required abilities to conquer these newer fields of knowledge and technologies. Our institution emphasizes on imparting excellent education to our students in an encouraging environment, providing them ample opportunities in the field of education, literary creativity and sportsmanship. Our aim is not only in imparting subject knowledge and skills but also mould the students with better conduct and character committed to the social needs.

The college magazine is an authentic record of the achievements of our students in various curricular, co-curricular and extra-curricular activities. The poems and articles in this magazine show the creative talents of our students.

Like all other years, this year too our college campus was buzzing with a plethora of academic, cultural and spiritual activities. These activities, I firmly believe, would have provided a learning experience to our students.

I believe that the faculty and students of this college will continue to achieve various milestones with passion, commitment and enthusiasm. Eventually, the members of Editorial team and the students union have supported very well, making every possible thing comfortable and admirable.

I take a great privilege to thank all the great hearts who have placed this institution at the pinnacle of glory with their dedication and tireless efforts and I wish and hope that this institution will live up to the ideals of the founders of this institution and yield more responsible intellectuals for this country. My hearty thanks to one and all.

Quiz Club- Quiz competitions are conducted throughout the year for both Day and Evening college students. The Objective of the quiz club is to motivate the students on various Quiz topics such as General Awareness, Aptitude, History, Sports, Personalities etc. Quiz club aims to hone their quizzing skills.

Environ club -'Go Green Process' is the motto of our College Environ club. It was officially inaugurated by Dr. (Mrs.) Nanditha Krishna, Director, C.P.R Arts center, Chennai on 2nd Aug 2011. The College received accolades from Dr. M. S. Swaminathan, Chairman, Environment Educative Council, C.P.R Arts center, for its lush and eco-friendly campus. Our college is proclaimed as the first "Green Campus" among all city colleges.

Consumer club- Vaishnav Consumer Club was inaugurated on 5th August 2012 by Mr. K. Murugan General Secretary of the Federation of Consumer Organization. A demonstration on food safety was conducted by Mr.G. Santharajan, Director, Concert trust and workshop on adulteration was conducted by Mrs. V. Kalavathy. **Shri.S.Mohamed Akbar, Deputy Commissioner, Dept of Civil Supplies and Consumer Protection, flagged off a Road Rally on 6th March and released the magazine 'Consumer Alert'.**

Convocation – The convocation for the day college and the evening college was held on 23rd and 24th of February 2012. 1106 graduands proved their excellence in academics and received their diplomas. Dr. S. Thamaraiselvi, Professor and Dean, MIT, Chennai and Dr. Leo Alexander Registrar i/c, University of Madras and Controller of Examinations conferred the degrees on the day and evening college students respectively.

Union Activities – The union was inaugurated by Dr T. Padmanaban, Vice Chancellor, Tamil Nadu Teacher's Education University. The students union was busy throughout the year conducting competitions, encouraging participation and promoting a congenial atmosphere in the campus by organizing orientation programme and freshers' day for first years. Celebrating festivals like Krishna jayanthi, Diwali and Pongal kept alive students traditional practices. Teachers' day was celebrated with verve and enthusiasm to pay obeisance to the gurus. As a mark of tribute to our Founder chairman, Founders day was celebrated. International Women's day was celebrated in a grand manner. Dr. V. Shanta, Chairman, Cancer Institute, highlighted the power of women. Anti-corruption day was celebrated to create awareness and resolved to fight against the fast spreading malaise in society. A special farewell was arranged by the Union for the third years.

Sports and Games – Life is a game, play it. Encouragement to sports is ample at Vaishnav college. We give special preference to sports background students during admissions. Sports day was celebrated on 15th February. Mr. V. Ravikumar IPS, Joint Commissioner of Police was the chief guest of sports day. Our sports girls have won laurels in various games at zonal, state and national levels. Our different sports teams came off with flying colours at University and National levels. The quality of an institution is also defined by the heights scaled by its students. We have

Srilankan football team visited our campus for a friendly match.

Association Activities – The College also encourages participating and hosting activities under various departmental associations. Guest Lectures by eminent professors are organized to gain rich experience. Various competitions are held at the intercollegiate level.

Cultural Activities - Fine arts club erects a platform to showcase students' artistic talents ebulliently. Periodically, the club conducts various competitions like Dancing, Singing, Acting, Pot painting, Glass painting, Rangoli, Face painting, T-shirt painting, Variety Entertainment, Classical dance, Fashion Parade, Wealth out of Waste, Mehendi etc. Our arty students leave

an indelible insignia not only in our college but also in other colleges by winning a galore of accolades in various cultural competitions.

Smrti - Three days of artistic and aesthetic confluence of talents was celebrated in our intercollegiate cultural fest Smrti, which was inaugurated by Mr. Madan Karki Vairamuthu. Mr.Gaurav and Mr.Karu Palaniappan, film directors, in their valedictory address highlighted the significance of histrionic and artistic skills of youngsters. Nearly 50 colleges participated in various on -stage and off -stage competitions. The overall trophy was won by Gurunak College, Velachery and the runner-up was RKM Vivekananda College, Chennai. Thanks to Dr. L. Vijayalakshmi, Smrti convenor for recognizing the talents of Abinaya (III BSc Vis com) who was instrumental in creation of artistic stage for our cultural extravaganza Smrti.

NSS - The NSS unit of the college has about 200 volunteers. NSS was inaugurated by Shri Dansingh MLA. Our NSS students work for, and are involved in environmental improvement, social integration, women empowerment, community development, health and consumer awareness.

NCC - The College has Airwing of NCC. Every year about 30 students enroll in NCC. Keeping up the well established tradition, our cadets this year too performed remarkably well.

WEDC/ EDP -Learning by experience leaves a lasting impression. The WEDC introduced students to kaleidoscopic activities through the classes conducted every week. Embroidery, jewel making, wall hangings, decorative items, gift articles, tailoring, jute bags are few skills that enamored the students' attention. A certificate course was conducted on Screen Printing and certificates that would help students get bank loans were distributed.

Placement Service- Our College takes all efforts to organize campus interviews for the students. The Placement cell actively helps students in getting employment by inviting reputed companies to the college. Training and development programmes are arranged for all the students. Students got placed in Wipro-Vista, Wipro- Vase, Dell, CTS, HCL, Nokia, TNQ, MOBIUS, Cape Gemini. So far 356 students have been successfully placed.

Hostel – Our hostel has well equipped facilities with 33 rooms and 99 students. Internet & Computer Centre facilities are provided to the students. Recreation lounge, reading hall, visitors lounge and RO mineral water plant are provided for comfortable living. One-day trip for hostel students was organized on 18 Feb 2012 to theme park, Queensland. The hostel day was celebrated on 27 March 2012.

OSA - The College organized its Alumni meet and refreshed its ties with old students. Old students from different disciplines shared their experiences and were nostalgic about their college life.

New Prizes Instituted – Our faculty members and Old students have generously instituted prizes for the academically proficient students. This year 2 of our old students Miss B. Suji (PBPBT) and Miss Yashodai (English Literature) have instituted Prizes. Selvi Kanagavalli memorial prize and Sri Ramanathan memorial prize have been instituted by the department of Mathematics. And we hope this number will increase. Regular counselling and medical checkup are organized in our campus. We thank the **media** that has given ample coverage to all the events conducted in our college.

Today we are bidding adieu to 2 of our beloved Senior staff members Mrs.R. Latha, Head, Dept of Economics and Mrs. L. Vijayalakshmi, Dept of Chemistry. We wish them happy retirement.

I conclude this report with a profound sense of gratitude to the Almighty for all the blessings we have been bestowed with during the past 43years and for all the progress and success achieved so far. We are grateful to the Management for their encouragement and guidance at every stage of growth for the successful functioning of the college.

The faculty members and administrative staff of the college have been doing their best to provide a student-supportive environment in our college. I thank the parents for always having bestowed their faith and confidence in us. Our students deserve a word of praise on this occasion for their admirable behaviour and highly motivated participation in all the college activities throughout the academic year. I once again thank the Management, the teaching and non-teaching staff and students of both day and evening college for their continuous cooperation and constant encouragement extended to me in discharging my duties.

You are, what your deep-driving desire is

As your desire is, so is your will

As your will is, so is your deed

As your deed is, so is your destiny.

Our desire, will and deed is to take this institution to the pinnacle of excellence.

THANK YOU

CONVOCATION REPORT DAY

Most reverential Chief Guest **Dr. S. Thamaraiselvi**, respected Chairman, Honorable secretary, respected members of the managing committee, special invitees, representatives of press and visual media, teaching fraternity, enthusiastic graduates, and proud parents, I extend a cordial and hearty welcome to you on this graduation day.

I am really privileged to have the pleasant task of welcoming the distinguished Guest for Graduation day function.

We are glad to have amidst us **Dr. S. Thamaraiselvi**, Professor and Dean, MIT, Chennai. Let me introduce Madam to the august gathering. Professor Thamaraiselvi has been teaching for nearly 28 years. She has completed 5 research projects funded by the Central Government. She has published more than 100 papers in national and international journals of repute. Madam has authored several books. She is a recipient of many awards. I would like to mention a few awards on this platform. She was awarded The Bharat jyoti award in 2001, IBM Faculty award in 2008 and Active Researcher Award by Anna University in the year 2011. She has also served as a visiting professor in Kuwait University.

We are indeed grateful to Prof. Thamaraiselvi for graciously and readily accepting our invitation. Thank you Madam.

On this eventful day I would like to highlight the strides our college has been making in the scholastic and overall development of our students.

Our college is one of the premier institutions, unique like a prism reflecting the manifold shades of learning and co-curricular activities. The College is committed to providing qualitative higher education to the diverse student population coming from urban, semi-urban parts of the state.

There is a well-managed system of active academic interaction between the teachers and the taught. The college can claim uniqueness in providing special support to first generation learners. It has various mechanisms to facilitate the academic pursuits of the students from the socio-economically weaker sections.

Our college is unique in imparting truly value-based education, which manifests in the multifarious extension activities aiming to enhance social welfare. The interaction with the students bubbling with enthusiasm indicates the quality and openness of the academic environment provided to the students that help them to build the right attitude towards life. Our sophisticated infrastructure, learning process, tie up with industries, student activities help facilitate them to face challenges in life.

Our college takes all efforts to organize campus interviews for the students. The Placement cell actively helps students in getting employment by inviting reputed companies to the college. Training and development programmes are arranged for all the students. Many students attended the interview conducted by Corporates like Wipro, Dell, CTS, HCL, Nokia, TNO, MOBIUS, Capgemini. So far 391 students have been successfully placed.

Like every year, this year many rank holders are going to festoon the stage with great records. My hearty congratulations, to the teaching fraternity, on their dedication and inspiration. It is a proud moment to announce that our 1106 graduands have proved their excellence in academics. From the Day College 422 graduands are going to receive their diplomas today. Our rank holders are –

I am indeed delighted to participate in the Graduation Day of Shrimathi Devkunvar Nanalal Bhatt Vaishnav College for Women, Chromepet, Chennai. I congratulate the graduands for their excellent academic performance and the faculty members for shaping the young minds who are going to be the vital sources in all our national development sessions. I wish to sow the seed in your young mind. The society will reap the benefit later. I wish to convey the following messages to the young graduands;

- Fix your goal
- Self Motivation
- Life long learning
- Social Responsibility
- Women Empowerment

Fix your goal

After your graduation, you are a blunt instrument. It is important to fix your target to be achieved in your life time. What is your vision and ambition in your life? What is your strength? What is your weakness? If you analyze all these parameters in yourself, it will be easier for you to fix the goal. Once you fix your goal, it is important to decide the action plan. You can get inputs from your well-wishers, but the goal to be fixed by the individual only. You want to get a job or you wish to have a career? Job will fetch you some money, but career will bring satisfaction and peace of mind.

Wealth, fame and happiness are the three major things to be considered. Which one will be everlasting? You realize the importance of all and fix the goal in your life to balance your life which will lead to happiness.

Self Motivation

Motivation is important for any action. After becoming a graduate, it is very much essential to be self-motivated. Your life is within your hands. What are you going to do in the remaining part of your life? After fixing your goal, the speed of actions depend on your self-motivation. Self motivation must be kindled based on your interest and the same should be sustained to achieve your goal inspite of challenges and other difficulties you are facing. Life is full of challenges. Use your knowledge gained so far to solve the problems faced. Then you will have the sustainability of your self motivation. Self confidence, courageous efforts and sincere attempts with care and ethics to reach your goal will enable you to sustain your self motivation.

Life long learning

Everyday, we learn a lot by experience or by reading or by doing something new. You have to enrich your knowledge. How to make a blunt instrument into a sharp one? Everyday it has to be sharpened by means of your learning. More and more you involve in solving challenges, you will get better sharpened in your knowledge. You should not run out of facing challenges. You have gained knowledge and that should be practical to sharpen your knowledge. The success in your life depends on your sharpness in knowledge. You should have regular reading to sustain life long learning. If you do practice life long learning, your success is guaranteed because you know how to deal with things. You have to take risk, you may have failures sometimes and whatever may be the case, make several attempts that require life long learning. You all know that, failure is the stepping stone for success. Enjoy learning.

