THE COLLEGE CREST

The College Crest is enshrined within a lotus in full bloom represent the cult of the devotion preached by Mahaprabhu Vallabhacharya. At the centre of the Crest is a sacrificial fire, which symbolises the Lord himself 'Yagna Vai Vishnu'. The Lord is reached through the three steps of the altar signifying KSHARA, AKSHARA and POORNA PURUSHOTHAMA. The Volume at the foot of the altar stands for the Book of Knowledge (the Veda) and the three flowers on it show the factors that conduce to the accumulation and propagation of Knowledge, Intelligent Action and Material Resources. The aim of the College is the realisation of the Supreme Truth and this is embodied in the College Motto taken from Srimad Bhagavatam.

'SATYAM PARAM DHEEMAH!'
The colours are flaming red and sky blue.

Editorial

"Educationists should build the capacities of the spirit of inquiry, creativity, entrepreneurial and moral leadership among students and become their role model"

-Dr. A.P.J. Abdul Kalam

In the present scenario quality education is an essential pre requisite for a sustainable and responsible development of the society. The teaching pedagogy requires to be changed and improved to meet the demand of the academic. Department of History, Dept. of Statistics, Dept. of Physics, Dept. of Plant Biology & Plant Biotechnology, Dept. of Computer Science and Dept. of Commerce are upgraded into Research Departments. (leading to Ph.D.). Vaishnav College will soon share its expertise and resources with other institutions through various collaborative research. The momentous occasion of the year 2012-13 is the signing of MOU with Saurashtra University in the glorifying celebrations of 'Vibrant Gujarat'. We are proud to acknowledge that Swetha Balakrishnan of II M.Sc Pl.Biology & Pl.Biotechnology presented the paper in the International Conference in Ipoh, Malaysia.

At Vaishnav we create benchmarks in excellence not only in studies but also in sports and games. We are proud of Sankari, Thenmozhi and Pavithra of B.Com, who participated in the Football Match in Poland. We assess our students' strength and weakness in academics and aptitude and we address their needs through bridge courses, certificate courses and modules on personality development. The excellent academic record of our students is translated into fruitful career in several corporate. The placement record for 2012-13 is 642. UGC sponsored certificate courses on Women Entrepreneurship is offered to flourish the goal of earning capability by developing our students' business and marketing skills.

Education should be valued because it enables a society to live better, both materially and morally besides quenching the innate thirst for knowledge. Every student should create a space for self in the society with hardwork, dedication, perseverance, zeal to excel and above all the tolerance which will reward. Carry yourself with dignity, pride and honour. Dream big and strive hard to realize them.

COLLEGE DAY REPORT

Respected Chief Guest and Honourable Chancellor & Founder of VIT University, Revered Secretary, Respected Chairman, Revered Chairman, Cork Industries, distinguished members of the Management Committee, members of the Teaching and Non-teaching fraternity, retiring staff, alumnae, well wishers of the college, members of the press and my dear students, on behalf of SDNB Vaishnav College, I extend a very warm welcome to this 45th College Day. I am deeply jubilant to present you the 45th annual report of SDNB Vaishnav College.

I thank the Almighty for guiding us in achieving many laurels this academic year also.

"Thinking is progress, non-thinking is stagnation of individual, organization and the country. Thinking leads to action, knowledge without action is useless and irrelevant, knowledge with action converts adversity into prosperity."

- **A.P.J Abdul Kalam**

Education in the present day is a great challenge and as quoted above knowledge with action is the basis of present and future education modules. Therefore, it is imperative that one should develop originality, divergent thinking, flexibility to achieve mission in life and to reach excellence. Keeping this in mind our College focuses on education along with discipline and moral values. The policy of strengthening and widening the prospects of the socially and economically disadvantaged first generation learners from rural background is well wrought and efficaciously implemented by SDNB Vaishnav College with full throttle.

Genesis of the College

Shrimathi Devkunvar Nanalal Bhatt Vaishnav College for Women was started in 1968 with the generous donation of 10 acres of land by our Late Founder Chairman Shri Nanalal Bhatt and 6 lakhs donated by Cork Industries Charities Trust. The College stands in the name of our Late Founder Chairman's beloved wife Shrimathi Devkunvar. The College has efficiently rendered four decades of dedicated service to the cause of women's education. Self-financing undergraduate courses under Evening structure were started in 1984-85 and at the Postgraduate level in 2001. The College houses many Research Departments that help our research oriented students to explore new avenues and equip them to scale greater heights in their life. The College was accredited to 'A' grade in 2006 and re-accredited to 'A' Grade in 2011 by NAAC. The Autonomous status was conferred by University of Madras in June 2006. Total strength of the College including Day and Evening is more than 4300. Our College is providing education to vulnerable sections of the society with equity and inclusion.

Management Committee

Our College Secretary Shri.Chandrakant M. Tolia is a task-master in delegating and meticulously monitoring many tasks with checks and balances. Our dynamic College Chairman Smt. Mamta D. Bhatt strives to create healthy and eco-friendly environment both in the College as well as in the hostel.

Infrastructural development

General infrastructure is the most crucial component of teaching-learning process. Our College Secretary is the main architect of this Institution and he has planned & designed the IT block, Hostel, Media block, Autonomous block, Mini Auditorium and Indoor stadium. The College also has Medicinal Garden, Rain Water Harvesting, Chemistry Lab, Auditorium, Edit room, Controller Office, Physics Lab, Computer Lab, English Language Lab, Canteen, Placement Cell, ESRM Lab, Microprocessor Lab, Vis-Com Lab, Biology Lab, Library, Preview Theatre, Photography Lab and Television Video Production Room.

Mushroom cultivation on a small-scale is maintained by the Dept. of PB&PBT. Harvested edible mushrooms are used for making soup and other dishes by the Department. We have applied for the same course to the UGC, under career oriented programme.

Research Departments

Our Research Departments were formally inaugurated by the then Vice Chancellor Col.Dr.G.Thiruvassagam, University of Madras on 17th August 2012. I consider it as an honour to acclaim that Dept. of History and Tourism, Dept. of Statistics, Dept of Physics, Dept of Plant Biology and Plant Biotechnology, Dept. of Computer Science and Dept. of Commerce have been upgraded as Research Departments. I am proud to place on record that this academic year, University of Madras has granted Ph.D guideship to 19 staff members. Adding to this, 17 are recognized as M.Phil supervisors in Day stream and 8 Supervisors in the Evening stream.

Memorandum of Understanding [MOU]

In this knowledge age one cannot be appeased with one's stagnated knowledge. In the process of learning, especially educational Institutions should join hands with other Institutions for the betterment of students. One of our highlights of this academic year is the signing of MOU with the Saurashtra University, Gujarat. I proclaim that we tread on various academic- acclaimed paths in the years to come, through exchange programmes and collaborative research activities.

Autonomous Review by UGC Expert Committee

Autonomous Review Committee constituted by the University Grants Commission visited our College on 23/3/13 and 24/3/13. We received appreciation from the committee, for the commitment of the College in imparting quality education to the students, using the autonomous status. We are awaiting the results.

Internal Quality Assurance Cell [IQAC]

IQAC Coordinators

IQAC remained very active throughout the year in anticipation of the UGC Autonomous extension visit, consolidating the documentation process & ensuring infrastructural upgradation.

IQAC Seminar

In this economic-driven world, the gap between the corporate and institutions should be filled meticulously now and then. We train our students to equip with required resources to face the corporate with zeal. Our IQAC periodically conducts various programmes to groom our students to step into the corporate world confidently. The cell organized a two-day National Seminar on Industry and Institute Relationships for which doyens from various fields shared their expertise with our students. The Seminar was inaugurated by Dr.M.K. Padalia, Vice-Chancellor, Saurashtra University and Dr. Alok Chakrawal, IQAC coordinator of Saurashtra University delivered the keynote address. Dr. Latha Pillai, Advisor NAAC, Bangalore, spoke about the Quality Enhancement in Industry- Institute Linkages. The other speakers of the Seminar were Dr. K.V. Rajendran, Advisor Neophyll Agrisciences Pvt. Ltd., Mr. M. Arul Raj, Entrepreneur, Proprietor of Pasumai Agam, Mr. U. Sudhir Lodha, MD- Lodha Motors & Member of State Minority Commission and Mr. B. Raghava Srinivasan, Asst. General Manager, Academic Initiative, ICTACT.

Academic Activities (BOS, Academic Council, Governing Body)

Board of Studies meet annually to design and develop syllabi which are career oriented with enriched contents which is approved by the Academic Council and the Governing Body of our College. This year the above meetings were held in the month of July and August, 2012.

UGC - Career Oriented Certificate & Diploma Courses

We understand that only academic certificates cannot fetch one a desirable job. Keeping this mind, we have been introducing many Career Oriented Certificate Courses to our students. This academic year proposals have been presented in New Delhi to the UGC selection committee, for Career Oriented Certificate and Diploma Courses like Air Cargo Management, Fashion Designing, Technical Writing, Preparation of various Dairy products, Health and Fitness, Medical Laboratory Technician Course, Mushroom Cultivation, Web Applications Development and Entrepreneurship. We are awaiting the approval by UGC.

Faculty Achievements

The quality of education largely depends on the quality of teachers. In pursuit of knowledge and excellence, our teachers always evince keen interest in their professional development.

- **UGC funding for major project**—Dr. G. Rani has been sanctioned Rs.11,58,300/- towards major research project by UGC New Delhi.

- **DST Project** - Dr. K. Pushkala, Dept of Zoology has been sanctioned DST Project.

My special congratulations to Reshma. R, Shridevi. G, Yogambal. K, and Anushka. J of the Dept of Mathematics for winning first four places respectively, in the Math Talent Test conducted by Srinivasa Ramanujan Academy.

M. Yogeshwari, of II BSc Computer Science [Eve] Won I Prize Rs.10,000 in the Oratorical competition in Tamil organized by Government of Tamil Nadu at a district level competition. She has also won Rs.10,000 as I prize in the Oratorical competition in Tamil on the teachings of Gurunanak Devji organized by Gurunanak College. III BSc PB&PBT students participated in the Ikebana workshop at Lalith Kala Academy. Our students have presented papers, models and posters in various National Level Conferences. Our students have also participated in several national and intercollegiate competitions.

College Activities

Throughout the academic year our College was buzzed with a plethora of activities that facilitated our students to enrich their inter and intra personal skills.

Muthamizh Vizha

Muthamizh Vizha was marked with great aplomb. To revive the significance of the three genres of literature a grand two day programme witnessed the presence of eminent guests like Dr.Tamilaruvi Manian, T.K.S.Kalaivanar, Dr.Pa.Ravikumar, Poet Yugabharthi, and litterateur Kumarianadhan. Panduragan Vijayam a musical drama was a visual treat to the audience. Various competitions for students were conducted to mark the celebrations.

Quiz Club

The club conducts various quiz competitions throughout the year for both Day and Evening College students and helps its members to hone their quizzical caliber. The Objective of the Quiz Club is to motivate the students on various Quiz topics such as General Awareness, Aptitude, History, Sports, Personalities etc.

Environ Club

'Go Green Process' is the motto of our College Environ Club. The Environ Club members of our College adopt Reduce, Recycle, Reuse technique to make our campus a haven on earth. With the initiative of the club, a model rain water harvesting system based on Japanese technology is implemented on our campus to save everyday of rain water.

Vaishnav Consumer Club

The Club aids its members to have awareness about consumerism. The Club was inaugurated by Kizhambur Shri. Sankara Subramanian, Editor Kalaimagal on 7th August 2012. The Club organized a Seminar on Consumer Protection and a Workshop on Food Safety. Many experts from the field were the invited speakers and they threw light on various crucial issues pertaining to consumer vigilance.

Academic Organizations

Under academic organization several Committees are in existence for streamlining the functionality of student related activities.