Social Responsibility

You have got wonderful opportunity compared to so many other people in this world. The society has helped you in this learning process. It is important to realise this social responsibility because everyone's effort is important to make our nation healthy and prosperous. You must also involve in selfless activities to improve our society.

"Active traitors sell their motherland in the market place for personal gain. Passive traitors watch their motherland being sold and remain silent".

So, never a traitor, passive or active, can be pardoned. The world has become global village because of the development in information technology. You spare some time also for the needs of our society. Now-a-days, national as well as international societal care is required and that will help us to lead a happy life.

Women Empowerment

The power of woman should be realised. You are the SAKTHI of the society. You are the dynamics of power. The patience, the knowledge and the strong will-power are the assets of women and you have to utilise your knowledge gained here to serve the society. You are having a lot of privileges and go in the positive direction. Utilize the opportunities and come up in your life as an achiever. You must be able to be independent wherever and whenever required. There are many examples you may witness to say that the women are capable of doing things in all disciplines. Women are multi-talented. So you realize your power and build the career for your development and in turn to global development. The nation needs you and you certainly play an important role to chat its future.

"The way to be happy is to like yourself and the way to like yourself is to do things that make you proud".
Once again, I congratulate you all. I wish to convey my gratitude to all the parents, friends and all others who had directly or indirectly helped you all in completing your degree successfully. My greetings and best wishes to all of you.
May God bless you.

Dear Students, Graduation day is an extremely important day in the life of a student. The occasion indicates that you have imbibed the values and skills need to deal with the world outside and also to improve your capability. I have no doubt that you will be exemplary in whatever you do and will be successful in meeting the challenges that await you

My sincere advice to young graduates is that your knowledge has to be contributed to the growth of the society and thereby for the welfare of the people. I felicitate the students graduating today and wish them all success in life

**CONVOCATION ADDRESS BY Dr. T. LEO ALEXANDER REGISTRAR i/c,
UNIVERSITY OF MADRAS AND CONTROLLER OF EXAMINATIONS**

Respected Chairman Shrimathi Mamta Bhatt, Honorable Secretary Shri.Chandrakant Tolia, Principal Dr.G Rani, respected members of the Managing Committee of SDNB Vaishnav College for Women, the new graduates with the glittering smile and happy parents, ladies and gentlemen. I have a great pleasure in delivering the 2012 convocation address of SDNB Vaishnav College for Women, Chennai.

I am glad to note that this college has introduced many relevant and emerging courses for women students for the past four and half decades. Without an iota of doubt, I would say this college is marching in the right direction keeping its objective to liberate the energies of wisdom, devotion and skills that are latent in women and to infuse into them the vital ideals of humanity. Women's colleges like SDNB Vaishnav College for Women are rendering a great service to the country and at this juncture I take the opportunity to congratulate the principal, management, teaching fraternity, and the young graduates on the celebrations of today's victory.

Convocation is a recurring routine ritual in the life of any higher education institution. It has varied significance to different people. For the college, it is an opportunity for reviewing its achievements and for the young graduates, it is a memorable day in her life – a moment of pride, happiness and a lot of hopes and expectations – an important milestone when she steps into a world of responsibilities. The conferment of a degree may not be considered as the culmination of the educational process. It is not the end, not even the beginning of the end, but perhaps the end of the beginning. The degree is only a license for further education. You might have heard of life-long education. Education for life, education throughout life – this must be the ever-guiding philosophy underlying any educational process. Today everybody doubts the purpose of education looking at the almost aimless way in which it is imparted and received. We should be able to say with conviction emphatically that education is for life and life only in its entirety. The education you are receiving through the lectures, from the laboratory and library, and through special training is only, may be, less than 10% of what is expected out of education. The rest should come from your parents, home, neighbours, and through interaction with all sections of the society. The opportunities and problems posed by life should add flesh to the skeleton of curricular framework and syllabus of whatever structured education you acquire from school and college. For a person who is educated simultaneously with the real exposure to life situations, there is no need to separately educate him about the social relevance of education or values of life or his obligations towards the society. Today, what your parents' are trying to do is to keep you really out of the problems and hard realities of life. They want you to learn and get trained without involving yourself in the day-to-day transactions, positive or negative. They think these problems will hamper the progress of your studies. This is life-negating education. Education should be through life. After getting a degree or diploma you are only starting real education. You have to be continuously learning, improving your knowledge and skills everyday. Knowledge is expanding in a very rapid pace. If you are not keeping abreast of all the developments, you will be trailing behind.

Dear graduates, to strengthen your thoughts and gain knowledge you must read regularly, read professionally and read widely. Reading enables us to learn from others at their expense. It saves the wear and tear on us of trial and error, and helps from committing avoidable mistakes. Others have traveled our way before us. Their experience is gold for our taking. To profit by the wisdom of others is the mark of a thinking person. According to the great Abraham Lincoln, 'Most folks are about as happy as they make their minds to be' and Shakespeare says, 'Nothing is good or bad but thinking makes it so'. Hence train your mind and think your way to success.

Dear young graduates, after the educational process in an institution, you should have the humility to admit that what you have learnt is just this handful, what remains to be least is as big as vast as this Universe. To win in the competitive world you must acquire knowledge and personality. Faith is a miracle worker, so have faith in you. It looks beyond all boundaries, transcends all limitations, conquers all obstacles and carries you to your goal. Therefore have faith, take courage and March ahead, onward upward till you attain your goal.

Congratulations and best wishes to all of you once again

INTERDISCIPLINARY NATIONAL SEMINAR DEPARTMENT OF ENGLISH, TAMIL AND HISTORY & TOURISM- "ETHIC 2012"

U.G.C sponsored one day National Conference was organized by the Dept. of English, Tamil and History and Tourism, S.D.N.B Vaishnav College for Women on 28th Jan.2012(Saturday) on the theme "A Paradigm shift in Socio- Cultural perspectives in 20th century Historical and Literary studies.

The inaugural function started at 9.30 am in the auditorium. Welcome address was given by Dr.G.Rani, the Principal of our college. Lighting of lamp was initiated by Dr.Padmini, Joint Director of Collegiate Education, A/I Chennai Region, Chennai-15 and followed by Sri Muthiah, journalist and author of History of Chennai, Dr.T.S. Malliga, Prof. and Head, Dept. of Tamil, Maharani's Science College for Women, Bangalore, Dr. Rizio B. Yohannan, Asst.Prof. of English, Government College, Kasaragod, Kerala and Dr. D.E. Benet, Associate Prof. of English, National College, Trichy. Then the dignitaries were honoured by our Former Chairman Shri.S.N.Bhatt, Dr.Rani, Dr. Anuradha, Dr.S.Geetha Kannammal and Dr.Kavitha.

Dr. Padmini while giving her inaugural address explained in detail the theme of the conference the Paradigm shift in Socio- Cultural perspectives. She pointed out that are the reasons for changes in the society are population growth, attitude, changes in economy and technology, globalization. She stressed the money culture of today should be changed.

Presidential address was given by Sri.S. Muthiah on "The Changing Indian Socio- Cultural Scene". He wanted that the Tamilnadu education system should give importance to communication skill. English teaching today should concentrate not on classical literature but on communication skill. In his talk he stressed that subaltern studies should be given importance. Time had come for writing the history of the people instead of the rulers and administrators. In the field of tourism he pointed out the lack of educated knowledgeable tourist guides.

Keynote address (i) was given by Dr.T S Malliga. She spoke on excellence of Tamil literature. In her speech she pointed out that all the traits of early Tamils like valour, love, friendship, hospitality deteriorate to a great extent today and wanted the younger generation to get guidelines from the early Tamil literature.

Keynote address (ii) was delivered by Dr. Rizio B. Yohannan on literary studies in the newly Glocal (Global+ Local) India. In her address she stressed that the teaching and learning should be in connection with the community and methodology course (like how to learn literature) is important in literary studies. The inaugural function had come to an end with the vote of thanks of Dr S.Geetha Kannammal, Head, Dept. of History.

The inaugural session was followed by forenoon session of the conference. For History and Tourism Dr. G. Chandrika, Prof. Dept. of History, Pondicherry University, Pondicherry, was the Chairperson. Overall 22 papers were presented out of which 6 papers were read in the forenoon session and rest in the afternoon session. Simultaneously Dept. of English and Dept. of Tamil conducted their paper reading sessions. For English 88 papers and for Tamil 28 papers were presented.

The valedictory function started by 5 pm. Dr.C.P.R Anuradha, Head, Dept. of English welcomed the gatherings. Valedictory address was given by Dr. D.E Benet on "A paradigm shift in Socio-cultural thinking". He pointed out that the technical, educational, attitude changes etc. brought notable changes in the socio-cultural thinking. The younger generation is today in a dissatisfied condition and this is reflected in their thinking and expression. Feedback about the English papers were presented by Dr. A. Sudha, Chairperson for English (HOD, Dept. of English, AVIT, Chennai). Dr. G Chandrika gave the feedback for the history papers. She pointed out that the papers were presented on diverse themes and there was no repetition of theme. Dr.Arivu Nambi, the Chairperson for Tamil (Senior Prof. Subramaniya Bharathiyar, School of Tamil Studies, Pondicherry University, Pondicherry) listed out the papers and pointed out much deliberations took place in the paper reading session. The one day conference came to an end with the vote of thanks of Dr. R. Kavitha, Head, Dept. of Tamil.

NATIONAL SERVICE SCHEME

SERVICE TO HUMANITY IS SERVICE TO GOD

The motto of the National Service Scheme (NSS) is "Not Me, But You". This expresses the essence of democratic living and upholds the need for selfless services and appreciation of another man's point of view and also show consideration for fellow human beings.

We are proud to inform that our NSS volunteers participated in social activities and showed their enthusiastic involvement especially during **NSS Camp** at Kancheepuram from 5-12-2011 to 11-12-2011, overall hundred students participated. The camp was inaugurated by **Mr.Dhan Singh MLA**, and his officials. Our principal Dr. Rani preceded over the function. At the camp site, **Sevilimedu** village, our volunteers have done their oodles of service to the poor people. They paid a visit to the silk weaving centre and poor handicrafts people have come to know about the hardships of the weavers, and created awareness about various aspects of entrepreneurship and imparted technical skills to them. A group of volunteers involved themselves in cleaning activity at Kamatchi Amman Temple, and regulated the crowd during Karthigai Deepam Festival. The last day of the Camp concluded with the session of **Mr.S.Manoharan, I.P.S** and Deputy Collector Ms.Lalitha. The session was very informative for all the students.

The Camp ended with Valedictory function, **Mr. Raja Hussain NSS Coordinator**, University of Madras was the chief guest. Principal Dr. Rani preceded over the function. On the whole the Camp was enjoyable, satisfying and a valuable learning experience.

"ENVIRON CLUB"

The inauguration of the "ENVIRON CLUB" was held on 2nd August 2011 at SDNB Vaishnav College For Women, Chromepet, Chennai-44.

The Chief Guest of the day Dr(Mrs)Nandhitha Krishnan, Director, C.P.Ramasamy Aiyer Foundations, Alwarpet, Chennai-88, enlightened the students with her lucid and informative speech on Environmental Awareness. In her lecture, she insisted the students to follow the 3R principle (Reduce, Recycle, Reuse). She also motivated the students to go for Eco-friendly products. Environment club proposes to implement the recycling of waste water, solid waste management and vermicomposting from this academic year.

Dr(Mrs)Nandhitha Krishnan initiated "Green Campus Project" in the college campus. Dr(Mrs)Nandhitha Krishnan has already instructed the students in the campus to segregate the paper waste, plastic waste and bio-degradable waste separately by disposing them in separate bins. The function came to an end followed by the vote of thanks proposed by Dr(Mrs)K.Pushkala, Associate professor, Department of Zoology, SDNB Vaishnav College for Women, Chennai-44.

'Go Green Process' is the motto of SDNB Vaishnav College's Environ club. It was officially inaugurated by Dr.(Mrs.) Nanditha Krishna, Director, C.P.R Artscenter, Chennai on 2nd Aug. 2011. The College received accolades from Dr. M. S. Swaminathan, Chariman, Environment Educative Council, C.P.R Arts center, for its lush and eco-friendly campus. The Director Dr. (Mrs.) Nanditha Krishna proclaimed SDNB Vaishnav College as the first "Green Campus" among all city colleges in the annual award winning ceremony on 20th Aug. at Environment Educative Council, C.P.R Arts Center. On 24th Aug 2011, Dr.(Mrs.)A. Dhakshayani, Haritha NTI Ltd. trained by Dr. Sultan Ismail, an international celebrity on Vermitechnology conducted one day workshop on Vermitechnology to club members. Frequently, the club invites environmentalists and nature lovers to address its members whereupon environmental quintessence is infused in young minds for an eco-future. Green Campus project instigated its members to collect paper waste, plastic waste and biodegradable waste in separate bins. The club also encourages recycling of wastewater, solid waste management and vermicomposting on the campus. On 19th September, "Campus improvement programme" was celebrated by the club. A guest lecture by Mr. S. Indra Kumar, President, Home Exnora was an eye-opener in understanding the various low cost based steps, one can adopt to take care of the environment just around. He suggested various methods to improve the ecology of the campus. The Guest appreciated the rainwater harvesting in support of the vehicle speed breakers.

The club activities are monitored by Dr.(Mrs.) K.Pushkala, Dept of Zoology(Convener), Dr.(Mrs.) R.Siva, Dept of Plant Biology and Plant Biotechnology(Member), Dr.A.C.Ranganayaki, Dept of Commerce (Member) and Mrs. Padma Priya, Dept of Chemistry (Member). Recycling of waste water, solid waste, paper, vermicomposting, energy conservation are the projects focused by the club.

ALUMINI MEETING

Alumni association meeting was held on 21.01.2012 at our college auditorium. Our college principal Dr.(Mrs).G.Rani addressed the gathering and expressed her happiness about their enthusiastic and overwhelming response. She requested them to take all active part in the alumnae association activities regularly. Election was held during the meeting to elect the office bearers. Alumnus from different walks of life shared their experiences and recalled their memories in our campus. The committee organised an entertainment programme, conducted games and organized lunch for the alumnae. The event was a grand success. We hope to enjoy the same patronage from the alumnae in the years to come.

PLACEMENT CELL

Our placement cell plays a predominant role in making our students to scale greater heights in their professional arena. The cell conducts hands-on training programmes and workshops to prune the analytical and logical skills of its members. This year nearly 15 companies visited our campus to hire our students and some of them are Dell, WIPRO, CTS, HCL, TNQ, MOBIUS, Cap Gemini. This year totally 356 students have been placed well with various Chennai based corporates and industries.

I WON'T HARM THEE NATURE !

Oh! I love thee Mother Nature;
I accept you as my teacher
Yes! Thou art my teacher
As thy graces teach me "Kindness".
As I am very gregarious,
I accept you as my Comrade;
Yes! Thou art my comrade
As thy amenable features embellish my life.
Oh! I kudos thee Mother Nature
As thou make me ebullient
With thy everlasting Beauty!
Thou art filling my heart with joy!
As thou art very adroit in
Making my life happy;
I promise thee Mother Nature
That I won't harm thee, Mother Nature!

TROUBLING TROUBLE

To bathe was a hate
Screams, tantrums saw no light
Jumped, into the tub, splashed water to the top
TROUBLING TROUBLE was a Thought.
To eat was a hate,
Squarmish, giddiness was not of good taste
Dined, making a mess with it all
TROUBLING TROUBLE was a Choice.
To school was a hate
Fever, headache was no escape
Boarded, bullied busmates one and all till the stop
TROUBLING TROUBLE was an Action.
To college was a hate
Boring, taxing was a challenged state
Elected, President now master of them all
TROUBLING TROUBLE was a Technique.
To love was a hate,
Will she, won't she was a hectic phase
Ignored, now calls me again and again
TROUBLING TROUBLE was a Temptation.
To marry was a hate
Messy, frightening was negated with haste
Plunged, in-laws at my beck and call
TROUBLING TROUBLE was a Treat.
Family was a hate
Worry, responsibility but a longing phase
Parenting, bundle of trouble turned into joy
Troubling trouble was now a Past time.

ON THE HIKE

He proudly caught those sponge-like
Fingers and started for a hike,
That flower-footed angel was crooning
Something, when the sun was swooning
Behind the horizons of the crimsoning west.

He took her to a park
Where, he could gladly calmly hark,
To her spiritly play. She was fair,
As her mother; her cool-black hair
Swayed as she leaped with profound joy.

He loved his child, the girl
Who shined like a powerful pearl.
She was six, with her heart
Free from human trivialities, which thwart
The grown ups from being God's cronies.

'Was she in manners alike him?'
He thought so as the dim
Gloaming gave its outset. His watchful
Eyes just missed, when a harmful
Stout little devil dashed the beauty
The father, alarmed of his duty,
Left his thoughts, ran fiercely to her.

Eyes which were about to shed
Tears stopped. She raised her head
Looked calmly to her agitated father
All strength she tried to gather,
And controlled her pain. She stood silently.

"It's paining here" said she, precariously;
And pointed to her leg. Then cautiously,
Said she "Let's go home dad";
Perhaps, she knew that her dad
Would feel sorry that she got hurt;
Over his negligence, he seriously repented,
Over her determination, he calmly reflected-
"This angel is very much alike
me". They returned from the hike,
When night, the black-flower had bloomed.

TO MOTHER WITH LOVE

"M" is for the million things she gave me,
"O" is for her outstanding sacrificing quality,
"T" is for her precious tears, she shed to give me birth,
"H" is for her pure heart that knows nothing but love,
"E" is for her eyes, with love-light shining,
"R" is for her righteousness.

Put them all together, they spell "MOTHER"
A word that means the world to me.

BIRDS

Birds are different from all the other animals in the world because they have feathers – over a thousand of them. Most birds can fly, and they are the largest, fastest and most powerful flying animals. Here are some facts about birds.

ANCIENT BIRD FACTS:

- ❖ Birds may be living descendants of the dinosaurs.
- ❖ *Archaeopteryx* had teeth.
- ❖ The first flying bird was a tern like seabird called *Ichthyornis*.
- ❖ The heaviest bird, *Dromornis stirtoni*, was four times heavier than an ostrich.

FEATHER FACTS:

- ❖ Swans have 25,000 feathers, sparrows 3,500 and humming-birds less than 1,000.
- ❖ The male crested argus pheasant has the longest and largest tail feathers at 173cm(5.7 feet) long, 13cm(5.1inches) wide.
- ❖ Feathers evolved from reptile scales.
- ❖ Grebes eat their feathers to help digestion.

NEST FACTS:

- ❖ Biggest nest ever found: a bald eagle's which was 2.9m (9.5ft) wide and 6m (20ft) deep.
- ❖ A bee humming-bird's nest is no bigger than a thimble.
- ❖ A mallee fowl's nest is a "compost heap" of rotting vegetation.
- ❖ A hammerkop nest may be made of over 10,000 sticks.

JUST FOR GAGS

Tom: My dad is an exporter.

Bob: Oh is it? What does he export?

Tom: No, he was a porter in the railway station, then he retired and now he is an ex-porter.

Micky: Hey Vicky! Why are you going very fast?

Vicky: I need to handover this letter quickly.

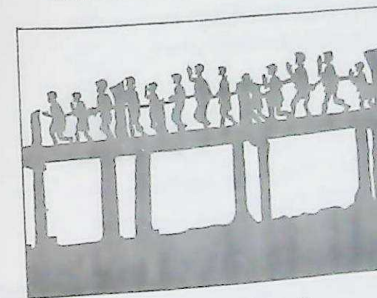

Micky: To whom?

Vicky: I have no time to see the address.

Teacher: Earlier our trains used coal but now we have electric trains.

Raghu : Mam, if trains run on electricity where do they plug in the wires?

Teacher: Urk!!!

MATHS MY VIEW

Why do we learn maths?

- To add noble qualities
- To subtract evil habits
- To multiply love and mercy
- To divide what we have with others
- To root out dowry and caste system
- To equate men and women in society
- To maximize our knowledge
- To minimize our ignorance
- To simplify our life
- To solve problems with ease and grace
- To be rational in our outlook
- To practice a positive approach always
- To be a dynamic person

APPROACH TOWARDS LIFE

Fixing the blame, doesn't fix the problem,
Cutting someone else's leg, doesn't make you tall,
Convincing the whole world ugly, doesn't make you beautiful
Telling everyone that you are wrong, doesn't make your Life right,
When you get the man within you right,
The world you see outside of you, will look right.
At the point of realization, Do not look into your past,
But focus on your future, Use knowledge,
Not to dissect your past, But to construct your future.

GOD IS GREAT

Man proposes,
I asked for strength,
And God gave me difficulties to make me strong
I asked for wisdom,
And God gave me problems to solve.
I asked for property,
And God gave me brain and brawn to work
I asked for courage,
And God gave me danger to overcome
I asked for love,
And God gave me troubled people to help
I asked for favours,
And God gave me opportunities
I received nothing wanted,
I received everything I needed.

A troubled girl!!
She is a troubled girl
Her life is dark
Like a coal hidden in the form of a gold
A troubled girl!!
A troubled girl!!
All her life she struck with bad luck,
She never got any happiness in her life,
She is even scared for the Mr.Happiness to touch her.
A troubled girl!!
A troubled girl!!
All her life
She lives lonely having no friends or foes
Only her parents to be a friend.
A troubled girl!!
A troubled girl!!
She is customed to doomness,
Now she doesn't even wish
That happiness to come
A troubled girl!!
A troubled girl!!
She accepts her fate
That she would stay lonely forever,
No happiness to knock on your door

What is Life?

Life is not a calm serene river
But a violent , turbulent, stormy sea
So tackle the sea, manage the storm and become braver
A path filled with golden flowers you will see!
Life is not a diamond studded throne
But a thorny, rocky, stormy seat
Tolerate the pain, and thrive without a frown
You will bloom into a person , no one can beat!
Life does not promise smiles all the way,
Cry you will, mourn you will,
But life does promise a light at the bay
So laughter and mirth, may still be your fill.
Live life, like a warrior, ever prepared
Live life, like a saint, never expecting
Live life, like a king, never to be compared
Live life, live life, always rejoicing.

Focus on the things you do
Though you wait in a long queue.....
Because success is never late
As it's everyone's fate
Luck is not the only way
Even your hard work pays
Follow your heart and never
Mind what others say
Because it takes away four real gay
Is it a mistake to have a dream of your own?
For which others always own
Letting them decide will make you
Dull and brown as you didn't
Deserve a perfect crown
The more you work for it
People say you are not fit
For this, should you think?
To quit and suppress your full grit?
These things teach you what life is.....
And you learn it's not a simple
As a kiss ,but never let your dreams
Discuss for which you might lose your true bliss!

FRIENDSHIP POEM

A friend is like a flower
A rose to be exact
Or may be like a brand new gate
That never comes unlatched
A friend is like an owl
Both beautiful and wise
Or perhaps a friend is like a ghost
Whose spirit never dies.

MY ANGEL IS MY MOM

M- Measureless love that she bears for me;
O- Ocean of care that she takes of me;
T- Tons of tears she sheds for
H- Heart of hopes she has for me;
E- Eyes that never sleep when I'm ill;
R- Right way that she leads me;
I shall call you my angel, for the things that you do.

I LOVE YOU MY DEAR ANGEL and I will always know that my lovely angel is bound to be my MOTHER!!!!

கவிதை

நண்பா!

அன்பை ஊட்டி வளர்த்தவன் அன்னை என்றால்
நம் அறிவை ஊட்டி வளர்த்தவர் ஆசிரியர்
வாழ்க்கையின் துவக்கம் முதல் அறிவின்
துவக்கம் வரை நமக்கு கற்பித்தவரும் ஆசிரியரே!

எழுத்தைக் கற்றுத்தந்ததால் இறைவனாய்,
இனியமொழியை கற்றுத்தந்ததால் அமுதமானாய்,
சிந்தைக்கு செவி கொடுத்தாய்,
கரத்திற்கு கை கொடுத்தாய்,
சிறுவயதை வியக்கச் செய்தாய்,
சிந்தனையை பெருக்கச் செய்தாய்,
கல்விக்கு கண் கொடுத்தாய்,
அறிவுக்கு உயிர் கொடுத்தாய்.

அன்னைக்கு கூட சுயநலமுண்டு,
தன் குழந்தையின் வயர்ச்சியில்,
ஆனால் அறிவை கொடுக்கும்,
ஆசிரியருக்கு சுயநலம் உண்டோ?

தனக்கு மிஞ்சியது தானம் என்றால்
தானத்தைக் காட்டிலும் சிறந்த கல்வியை
கொடுத்ததால் நீ குருவானாய்!

தாயின் அரவணைப்பு தவழும் வரை!
தந்தையின் அரவணைப்பு வளரும் வரை!
ஆசிரியரின் அரவணைப்பு வாழ்க்கையை எட்டும் வரை!

வாழ்க்கைக்கு உயர்வை கொடுத்தாய்,
தோல்விக்கு தேரன் கொடுத்தாய்,
துயரத்துக்கு துணை கொடுத்தாய்,
அறிவுக்கு ஊக்கம் கொடுத்தாய்.

வளர்ச்சியின் வழிகாட்டி ஆசிரியர்
என்பதால் தான் ஆசிரியர் தினத்தை
அந்த சிறந்த திருநாளை
சிறந்த ஆசிரியரான திரு. டாக்டர் ராதாகிருஷ்ணன்
பிறந்த நாளன்று கொண்டாடப் படுகிறது.
என்றால் அது ஆசிரியருக்கு
உண்டான உயர்வு தான்!