- Research Committee
- Ethics Committee
- Grievance Redressal Committee
- Public Relation Committee
- Training & Development Committee
- Ragging Redressal Committee
- Consumer Club
- Environ Club

Best Practices

- Students undergo counselling sessions regularly.
- Ward system exists in every department in the ratio 20:1.
- Hostel inmates undergo regular medical check-up.
- Bridge course is offered for first year students to improve their English language skill.
- Remedial Coaching is offered to deserving students.
- NET/SET coaching for PG students and staff of self financing stream.
- About 12 staff members of self financing stream have cleared the NET/ SET exam.
- Free newspapers for all hostel students & commerce students.
- Preferential option for poor & first generation learners in admission.

Certificate Courses

With a goal to enable students of the socially weaker sections to clear the various Governmental entrance examinations, the College organized Free IAS Coaching, Coaching for Bank and Railway Exams for SC/ST & minority students. Soft Skill courses on Communication & Yoga are also offered.

College students' Union Activities

The Union was inaugurated by Mr.Thayumanasundaram, United India Insurance, Chennai. The Students Union was busy throughout the year conducting various competitions, encouraging participation and promoting a congenial atmosphere on the campus by organizing Orientation Programme, Beginning School Workshop and Freshers' day for first years. Celebrating festivals like Krishna Jayanthi, Diwali, Onam and Pongal have made students to entice the traditional practices. As a mark of tribute to our Founder Chairman, Founder's Day was celebrated. Teachers Day, Voters Day, Aids Awareness Day were celebrated with a purpose of sending strong messages to the students community. To instill the patriotic fervour among students Independence Day and Republic Day were celebrated with élan. As a note of gesture our College management has extended a helping hand in sending three sports students to Australia. International Women's day was celebrated in a grand manner. Actor Lakshmi Ramachandran gave the inaugural address. Entrepreneur Dr. Rekha Shetty spoke about the importance of creativity & innovation, towards success. Dr. Uma Ram, a practicing gynaecologist, gave an enlightening speech on women's physiology, health & diet related issues. In the valedictory session Smt.Revathy Sankaran, TV personality highlighted the power of women in the present world.

Realizing the importance of computer literacy, the Tamilnadu Government has distributed laptops to our deserving II year & III year students. I am happy to place on record that, these laptops are being used effectively by our students for preparing project reports.

Sports and Games

Encouragement to sports is ample at Vaishnav College. We give special preference to Sports students during admission. The 45th Sports day was inaugurated by Mr.C.Easwaramoorthi, IPS, Deputy Inspector General of Police, CBI on 2nd Feb 2013. Our College has 133 Intercollegiate players, 65 Inter Zone players, 37 State players, 14 University Blues, 6 National players and 3 International players. Five of our students have received scholarship worth Rs. 42,500 and our College has received achievement award for the year 2012-13 from Sports Development Authority. To strengthen the relationship between our College management and the students, a friendly match was organized between management and the College Cricket team. Our energetic Former Chairman took part in the match with great enthusiasm.

Association Activities

The College also encourages on conducting and organizing activities under various Departmental Associations. Guest Lectures by eminent professors are organized to gain rich experience in the specific areas.

Cultural Activities

Fine Arts Club provides a platform to showcase students' artistic talents ebulliently.

A special appreciation to the club for selecting and training our artistic students who have won the first place in the 2013 Republic Day dance competition and received the prize from His Excellency Governor of Tamil Nadu Dr. K. Rosiah in the presence of the Honourable Chief Minister of Tamil Nadu Dr.J.Jayalalitha. Periodically, the Club conducts various competitions like Dancing, Singing, Acting, Pot painting, Glass painting, Rangoli, Face painting, T-shirt painting, Variety Entertainment, Classical dance, Fashion Parade, Wealth out of Waste, Mehandi etc. Our arty students leave an indelible insignia not only in our College but also in other Colleges by winning a galore of accolades in various cultural competitions.

Smrti

A three day of artistic and aesthetic confluence of talents was celebrated in our intercollegiate cultural fest Smrti. Mr.RajKumar Bharthi, Music Composer, Playback Singers Mr. Tippu, and Ms.Srilekha Parthasarathy and Actor Mr.Aari enthralled the audience on the Inaugural day. The valediction was festooned by Director Balaji Sakthivel, Singer Prasanna and Actor Prabha. Nearly 50 Colleges participated in various on -stage and off -stage competitions. The overall trophy was won by SRM University and the runner-up was Gurunanak College, Chennai.

NSS

The NSS unit of the College has about 200 volunteers. The unit has conducted various pertinent programmes like Blood Donation Camp, Eye Camp, HIV programme on the campus. A special appreciation to S.Aishwarya of II B.Com for participating in the South Zone youth festival in Karnataka and our College NSS team has won II place in NSS youth Health Mela. Our NSS volunteers work for and involve in environmental improvement, social integration, women empowerment, community development, health and consumer awareness.

NCC

The College has introduced Naval wing this year in addition to Air wing of NCC. Every year about 50 students enroll in NCC. Keeping up the well established tradition, our cadets this year too performed remarkably well. A special appreciation to our student Cadet Under Officer J.Sasikala of 1[TamilNadu] Air Squadron who represented Tamil Nadu, Puducherry and Andaman Nicobar Directorate and participated in the cultural programme which was performed in the presence of our Honourable President Shri. Pranab Mukherjee and received a cash award of Rs.3600/-

WEDC/ EDP

Learning by experience leaves a lasting impression. The WEDC introduces kaleidoscopic activities to students by conducting various classes every week. Embroidery, jewel making, wall hangings, decorative items, gift articles, tailoring, jute bags are few skills that enamored the students' attention. Like every year this cell conducted an exhibition to showcase the talent of its members.

Placement Service

Our College takes all efforts to organize campus interviews for the students. The Placement cell actively helps students in getting employment by inviting reputed companies to the College. I am extremely proud to inform this gathering that 653 students have been placed successfully. Training and development programmes are being conducted periodically. Students got placed in PNB METLIFE, HCL, TNQ, CTS, TCS, Wipro-Vista, Wipro-VASE, AJUBA, etc.

Hostel

Our hostel has well equipped facilities with 33 rooms and 99 students. Internet & Computer Centre facilities are provided to the students. Recreation Lounge, Reading Hall, Visitors Lounge and RO mineral water plant are provided for a comfortable living. One-day trip to MGM was organized for hostel students.

Old students Association

Alumnae Day and Retired Staff Reunion Day were organized together and the retired professors and the alumnae renewed their rapport with each other with full of affection and energy. Old students and retired professors from different disciplines shared their experiences and were nostalgic about their College life.

Bidding Farewell

Today we are bidding adieu to five of our beloved Senior staff members Dr.Geetha Natarajan, Head, Dept of Economics, Mrs.M.S.Uma Devi, Associate Professor of Economics, Ms.V.Kalavathy, Associate Professor of Chemistry, Dr.R.Kavitha, Head, Dept of Tamil and Mrs. T. Sitalakshmi, Head, Dept of PB&PBT and we congratulate them for their dedicated service to this institution. We also bid farewell to our non-teaching staff members Mrs.S.Seetha, Assistant and C.Ekambaram, Lab Assistant (Sp.Gr). We wish them a peaceful and happy retirement.

I thank the media for their support and ample coverage to all the events conducted by our College.

To conclude this annual report by expressing my gratitude to Almighty. I wish to recall the words of William Faulkner, Nobel Laureate,

"I believe that man will not merely endure; he will prevail. He is immortal, not because he alone among creatures has an inexhaustible voice, but he has a soul, a spirit capable of compassion, sacrifice and endurance."

Our rockets may reach the unknown planets; our submarines may fathom the depth of the deep seas; but still the human hearts only throb with self centeredness, hatred, greed & intolerance. Is education for mere information or transformation?

We'll! Education in SDNB Vaishnav College is for information leading to transformation of individuals, to become not only knowledgeable & responsible citizens but also with humane & moral values.

With all the success we have achieved so far we are indebted to our College management for their whole hearted involvement and encouragement in the development of the College.

The endeavours of staff and students are highly promising and fruitful. I take this opportunity to thank everyone who has been helpful to me in carrying out my mission.

THANK YOU

Eventually, I would like to record my sincere gratitude to the respected Chairman and our beloved Secretary for their continuous support. I also wish to place on record my thanks to the Management committee members and our Principal for their trust and encouragement, and without them these achievements would not have been possible. My thanks are due to the members of the sports committee who guided and rendered assistance all the time and my colleagues for their moral backing. Displaying their wholehearted support to sports and games, the members of teaching staff have instituted cash awards for outstanding sports persons and I sincerely thank them all.

I thank the coaches who volunteered to do timely and devoted service in coaching the various teams with sportsman zeal. I thank the judges for being present early today to judge the march past skills of our students.

Let me finish this brief report extending my sincere thanks to all the guests present here at this function. Finally, let me wind up congratulating all the prizewinners at this 45thAnnual Sports Day. We look forward to more guidance and directions from the Management in future also. With dedicated efforts from every corner we could spell success in all endeavours.

With hope and confidence we wish to set many more impressive records in the years to come.

Thank you.

It is my pleasure to extend the heartiest greetings & warm welcome to our Hon. Chief Guest on this Graduation Day. I also extend my personal greetings and welcome to all who have graced this occasion by your benign presence.

Dear students you have put in hard work and dedication to obtain this academic qualification and it is a major milestone in your career that propels you to the real world. I take this opportunity to congratulate your parents who have made sacrifice and stood by you all along and the teachers of this institution who have trained and guided you all over the years with commitment and dedication. I take this opportunity to thank our Hon. Vice-Chancellor for having accepted our invitation and for agreeing to deliver the Convocation Address.

Our Hon. Vice-Chancellor Prof. R. Thandavan has been in teaching profession for nearly three decades. He has guided 278 M.Phil scholars and 77 Ph.D scholars. His field of specialization covers the areas of Public Policy, Housing Policy, Agriculture, Energy, Water Management, Rural Development, Development Administration, Women & Child Welfare etc., He has authored 25 books and presented papers in International Political Science Association Conference held at Washington DC & at Argentina. He is a distinguished academician, administrator and above all he is a kind hearted person. I thank you sir, for having accepted our invitation to be the Chief Guest of the day.

I present before you a brief report about the achievement and activities of our College. The College has efficiently rendered four decades of dedicated service to the cause of women's education. This institution was started in 1968 with PUC and has recorded steady progress and today it is a full-fledged PG and Research Institute with 15 UG courses and 9 PG courses. Besides the conventional courses, to meet the growing demand for admissions we have introduced innovative courses which are much sought-after such as B.Sc Viscom, B.Sc Clinical Nutrition & Dietetics, B.Com Hons. & B.Com Accounting & Finance. The Department of History, Statistics, Physics, Pl.Biology & Pl.Biotechnology, Computer Science and Commerce are upgraded into Research Departments and the College has 17 recognised doctoral research guides.

To gain further insight into the subjects offered in the curriculum, the College also offers three UGC sponsored Certificate Courses viz., Television & Video Production, Mushroom Cultivation and Women Entrepreneurship.

Infrastructural facilities play a significant role in teaching. Our College has IT Block with nearly 500 computers, Media Block with preview theatre, beautiful garden with rainwater harvesting, English- Language Lab, Hostel and Indoor stadium.

Our College has signed MOU with Saurashtra University in Vibrant Gujarat organized by the Hon. Chief Minister of Gujarat Mr. Narendra Modi. Autonomous Review Committee constituted by UGC visited our College and appreciated the effective use of Autonomy status granted to us and they have given the extension for the next six years.

We thank our Honorable Chief Minister of Tamil Nadu for distributing free laptops to our students which is effectively used in classrooms. In sports arena, our students have excelled in Ball Badminton, KhoKho and Football. Last academic year our placement record was 740 and our students were placed in reputed companies like Wipro-Vista, Wipro-Vase, CTS, HCL, Dell and Nokia.

Keeping pace with the mission of the College, the unique teaching experience provided to students yielded rich academic dividend in the form of excellent results.

Before I conclude, I once again congratulate all the graduates and I wish you success, in all your actions, that adds to the glory of our nation. To be a true leader, remember that you will always have to work not for self-interest, but in the interest of others. We are best remembered, not by what we can gain for ourselves, but what we can do for others and how we can leave our footprints on the sands of time for others to follow.