உன்னை மறந்தேன் என்றால் என் உயிர் பிரியும்
உயிர் பிரிந்த நேரத்தில் நீ என்னிடம் வந்தால்,
இறந்த என் உயிர் எழுந்து உன்னை வரவேற்கும்.

பிரிந்த நட்பு!

காயப்பட்டவர்களுக்கு, காயப்பட்டவுடன் வலிக்கும்!
காதலில் தோற்றவர்களுக்கு பிரிந்தபின் வலிக்கும்!
நட்பு மட்டும் இறந்த பின்னும் இனிக்கும்!
கடவுள் என்னிடத்தில் தோன்றி
சொர்க்கத்திற்கும், நரகத்திற்கும்
என்ன வித்தியாசம் என்று கேட்டால்!
நட்பு என்பது சொர்க்கம்!

பிரிவு என்பது நரகம்!

பாசம்

வந்தாளே! என் வாழ்வில் வசந்தமாய்;
கல்லாய்க் கிடந்தேன்; என்னை சிற்பமாய்க்கினாள்
இலை இல்லா மரமாக இருந்தேன்;
அழகு வண்ண பூக்கள் குலுங்கும் மரமாய்க்கினாள்
பாசத்திற்காக ஏங்கி நின்றேன்;
என் சகோதரியாய் தோள் கொடுத்தாள்.
கவலையோடு நின்று கொண்டிருந்தேன்;
என் கண்ணீரைத் துடைத்தாள்.
எப்படி தாங்கப் போகிறேன் என்று தெரியவில்லை
அவளின் பிரிவை
அழைப்பாளோ என்னை அவளின் திருமணத்திற்கு
அழைக்காவிட்டாலும் வாழ்த்துகிறேன்
என் சகோதரியை! வாழ்க பல்லாண்டு! என்று
தொடருவேன் என் பிரார்த்தனையை

காக்க வேண்டும் என்று.

இயற்கையின் விளையாட்டுக்கு
இத்தனை பெயர்களா?
சிருஷ்டித்த கர்த்தாவே
உன்னை தான் கேட்கின்றேன்
அலி (ஓம்போது) அரவாணி, திருநங்கை
இத்தனை பெயர்களா?

மாட்சிமையுள்ள மனிதம்
தினம் தினம் எங்களை
காரி துப்பி, வெறுத்தொதுக்கி
இழிவுபடுத்தி, கதறக்கதற
இம்சித்து கொல்கின்றனர்

இந்த கதறல்கள் உன் செவிகளை கிழிக்கவில்லையா?
அல்ல
உன் செவிகள் செயலிழந்தவனா?

சிருஷ்டித்த கர்த்தாவே
உன்னைதான் கேட்கின்றேன்
நீ
அங்கு
என்ன செய்கிறாய்?

பெற்றவர்கள் வெறுக்கும்
அசிங்கமான பிறப்பானோம்
உறவுகள் ஒதுக்கும்
வேண்டாத சொந்தமானோம்
நண்பர்கள் சீண்டும்
கேளிக்கைப் பொருட்களானோம்
சமுதாயப் பார்வையில்
சல்லாப குழுக்களானோம்
மொத்தத்தில் மனித இனத்தின்
அழியாத கறைகள் ஆனோம்.

உங்களிடம், நாங்கள்
அன்பான வார்த்தைகளை
கேட்கவில்லை
அசிங்கமான சொற்களால்
ரணப்படுத்தாதிருந்தால் போதும்
உங்களின்
அசிங்கமான சொற்கள்
எங்களை
சிதறி
வெடிக்கச் செய்கிறது.

உங்களிடம் நாங்கள்
கருணையைக் கேட்கவில்லை
கைகொட்டி சிரிக்காதிருந்தால் போதும்

உங்களின் சிரிப்பு
எங்களை, சின்னாயின்னமாய் சிதைக்கிறது.

உங்களிடம் நாங்கள்
அரவணைப்பை கேட்கவில்லை
தெரு நாயைப்போல்
அடித்து விரட்டாதிருந்தால் போதும்
உங்களின், விரட்டலால்
தெருநாய்கள், எங்களை கேலி செய்கின்றன.

உங்களின் கரிசனப் பார்வை தேவையில்லை
ஆடையை ஊடுருவி
அடி மனதை காயப்படுத்தும்
காமப்பார்வை வீசாதிருந்தால் போதும்

உங்களின் காமப்பார்வை
எங்களை, உயிரோடு எரிகிறது.
எங்களை, உங்கள் இல்லங்களில்
அனுமதிக்கத் தேவையில்லை
பொது கழிப்பிடங்களிலாவது
அனுமதியுங்கள்.

உங்கள் வீட்டு
செல்லப்பிராணிகளின் உணர்வுகளை மதிக்கும்
நீங்கள், ஏன் எங்கள்
உணர்வுகளை மட்டும் மிதிக்கிறீர்கள்?

ஓ மனிதமே! சிருஷ்டித்தவனின்
தவறுக்கு, எங்களை
நிந்திப்பது நியாயமா?

அவமானத்தின் உருவமாய்
தனிமையின் சாட்சியாய்
வெறுப்பின் ஆழமாய், மனிதத்தின் கேள்வியாய்
அலைந்து கொண்டிருக்கிறோம்.

உடலால் ஆணாகவும்
உணர்வால் பெண்ணாகவும்
ஊசலாடிக் கொண்டிருக்கும், நாங்கள்
பூத்து குலுங்கி வாசம் பரப்பி
உங்களை மகிழ்விக்கும் வண்ண பூக்களல்லவோ?
உங்களால்
மணமீழ்ந்து ரசமீழ்ந்து
ஒவ்வொரு நொடியும் உடைந்து போகும்
கண்ணாடிப் பூக்கள்.

சுதந்திரக் காற்றாய் கானலோடு கலந்து...
நாளைய நாளும் இனிதாய் கடந்து செல்லும்...!
எதிர்காலம் எங்கே? என்று தேடி அலைந்தவர்களை,
பிணமாய் பார்த்த பின்பும்,
மிச்சம் இருக்கும் ஏக்கங்கள் நாங்கள்!
வந்தாரை வாழ வைக்கும் நாடு எங்கள் இந்தியா...!
உன்னை மட்டும் வாழ வைக்க முடியாது சனாமியே...!
புத்தம் புது காற்றாய்,
புது பூமியில் தவழ்ந்து,
சுதந்திரக் காற்றாய்,
எங்கள் கன்னத்தை வருடிய நீ..?
பஞ்சபூத்தையும் பிளந்து கொண்டு
சனாமியானாய்...!

பல இலட்சம் மக்கள் இறந்து...
ஐந்து வருடத்திற்கு மேல் ஆகிறது..!
எத்தனை அழகரல்,
எத்தனை குழந்தைகள்,
எத்தனை சடலங்கள்,
கடலில் அலைகள் அடிக்கும் வரை...!
அலைகள் சத்தம் எழும்பும்..!
இறைவனே! உனக்கு கேட்கிறதா?
இந்த பூமியில் அழும் மக்களின் அழகரல்..!
சனாமியே!

இந்த ஜென்மம் இல்ல,
எத்தனை ஜென்மம் எடுத்தாலும்,
அடங்காத பேரலை நீ!
அலைகள் அடங்கினாலும்,
இங்கு அடங்காது,
மக்களின் அழகரல்..!

பலி கொடுத்தது,
ஓருயிரா? ஈருயிரா?
பல இலட்சம் உயிரல்லவா?
அன்று மிதந்தது கடலில்
நுரையுமல்ல படகும்ல்ல,
மக்களின் சடலங்கள்..!

இப்பொழுது கடலில் உலா வருவது,
காற்றுமல்ல, மனிதனுமல்ல,
இறந்தவர்களின் ஆன்மாக்கள்..!
மீண்டும் ஒரு சனாமி வராமல்,
தடுத்துக் கொண்டு இருப்பது,
அந்த ஆன்மாக்களின் கண்ணீர்த்துளிகளே...!

மறுஜென்மம் எடுப்பேன் நான்

ஏமாற்றிய தோழி

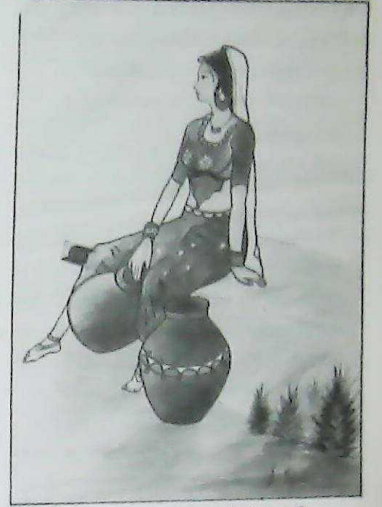

புது உலகத்தில் அடியெடுத்தவுடன்
கண்முன்னே தோன்றியவள் அவள்
அவளைக் காணத்துடித்ததும், பேச முனைந்ததும்
கனவாகக் கண்டவள் நான்
கனவினை நனவாக்கியவளும் அவள்தான்
அதனை சிதைத்தவளும் அவள்தான்
அன்பினை பொய்யாக்கி கண்களில்
கண்ணீரை தந்தவள் அவள்
கடலாய் துணைநின்று அலையை,
பேரலையை வீசிச் சென்றவள்.
நட்பு என்று கூறி நம்பிக்கைத்
துரோகம் செய்தவள்.

அவளையும் அவளது வார்த்தைகளையும்
நம்பி வாழ்வினை வெறுத்தவள் நான்.
உனக்காக உன்னை திருத்த முயலுகையில்
என்னை துரத்த முயலுகிறாய்
நீ செய்த தவறுகளை சரியாக்க தெரிந்த
எனக்கு உன்னை சரியாக்க முடியவில்லை.
என் உலகத்தில் வாழ்ந்து கொண்டிருந்த நீ
தனிஉலகத்தில் வாழத் தொடங்கிவிட்டாய்.
நான் நீ இல்லாத வாழ்க்கையை வெறுக்கிறேன்
நீ நான் இல்லாத வாழ்க்கையை இனிக்கிறாய்
நான் யாரென்று உன்னிடம் தெரிந்துகொண்டேன்
நீ யாரென்று இப்போதுதான் தெரிந்துக் கொண்டேன்
நான் நாம் என்றேன்: நீ நான் என்றாய்
நான் தனியாகத் தவிக்கின்றேன் நீ
உன் தவறுகளைத் திருத்திக்கொண்டு - என்னிடம்
வருவாயா???

எதிர்பார்க்கிறேன்
ஆவலுடன் நான்!!

தமிழ்....

உலகெங்கும் வாழும் தமிழரின்
சுவாசத்தில், வாழ்க்கையில் கலந்த,
தமிழ்மொழிக்கு என் சமர்ப்பணம்...

தமிழே:

மெளனம் என்னும் இருட்டறையின் திறவுகோல் நீ!
அதில் அமைந்த புதையலும் நீ
புதையலாய் விளங்கும் தமிழனின் உணர்ச்சியும் நீ
உணர்ச்சியை வெளிப்படுத்த வந்த கருவியும் நீ
மலை மலையாய் தோன்றுகிறாய்
அருவி போல் பாய்கிறாய்...
கடல் அலைபோல் சலசலக்கிறாய்
தினம் தினம் உயர்ந்த புகழினை அடைகிறாய்...

இங்கு,

தமிழோடு ஒன்றிய எந்த மொழியையும் நாம்
என்றும் வெறுமைப்படுத்தியதில்லை
வெறுமைப்படுத்தப்போவதுமில்லை
ஓர் மனிதனின் மனத்தெளிவையும்
மனஉணர்ச்சியையும் தன் தமிழினால்
அவன் அழகுபடுத்துகிறான்...
அன்பிற்கு என்றும் மொழி கிடையாது
நம் தமிழ்த்தாய் நமக்கு ஊட்டிய - தமிழ்
அன்பிற்கு என்றும் அழிவு கிடையாது

கட்டுரை

2020-ல் இந்தியா

முன்னுரை :

2020-ல் இந்தியா வல்லரசாக மாறுவது இளைஞர்களின் கையில் தான் உள்ளது. நூறு துடிப்பான இளைஞர்களை கொடுங்கள் இந்தியாவை வல்லரசாக மாற்றலாம் என்றார் சுவாமி விவேகானந்தர். எனவே இந்தியா வளமாவதும், வீழ்வதும் இளைஞர்களாகிய நம் கையில் தான் உள்ளது.

இளைஞர்களின் பங்கு :

தாயே உன் பெயர் சொல்லும் போதே இதயத்தில் மின்னலை பாயுதே
இனி வரும் காலம் இளைஞரின் காலம் உன் கடல் மெல்லிசை பாடுதே!