Thank You

CONVOCATION ADDRESS BY PRO. R.THANDAVAN, VICE-CHANCELLOR, UNIVERSITY OF MADRAS

I have great pleasure in delivering the Convocation address of S.D.N.B. Vaishnav College for Women. The College has made a prominent contribution to the development of women for the past 45 years under the effective guidance of the College Management. The College with a firm foot in tradition has been closely moving with the modern age introducing courses in emerging modern areas. Students should be equipped with balanced blending of tradition and modernity, basic values with technological skills and innovation and S.D.N.B. Vaishnav College cater these qualities to their students successfully. I take this opportunity to congratulate the Chairman, The Secretary, Principal, Management Committee Members, Faculty members and the young graduates on making this grand occasion a hallmark in the Vaishnav's annals.

Swami Vivekananda said, 'Life is a challenge to meet, a gift to accept, an adventure to share, a sorrow to overcome, a tragedy to face, a duty to perform, a game to play, an opportunity to take, a journey to complete, a promise to fulfill a love to enjoy, a beauty to praise, a spirit to realize, a struggle to fight, a goal to achieve and lastly, a puzzle to solve'.

Convocation is a memorable day for every young graduate – a moment of pride, happiness, hope and expectations. In the present world, women occupy significant status with élan. Woman is all powerful – Sakthi. Women should enrich themselves by retaining the traditional value and adding on the best of the Western tradition and progress. Our rich cultural heritage has energy and synergy to our women, and they prove their mettle meticulously. An educated, employed woman with her natural, traditional goodness and grace is the ideal 'New Woman' 'Puthumai Penn' whom poets like Bharathiar envisioned for independent India.

Ideas rule the world and thoughts rule your life. To strength our thoughts and gain knowledge you must plan your reading and read regularly, read professionally and read widely. Reading enables you to learn from others at their expense. To profit by the wisdom of others is the mark of a thinking man. According to the great Abraham Lincoln, "most folks are about as happy as they make their mind to be" and Shakespeare says, 'nothing is good or bad but thinking makes it so', so, train your mind and think your way to success.

Success is not a matter of luck or genius. It depends on adequate preparation and indomitable determination. The starting point of success, truly, is optimism and hope, positive thinking and faith in you. You have to think of success, imagine success, dream of success and toil for success, so that success becomes yours. Success follows success. As you keep attaining your goal and reaping success, you will find fixing for yourself bigger and more challenging goals and achieving greater and more satisfying success.

Success is within everyone's reach, whatever be your physical, social, educational or economic limitations. In fact, many have risen to fame and become great, capitalizing their drawbacks. Franklin D. Roosevelt got himself elected four terms in succession as President of the United States of America despite being a cripple. Thomas Alva Edison, the greatest of all inventors was stone-deaf. Likewise the world famous composer Beethoven was totally deaf. Winston Churchill who led England from near defeat to glorious victory by his oratory was a pathetic stammerer at one time.

Dear young graduates, education is worthwhile only when it brings with it an upliftment and reinforcement of the human spirit and the moral fiber of those who seek the advantage of knowledge. The liberating power of education is of great relevance in our society. We need a system of education, which will produce citizens not only in diverse branches of knowledge, theoretical and practical, but also persons of positive outlook, inspired with the spirit of service.

With gratitude to our parents, gurus and our Hon. Chief Minister Purachi Thalavi Amma who is striving for the uplift of the higher education, let us all join together in the march towards the progress of our Tamil Nadu and glorious country in large.

Thank you.

ENGLISH LITERARY ASSOCIATION AND DEBATE CLUB**Report for the academic year 2012-2013**

It is better to look ahead and prepare than to look back and regret.

The English Literary Association and Debate Club have always been there to ameliorate the language skills of the students and has been the pulpit for students to stage their talents. The activities of our English Literary Association and Debate Club started with the inauguration by Dr.N.Seshasayee, retired HOD of the Department of English, A.M.Jain College, Meenambakam, Chennai. We also felicitated sir on the same occasion.

The English Literary Association and Debate Club conducted **Zephyrus 12**-Inter Collegiate Literary Fest on October 1st 2012. We conducted various competitions such as quiz, poetry writing, sketching a poem, turncoats, 55fiction, pot pourri, dramatizing a text and treasure hunt to promote healthy competitive spirit among the students. Students from various college participated with zeal and vigour.

We also conducted various Inter-Departmental competitions to our fellow students on 6th February 2013 to ameliorate their skills. The competitions included pot pourri, 55fiction and poetry writing.

The students of our Department also participated in various Inter-Collegiate competitions conducted by various colleges and won laurels to our institution.

MATH ZEST MATHS ASSOCIATION

In commemoration of 125th Birth Anniversary of the Mathematics genius Srinivasa Ramanujan, Indian Government has declared National Mathematics Year from December 2011-December 2012.

In connection with this Department of Mathematics organized a One-day Workshop for High School and Higher Secondary School students on 21st November 2012. There was a huge response for the workshop titled "LEARNING MATHEMATICAL CONCEPTS THROUGH MODELS". 72 Students and 12 Teachers from 8 schools participated in the workshop. Mr.Sivaraman, Founder Trustee, Pie Mathematics Association was the Resource Person for the day. In his lecture some new facts about Ramanujan were highlighted. Hands on experience session were fabulous. Students were taught how to use models to learn mathematics in an easier way. All the participants and teachers found the workshop very useful.

Finally, our achievements may be less but our services are still continuing.....

ENVIRON CLUB

A model rain water harvesting system has been put in place in S.D.N.B Vaishnav College for Women in Chrompet. The system will not only help in saving rain water but also in adding to the greenery in the 10 acre college premises. This rainwater harvesting system is based on Japanese technology. DR. (Mrs.) G. Rani, Principal, S.D.N.B Vaishnav College for Women who also a Botanist was very instrumental in bringing this sort of Rain water harvesting system in the campus.

Dr. Thirunavukkarasu of C.P.R. Centre delivered an enlightening Lecture on Waste Minimizing Techniques to Environ Club students.

Mr.Indrakumar well known for his pioneering work on Home exnora and Home composting interacted with the students and spoke to them about the grey water recycling and vermicomposting at home.

He also gave an enlightening lecture on "Go Green Policy". He instructed our Environ Club members and students how to develop a green environment in our present day scenario. He also demonstrated about "Pit Composting" in our College campus. Followed by this huge pits were constructed in the College in order to collect the litter from the campus, so that these plant wastes and litter are dumped inside these pits and they are converted into compost in a course of time.

Compost is then used fruitfully for the College garden. According to 3R Principle (Reduce, Recycle, Reuse) nothing is waste in our present day environment. The Environ club members of our College is following the above 3R Principle and implementing this in our Campus in order to have a pleasant and Green Environment.

KWIZ CLUB

"A Great part of the information we have, is acquired by looking up something and finding else on the way"

Students and their intelligence gets ameliorated in accordance to the way they expose themselves to the knowledge and the big questions of the world. Like every year, this year too, the Quiz community pioneered by Dr. (Mrs.) K.Kanthimathi, Asst. Professor, Dept. of English, got itself known to the students of S.D.N.B.V.C, but with much bigger and better response from more than 120 enrollers with great enthusiasm to become the new 'knowledge wizards' of the College. The Vaish Kwiz Club (Gathering of the Knowledge Wizards) was inaugurated by Dr. (Mrs.) G.Vijayashree, Assistant Prof, Department of Statistics on 10th August 2012. She spoke on the necessity of knowledge for girls and stressed on the importance of keeping the neurons in their brains buzzing with intelligence. The inaugural was followed by an opening quiz on general knowledge. Every month, the Kwiz club experimented new topics and activities to prune the analytical and logical skills of its members. Quizzes on the London Olympics 2012, Young World Quiz, Current affairs and Puzzles and on various other topics were conducted every month. PowerPoint Presentations on Trivia and world facts were also made by members. During Smrti, our annual cultural fest, a quiz competition 'Dexter's brainchild' for all the inter-collegiate participants was conducted by Ms.B.Revathi and Ms.Archana Arul, Professors from SRM University. The Vaish Kwiz club has sent many of its 'knowledge wizards' to participate in various quiz competitions held across Chennai which includes events like the famous Landmark quiz of Chennai, 42nd Intercollegiate quiz conducted by Lion's Club(13-10-2012) and India Quiz (15 Aug 2012).

Two of our members, R.Paavai and P.Divya Saraswathy of the English department have participated and won prizes in various Inter-departmental quiz competitions and Inter-collegiate quiz competitions held in other colleges like SRM Arts and Science College, SIET College, CTTE College for Women, Loyola College and JBAS College.

Intra-collegiate and Inter-collegiate Kwiz Karnival, were organized on 24-1-2013 and 25-2-2013 respectively. The Kwiz Karnival turned out to be a huge success. Poll quiz was also conducted on the National Voter's Day (24-1-2013).

WOMEN ENTREPRENEURSHIP DEVELOPMENT CELL (WEDC)

"Entrepreneurs are simply those who understand that there is little difference between obstacle and opportunity and are able to turn to both their advantage "

Our College has been spearheading entrepreneurship movement with a notion that entrepreneurs need not necessarily be born, but can be developed through well-conceived and well-directed activities .In consonance with this belief ,WEDC conducted various classes to train the students. They are doll making, glass painting, artificial jewellery making, pot painting, block printing, tailoring making eco-friendly bags, tailoring and embossed painting,

AAVIN along with EDI conducted a programme in Anna Management Institute 'One Day Seminar on Student Entrepreneur' students participated in it. They were trained in how to install and manage the operations of the parlour and they would do it in the College campus itself. We also participated in "State Level Conference on establishment of Entrepreneurship development cells in higher education institutions in Tamilnadu on 21st December 2012.

WEDC is going to be a trend-setter for those who want to whet their entrepreneurial skills.

FINE ARTS

The world of fantasy converges in the reality of arts. Our College erects a platform for her students to sheen and hone their credible and potential artistic skills. As every year this year too DIVA 2012 an Intra Collegiate fine arts organized a series of on stage and off stage competitions to students with e'lan. The zeal of the participants was a proof for the victory of DIVA 2012. These competitions help our students to overcome stage fear and improve their event management and communicative skills. SMRTI CULTURAL FIESTA

SMRTI 2012 is a three day cultural extravaganza fest started with a great bang on 22nd August 2012 at 10 a.m. The inaugural function was colourful with a dynamic presence of Mr. Rajkumar Bharathi, grandson of Sri. Subramanya Bharathi and music composer, play back singers Mr. Tippu, Ms. Srilekha Parthasarathy and actor Mr. Aari. They enthralled the audience with their special performance. They spoke on the importance of fine arts and culture in a student's life. They encouraged the students to play an active role in the cultural and enjoy them without any reservation.

The inaugural was followed by a number of events, both onstage and offstage. Events like Quiz, Product packing, Dumb charades, Mehendi, Hand art, Hair do, Tamil kavithai, English oratory, and Tamil oratory were conducted as offstage events, where as students enjoyed onstage events like, Adapt tune, Light music, Variety entertainment and Group dance. We had a range of judges from the cine field as well as from the small screen to judge the events. Added to this many surprise guests and celebrities from the lime light visited our College to cheer the students.

Participants from more than fifty City Colleges participated with great elan the overall trophy was won by SRM University and the Gurunanak College backed with the runner up title.

A great beginning had a wonderful ending. We had Director Balaji Sakthivel, Singer Prasanna and Actor Prabha to enthrall the audience with the mesmerizing presence. They encouraged the students to participate in the cultural with an open mind, and to accept the success and failures equally. With the blessings from the almighty the grand cultural festa came to an end on 24th August 2012.

**CONFLUENCE OF MEMORIES
(RETIRED STAFF AND ALUMNAE)**

The day of 2nd March 2013 has made one and all go back to the old times as our Retired staff and Alumnae meet and made it a memorable one. The idea of having the Retired staff and Alumnae on the same day was to allow the Teachers and Taught to rewind their acquaintances.

The function started with the Former Chairman welcoming the gathering and followed by Dr. (Mrs.) G. Rani Madam Principal's address. Subsequently Games were conducted, and ended with the Luncheon session.

The outcome of the gathering paved way for the OSA Endowment Fund and Retired staff Endowment Fund. The funds would be utilized to benefit the students' community.

PLACEMENT CELL

The College has a very active Training & Placement cell. The Placement Cell organizes campus Interviews every year to facilitate suitable employment for the final year students immediately after graduation. Renowned Corporate Organizations from all over the country come to the campus for interviews and recruit the students. An exposure to a good work culture in the beginning of the students' professional life guarantees success in all their endeavours. We at Training and Placement cell, provide our students with the best avenues to utilize their skills by helping them find gainful employment with the best firms. The College has provided complete infrastructure for effective functioning of the cell. Training activities are organized throughout the year in an effort towards preparing the prospective students for the campus selection programmes. The cell keeps on inviting various industries and reputed firms for campus recruitment. The cell is sensitized to function all through the year towards generating placement and training opportunities for the students. The Cell is headed by a Training & Placement Officer in charge and assisted by Student Placement Coordinators who lead a team of placement representatives from various courses of study. The Training & Placement Cell ensures and takes care to provide the best arrangements and hospitality for the visiting company officials.

BOOKS

The world of books
Is the most remarkable creation of man
Nothing else that he builds,
Ever lasts:
Monuments fall,
Nations perish,
Civilizations grow old and die out.
And after an era of darkness
New races build others.
But in the world of books are volumes
Those have seen this happen
Again and Again
And yet live on,
Still young,
Still as fresh as the day they were written,
Still telling men's hearts
Of the hearts of men centuries dead.

ISAW.....

I travelled in road, rail and water,
In the altar of living nature.
And saw the destructive water
And people with cameras to capture.
And watch the sun through the holes,
Where I saw the star of Life as Death
The milky stars, resembles the souls,
Of people, who lost their breath.
Oh! alas I am alone in the world,
I the only human!, who sustain here
I send my comrades, to the other world
They curse me "You must be safe there"
I run, through the lanes, which I knew
I saw the forest of bombs and guns
And saw the elbows of people I knew
And "Here! I'm the Maker of guns"
Ah! The thought itch me, as I Killed myself
With my gas tubes and machine guns
I Kill them all and it reminds me the past
Where I travelled, once in the paddy fields...

FAILURE ???

We do fail at the first step of doing something new. We do accomplish many things in a very short span of time but only after failing. Nothing can be achieved so easily, so understand how precious our life is and also our limited time to achieve what we want to. We do fail many times but this failure leads only towards PROGRESS. No one is genius to accomplish the goals in the very first try because we are only humans and we learn only after committing mistakes. "The truest failure of life is when we live our life with "REGRETS" because what had gone will never come back forever and why should we regret when God has given the ability to achieve what we wish. We have limited time to live and lots of dreams to be accomplished. So, keep working and do face failures positively because mistakes correct us and never let us down.....

TIME NEVER CEASES

Time is a wonderful thing to admire and to cherish. Time moves on without resting. Each day is a God's gift to be relished. There is no hard and fast rule to be followed in life. Everything is not applicable to everyone as the thinking and the perception of each one differs.
Dissecting time into seconds, minutes, hours, days, weeks, months, years have made man lazy, as a result procrastinating is in high prevalence among them thinking of next second, next minute, next day, next week, next month, next year, but leaving behind the present time. The value of a second can be known by one who misses something very important in his/her life in a fraction of second. Time should never be wasted. We can estimate the life span of ours but we cannot tell that who is going to live for how many days. We do believe that we have plenty of time to live, to accomplish things but certainly not. If we think of our past, we miss the days which will never come back and sometimes it might give pain. We hallucinate about a lot of things which never happen in our life. It is better to live and believe only the present life as time only knows what is next??...

LIFE

Life is like a bazaar. Here,
Many people come across,
Some people remember us,
Some people forget us,
Some people live for us,
Some people love us,
Some people leave us,
Forget the people who leave us,
Remember the people who love us,
Respect the people who live for you.

Love

Love is a beautiful Feeling.
Love starts with Fear,
And moves with Care.
Love transfers Affection,
And gives Strong Relation.
Love increases Fight,
To show how deep we love each other.
Love describes the Emotions and Feelings.
Love teaches Good Will.
Love brings happiness in life in the name of Baby.
Love makes life Beautiful.
At last Love completes with Memories of Love.

MOTHERLY TEARS

I was in a dark room
Without any ventilation
But I never had a sweat
I grew up in a deadly silence
But I had a talk inwardly
No one is there in the room to accompany
I lived a peaceful life
But it never longed so far
Someone fed me in a mysterious way
I had been given a date
But I skipped it to make everything false
Lastly I was born as a blood wrapped baby
Someone lifted me by holding my legs
I make a terrible cry
They cleaned me and covered me in a towel
I was given to a woman
Till that I went on cried
Then I found a comfort in her
The people said that I am her child
They are foolish to introduce us
Because, we both are not two different things
I know the woman is my mother
Because, she fed me with her blood
She carried me within herself everywhere
She fed me with her first milk
She smiled, cried, amazed and excited
She holds me with more care and affection
She cried in happiness uncontrollably
Her heavenly tears touched my cheeks
And I can't forget her first motherly tears .

ROAD ACCIDENTS

Road accidents in India are increasing with every passing day. With over 1,30,000 deaths annually, the country has overtaken China, thus having the worst ever road traffic accident rate worldwide. This has been revealed by the World Health Organization in its first ever Global Status Report on road safety. (source : DW)

There are several ways in which accidents happen : Pedestrians being run over by lorries, people getting hit by trains while crossing the railway tracks (which is very wrong, in the first place), people being crushed to death by over-speeding autos.

Each accident results not only in the loss of life and property, but also causes severe bereavement to the victim's family, which is almost impossible to recover from.

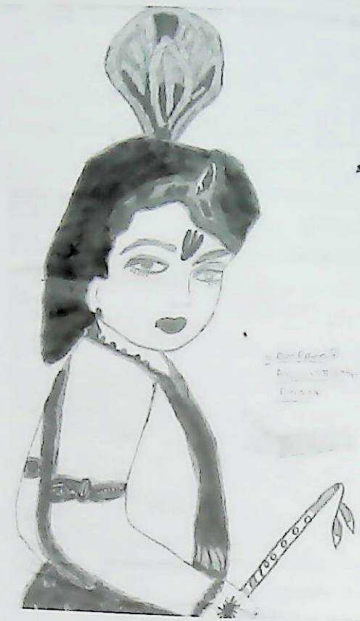

The citizens and the government are to be equally blamed: the citizens for not respecting the rules and the Government for not having a proper enforcement system in place.

The way forward should be to educate children on road safety, create awareness amongst the public, enforce strict traffic rules, improve the quality of road and rail infrastructure and enforce a quick redressal machinery for the victims and their family.

The sooner these are implemented, the safer will the nation be.

We must remember that though speed thrills, it always kills! STAY SAFE BY DRIVING SAFE!

TENSION

- The moment you are in TENSION
- You will lose your ATTENTION
- Then you will be in total CONFUSION
- And you will feel IRRITATION
- Then you will spoil personal RELATION
- Ultimately you won't get CO-OPERATION
- Then things result in COMPLICATION
- Then your B.P may also raise CAUTION
- And you may have to take MEDICATION
- Instead understand the SITUATION
- And try to think about the SOLUTION
- Many problems will be solved by DISCUSSION
- Which will work out late in your PROFESSION
- This is only for your PREVENTION
- If you understand my INTENTION
- There will be no TENSION.

THANK YOU MY TEACHER

Thank you, my teacher, for being there
At times when skies were gray
Thank you, my teacher, for lending an ear
When I had things to say
You showered love on me lavishly
When no one seemed to care
You brought me joys untold
To fill my heart with moments of gold
I would have felt isolated and lonely
If you had not been there
I lack the words to let you know
How much you mean to me,
But I will profusely thank God for you
Until the Eternity.

LANGUAGE...MEANING...

Here, in this lonely garden (save for her presence),
I, frequently wonder "What is her mellifluous song's essence?"
Pleasant vibrato!
Yet, my heart doesn't know what it means;
Oh! The quest for its mystery has made me thin.
"Coo, Coo, Coo..."

Her inexplicable song does sometimes make me a psychopath;
I try not to look at her, in wrath.
Her language, the beautiful song, seems to mean nothing,
Yet, her presence, her tune, is to me everything.
"Never mind, my dear mind!"

I say. And I mean no more to search
The meaning, when she sings and calmly does perch.
"Flip, Flip, Flip..."
Oh, charmingly her wings flutter, it's enough for me.
Her arrival says, "Man, I come here for thee!"
Now I think, language, God the Almighty's profound gift,
May not create in our dear relationship a rift.
Language...Meaning...

Are no more significant to me; you sing caressingly
It may make me live even in Babel happily.
True...True...True...

When love and compromise and tolerance are really rife,
No language or meaning is prominent in any man's life.

METAMORPHISM OF GOALS

Talking about ambitions...I am one of the most confused people in the whole wide world when it comes to that topic. Most of us would've had experiences of answering to that very simple and equally complex question when we were kids. I should admit, I definitely envy the person who sticks to his or her ambition and accomplishes in reaching it. (This would've first been blurted out in an innocently cute voice to the fascination of his or her grannies and aunts). Me and the number of ambitions which I've had or changed ever since I was a child would probably make some of you feel that I am crazy (which unfortunately might be true). Now, you probably would have guessed what you are going to read about. If you haven't, it is going to be about the roller coaster ride of the 'ambition'(s) of my life.

To start with, the domination of parents or people around a little kid on what he or she has to become starts as soon as the child is born. For example, People should be familiar with little kids who mechanically say that they want to become a 'doctor' or an 'engineer'. I was also somebody who got as much influenced. When I was small, doctors seemed like heroes to me as they were blindly worshipped by people, and I obviously went around saying that I wanted to become a doctor (trust me...I just started teething then) and then got jealous of my cousin brother's ambition and decided that I wanted to become an 'engineer' (There's a funny history of me having a hard time trying to find out what 'building block toys' were for). After growing up a little, I ended up deciding that I wanted to become a scientist which later got exchanged for an ambition to become a vet when I found myself having a lot of fun with animals. (A hilarious and embarrassing story of me and a monkey gets revealed in almost every family gathering possible). But the 'vet' ambition drifted away from my mind when I found out that our society and their wrong ideas about having pets will leave me unemployed. Then, when I grew up to be a teen, I caught myself enjoying and getting fascinated by too many cartoon shows and animated movies, and then I decided that I should become an animator. (I think I can boast a little of me being quite good at sketching and other kinds of artistic stuff). Then I decided that I wanted to become an English news reader as I had an impressive English accent. (I dropped the idea when I found out that you have to look like a supermodel to become one). Coming to the present and me being an English literature graduate, I am thinking of Mass Communication, art, animation, English teaching and a profession as a HR all at the same time. (I hope I choose one from the list soon). And... (Oh..I forgot)..When I was in my preteens, I wanted to become a nun and never get married but I AM AN ATHEIST NOW (you should have got a picture of what I might become in future...haven't you?)

GRAVEYARDS GRIZZLE.....

Oh! Thou men of this earth grizzle,
When thou have to solve the life's riddle,
Oh! Thou cry over the floun colour, and
Never accept the rendezvous at the end.
Thou born to live and to die;
Forgetting this, thou make a frenzy cry;
Thou bore us, always at thy quietus,
Thy men grumble, whenever they visit us! .
Thou never show pity upon the graveyards;
Remember, thou art our god-sent wards!
Many have come here, only to dissatisfy;
When are they going to, by approbations, gratify?
When the worldly duties, thou perfectly fulfill,
Come in mirth, accept the almighty's will!
And never makes us, by murmurs, wearied
When thy men's corpses get, into us, buried!
We, graveyards sympathize for the untimely deaths
Yet, can't resurrect any, from our depths.
Thy fossils, we preserve with great awe;
So when quietus comes, be really brave! .

WOMEN

There is a woman behind every man's success.
Women are created by the almighty to keep a watch over man
In his endeavors and new ideas to reach the pillar called success.