என்று பாடினார் இந்தியாவிற்கு பெருமை சேர்த்த ஆஸ்கார் விருது நாயகன் ஏ.ஆர். ரகுமான். இதன்படி இந்தியாவை இனி வரும் இளைஞர்களால் மட்டுமே வளமையாக்க முடியும். அதற்கு அவர்கள் செய்ய வேண்டியது துடிப்புடனும், வீரத்துடனும் செயல்பட இளைஞர்கள் முன் வரவேண்டும். வெளிநாட்டிற்கு சேய்ய வேண்டியது துடிப்புடனும், வீரத்துடனும் செயல்பட இளைஞர்கள் முன் வரவேண்டும். அவ்வாறு வேலை வேலைக்குச் செல்லாமல் தங்கள் தகுதிக்கேற்ப இந்தியாவிலேயே பணிபுரிய வேண்டும். அவ்வாறு வேலை கிடைக்கப் பெற்றவர்கள் சுயதொழில் செய்து அதன் மூலம் பலருக்கு வேலை கொடுத்து வேலையில்லா திண்டாட்டத்தை ஒழிக்கலாம்.

தொழில்நுட்ப வளர்ச்சி :

இந்தியாவை வளமையாக்க தொழில்நுட்ப வளர்ச்சி மிக இன்றியமையாததாகும். தங்களால் முடிந்த, முயற்சிகள் பல செய்து பல தொழில்நுட்பங்களை இளைஞர்கள் உருவாக்க வேண்டும்.

“ஏட்டுச் சுரைக்காய் கறிக்கு உதவாது”

என்பது போல மாணவர்கள் புத்தக புழுக்களாக மட்டும் இருக்காமல் உலக நடைமுறைகளையும் கற்க வேண்டும். அவ்வாறு கற்று சிறந்தால் மட்டுமே இந்தியாவின் தொழில்நுட்ப வளர்ச்சிக்கு அவர்களால் இயன்றதை செய்ய முடியும். மற்ற நாடுகளை எதிர்நோக்கும்படி தொழில்நுட்ப வளர்ச்சி நம் நாட்டில் மலர வேண்டும். அவ்வாறு மலர்ந்தால் மட்டுமே வாசனை என்றும் வீசும். “வளமை வாசனை”!

ஊழல் ஒழிப்பு :

இன்றைய தலைமுறையினருக்கு வழி காட்ட வேண்டிய தலைவர்களே ஊழல் செய்து தவறான வழியை காட்டுகின்றனர். நல்ல ஆசிரியரால் மட்டுமே ஒரு நல்ல மாணவனை உருவாக்க முடியும். அதுபோல ஒரு நல்ல தலைவனால் மட்டுமே நல்ல சமுதாயத்தை உருவாக்க முடியும். லஞ்சம் வாங்குபவர்களை விட ஒரு நல்ல தலைவனாக மட்டுமே நல்ல சமுதாயத்தை உருவாக்க முடியும். லஞ்சம் வாங்குபவர்களை விட லஞ்சம் கொடுப்பவர்களையே முதல் மன்னிக்க முடியாத குற்றவாளியாக கருத வேண்டும். தங்கள் சுயநலத்திற்காக லஞ்சம் வாங்கி கொண்டோ அல்லது கொடுத்தோ தாங்கள் காரியத்தை முடிக்கும் அரசியல்வாதிகள் ஏன் இராணுவ இரகசியங்களை விற்கமாட்டார்கள். நம் நாடு இன்று வரை வல்லரசாவதற்கு ஊழலும் மிகப் பெரிய காரணமாகும். பல ஏழைகளுடைய உழைப்பும், இரத்தமும் அதில் கலந்துள்ளது.

இளைஞர்களுக்கு வாய்ப்பு :

குடும்ப ஆட்சி நடக்கும் இந்தக் கால கட்டத்தில் இளைஞர்களுக்கான வாய்ப்பு மறுக்கப்படுகிறது. சுயநலத்தோடு செயல்படும் அவர்கள் இளைஞர்களை தடுக்கிறார்கள்.

இருபது இருபது

இருபதுகளின் கையில்

இன்றைய இளைஞர்கள் துடிப்புடனும், வீரத்துடனும் செயல்படுகின்றனர். அவர்கள் கையில் ஆட்சியை ஒப்படைத்தால் 2020-ல் இல்லை 2015-லேயே இந்தியாவை வல்லரசாக மாற்றலாம். இந்தியா வல்லரசாக மாற முதலில் நல்லரசு வேண்டும். எனவே ஒரு முறை தவறு செய்து தங்கள் சுயநலத்திற்காக சிறைக்கு

சென்று திரும்பும் தலைவரகள் யாரும் மீண்டும் தங்கள் பதவியிலோ மற்ற பதவியிலோ போட்டியிடக் கூடாது என அரசு அறிவித்தால் மட்டுமே இளைஞர்கள் நாட்டை ஆள முன்வருவர், வரவிடுவர். எனவே ஊழல் ஆட்சியை ஒழிக்க இளைஞர்கள் முன்வந்து செயல்பட வேண்டும்.

வேளாண்மை வளர்ச்சி :

இன்று படித்து முடித்ததும் பல இளைஞர்கள் வேறு நாடுகளுக்கு சென்று வாழத் தொடங்கி விடுகின்றனர். அதையே அவர்கள் கௌரவமாக நினைக்கின்றனர்.

என்ன வளம் இல்லை இந்த திருநாட்டில்
ஏன் கையை ஏந்த வேண்டும் அயல்நாட்டில்!

என்ற வார்த்தையை உணர்ந்து இளைஞர்கள் செயல்பட வேண்டும். வேளாண் துறைக்குப் பெயர் போன நம் நாட்டில் தற்போது வேளாண்மை செய்ய யாரும் இல்லாத நிலை உருவாகி உள்ளது. மனிதன் உயிர் வாழ உணவு அவசியம் எனவே இளைஞர்கள் வேளாண்மைத் துறையில் பல சாதனைகள் செய்ய முன்வரலாம். வேளாண்மை வளர்ச்சிக்காக புதிய தொழில்நுட்பங்களை கண்டுபிடிக்க வேண்டும்.

முடிவுரை :

இளமையில் விதைத்ததைதான் பிறகு அறுவடை செய்வோம். எனவே இளைஞர்களே வேகத்தை குறையுங்கள், விவேகத்தை தேடுங்கள் நாடு வளம் பெறும். இளைஞர்கள் முயற்சி செய்தால் 2020-ல் இந்தியா தனித்து நிற்கும்.

கனவு காணுங்கள்
திட்டம் இடுங்கள்
செயல்படுங்கள்

என்ற அப்துல்கலாயின் வரிகள் படி இன்றைய தலைமுறையினர் கனவு கண்டு அதை உடனே திட்டமிட்டு உடனே செயல்படுத்த வேண்டும். அதற்கு அவர்களுக்கு வேண்டியது எல்லாம் ஒரு நல்ல வழிகாட்டி தான். அந்த வழிகாட்டியாக ஒரு காந்தியோ ஒரு நேருவோ முன் வர வேண்டும்.

நம்பிக்கை என்னும் நார் மட்டும்
நம் கையில் இருந்தால்
உதிர்ந்த பூக்கள் கூட ஒவ்வொன்றாய் வந்து ஒட்டிக்கொள்ளும்.
கழுத்தில் மாலையாக கட்டிக் கொள்ளும்.

நம்பிக்கையுடன் களத்தில் இறங்குவோம் 2020-ல் இந்தியாவை வளமாக்குவோம்.

சிறுகதை

கனவு

அன்று அதிகாலையில் இருளின் கருமை கூட மறையவில்லை, இருந்தாலும் அந்த இருளில் எழுந்து, முரளி தன் பெடல் இல்லாத சைக்கிளை எடுத்துக்கொண்டு வேலைக்கு கிளம்பினான்.

அவன் ஒரு கூலித் தொழிலாளி இரண்டு பிள்ளைகளின் தந்தை. பெண் பிள்ளைகளாகப் பிறந்தாலும் இரண்டையும் இருகண்ணாகவே பார்த்தான். இருவரும் படிப்பில் கூட்டிப்பிள்ளைகள். அவர்கள் படிக்கும் பள்ளியில் இவர்கள்தான் முதலிடம் பெறுவார்கள். பிள்ளைகள் நன்றாக படித்தாலும் அவர்கள் எதிர்காலத்திற்கேற்ற வருமானத்தை அவனால் ஈட்டமுடியவில்லை. இருந்தாலும் அவனுக்குள் தன் பிள்ளைகளை நன்றாக படிக்க வைத்து பெரிய ஆளாக்க வேண்டும் என்பதே அவன் இலட்சியமாக இருந்தது.

வயல்வெளிகளின் இருபுறமும் பச்சை பச்சை இடுக்க அதன் நடுவே ஒற்றையடிப் பாதையை கடந்து அந்த சிமெண்ட் சாலையில் தன் சைக்கிளை ஏற்றினான் முரளி. அப்போது திடீரென சீறி வந்தது ஒரு கார் முரளியின் சைக்கிளை முன் சக்கரத்தை உரசியபடி வந்து நின்றது. திடுக்கிட்ட முரளி நிமிர்ந்து பார்த்தான். காரினுள் ஜீன்ஸ், டீ சர்ட் போட்ட ஒரு இளைஞன் உள்ளிருந்து இறங்கினான். அப்போதுதான் அவனுக்கு நினைவு வந்தது தன்னுடன் பத்தாம் வகுப்பு வரை படித்த அமுதன் என்று.

முரளியும், அமுதனும் ஒரே பள்ளியில் படித்தவர்கள். முரளி தன் வீட்டிற்கு ஒரே பிள்ளை. தன் சிறு வயதிலேயே தாயை இழந்தான். தந்தையின் அரவணக்கத்தில் வளர்ந்த அவனுக்குள் அன்பு குறைந்தும் முரட்டு குணம் உடையவனானான். அவன் மிகவும் வசதி படைத்தவன். பள்ளியிலும் சரி, வீட்டிலும் சரி யார் என்ன சொன்னாலும் கேட்கமாட்டான். தனக்கு என்ன தோன்றுகிறதோ அதை மட்டுமே செய்வான். எந்த ஒரு இலட்சியமும் குறிக்கோளும் இல்லாமல் சுற்றித் திரிவான்.

பின் பத்தாம் வகுப்புத் தேர்வில் தோல்வி அடைந்தான். பள்ளியிலிருந்து நின்றான். அவன் அப்பா இறந்தபிறகு இருந்த சொத்துக்களை எல்லாம் ஊதாரித்தனமாக செலவழித்தான். ஏழ்மை நிலைக்குத் தள்ளப்பட்டான்.

ஆனால் அமுதன் அப்படியல்ல. மிகவும் ஏழ்மையான குடும்பத்தில் பிறந்தவன். அம்மா, அப்பா ஒரு தங்கை என அழகான குருவிக் கூண்டாக இருந்தார்கள். சிறிய வயதிலேயே அறிவினும் அன்பினும் வல்லவனாக திகழ்ந்தான் அமுதன். பணம் வசதி இல்லை என்றாலும் "நல்ல குணம் இருந்தால் உன் இலட்சியத்தை நீ அடையாய்" என்ற தன் தந்தையின் சொல் அவன் நினைவுகளில் பதிந்து விட்டது. தன் தாய், தந்தை பட்டினி கிடந்து பள்ளியில் படிக்க வைத்தனர். அமுதன் தனக்கும் பல கனவுகளை வகுத்துக்கொண்டான். தானும் நன்றாகப் படிக்க வேண்டும் என்றும் தன் தங்கையை நல்ல முறையில் படிக்க வேண்டும் என்றும் கஷ்டப்பட்டு படிக்க வைக்கிற அவர்களை நாம் கஷ்டப்படாமல் பார்த்துக் கொள்ள வேண்டும் என்றும் அந்த இலட்சியத்தில் ஐயித்த அமுதன் அலட்சியம் இல்லாமல் காரிலிருந்து இறங்கினான். அமுதனை பார்த்ததும் தனக்குள் ஒரு தாழ்வு மனப்பான்மை வர தலைகுனிந்து நின்றான் முரளி. ஆனாலும் அதை மறைத்து விழிகளை அவன் மேல் நோக்கினான்.

முரளி அமுதனைப் பார்த்து "எப்படி இடுக்க" என்று கேட்டான். அமுதன் "நான் நல்லா இருக்கேன் நீ" என்றான். முரளி "நானும் தான்" எனக்கூறி மௌனமானான். அமுதன் முரளியுடன் "இந்த ஊர்லதான் இருக்கியா? என்னோட சித்தப்பா இந்த ஊர்லதான் இடுக்காரு. அவர் பார்க்கலாமனு வந்தேன்". உன்னை இங்கு பார்ப்பேன்னு எதிர்ப்பார்க்கவே இல்ல. உனக்கு கல்யாணம் ஆயிடுச்சா? எனக் கேட்டான்.

ம்..... என்று அமைதியானான் முரளி.

அமுதனுக்கு ஆச்சரியமாக இருந்தது: முரளியா இப்படி, அவனால் நம்பவே முடியவில்லை.