W - Watch
O - Over
M - Man and his
E - Endeavors and
N - New ideas

She gives him birth, brings him up by bestowing values and makes him a respectable being and a devoted citizen.
Has her beneficiaries ever considered her deeds and sacrifice?
This question, if analyzed by each and every human being will help in providing a better place (earth) for the God's Angels (women) living.
Women need to be respected by all for their sacrifices and multifaceted skills.

EDUCATION

The world now is full of technology. There was a time when a child enters school, completes his schooling to enter college and after that builds his career. But now, time has changed a lot. Continuous education is a must to be in the race in this challenging technological world.

Education has become a day to day activity of the children of GOD (human beings). Those who turn their heads away from education go nowhere in this globalized world.

Also gender is not a hindrance to education these days. Girls, rather than boys are very much involved and expect quality education.

So, the needs of the Era are quality education. Higher education in India is not up to the mark. So, what can India do to provide quality education?

This question can be answered only by the youth of today who are the citizens of tomorrow.

So, friends wake up, think and make education get its credit.

DO NOT GET FED UP! THIS IS LIFE.....

When there is no friend,
When life is on the dead end,
When world is not a paradise,
When your confidence dies,
Tell yourself to go on for this is life
When there is competition to face,
When your are lagging behind the race,
When you lost faith in God,
When you are betrayed by a fraud,
Tell yourself to go on for this is life
When others don't respect you,
When you are not amongst the admirable few,
When for a question you can't find the solution,
When all you are sure about, is confusion,
Tell yourself to go on for this is life
When your destination is miles apart,
When you don't know where to start,
When all you see around is pain,
When your handwork is in vain,
Tell yourself to go on for this is life
Even though all these happened
Just have faith in self, face life with a smile,
Things will surely change one day
Because as said "This is life".

WORK WITH PAIN & TASTE THE SUCCESS

LIFE- It's an amazing journey when I joined National Cadet Corps (NCC). In NCC, I came to know about few words such as SENIORS, PI STAFFS, ANO'S, COMMANDING OFFICER, NCC INCHARGE and of course BATCHMATES without them the success might have not been fruitful.

They gave us life in NCC,
A fact at times, when we fail,
They tolerated our perplexing character,
And preached us solicitously,
They identified our strength,
And trained us as a BEST
FLYER, FIRER, DRILLER & AEROMODELER.

As soon as we became impeccable,
We started going for camps,
Crying in our hearts, is quotidian,
For missing family and friends.
It all fades away with one

Word – BATCHMATES,

We started loving each other,

By giving away our egotism.

We live in awkward sites,

Regardless of opponent fright,

To make our squadron fly high.

We stand united as TN, P & AN Dte,

Competitions loaded on us as bullets,

Our chanting mantra became,

READY TO GO, READY TO FIRE!

To achieve our aspirations,

We shed lot of perspiration.

It's all about do or die,

When we feel the pain, we lose,

But when we feel the pain and move, we win.

We decided to move with pain,

And saw the SUCCESS – AIVSC OVERALL TROPHY.

Every moment brings different situations in NCC Career.

Sometimes success, Sometimes failures,

Sometimes happiness, sometimes sadness,

But with every situation it brings along

A positive source called UNITY & DISCIPLINE.

Sun or moon, hot or cold, good or bad,

We bear anything at any time,

We all must respect our Mother Nation,

And be audacious to fight with foes!

TASTE THE PAIN OF SUCCESS WITH HAPPY GAIN!!!

TOUCH THE SKY WITH GLORY!!!

ஆதவனிடமிருந்து இந்த அண்டம்
வந்தது ஓர் உறவு ...
இந்த உலகத்தில்,
அன்பினால் ஏற்பட்ட உறவும்
உறவினால் ஏற்பட்ட அன்பும் தான்
ஓர் மனிதனை
மனிதனாக்குகிறது ...
அன்றைய உறவுகள்
நம் நிழல் போல் நம்மை தாங்கியது
ஓர் எழுத்தாளர் கூறினார்
இந்த உலகம் ஓர் நாடக மேடை
அதில் நாமெல்லாம் நடிகர்கள்
ஆம், நாம் நடிகர்கள் தான்
நம்மை இயக்குபவர்கள்
இந்த உறவுகள் தான் ...
அன்று தாத்தா கூறிய தெனாலிராமன் கதை கேட்டு
தாத்தாவையே தெனாலிராமன் ஆக்கியதும் ...
பாட்டியின் கைவண்ணத்தில் உருவான
பால் கொழுக்கட்டைக்கு அடிமையானதும் ...
கை காசக்காக அப்பாவை கூற்றி கூற்றி
வட்டமிட்டதும் ...
இரவில் அம்மாவின் மடியில் தூங்க
தம்பியுடன் சண்டையிட்டதும் ...
வினையாட்டு சாமான்களை வாங்கிக் கொள்ள
சித்தப்பாவை நச்சரித்ததும்
சித்தியுடன் குட்டு வாங்கிக்கொண்டே - இரட்டை ஜடை
பின்னலை கோணலாக்கியதும் ...
முந்திரி பருப்பை திருட்டுத்தனமாய் உண்டு விட்டு
தங்கை மீது பழி போட்டதும் ...
தராசில் வைத்த அளவிட்ட மாலை நேர உணவு
அண்ணனுக்கும் தனக்கும் சரிபங்கானது
என்று திருப்தியடைந்ததும் ...
ஆஹா ... ஆஹா ...
இவையல்லவா நம் சந்தோஷங்கள்
இந்த நிமிடம் நினைத்தாலும்
இதயத்தில் பாயும் இரத்த நாளங்கள் கூட
சிலிர்த்துக்கொள்ளும் ...
இன்றைய உறவுகள் அப்படியானதா ...
தன் விலாசத்தைக் கூற கூட
தயங்கும் சொந்தங்கள் ...
அலைபேசி சினுங்கும் போது மட்டும்
நினைவில் வந்து போகும் - உறவினர் முகம்
இதுதான் இன்றைய நவீன வாழ்க்கையின்
இருவரி உறவுகள் ...
நமது அடுத்த சந்ததியினருக்கு
நாம் ஓர் முன்னோடியாய் திகழ வேண்டாமா ...
விழித்தெழுவோம்
அடுத்த சமுதாயத்தையாவது
உறவுகளோடு பிணைக்க முற்படுவோம்
நம் மகாத்மாவும்
இந்திய நாட்டை - உறவாக்கிக் கொள்ள
அடிமைப்பட்ட சுதந்திரத்தை பெற்றவர்தான் ...
நாமும் உறவினர்களுக்கு அடிமைப்படுவோம்
உரிமைக் கொடுப்போம், அரவணைத்திடுவோம்
அன்பை பெறுவோம் ...

முன்னுரை :

முட்டையில் இருந்து கோழி வந்ததா?
கோழியில் இருந்து முட்டை வந்ததா?

என்பது விடை காண முடியாதது அது போன்று சமுதாயத்தில் ஒவ்வொரு பிரிவிலும் புதிருக்கு விடை காண முடியாமல் தவிக்கின்றோம்.

விவசாயம் நமக்கு மூலதாரம் :

உழுதுண்டு வாழ்வாரே வாழ்வார் மற்றவர்
தொழுதுண்டு பின் செல்பவர்

அத்தகைய விவசாயம் நமக்கு மூலதாரம். இன்று விவசாயம் எந்நிலையில் உள்ளது விளை நிலங்கள் விலை போனதின் விளைவு நாளை உணவு தட்டுப் பாட்டை சந்திக்கும் அவலநிலை. விவசாயத்தில் உற்பத்தியை பெருக்க எடுத்த கொண்ட முறை குறுகிய கால பயிர் அதற்காக பயன்படுத்திய இரசாயன உரங்கள் பூச்சி கொல்லி மருந்துகளினால் இன்று அதிக விளைச்சல் ஆனால் நாளை மண் மாசுப்பட்ட கலர் நிலமாக மாறிவிடும் அவலநிலை உலக அளவில் விஞ்ஞானிகளால் தடை செய்யப்பட்ட பூச்சி கொல்லி மருந்துகள் என்று தெரிந்தும் இன்றும் அதை விவசாயிகள் பயன் படுத்தி கொண்டிருப்பது தான் புரியாத புதிராக உள்ளது.

இயற்கையின் ஆதாரம் நமக்கு வாழ்வாதாரம் :

"என்ன வளம் இல்லை இந்த திருநாட்டில்" ஆனால் இன்று வளத்தை அழிக்கும் அவல நிலை நம் நாட்டில் நீர் ஆதாரம் நமக்கு வாழ்வாதாரம் ஏரிகள் குளங்கள் நிறைந்தது நம் நாடு. ஆனால் இன்று எத்தனை எத்தனை ஏரிகள் குளங்கள் ஆக்கிரமிக்கப்பட்டு உள்ளது. அது மட்டுமின்றி மாசுபடுத்தப் பட்டு உள்ளது. தொழிற்சாலை கழிவுகள் பெருகி வரும் நகரத்தின் கத்திகரிப்பு செய்யப்படாத கழிவு நீரினால் நீர் மாசுப்படுகிறது. அது போன்று காற்றும் மாசுப்படுகிறது.

சட்டமும் நடைமுறையும் :

நீர், நிலம், காற்று மாசுப்பட்டதின் விளைவு தான் இன்று நோய் இன்றி வாழ வழியில்லை. மருத்துவரிடம் அனைவரும் செல்லும் அவல நிலை உள்ளது. அரசாங்கம் இன்று இந்த நிலை மாற என்ன செய்தது அரசாங்கம் செய்யும் வழிமுறைகள் பெயரளவிலும் அதற்கு ஏற்படுத்திய சட்டதிட்டங்களினால் நீர், நிலம், காற்று மாசு அடையாமல் தடை செய்ய முடிந்ததா இல்லையே! இதற்கு ஏன் இன்று அளவிலும் அரசாங்கத்தால் விடை காண முடியவில்லை. இது நமக்கு புரியாத புதிராக உள்ளது.

காமராசரின் தொலைநோக்கு பார்வை :

ஒருமுறை முன்னாள் முதல்வர் காமராசர் அவர்கள் குடிநீரை ஒரு சிறுமி விரையமாக்குவதை கண்டு இந்த தண்ணீரை விலை கொடுத்து வாங்கும் காலம் வரும் என்று கூறினார். இன்று நாம் தரமற்ற குடிநீரை விலை கொடுத்து வாங்கி அருந்தி கொண்டிருக்கிறோம் நாளை என்ன நிலை என்று புரியாத புதிராக உள்ளது.

முடிவுரை :

இந்த புதிருக்கு விடை யாரால் காண முடியும். நன்னெறிகளை மக்கள் மனதில் புகுத்த வேண்டும் இன்று நிழல்களை நிஜங்களாக நம்பி வாழ்ந்து கொண்டிருக்கும் மனிதர்கள் இன்று நன்னெறிபடுத்தாத திரைப்படங்களை பார்த்ததின் விளைவு இன்று பெருகி வரும் வன்முறைகள். அண்மையில் நம் கல்லூரியில் நடந்த பாண்டிரங்கன் விஜயம் என்ற நாடகம் அரங்கேறியது அன்று மாணவர்கள் தன் நிலை மறந்து மெய்மறந்து அதனை ரசித்தார்கள் இது போன்ற நல்ல கருத்துகளை மாணவ சமுதாயத்திடம் சொல்லி அவர்களை நல்வழிப்படுத்தி வேண்டும். அத்தகைய மாணவர்களால் தான் இத்தகைய சமுதாய சீர்கேடுகளை தடுக்க முடியும் இந்த புரியாத புதிருக்கு விடை காண முடியும்.

இயற்கை அன்னையை ஆராதித்தால்
அவள் நம்மை ஆசீர்வதிப்பாள்!

மனித உருவம்

எல்லா காரியங்களும் சடசட வென்று நடந்து விட்டன. இத்தனை ஆண்டுகள் யாருக்கும் தலைவணங்காமல் கவுரவையாக வாழ்ந்து வந்தவன் இன்று தரையில் அப்படியே புரட்டிபோட்டார் போல் விழுந்துவிட்டிருந்தான்.