சிறிது நேர அமைதிக்குப் பின்... அப்பா நல்லா இருக்காரா, என்றான் அமுதன். முரளி, இல்லடா அப்பா ஊர்ட் அட்டாக்கல் இறந்துட்டாரு. என்றான். அச்சச்சோ அப்பா இறந்துட்டாரா. சாரி முரளி எனக்கு தெரியாம போச்சே. தெரிஞ்சிருந்தா கண்டிப்பா வந்திருப்பேன், என்றான்.

சரி நீ எப்படி இந்த ஊர்ல... என்றான், அமுதன். அப்பா இறந்த கொஞ்ச நாள்ளயே எங்க சித்தப்பா அவருக்கு சேர வேண்டிய சொத்த எழுதி வாங்கிட்டாரு. எனக்கும் யாரும் இல்லாததைப் போல ஆயிடுச்சு. ஆனாலும் அவப் பேச்சுக்கூட கேக்காம இருந்த சொத்தை எல்லாம் செலவுப் பண்ணி என் நண்பர்களோட சேர்ந்து சொத்தெல்லாததையும் அழிச்சிட்டேன். என்னோட நண்பர்களுக்கும் நா எவ்வளவு உதவி செஞ்சேன். என் மனைவி பேச்சுக்கூட நா நம்பாம அவங்களை நம்புன. ஆனா அவங்க கூட என்ன ஏமாத்திட்டாங்க, அதனால் என் மனைவி ஊர்லயே வந்து இங்கேயே இருக்கேண்டா.

ஆமா உனக்கு கல்யாணம் ஆயிடுச்சா, எனக் கேட்டான் முரளி அமுதனிடம். கல்யாணம் ஆகி ஒரு பையன் இருக்கான். அமுதன் முரளியின் நிலைமையை உணர்ந்தான்.

சரி வீட்டுக்குக் கூப்பிட மாட்டியா, என்றான் அமுதன். கண்டிப்பா போகலாம் வா, என்றான் முரளி. பிறகு இருவரும் வீட்டை அடைந்தனர். அப்பா என்று ஓடி வந்த அந்த பிஞ்சு கால்களில் தத்தி தத்தி வந்த முகிலரசியை தூக்கினான் முரளி. முரளி அமுதனிடம் உன் தங்கச்சி, அப்பா அம்மால்லா எங்க எப்படி இருக்காங்க? என்றான். தங்கச்சிக்கு கல்யாணம் ஆயிடுச்சா, புதுசா வீடு வாங்குன அப்பா அம்மா எல்லோரும் அங்கதான் இருக்காங்க. என்றான் அமுதன். இதைக் கேட்டதும் முரளிக்கு மனதில் சபலம் ஏற்பட்டது.

பிறகு அமுதன் சரி நா போய்டு வர்றேன், எனக்கு நிறைய வேலை இருக்கு, எனக் கூறிவிட்டு காரை எடுத்துக் கொண்டு கிளம்பினான்.

விழிகளில் நீர் துளி கண்டாலும் - தன்
வழிகளின் பாதையை கனவுகளால் கண்டால்
காட்சியாகும் காலத்தின் கட்டளையால், என்பதை மறந்து கனவை அடையத் தவறினான் முரளி.
ஆனால் அமுதன் தன் கனவை கனவாக்காமல் நிஜமாக்கினான். வாழ்வில் உயர்ந்தான். இன்றைய கனவே
நாளைய நிஜம்.

முரளிக்கு சிறிய வயதில் நல்ல சிந்தனை இல்லை. வாழ்க்கையின் வரைமுறைகளை வகுக்கவில்லை. சிறு வயதில் சிந்திக்க மறுத்ததால் பல இன்னல்களை தான் சந்திக்க நேர்ந்தது என்று வருந்தினான்.

இனிமேல் நமக்காக இருக்கும் உலகம் என்று தன் உணர்வுக்கு உயிர்கொடுத்தான். தன் வாழ்வின் கனவு இலட்சியமாகக் கொண்டான் முரளி, தன் பிள்ளைகளை உயர்த்துவதாக இவ்வுலகில் வாழும் ஒவ்வொரு மனிதனுக்கும் எதிர்காலக் கனவு கண்டிப்பாக இருக்க வேண்டும் என்பதை முரளியின் மூலம் அனைவரும் உணர வேண்டும்.

உறங்கும் கனவு விழித்தால் போகும்
உள்ளத்தின் கனவு

கட்டுரை

சென்னை மக்கள் சந்திக்கும் தலையாய இருபிரச்சனைகள்

முன்னுரை :

இன்றைய சிங்காரச் சென்னை நகர மக்கள் அன்றாடம் பல பிரச்சனைகளை சந்திக்க வேண்டியுள்ளது. அவற்றுள் முக்கியமான இரண்டு பிரச்சனைகளாக போக்குவரத்து நெரிசல் மற்றும் மின்சாரத்துண்டிப்பு ஆகியவற்றைக் குறிப்பிடலாம். இப்பிரச்சனைகளைப் பற்றியும் அவற்றைத் தீர்ப்பதற்கான வழிமுறைகளைப் பற்றியும் இக்கட்டுரையில் காண்போம்.

போக்குவரத்து நெரிசல் :

அன்றாடம் வீட்டை விட்டு வெளியே செல்லும் மக்கள் சந்திக்க நேரிடும் முதல் பிரச்சனை போக்குவரத்து நெரிசல். இதன் மூலம் வேலைக்குச் செல்பவர்களும், பள்ளி, கல்லூரி மாணவர்களும் குறிப்பிட்ட நேரத்தில் குறிப்பிட்ட இடத்திற்கு சென்று வர முடிவதில்லை. இதனால் அவரச ஊர்திகளும் முன்செல்வதில் தாமதம் உண்டாகிறது. விபத்துக்களாலும் போக்குவரத்து நெரிசல் ஏற்படுகிறது.

போக்குவரத்து நெரிசலுக்கான தீர்வு :

போக்குவரத்து காவல்துறை அதிகாரிகள் தங்களது கடமைகளை சரிவர செய்தல் வேண்டும். மேலும் மக்கள் அனைவரும் சாலையின் சமிக்ஞைகளைக் கவனித்து அதன்படி செயல்பட வேண்டும். சாலை விதிகளையும் கடைபிடித்தல் அவசியமாகிறது. மேலும் அரசாங்க உயர் பதவிகளில் இருப்பவர்கள் செல்வதற்காக மக்களை சாலையில் நிறுத்தி வைப்பதைத் தவிர்க்க வேண்டும். போக்குவரத்து சமிக்ஞைகளின் மேல் புகைப்படக்கருவி வைத்து அதன்மூலம் போக்குவரத்து நெரிசல் அதிகமாக ஏற்படும் இடங்களைக் கண்காணித்து இதனைக் குறைக்கலாம். இதனால் விபத்து ஏற்படும் இடங்களிலும் போக்குவரத்து நெரிசல் குறையும். மெட்ரோ ரயில் திட்டத்தை விரைந்து செயல்படுத்துவதன் மூலமும் போக்குவரத்து நெரிசல் குறையும். மேலும் ஒருவழிப் பாதையை அனைத்து இடங்களிலும் கொண்டுவர வேண்டும்.

போக்குவரத்து நெரிசலைக் குறைப்பதில் எனது பங்களிப்பு :

போக்குவரத்து நெரிசலைக் குறைப்பதற்காக நானும் எனது கல்லூரி மாணவர்களும் நாட்டுநலப்பணித் திட்டத்தில் சேர்ந்து வாரம் ஒருமுறையாவது சாலையில் நின்று இதனைக் குறைப்பதற்கான விழிப்புணர்வுவை ஏற்படுத்துவேன். போக்குவரத்து சமிக்ஞைகளை மீறச் செல்பவர்களிடம் அபராதம் (₹) ஒட்டுநர் அடையாள அட்டையை வாங்கிவிடும்படி போக்குவரத்து காவல்துறை அதிகாரிகளிடம் நாட்டு நலப்பணித்திட்டத்தின் மூலம் கூறுவேன்.

மின்சாரத் துண்டிப்பு :

போக்குவரத்து நெரிசலை விட சென்னை மக்கள் அனைவரும் அனுபவிக்கும் பிரச்சனை மின்துண்டிப்பு ஆகும். சென்னையில் ஒருநாளைக்கு மட்டும் எட்டுமணி நேரம் வரை மின்துண்டிப்பு செய்யப்படுகிறது. இதனால் தொழிலதிபர்களும், வியாபாரிகளும் பாதிக்கப்படுவது மட்டுமின்றி இரவில் மின்துண்டிப்பு செய்வதால் மாணவர்களின் படிப்பும் பாதிக்கப்படுகிறது.

மின்துண்டிப்பிற்கான தீர்வு :

நம் நாட்டில் மின்சாரத் தட்டுப்பாடு ஏற்பட்டு விட்டது. அதனால் மின்சாரத்தைச் சேமிப்பதற்காக மின்துண்டிப்பு செய்யப்படுகிறது. எனவே நாம் மின்சாரத்தைச் சேமித்தாலே மின்துண்டிப்பிலிருந்து ஓரளவிற்கு விடுபடலாம். குறிப்பாக, மின் அடுப்பை விட்டு சூரிய அடுப்பைப் பயன்படுத்தலாம். காற்றாலைகளைப் பயன்படுத்தி மின் உற்பத்தியை அதிகப்படுத்தலாம். தொலைக்காட்சியை ரிமோட்டில் மட்டும் நிறுத்தாமல் முழுவதுமாக நிறுத்தி

வேண்டும். இதனால் 6 வாட் மின்சாரம் சேமிக்கப்படுகிறது. குளிஞ்டும் சாதனத்திற்குப் பதிலாக மின்விசிறியைப் பயன்படுத்தலாம். குறைந்த வாட் திறன் கொண்ட மின் விளக்குகளைப் பயன்படுத்தலாம். குளிர்சாதனப் பெட்டியை 80 லிட்டரில் பயன்படுத்துவதைத் தவிர்க்கலாம். இதனால் 1.3 முதல் 4 அலகு வரை மின்சாரம் சேமிக்கப்படுகிறது.

மின்சாரம் பயன்படுத்தும் தீர்ப்பில் எனது பங்களிப்பு :

நான் எனது வீட்டில் மின்சாரத்தை முடிந்த அளவு சேமித்து வைப்பேன். மேலும் எனது கல்லூரி மாணவர்களையும் மின்சாரத்தைச் சேமிக்கும்படி வற்புறுத்துவேன். மேலும் அதற்கான விழிப்புணர்வையும் ஏற்படுத்துவேன். மேற்கண்ட அனைத்தையும் கடைபிடிக்கும்படி எனது கல்லூரி மாணவர்களிடமும், எனக்குத் தெரிந்தவர்களிடமும், உறவினர்களிடமும் கூறுவேன்.

முடிவுரை :

எனவே, மேற்கண்ட பிரச்சினைகளால் நாம்தான் பாதிக்கப்படுகிறோம் என்பதை உணர்ந்து, அதற்கான தீர்வினை நாம் கடைப்பிடித்தால் மட்டுமே, நாம் சந்திக்கும் அன்றாட முக்கிய பிரச்சினைகளான போக்குவரத்து, நெரிசலையும், மின்சாரம் பயன்படுத்தும் குறைக்க முடியும். எனவே, அதற்கான நடவடிக்கைகளில் ஈடுபடுவோமாக!