தினமும் காலை ஏழு மணிக்குள்ளேயே எல்லா வேலைகளையும் முடித்து விடுவான். எட்டு மணியில் அலுவலகம் சென்று அம்பாசிடரை எடுத்துக் கொண்டு எம்-டி வீட்டுக்குப் போய் விடுவான்.

எம்-டி இவன் எப்போ வருவான் என்று காத்துக் கொண்டிருப்பார். அவன் வந்த பின்னர் எம்-டி யையும் காரில் ஏற்றிக் கொண்டு அலுவலகத்திற்கு 10.00 மணிக்கு வந்து விட்டான் என்றால் அதற்கு பின்னர் அவன் வெளியே போவதில்லை

பிறகு ஐந்தடுக்கு மாடி அலுவலகத்தில் ஒவ்வொரு தளமாகச் சென்று அரட்டை அடிப்பதும் கேலியாக பேசுவதும் அங்கிருக்கும் நண்பர்களைக் கிண்டல் செய்வதுமாக பொழுது போய்விடும்.

ஆனால் மணி பத்தாகியும் படுக்கையில் கிடப்பவனைப் பார்த்து ஆச்சரியமாகியிருந்தது பாலுவின அம்மாவுக்கு

என்னடா என்னாச்சு உங்க எம்-டி வெளியூர் போயிருக்காரா அவன் பதிலே சொல்லாமல் கிடந்தான் காலையிலேயே சோர்வாயிருந்தது என்னடா நான் கூப்புடறது காதிலே விழலையா நானும் கொஞ்ச நாளாய் பார்த்துக்கிட்டு வர்றேன் என்ன சோர்வாக இருக்கிற

ஒன்றுமில்லை மா என்று கூறிவிட்டு பல்லைத் துலக்கச் சென்றான். கால் மணிநேரம் கழித்து வந்து ஆசையாக இட்டிலியை வாயில் போட்டவுடன் வயிற்றை புரட்டியது. அப்படியே வைத்து எழுந்தான்.

மெதுவாக நடந்து பேருந்து நிறுத்தத்திற்கு அருகில் இருந்த மக்கள் நல வாழ்வு சேவை மையத்தில் முரளி இருக்கிறாரா என்று அங்கிருந்த ஒருவனிடம் கேட்டான். அவன் சார் அவர் கலெக்டரு அபிசுக்கு மனுக் கொடுக்கப் போயிருக்காரு என்று சென்னான்.

முரளியும் அவனும் பால்ய நண்பர்கள். இந்த மையத்தை நடத்துவதற்காக ஊருக்கு உழைப்பவன் என்று அவனை எத்தனை முறை கேலி செய்திருப்பான் அதுவும் நாலு பேர் மத்தியில் அந்த மையத்தில் ஓரிரு இளைஞர்கள் பேப்பர் படித்துக் கொண்டிருந்தனர்.

அவர்களுக்காவது வேலையில்லைஆனால் எனக்கு வேலை இருந்தும் இல்லாத நிலை என்று தனக்குள் புலம்பியவன் சரி ஆபீசுக்கு போய்த்தான் பார்ப்போம் என்று பேருந்தில் ஏறினான். அலுவலகத்தில் நுழைந்தவுடன் நேற்றைய நிகழ்ச்சி ரூபகத்திற்கு வந்தது எம்-டி தனக்கு வண்டி ஓட்ட வேண்டாம் என்று சொல்லியது மொத்த அலுவலகத்திற்கும் சந்தேகம் ஏற்பட்டது.

சற்று நாட்கள் முன்பு காய்ச்சல் ஏற்பட்டு இரத்த பரிசோதனை செய்ய சென்ற எனக்கு சிறிய ஊசியால் இத்தனை பெரிய ஆபத்து என்று அன்று தெரியவில்லையே எச்.ஐ.வி. உள்ள ஒருவனுக்கு போட்ட ஊசியை கரு தண்ணீரில் போட்டு மீண்டும் என் மீது உபயோகப் படுத்தியதால் வந்த வம்பு இது என்று கவலைப் பட்டான். அவனை அறியாமல் அவன் கண்களில் நீர் பெருகியது.

அம்மாவும் ஒரு வாரமா கேட்டுக் கொண்டே இருக்கிறாக இந்த உண்மை தெரிஞ்சா மனசு ஓடஞ்சு அம்மாவும் ஒரு வாரமா கலங்கினான்.

போயிருவாக என்று எண்ணி கலங்கினான். எம்-டி யைப் பார்த்து அவருக்கு வண்டி ஓட்டாவிட்டாலும் வேறு ஐந்தாம் மாடிக்கு வந்தான் இன்றாவது எம்-டி யைப் பார்த்து அவருக்கு வண்டி ஓட்ட வேண்டாம்னு கம்மா உட்கார ஏதாவது வேலை தரச்சொல்லிக் கேட்கணும்..... இன்னிக்கு வண்டி ஓட்ட வேண்டாம்னு கம்மா உட்கார வைத்துவிட்டார்கள் நாளைக்கு எந்த வேலையும் இல்லைன்னுட்டு வில்லன்னுட்டு வண்டிக்குப் போகச் சொன்னாலும் சொல்வார்கள். மனதிற்குள் புலம்பியவனாய் ஐந்தாவது தளத்திற்குச் சென்றான்.

எம்-டி அறைக்கு முன்னால் வழக்கம்போல் விசிட்டர்கள். இவன் வந்தாலே என்னப்பா வா உட்காரு என்று பல்வியமாகக் கூப்பிடும் சீனியர் பி.ஏ இன்று இவனைப் பார்த்தும் பாரக்காதது போலிருந்தார். சட்டென்று ஐந்தாம் மாடியிலிருந்து படி வழியே கீழிறங்கினான்.

நல்ல வெயில் ஆனாலும் அது மனத்திற்கு இதமா இருந்தது. சேவை மையத்தில் முரளி மட்டும் தனியாக அமர்ந்து ஏதோ எழுதிக் கொண்டிருந்தான். இவனை இந்த மத்தியான வெயிலில் கண்டதும் முரளிக்கு ஆச்சரியமாய் இருந்தது.

இவன் மையத்திற்கு வருவதே வம்பு பேசத்தானே ஆனால் இன்று என்ன உம்மணா முஞ்சியாக இருக்கிறான் அதுவும் இந்த நேரத்தில் வியப்பாக இருந்தது முரளிக்கு. அடுத்த வாரம் நடைபெற உள்ள இலவச மருத்துவ முகாமிற்காக அவசரமாகச் செல்ல வேண்டியிருந்தது.

அவனிடம் பேச்சுக் கொடுத்தால் ஏதாவது எடக்கு மடக்காக பதில் வரும்..... நேரம் வீணாகும் என்று எண்ணிக் கொண்டே நிற்காலியை விட்டு எழுந்தான். ஆனால் எழுந்து செல்லப் போன அவனை பாலு அழைத்தான்.

முரளி ஒங்கிடே கொஞ்சம் தனியா பேசணும் இப்படிப் பணிவான மெல்லிய குரலில் பாலு பேசுவது முரளிக்கு ஆச்சரியமாய் இருந்தது. சரிடா நான் அவசரமா வெளியே போகணும் சாய்ந்திரம் பேசலாம்.

இதுகூட அவசரமான காரியம் தான்டா முரளியின் கைகளை பிடித்துக் கொண்டே பாலுவிடக் கண்களிலிருந்து பொலபொல வென்று கண்ணீர் வடிந்தது. விம்மி விம்மி அழுதவனின் தோளில் கை போட்டான் முரளி. மனதில் ஒருவித பாரம் நீங்கியவனாய் பாலு வீட்டிற்குள் நுழைந்தான்.

இதுவரை அவன் ஏழு எம்.டிக்களைப் பார்த்திருக்கிறான். ஆனால் எந்த எம்.டி மாறினாலும் சரி இவன் தான் எம்.டி டிரைவர் என்று கர்வமாய் அலுவலகத்தில் வேலை பார்த்தவன் அப்போது காட்டிய மரியாதைக்கும் இப்போது காட்டும் அருவருப்பிற்கும் வித்தியாசம் தெரிந்தது இவனுக்கு

மதியானம் முரளி வருவதாகச் சொல்லியிருந்ததால் வேறு வழியின்றி அலுவலக வாசலிலேயே உட்கார்ந்தான். தனக்காக முரளி எம்.டி யை பார்த்துப் பேச போகிறான் என்பதே அவனுக்குப் பெரிய சந்தோஷத்தைத் தந்தது சேவை மையம் வைத்து நடத்துகிற இந்த முரளி இவ்வளவு பெரியவனோ என்று எண்ணி மகிழ்ந்தான்.

மறுநாள் முரளி எம்.டியைப் பார்த்தான். பாலுவிடக் நிலையை விளக்கினான். எப்படியோ இது நேர்ந்து விட்டது. இனி அதைப்பற்றி கவலைப்பட்டோ கோபப்பட்டோ என்ன பிரயோஜனம் இனி அவனை வெறுத்து ஒதுக்குவதால் யாருக்கு என்ன லாபம் வீணாக அவன் மனம் தான் புண்படும்..... எம்.டி பொறுமையாகக் கேட்டார் பின்பு நீங்கள் யார் என்றார். நான் ஒரு தன்னார்வ அமைப்பிலே இருக்கேன். சமூக பணி செய்யறேன் குறிப்பாக எச்.ஐ.வி எய்ட்ஸ் நோயால் பாதிக்கப்பட்டவர்களை இந்த சமூகம் ஒதுக்கக் கூடாது என்று விழிப்புணர்வு ஏற்படுத்தி அவர்களுக்கு அன்பும் ஆதரவும் கிடைக்க தொடர்ந்து முயற்சி செய்றோம். இதுதான் எங்க நோக்கம்.

கோடகவே சந்தோஷமா இருக்கே

ஒங்க ஆதரவு வேணும் சார்

கண்டிப்பா

சரி நான் என்ன செய்யணும்

பாலு ரொம்ப கஷ்டப்படுகிறான் சார்

உடனே பாலுவை கூப்பிட்டு வரச் சொன்னார். பாலு உடலைக் குறுக்கி அவர் முன் வந்து நின்றான். எம்.டி அவன் முகத்தைப் பார்த்தார். அவன் கண்களில் நீர் திரண்டுவிட்டது.

ஓ.கே. ஓ.கே. என்று அவன் முதுகைத் தட்டினார். அது பாலுவிடக்கு நெகிழ்ச்சியாயிற்று

அப்ப வர்றேன் சார் என்று எழுந்தான் முரளி

நன்றி முரளி! உங்களுக்கு எந்த உதவினாலும் கேளுங்க

உங்க ஆதரவு மட்டும் போதும் சார்

எம்.டியின் பி.ஏ. அவன் தோளைப் பிடித்து இறுக்கிக்கொண்டார். மன்னிச்சிருங்க பாலு என்று பாலுவிடம் கூறினார். எல்லோரும் அவனிடம் மன்னிப்பு கேட்டனர்.

அப்போது முரளி நான் கிளம்பட்டுமா என்றான்

பாலுவுக்கு மனம் என்னவோ போல் இருந்தது. அழகை வருவது போல் இருந்தது.

நீ கவலைப்படாதே எங்க அன்புதான் உனக்கு மருந்து என்று கூறி கிளம்பினான்.

பாலு இரவு வீட்டிற்குத் திரும்பினான். அம்மாவின் பேச்சிலும் பார்வையிலும் அன்பு காணப்பட்டது.

முரளி வந்தது எல்லாத்தையும் சொல்லுச்சு உனக்கு நான் இருக்கேன் என்றான்.

அவன் மனதில் ஒரு தைரியம் வந்தது. உடம்பு மனசு எல்லாம் தெம்பாகிவிட்டாற் போல் இருந்தது.

தெருவே வெளிச்சமாக இருந்தது.

மனிதன் எல்லாம் தெரிந்து கொண்டான் வாழும் வகை புரிந்துக் கொண்டான் இருந்தபோதும் மனிதனுக்கு ஒன்றுமட்டும் தெரியவில்லை

மனிதனாக வாழ்வது எப்படி என்று மனிதனுக்கு தெரியவில்லை - மருதகாசி

வாழ்க்கையை வாழும் நிலை இரண்டு ஒன்று எப்படி வேண்டுமானாலும் வாழலாம் என்பது இது விலங்குகளின் வாழ்க்கை முறை. மற்றொன்று இப்படிதான் வாழ வேண்டும் என்று குறிக்கோளுடன் வாழ்வது இது மனிதன் வாழும் வாழ்க்கை முறையாகும். எனவே மனிதனாகப் பிறந்த ஒவ்வொருவருக்கும் ஏதோ ஒரு போக்கும், நோக்கும் உண்டு. அதில் இளைஞர்களின் போக்கும் நோக்கும் குறிப்பிடத்தக்கது.

இளைஞரின் போக்கும் சீநாக்கும் :

இன்றைய இளைஞர்கள் அனைவரும் ஏதோ ஒரு நோக்குடன் வாழ்கின்றனர். அதில் சிலர் நோக்கிற்கேற்ற போக்கை அமைத்துக் கொள்கிறார்கள். சிலர் மறுக்கிறார்கள். மறுப்பதற்குரிய காரணம் சிந்தனையில் ஏற்படும் மாற்றம் சிந்தனையை சீராக்கினால் அவர்கள் எதிர்பார்த்ததை அடையலாம்.

சாதனைக்குரிய பருவம் :

ஒரு மனிதன் வளரும் நிலைக்கு இருபது ஆண்டுகளும் தளர்ச்சிநிலைக்கு பத்து ஆண்டுகளும் எடுத்துக் கொண்டால் அவன் சாதிப்பதற்கு முப்பது முதல் முப்பத்தைந்து ஆண்டுகள் எடுத்துக் கொள்கிறான். எனவே சாதிப்பதற்கென வகுத்த ஆண்டு இளமைப் பருவமே ஆகும். அமெரிக்கா ஒரு மனிதன் செலவழிக்கும் காலத்தின் புள்ளி விவரத்தை எடுத்துக் கூறுகிறது.

எனவே உழைக்க எடுத்துக் கொள்ளும் நேரம் பதினாறு ஆண்டுகள்தான் அதை நல்ல முறையில் பயன்படுத்துவதே ஒவ்வொரு இளைஞரின் கடமை. கிடைத்த நேரத்தை அர்த்தமுள்ளதாகக் வேண்டும்.

இளைஞரின் சாதனைகள் :

இன்றைய இளைஞர்கள் பலவிதமான சாதனைகள் புரிந்து வருகின்றனர். சச்சின் டெண்டுல்கர் தன்னுடைய பதினாறாம் வயதைப் பட்டை தீட்டியதன் விளைவு அவருக்கு கிடைத்த புகழ். தன்னுடைய பதினாறாம் வயதில் மவுண்ட் சிகரத்தை ஏறி கின்னஸ் சாதனைப் படைத்த அர்ஜீன் பாஜ்பாய் போன்றவர்கள் தங்களுக்குக் கிடைத்த அழகிய நேரத்தை பயன்படுத்தி சாதித்துள்ளனர். மேலும் இன்று பிரபலமாக விளங்கும் புதிய தலைமுறை என்ற செய்தித்தாள், தொலைக்காட்சி பிரிவு போன்றவை பல இளைஞர்களின் கூட்டுச் சாதனை என்று கூறினாலும் மிகையாகாது. இந்த அமைப்பு பலரின் திறமைகளையும் உணர்வுகளையும் வெளிக் கொண்டு வருகிறது. மீரா என்னும் பெண் கனாமியில் பாதித்தவரைக் காப்பாற்றிய நிகழ்ச்சி ஓர் சாதனையாகும்.

இளைஞரின் தடுமாற்றம் :

பலவித சாதனைகள் புரியும் இளைஞர் கூட்டம் ஒரு பக்கம் என்றால் மறுபக்கம் பலவித வேதனைகள் புரியும் இளைஞர்கள் தொலைக்காட்சியின் முரட்டுத்தனமான வீரக் காட்சிகளைப் பார்த்து தங்களின் வீரத்தை வெளிப்படுத்துவதாக கூறி முரட்டுத்தனத்தை வெளியிட்டு முட்டாள்கின்றனர். சென்ற ஐந்தாண்டு கணக்கெடுப்பின் படி 18 முதல் 22 வயது நிரம்பிய சிறைக்கைதிகள் எண்ணிக்கை பத்து மடங்கு அதிகரித்துள்ளதாக குற்றவியல் நிபுணர் கூறுகின்றனர்.

கோணிலா வாளும் அஞ்சேன்

கூற்றவன் சிற்றம் அஞ்சேன்

நல்லவராக வாழத்தான் விரம் தேவை. தீயவர்கள் பலருக்கு பயந்து வாழ வேண்டிய நிலை. ஆனால் சாக்ரடீசு, காந்தியடிகள் யாருக்கும் பயந்து வாழவில்லை. ஆனாலும் விரத்துடன் இருந்தார்கள். மேலும் இன்றைய நவீன வசதியை தவறாக பயன்படுத்த தொடங்கி விட்டனர். தங்களுடைய நேரமும், சிந்தனையும் மழுங்கடித்துக் கொண்டிருப்பதை மறந்து விடுகின்றனர்.

இளைஞரின் விடா முயற்சி :

கடலைக் கண்டு பயந்தவன் கரையோடு நின்றான் அதை

படகில் ஏறி கடந்தவன் உலகைக் கண்டான்

பயந்தவன் தனக்கே பகையாவான் - என்றும்

துணிந்தவன் உலகிற்கே ஒளியாவான்

- வைரமுத்து

இன்றைய இளைஞர்கள் உலகிற்கு ஒளியாக விடா முயற்சியுடன் உழைத்து வருகிறார்கள். தங்களுக்குள் ஏன் பிறந்தோம் என்ற கேள்விகளுக்கு விடை தேட ஆரம்பித்து விட்டனர். தங்களுடைய திறமையை தட்டி எழுப்பிக் கொண்டிருக்கின்றனர்.

தங்கம் குறையிருந்தாலும் அதன் தரம் குறையாது

சிங்கத்தின் கால்கள் பழுதடைந்தாலும் - அதன்

சீற்றம் குறையாது.

இளைஞரின் திருப்பம் இந்தியாவில் மாற்றம் :

தேன் கூட்டின் மீது தீப்பந்தம்

அய்யோ கலைந்தது தேனீக்கள்

இளைஞரின் மனதுக்குள் தீப்பந்தம்

அய்யோ அலறினர் அயல்நாட்டினர்

இன்றைய இளைஞர்கள் சிந்திக்க ஆரம்பித்து விட்டனர். ஆனாலும் சிலர் அதை உணரவில்லை. இதன் விளைவு ஒருநாள் வெளிவரும் அப்பொழுது நம் நாட்டில் ஒரு மாற்றம் ஏற்படும் அம்மாற்றத்திற்காகத் தான் அப்துல்கலாம் போன்றவர்கள் காத்திருக்கின்றனர். அவர் இளைஞரிடம் கனவு காணுங்கள் என்று கூறியதன் பலன் கிட்டும். அதுதான் 2020-ல் இந்தியா வல்லரசு. இருபது வயதைச் சேர்ந்த ஆண்களும் இருபது வயதைச் சேர்ந்த பெண்களும் தான் இம்மாற்றத்தை ஏற்படுத்தப்போகிறார்கள். அதற்காகத்தான் 2020 என்று அப்துல் கலாம் குறிப்பிட்டு கூறியுள்ளார்.

முடிவுரை :

பத்துமுறை கீழே விழுந்தவனைப்

பார்த்து முத்தமிட்டுச் சொன்னாராம்

ஒரு தத்துவக் கவிஞன்

நீ ஒன்பது முறை எழுந்தவன் என்று

எனவே எத்தனை முறை விழுந்தாலும், தாழ்ந்தாலும், நாங்கள் பொறுமையுடன் முயற்சியைத் தொடர்வோம். துன்பம் என்னும் மேகத்தின் பின் இருக்கும் வெற்றி என்னும் சூரியன் சற்று நேரத்தில் வெளி வந்து உலகை பிரகாசமடைவது போல் சில காலம் ஆனாலும் நாங்கள் நிச்சயம் வந்து நம் நாட்டை பிரகாசம் அடையச் செய்வோம்.

மனிதனுடைய ஒவ்வொரு செய்கையும், அசைவும் அவன் முன் ஜென்மங்களில் செய்த கர்மப்பயன்கள் நடத்துவதே தவிர நாம் இதற்காகப் பெருமிதம் கொள்வதில் அர்த்தம் இல்லை. நாம் உட்பட்ட உலகத்தை நமக்கு முன்னமே நம் மூல காரணமாக நின்று நம்மை ஆக்கி, வளர்த்து, அழிக்கும் உலகத்தை நாமா படைத்தோம் நாமா இதை நடத்துகிறோம் நம்மைக் கேட்டா நாம் பிறந்தோம் நம் மனதின் நினைப்புகள் எல்லாம் ஸர்வம் விஷ்ணுமயம் ஜகத் என்று இருத்தல் வேண்டும் என்று உரைக்கிறது பகவத்கீதை பகவான் ஸ்ரீ ராமகிருஷ்ணபரம்ஹம்சரின் பொன்மொழிகளின் படி இளைஞர்களாகிய நாம் கலைக்கப்படாத பழங்கள் போன்றவர்கள். உலக ஆசைகள் நம் மனதுள் நுழைந்துவிட்டால் கனி கசந்துவிடும். நாம் நம் முழு மனதிற்கு எஜமானனாக இருக்கும் வரைதான் எளிதில் இறைவனை அறிந்து கொள்ள முடியும். இளைஞர்களாகிய நாம் பாரத கண்டத்தின் முதுகெலும்பு கீதை எனும் கருவூலம், யார், எத்தனை எடுத்தாலும் குறையாத அட்சய பாத்திரம்.

விவேகானந்தர் கேட்ட பத்து, நூறு, பல லட்சகணக்கான இளைஞர்களை உருவாக்கும் வல்லமை கொண்டது பகவத்கீதை.

வருங்கால இந்தியாவை நிர்மாணிக்கப் போகும் தூண்களாகிய நம் எண்ணங்களும் செயல்களும் தூண்களை வலுவாக நிறுத்தப் போகும் அஸ்திவாரம். மாணவர்களாகிய நாம் அற்ப விஷயங்களுக்கு சட்ட நிலை குலைந்து விடும் இயல்பு உள்ளவர்களாக இருக்கிறோம். இவை நம்மை தாங்க முடியாத சோகத்தில் ஆழ்த்தி விடுகின்றன. தோல்வி, கஷ்டம், சங்கடம் நேர்ந்த சமயங்களிலும் விடா முயற்சியுடனும், நம்பிக்கையுடனும் உறுதியுடனும் இருப்பதே கடமை என்பதை கீதை எல்லோருக்கும் வலியுறுத்துகிறது.

என்கிறது பகவத்கீதை. இப்பாடல்களின் சாரம் இறைவனே எல்லாவற்றிற்கும் மூலமானவன் நம்மைக் கைவிட மாட்டான் என்பதேயாகும். இருக்கண் ஏற்படும் பொழுது அத்துன்பம் தீர்ந்து ஆறுதல் பெறும் அன்னையின் துணையாக கீதையை ஒப்பிட்டார் இந்திய தேசத்தின் தந்தை மகாத்மா காந்தி அவர்கள்.

கடமைகளைச் செய்ய மட்டுமே நமக்கு உரிமை உண்டு அவற்றின் பலனை எதிர்பார்க்க நமக்கு உரிமை இல்லை என்றே கீதை நமக்குக் கற்பிக்கிறது. வெற்றியும் தோல்வியும் அடிப்படையில் ஒன்றே என்பதும் கீதையின் அறிவுரையாகும். கடமை ஆற்றும் போது பற்றுதல் நீக்கி, தாமரையிலை மீது நீர் தங்காமல் நழுவி ஓடி விடுவது போல் ஆற்றினால் நம்மைப் பாவம் தீண்டுவதில்லை என்பதும் கீதை உரைப்பதாகும்

கீதை நமக்கு ஆத்ம தத்துவத்தை எடுத்துரைக்கிறது. ஆத்மாவும் தேகமும் ஒன்றானதல்ல ஆத்ம சக்தி அடைந்தவர் காமம், கோபம், குரோதம், மமதை அகங்காரம் என்ற புலன்கள் சம்பந்தப்பட்ட விவகாரங்களிலிருந்து விலகி, அமைதியையும் பேராசைத்தையும் அடைகிறார்.