कोयल

कोयल तेरा स्वर है मील,
कोयल तेरा स्वर है मील,
जो सुनु में तेरी आवाज
दिन हो जाए मेरा खास,
तपती धूप में तपती गरमी में
जब करती हूँ सफर रासते पर
दूर कहीं पेड़ पर बैठी,
बुलाती है तु मुझको तब,
सुनकर तेरा बुलावा,
शांत होता है मन मेरा,
सोचती हूँ तब काश मैं भी,
होती आजाद तेरी तरह,
मेरी कोयल आजाद है तु,
जा उड़ जा उस शांत गगन में
तु है पंछि, आजाद पंछि,
जा उड़ जा उस शांत गगन में
देखूँ तुझे जब, सोचूँ मैं तब,
कितना निर्मल जीवन है तेरा,
काश मुझे भी मिलता जीवन तेरे जैसा,
काश होती आजाद मैं तेरी तरह ।

जिन्दगी की सीख

जिन्दगी बहुत कुछ सिखाती है
कभी हँसाती है, कभी रुलाती है
खुद से भी ज्यादा किसी पर विश्वास मत करना
क्योंकी अंधेरा में तो परछाई भी
साथ छोड़ देती है।

मुहब्बत

जबसे जाना है तुमको
वैन हमारा खोया है
जबसे मिली है नजर तुमसे
हर जगह तेरा ही चेहरा नजर आया है
मुहब्बत सी हो गई है इस दिल को तुमसे

जबसे तुम्हें अपना माना है।

कहते हैं तारे गाते हैं

कहते हैं तारे गाते हैं ।
सन्नाटा बसुधा पर छाया
नभ में हमने कान लगाया ।
फिर भी अगणित कणों का
यह राग नहीं हम सुन पाते हैं ।

कहते हैं तारे गाते हैं ॥
स्वर्ग सुना करते यह गाना
पृथ्वी ने तो बस यह जाना,
अगणित ओस कणों में
तारों के नीरव आँसू आते हैं ।
कहते हैं तारे गाते हैं ॥

ऊपर देव तले मानवगण
नभ में दोनों गायन-रुदन
राग सदा ऊपर को उठता,
आँसू नीचे झर जाते हैं

कहते हैं तारे गाते हैं ॥

भारतीय जनजातियाँ की सांस्कृतिक विशेषताएँ

मानव का अस्तित्व का आधार धरती ही है। इसी के फलस्वरूप मानव तथा उसकी विभिन्न जातियों के व्यक्तित्व का विकास हुआ है। धरती से ही इन जातियों को आदिकाल से भोजन, वस्त्र, आवास इत्यादि की सुविधाएँ मिलती आ रही हैं। प्राकृतिक वातावरण का मानव-जीवन पर अत्यंत महत्वपूर्ण प्रभाव पड़ता है। प्रसिद्ध भूगोलवेत्ता प्रो० सिरिल वर्ट ने मानव और वातावरण का संबंध बताते हुए कहा है - प्राकृतिक एवं सामाजिक वातावरण से है।

भारत की विभिन्न जनजाति भाषाओं में जाति का अर्थ कबीला है। इन कबीलों में सामाजिक रीति-रिवाज, जन्म, विवाह, मृत्यु आदि से जुड़े विधि-विधानों एवं धार्मिक मान्यताओं आदि में आश्चर्यजनक रूप से समानता है। जाति से अलग जनजाति कि परिकल्पना भारत में पुरानी नहीं है। कबीला के लिए संताली भाषा में जात एवं जाति, कुकी, कोन्चक नागा, एवं गारो भाषाओं में जात, खासी भाषा में (का) जाइद एवं त्रिपुरी भाषा में जाइति, दफा एवं हदा शब्द प्रयुक्त होते हैं।

भारत में जनजातियों की संख्या अन्य जातियों की अपेक्षा अधिक है। ये लोग वन वस्तु संगृहीत करके, शिकार करके, मछली पकड़कर या बहुत ही साधारण प्रकार की कृषि द्वारा अपना जीवन निर्वाह करते हैं। भारतीय संविधान की धारा 2 का सम्बन्ध अनुसूचित जनजातियों से सम्बन्धित एक विशेष व्यवसायी से है। उसमें अनुसूचित जनजातियों की परिभाषा करते हुए कहा गया है की इनमें वे जनजातियों, जनजातिय सम्प्रदाय या जनजाति और जनजातिय समुदायों के समुह या वर्ग शामिल होंगे जिन्हें राष्ट्रपति सार्वजनिक अधिसूचना द्वारा घोषित करेंगे।

SANSKRIT ASSOCIATION REPORT (2011 - 2012

The Bhagavad Gita - " The Song Divine " is the most precious gift from God for the salvation of mankind. Every year our students are getting a golden opportunity to recite one of the chapters of Gita on the occasion of the Gokulashtami day celebration and few slokas from Gita are recited on every friday in the Sarvodaya prayer.

In the month of February Mr.M.V.Mohan Samskrita Bharati addressed our Sanskrit students. He spoke about the Sarala - Samskritam and encouraged the students to develop their talents and communication skills. It was very interesting, inspiring and informative.

Students brought many laurels to the college by winning many prizes throughout the year.

We thank God Almighty for showering his blessings in all our endeavours and I pray to him to make our future ones also fruitful.

THE SUBTLE BODY

THE FOURTEEN NADIS;

The sushumna nadi along with ida and pingala nadis to her left and right respectively, are the three principal channels of the subtle body. These three branch into fourteen main nadis, which in turn divide into the many thousands of nadis which fill the entire systems. Located with in the central nadis, or chakras. These chakra s operate in close conjuncton with the nadis.

The sushumna in the main subtle energy channel of the pranavaha nadi, Which deals with the physiological qualities. Realted to the parasyrpathetic nervous system. The sushumna and three other pranavha nadis are the carries of the vital life force known as prana. The meridians in acupuncture are analogous to pranavaha nadis. The parasympathetic and sympathetic systems of the body would be rendered inoperable without the life currents of prana, without which there is no impression of consciousness.

The ten manovaha nadis deal with psycholgal qulities and are realted to the sympathetic nervous system. They are conduits of energies pertaining to the mind. While these two systems function inseparably, they are dealt with individually for the purpose of clarity. These two systems operate together since the mind is controlled by the air of prana. SUSHUMNA NADI; The sushumna nadi, located within the spinal cord, begins at the pelvic plexus and ends in the space of the cerebrospinal axis between the two hemispheres of the brain. The seven charkars of the body are aligned along the sushumna nadi from the top of the head to the coccy. Left of the sushumna is the ida nadi, and on the pingala nadi. Ida represents the feminine principle, which is the solar lunar energy ;pingala depicts the masculine principle, which is the solar energy

ARCHITECTURE - शिल्पशास्त्रम् अथवा वास्तुविद्या

(2011-2012)

वास्तुविद्या or Architecture attained a very high stage of development in Ancient India and we have a good literature on the subject. Ramayana speaks of town planning and the construction of palaces and forts with fort- walls, moats and towards for defence. In Mahabharatam युधिष्ठीर is said to have built the town इन्द्रप्रस्थ according to a very detailed plan. The huge temples of south India, the stupas, Chaityas and Viharas of the Buddhists and Jains are monuments of Indian architecture.

मयमतम् सनत्कुमारवास्तुशास्त्रम् and मानसारः are some of the early works on Architecture and sculpture. समराड.गणसूत्रधारः of king Bhoja of the 11th century A.D. शिल्परत्नम् of sri Kumara of the 16 th century A.D. are two later worka on Architecture. There are other works such as मनुष्यालयचन्द्रिका, वास्तुमण्डन प्रासदमण्डन etc.. Which deal with different branches of शिल्पशास्त्रम्.

Painting was practised in ancient India to perfection. There are many reference to painting in classical literature and there is no drama in sanskrit in which painting is not mentioned. There are also beautiful painting in temples and in the caves of Ajanta which bear testimony to the perfection

Achieved in this art. But at present there is no work avilable to represent this art.

धनुर्वेद वास्तुविद्या and painting are all subjects closely related to अर्थशास्त्रम्.

AYURVEDA

Ayurveda *the science of life* has been prevalent in India and its neighbouring countries, since time immemorial. According to Ayurveda health can not be a negative approach of keeping the body free from diseases, but a positive one enjoying an uninterrupted sense of physical, mental and spiritual happiness. It is therefore a way of living.

Man should live for a minimum life span 100 years. He should not be deprived of vigor with normal reflection of sense and vitality even in old age and to achieve this, one should follow the rules of Ayurveda. The goal of Ayurveda is the maintenance of health and to treat the diseased state. Health is defined very clearly in Ayurveda as a well balanced metabolism with a happy state of being, with sense & the mind. The harmonious functioning of body- mind and the soul indicates health, and disease is the imbalance of integrated functioning of the body and vitiation of dosha are due to indulgence in various habits (improper) and acts of genetic factors. Diseases are broadly classified in to two categories they are-

1) NIJA, 2) AGANTUJA NIJA means due to internal factors and AGANTUJA means diseases caused by external factors, both vitalise the doshas.

In a normal healthy person the entire body is nourished, regulated, and protected by three doshas. These vatadi doshas are also have their centre place of activation and are subdivided in five types according to their location and function. These three doshas are also responsible for stomatic constitution of a person (DEHA- PRAKRITI). some pictorial representation of the above doshas and guna's activation is given below.

TRIDOSH

DEHA+
PRAKRITI

VATA
PITTA
KAPHA

TRIGUNA

MANAS +
PRAKRITI

SATVA
RAJAS
TAMAS

Psycho-somatic
Constitution.

These doshas are influenced by kala (time) Desh (place), Age, Ahar (diet) Bihar (activities), Vichar (thought) and (vikar) Diseased states.

VATA: Vata is one of the dosha mainly arose due to suppression of natural urges, excessive libido, cool, dry, spicy, bitters doet in excess, cold water bath, over exertion, anxiety, and loss of body fluid due to any reason.

PITTA; pitta is due to acidic, spicy, salty diet in excess irregular meal. It can occur due to anger, fear, phobia, sun exposure in excess, Hot climate, synthetic diet, preservatives, chemicals, alcohol, tea, coffee in excess.

KAPHA; kapha dosha is due to sleeping in day time sedentary and luxurious life, fatty, vily sweet, ceremany diet, heavy diet, milk curd, over weight. There are the three basic dosha which emits various diseases in our body. Disease occur when there is any imbalance integration in our body. We have many diseases in each part of our body. Some diseases are cured and some diseases are not cured and such vaccines are searched through the way of Ayurveda. Ayurvedic medicines are more effective to cure the heavy diseases like cancer, tumour's etc. Now-a-days we can see many people's are affected by diseases in the respiratory systems and many death's occur due to cardio vascular disease. But this can be cured through the medicines of Ayurveda. But it was not popularised because of English medicines.

Rudrâksa Jâbâla Upanisad

Rudrâksa Jâbâla Upanisad and begin with the following Santi mantra.

ॐ आप्यायन्तु ममाङ्गानि वाक्प्राणश्चक्षुः

श्रोत्रमथो बलमिन्द्रियाणि च ॥ सर्वाणि सर्वं ब्रह्मोपनिषदं
माहं ब्रह्म निराकुर्यां मा मा ब्रह्म निराकरोदनिराकरणमस्त्वनिकरणं

Meaning

Om ! Let my limbs and speech, Prana, eyes, ears, vitality

And all the senses grow in strength.

All existence is the Brahman of the Upanishads.

May I never deny Brahman, nor Brahman deny me.

Let there be no denial at all:

Let there be no denial at least from me.

May the virtues that are proclaimed in the Upanishads be in me,

Who am devoted to the Atman; may they reside in me.

Om ! Let there be Peace in me !

Let there be Peace in my environment !

Let there be Peace in the forces that act on me !

Rudraks and its benefits

Bhisunda questioned Lord Kalagnirudra: What is the beginning of Rudraks beads? What is the benefit of wearing them on the body?

Lord Kalagnirudra answered him thus: I closed my eyes for the sake of destroying the Tripura Asuras. From my eyes thus closed, drops of water fell on the earth. These drops of tears turned into Rudraksas.

By the mere utterance of the name of 'Rudraks', one acquires the benefit of giving ten cows in charity. By seeing and touching it, one attains double that benefit. I am unable to praise it any more. I closed my eyes one thousand celestial years. Then from my eyelids, drops of water dropped down and attained the state of immobility for blessing the devoted persons.

This Rudraks destroys the devotees' sins that are committed both night and day, by wearing it. By mere vision of the Rudraks, the benefit will be say, a lac. But by wearing them, it will be a crore. Why, it will be equal to hundred crores.

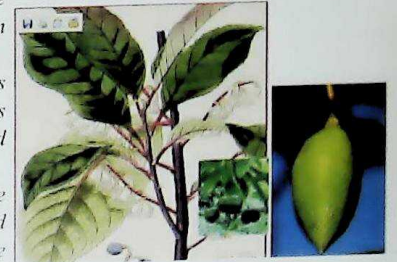

Varieties of Rudraks

It will be a thousand lacs of crores and hundred lacs of crores times powerful when one does Japa with Rudraks and wears it at all times.

Among Rudraks, one as big as Amalaka (myrobalan), is considered to be the best. One as big as the Badari fruit (Indian berry) is considered to be of the middle sort. But that as big as Chana (Bengal gram) is considered to be the worst of all.

The four kinds of people, Brahmins, Kshatriyas, Vaisyas and Sudras are born as merely a worthless burden on the earth. The real Brahmin is the white Rudraks. The red is a Kshatriya. The yellow is a Vaisya. And the black is a Sudra.

Therefore, a Brahmin should wear white Rudraks, a Kshatriya the red, a Vaisya the yellow and a Sudra the black.

One should use those Rudraksa-beads which are nice, handsome, strong, big, auspicious and thorny. One should avoid those eaten by worms, broken, without thorns, and having sores. The self-holed Rudraksha is of the best variety. But that which is holed by man's attempt, is considered to be worse. Those best Rudrakshas should be strung in white thread.

How to wear Rudraksa

A worshipper of Siva should wear Rudraksa all over the body. He should wear one bead on the crest, three hundred round the head, thirty-six round the neck, sixteen round each arm, twelve round the chest and five hundred round the waist. He should wear a Yajnopavita consisting of one hundred and eight beads of Rudrakshas. He should wear two, three, five or seven Malas of Rudraksa round the neck.

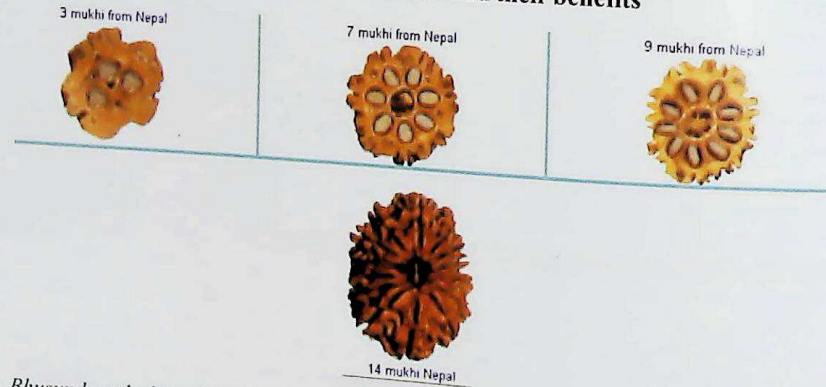

A Siva-Bhakta should wear Rudrakshas round his crown, ear-ring, chain, round the ear, armband, at all times, and specially round the stomach, irrespective of the fact whether he is sleeping, drinking, etc.

If the devotee wears three hundred beads, it is the worst, if he wears five hundred it will be medium, but one thousand will be the best of all.

The devotee, when wearing Rudrakshas on the head, should repeat his Ishta Mantra and when wearing them round the neck, should repeat the Tat-Purusha Mantra and when wearing round the throat, should repeat the Aghora Mantra. The same Mantra (Aghora) should be recited when wearing round the chest also.

He should wear them round the arms with the Aghora Bija Mantra.

Various faces of Rudraksa and their benefits

Then again Bhusunda asked Lord Kalagnirudra: What are the different forms and effects of Rudraksa beads? Please tell me about the secret of these blessed ones including their various faces, which is the means of getting rid of all evil.

शिखायामेकरुद्राक्षं त्रिशतं शिरसा वहेत् ।
षट्त्रिंशतं गले दध्यात्वाहोः षोडशषोडश ॥
अष्टोत्तरशतैर्मालामुपवीतं प्रकल्पेत् ।
द्विसरं त्रिसरं वापि सराणां प चकं तथा ॥

Lord Kalagnirudra said:

- **The bead with one face** is of the form of the Supreme Truth. A disciplined one (controlling his senses) mingles himself with the one Eternal Truth, after wearing these Rudrakshas.
- **The bead with two faces** is of the form of Ardhanarisvara and the devotee wearing it attains the grace of Ardhanarisvara (Siva united with Sakti).
- **The bead with three faces** is of the form of the three fires and the devotee wearing it attains the grace of Agni.
- **The bead with four faces** is of the form of the four-faced Brahma and the devotee wearing it attains the grace of Brahma.
- **The bead with five faces** is of the form of Panchabrahman (the five-faced Siva) and the devotee wearing it attains the grace of Panchabrahman and drives away the sin of homicide.
- **The bead with six faces** is of the form of the six-faced Kartikeya or Ganesha and the devotee wearing it attains the grace of wealth and health, clear intellect and wisdom, and purification.
- **The bead with seven faces** is of the form of the seven Matras (Mother Goddesses) and the devotee wearing it attains the grace of wealth and health, right perception, and purity of mind.
- **The bead with eight faces** is of the form of the eight-fold Nature (five elements, mind, ego, and matter) or the eight Vasus and the devotee wearing it attains the grace of these Devatas and becomes truthful.
- **The bead with nine faces** is of the form of the Nava-Saktis and the devotee wearing it attains the grace of the nine Powers.
- **The bead with ten faces** is of the form of the ten Yamas means used by Yogins and the devotee wearing it attains the grace of achieving peace of the mind.
- **The bead with eleven faces** is of the form of the eleven Rudras and the devotee wearing it attains the grace of increase well-being and wealth.
- **The bead with twelve faces** is of the form of Mahavishnu or the twelve Adityas and the devotee wearing it attains the grace of Moksha.
- **The bead with thirteen faces** is of the form of the Kama (Cupid or the god of Love) and the devotee wearing it attains the grace of Cupid in gratifying all desires.
- **The bead with fourteen faces** is of the form of Rudra being generated out of his eyes and the devotee wearing it attains the grace of destruction of all diseases.

One who wears Rudrakshas, should not use intoxicants, meat, garlic, onions, carrots and all such prohibited things. By wearing Rudrakshas during eclipses, Vishusankranti (the end of Mina and beginning of Mesha Masa), new moon, full moon and other such auspicious days, one is freed of all sins.

Rules of wearing Rudraksa

"The base of the Rudraksa bead is Brahma, its navel is Visnu, its face is Rudra and its hole consists of all gods."

One day Sanatkumara asked Kalagnirudra: "O Lord! Tell me the rules for wearing Rudrakshas". At that time Nidagha, Jadabharata, Dattatreya, Katyayana, Bharadvaja, Kapila, Vasishtha, Pippalada, etc., came to Kalagnirudra. Then Lord Kalagnirudra asked them why they all had come in a group. They all answered that they came to hear the method of wearing Rudrakshas.

Kalagnirudra said: Those that are born out of Rudra's Akshis (eyes) are called Rudrakshas. When these beads are even once touched by hand, one attains the glory of giving in charity two thousand cows at a time. When they are worn in ears, he gets the effect of giving out eleven thousand cows in charity. He also attains the state of the eleven Rudras. When the beads are worn on the head, one has the benefit of giving a crore of cows in charity. Of all these places, I am unable to tell you the benefit when worn in the ears.

Fruit of reading Rudraksa

पङ्कितशतसहस्रपवनो भवति । शिवसायुज्यमवप्नोति । न च

पुनरावर्तते न च पुनरावर्तत इत्योसत्यमित्युपनिषत् ॥

Whoever studies this Rudraksha Jabala Upanishad, be he a boy or a youth, becomes great. He becomes the Guru of all and the teacher of all Mantras. Havan and Archana should be done with these Mantras (of the Upanishad).

That Brahmin who recites this Upanishad in the evening, destroys the sins committed during day time; who recites at noon, destroys the sins of six births; who recites in the morning and evening, destroys the sins of many births. He attains the same benefit of doing six thousand lacs of Gayatri Japa. He becomes purified from all sins of killing a Brahmin, drinking toddy, stealing gold, approaching Guru's wife, having intercourse with her, speaking with corrupted person, etc. He gets the benefits of all pilgrimages and river-baths. He attains Siva-sayujya. He does not come back (to rebirth).

Daksinamurti-Upanisad

Dakṣiṇāmūrti Upanisad begins with the following Santi mantra.

ॐ सह नाववतु सह नौ भुनक्तु ॥ सह वीर्यं करवावहे ॥

तेजस्विनावधीतमस्तु मा विद्वेषावहे ॥

ॐ शान्तिः शान्तिः शान्तिः ॥

Meaning

Om ! May He protect us both together; may He nourish us both together;

May we work conjointly with great energy,

May our study be vigorous and effective;

May we not mutually dispute (or may we not hate any),

Om ! Let there be Peace in me !

Let there be Peace in my environment !

Let there be Peace in the forces that act on me !

General Substance

This Upanishad belongs to Kṛsnayajurveda. Lord Siva has been highlighted in this Upanisad. It is in the form of questionnaire, between the Saunaka etc. hermit and the sage Markandeya.

आदौ वेदादिमुच्चार्य स्वराद्यं सविसर्गकम् ।

प चार्णं तत उद्धृत्य अन्तरं सविसर्गकम् ।

अन्ते समुद्धरेत्तारं मनुरेष नवाक्षरः ॥

A description of hymn containing twenty-four letters, nine letters, eighteen letters as also twelve letters has been given in continuance.

Once upon a time, hermits Saunaka and others have commenced a long sacrifice under a banyan tree namely Mahabhandira in the country of Brahmaparvata. In order to acquire the knowledge, these hermits raised a question before the long-lived hermit Markandeya.

How had you acquired the long life and tell us that how you feel the infinite pleasure with your life?

He said that it is because of the secret knowledge about Siva which has bestowed me long life. The hermits again asked about the secret of Siva who is God? What are the hymns to worship him? "What is the Japa? What is the Mudra? What are the practices? What is the means to attain that knowledge? What are the requirements? What is the offering? What is the time for the recital? What is the suitable place to worship Siva?"

Siva the Dakshinamukha :

The hermit Markandeya replied- the knowledge about most mysterious Siva is Dakshinamukha. The god of this knowledge is competent to cover this whole universe within him at the time of great devastation (Mahapralaya) and he always live self-luminating and self enjoying in the soul.

Secret Hymns for Siva

The hymns revealing the secret has been now described. Lord Brahma is a sage who authored it on Dakshinamurthi, Gayatri is the metre and the God is Dakshinamukha. One should chant hymn on the entire organs of the body by doing Anganyasa and Karanyasa.

Then the Manu hymn of twenty four letters is to be recited.

"Om namo Bhagavate Dakshinamurtaye mahym medham prajnam prayaccha Svaha.

Vairagya-Bhakti

Those hermits again raised a question before sage Markandeya that how does it arise? What is nature? And who is its priest?

Saint YaJnvalkyia replied- "A lamp of knowledge of the oil of detachment and the Vartika (the cotton strip) of devotion luminates with the inspiration (fire) of knowledge i.e. the equally omnipresence of divine entity is seen in the form of soul. The knowledge, devotion and the detachment are the essential ingredients for perceiving the god. The lamp of the soul automatically starts luminating because with entrance of these ingredients, the darkness of ignorance is removed forever.

Brahma worshipped and got creative power

The Prajapati lord Brahma had worshipped just at the beginning of the creation (srsti) to Dakshinamukha Siva. He could get the power to create this universe as a result of this worship.

OM TAT SAT

The three words *om tat sat* are uttered in conjunction with the holy name of the Supreme Lord, e.g., *om tad visnoh*. Whenever a Vedic hymn or the holy name of the Supreme Lord is uttered, *om* is added. This is the indication of Vedic literature.

These three words are taken from Vedic hymns. *Om* ity etad brahmano nedistham nama indicates the first goal. *Then tat tvam asi* indicates the second goal. *And sad eva saumya* indicates the third goal.

Combined they become OM TAT SAT

Formerly when Brahma, the first created living entity, performed sacrifices, he spoke these three names of the Supreme Personality of Godhead. The same principle holds by disciplic succession. So this hymn has great significance.

Bhagavad-gita recommends, therefore, that any work done should be done for *om tat sat*, or for the Supreme Personality of Godhead. When one performs penance, charity, and sacrifice with these three words, he is acting in Krsna consciousness

Some of the slokas from *Bhagavad Gita* :

ओं तत्सदिति निर्देशो ब्रह्मणस्त्रिविधः स्मृतः ।
 ब्राह्मणास्तेन वेदाश्च यज्ञाश्च विहिताः पुरा ॥
 तस्मादोमित्युदाहृत्य यज्ञदानतपः क्रियाः ।
 प्रवर्तन्ते विधानोक्ताः सततं ब्रह्मवादिनाम् ॥
 तदित्यनभिसन्धाय फलं यज्ञतपःक्रियाः
 दानक्रियाश्च च विविधाः क्रियन्ते मोक्षकाङ्क्षिभिः॥
 सद्भावे साधुभावे च सदित्येतत्प्रयुज्यते ॥
 प्रशस्ते कर्मणि तथा सच्छब्दः पार्थ युज्यते ॥
 यज्ञे तपसि दाने च स्थितिः सदिति चोच्यते ।
 कर्म चैव तदधीर्यं सदित्येवाभिधीयते ॥
 अश्रद्धया हुतं दत्तं तपस्तप्तं कृतं च यत् ।
 असदित्युच्यते पार्थ न च तत्रैतत् नो इह ॥

Meaning :

OM, TAT and SAT this has been declared as the triple appellation of Brahma, who is Truth, Conscious and Bliss. By that were the Brahmanas and the Vedas as well as sacrifices created at the cosmic dawn. Therefore acts of sacrifice, charity and austerity, as enjoined by sacred precepts are always commenced by noble persons, used to recitation of vedic chants, with the invocation of the divine name OM.

With the idea that all this belongs to God, who is denoted by the appellation TAT, acts of charity of various kinds, as performed by the seekers of liberation, expecting no return for them.

The name of God SAT, is used in the sense of reality and goodness. And the word SAT is also used in the sense of a praiseworthy, auspicious action, Arjuna.

And steadfastness in sacrifice, austerity and is likewise spoken of as SAT and action for the sake of God is verily termed as SAT

An oblation which is offered, a gift given, an austerity practised, and whatever good deed is performed, if it is without faith, it is termed as naught that is 'ASAT' therefore it is of no avail here or hereafter.

Thus in the Upanishad sung by the lord, the Science of Brahma, the scripture of Yoga, the dialogue between Shri Krishna and Arjuna, ends the seventeenth chapter entitled "The yoga of the Division of the Threefold Faith".