நம்மனமே ஒரு கோயில் நம்முன் இருப்பது ஜீவாத்மா. இதுவே பரமாத்மாவான இறைவனின் ஒரு பகுதி. தனிமையில் அமர்ந்து பரமாத்மாவிடம் நம் குறைகளைச் சொல்லிவிட்டு நம் கடமைகளை விடாமல் செய்து வந்தால் மற்றவற்றை இறைவன் பார்த்துக் கொள்வார், என்கிறது தெய்வீக நூலான பகவத்கீதை உயிரியல் விஞ்ஞானிகள் என்னதான் விதவிதமான தொழில் நுட்பங்களை, நுணுக்கங்களை மேற்கொண்டு உயிர்களின் வயதைக் கூட்ட எத்தனை காலம் முயற்சித்தாலும் அது இயலாது. ஏனெனில் உயிர்கள் பிறக்கும் பொழுது அவற்றின் மரண நேரமும் மிகத்துல்லியமாக நிச்சயிக்கப்பட்டு விடுகிறது.

மனிதனால் உருவாக்கப்பட்ட கணினிகளுக்கே இலட்சக்கணக்கான உயிருள்ள, உயிரற்றவற்றின் ஜாதகங்கள் மனப்பாடம் வேண்டும் போது அவற்றை வெளியிடும் திறனும் உண்டு. என்கையில் கணினிகளுக்கெல்லாம் கணினியான மனிதமையே படைத்த இறைவனுக்கும் அவன் திரு முகத்தாமரையிலிருந்து உதித்த பகவத்கீதைக்கும் அளவுகோலுண்டோ

இளைஞர்களாகிய நாம் சிறந்த எதிர்கால வளமான இந்தியாவை உருவாக்க பகவத்கீதையில் குறிப்பிட்டுள்ள நரகத்தின் நுழைவாயில்களான காமம், குரோதம், பேராசை இவற்றைக் கொள்ளக்கூடாது. இவை நம் ஆத்மாவை நாசம் செய்து நம்மை இழிந்த நிலைக்குத் தள்ளிவிடும் என்று கீதை கூறுகிறது. மனம் எதை நாடுகிறதோ ஆத்ம சக்தி அதை நிறைவேற்றும் என்ற வாக்கிற்கிணங்க நிறைவேறக்கூடிய ஆசைகளை நினைக்கப்பழக வேண்டும்.

கீதை நம் எண்ணங்களை வழி நடத்திச் செல்லடும் நம் பேச்சினைத் தூண்டடும் செயல்களைக் கண்காணிக்கடும் அப்பொழுது வாழ்வினைப் பற்றிய நம் கருத்து மாறியமையும் இறை நோக்குடன் கூடிய இறை மனிதனாக நாம் ஆவோம் என்று கூறி விடை பெறுகிறேன். நன்றி வணக்கம்.

महि और महाकाली

हे महिला !

हे महिला , महिमामन्वित महीषि ,
महि का रूप हो तुम !
घर-गृहस्थ की शोभा बढ़ाने में ,
तुम हो अनुपम !

घर में शान्ति,
परिवार में शान्ति,
स्थापित करती है महिला !
आहत मन का दर्द छिपाकर ,
सबको हँसाती है महिला !
महि का प्रतिरूप है महिला
सहिष्णुता में ,
महि का प्रतिरूप है महिला !

हे महिला !

यह याद रखो ।
राम जहाँ है, वहीं रावण
का भी होता है जन्म ।
यदि, राम प्राप्त हो तो
गले लगाओ, रिश्ता निभाओ ।
प्रत्युत,
रावण ही मिला तो
सहना नहीं, दबना नहीं ,
तब महि नहीं, महाकाली बनो !

भारत आजाद हुआ
स्त्री अब भी कैद है ।
हे भारत !
मिली न स्वतंत्रता औरत को ।

जब भारत का नाम लेती
याद होगी हमारी संस्कृति !
स्त्री भारत की रोशनी है,
पर क्रूरता की आग में,
वह जल कैसे गयी ।

स्त्री ,
गीता का सार है ।
ममता का रूप है ।
वेदों का पाठ है ।
निर्भया का नाम है ।

भारत की जननी भी स्त्री है ।
दुष्टों की संहारी भी वही है ।

The Sanskrit Department conducted varied events as a part of SMRTI for the year 2012-2013. Solo singing (Carnatic devotional) and Essay Writing competitions were conducted. On 20th August 2012. The honourable judges Dr.Ramdoss, Department of Sanskrit, Ms.SudhaVijayaraghavan, Carnatic Vocalist, Chromepet conducted the Competitions. The various college students took part in the events.

SANSKRIT ASSOCIATION REPORT (2012 - 2013)

The Bhagavad Gita - "The Song Divine" is the most precious gift from God for the salvation of mankind. Every year our students are getting a golden opportunity to recite one of the chapters of Gita on the occasion of the Gokulashtami day celebration and few slokas from Gita are recited on every Friday in the Sarvodaya prayer.

In the month of January Mr. Sriram, State Organizing secretary, Samskrita bhārathi addressed our Sanskrit students. He spoke about the *Sarala - Samskritam and the Relevance of Sanskrit in modern era* and also encouraged the students to develop their talents and communication skills. It was very interesting, inspiring and informative.

Students brought many laurels to the college by winning many prizes throughout the year.

We thank God Almighty for showering his blessings in all our endeavors and I pray to him to make our future ones also fruitful.

The Sanskrit word 'OM' also written as 'AUM' is a composite of three letters, 'A', 'U' and 'M'. These three letters represent the waking, dream and deep sleep states. The silence between successive repetitions of the mantra 'OM' represents the fourth state called "turiya" (literally the fourth in Sanskrit), a state that transcends these three states. These three states corresponds to the conscious, sub-conscious and unconscious states of the mind.

According to Yoga, Samkhya and many other scriptures, the whole material creation, including human mind and body are a manifestation of "mula prakriti" (primordial nature) which is composed of three gunas- sattva, rajas and tamas. Thus the three letters of OM correspond to three gunas:-

A → tamas (darkness, inertia, ignorance)

U → rajas (passion, activity, dynamism)

M → sattva (purity, truth, light)

The silence between two 'AUM' sounds represent the pure consciousness, a state which transcends the three gunas (called trigunaatit, beyond gunas).

पूर्वाऽस्य मात्रा पृथिव्यकारः स ऋग्भिर्ऋग्वेदो ब्रह्मा वसवो गायत्री गार्हपत्यः॥

द्वितीयाऽन्तरिक्षं स उकारः स यजुर्भिर्यजुर्वेदो विष्णु रुद्रास्त्रिष्टुब्दक्षिणाग्निः॥

तृतीया द्यौः स मकारः स सामभिः सामवेदो रुद्र आदित्या जगत्याहवनीयः॥

'A' represents Brahma, the creator; 'U' represents Vishnu, the sustainer; and 'M' represents Siva, the destroyer. The silence between two OM sounds is equal to the substratum of the reality that lies beyond trinity.

OTHER NAMES FOR 'OM':-

In Upanishads, OM is referred to as 'udgita'; the uplifting chant or 'omkara'. In yoga sutras of Patanjali it is mentioned as 'Pranava'. Patanjali refers to it as 'Vachaka' or the representative symbol of Ishvara (the lord). Other words used for OM include:-

Taraka- one that helps us cross the ocean of perishable life.

Akshara-Indestructible or imperishable or supreme consciousness.

VEDIC MEANING:-

OM is also used as a symbol, what we call as *pratika*, for everything- this entire universe because OM sustains everything. The entire universe means not only the physical universe, but also the experience. The experienter, the experienced and the experience- all the three of them is covered by the sound 'a'.

The letter 'u' is the thought world, which is distinctly experienced as other than the physical world.

What was there before and after the creation is the meaning of the sound 'm'.

Thus the sleeper and sleep experience; dreamer and dream experience; and the waker and the waking experience all these three constitute together represent 'OM'. Thus, 'OM' is complete.

(Sloka to be inserted)

Once we know the meaning, 'OM' becomes the name of Lord. Now we can call him, invoke him and pray to him. That is why many of the 'mantras' and prayers begin with 'OM'.

ORIGIN OF 'OM':-

The '**Chandogya Upanishad**' narrates how the syllable 'Aum' issued forth from Brahma as he brooded upon the worlds' in the initial stages of creation. From his brooding, first emerged the three fold knowledge (*trayi vidya*) and then the syllables *bhur*, *bhuvah* and *suvah*. When he brooded upon them, the syllable Aum, issued forth from them. Thus symbolically Aum represents the entire creation manifested in the three planes namely the earth, the mid region and the heaven.

Picture to be inserted

'OM' IN THE YOGA SUTRAS OF PATANJALI:-

In Chapter-1 (*Samadhi Pada*) of the yoga sutras, *Patanjali* gives the concept of *Ishvara* (Om) as "*Ishvara is the supreme pursha, unaffected by any afflictions, actions, fruits of actions or by any inner impressions of desires*".

The following sutras provide us an insight into the sacred symbol Om:-

Sutra 1.27→ "The word expressive of *Ishvara* is the mystic sound Om".

Sutra 1.28→ "To repeat it with reflection upon its meaning is an aid".

Sutra 1.29→ "From this practice, all the obstacles disappear and simultaneous dawns the knowledge of the inner self".

Thus chanting of 'Om' makes us free from obstacles and provide us a glimpse of inner self.

'OM' IN BAGAVAD GITA:-

In *Bagavad Gita*, the significance of 'Om' is given in the following verses:-

Gita 8.13:-

ओमित्येकाक्षरं ब्रह्म व्याहरन्मामनुस्मरन् ।

यः प्रयाति त्यजन्देहं स याति परमां गतिम् ॥

Uttering the monosyllable 'Aum', the eternal world of Brahma, one who departs leaving the body (at death) he attains the supreme goal (the Heaven).

Gita 9.17:-

पिताहमस्य जगतो माता धाता पितामहः ।

वेद्यं पवित्रमोडकार ऋक्साम यजुरेव च ॥

Lord Krishna says to Arjuna, "I am the father of this universe, the mother, the support and the grandsire. I am the object of knowledge, the purifier and the syllable 'Om'. I am also the rig, the sama and the yajur veda."

Gita 17.23:-

ओं तत्सदिति निर्देशो ब्रह्मणस्त्रिविधः स्मृतः ।

ब्राह्मणास्तेन वेदाः च यज्ञाः च विहिताः पुरा ॥

'Om', 'tat' and 'sat' has been declared as the triple appellation of Brahma, who is Truth, Consciousness and Bliss.

'OM' IN UPANISHADS:-

Om is a very beautiful single syllable word. In **Katopanishad (1-2-15)**, it is said that :-

Verse to be inserted.

सर्वे वेदायत्पदममनन्ति तपस्वि सर्वाणि च यद्वदन्ति ।

यदिचन्दो भ्रमचार्यं चरन्ति तदि पदमसङ्ग्रहेण भविम्यो इत्येतत् ॥

All the Vedas talk about the goal, to know which, people take to a life of study and discipline, that I will tell you briefly, that is 'Om'.

In **Mandukyopanishad,1** it is said that,

What had happened before, what is now and what will be later- everything is just-Om.

In Sanskrit, the meaning for Om is '*Avati*' or '*raksati*'. *Raksati* means 'one who protects or sustains'. So that one which sustains everything is Om.

The **Atharvasikha Upanishad** suggests that meditation has to be done on the single letter 'Om' because it is in itself the mantra for meditation.

EFFECT ON HUMAN BODY:-

When we take a deep breath and chant Om, it causes a very calmful effect, which will totally relax the mind and body. It is the first stage of meditation which aims at drawing our attention away from all tensions that have occupied our mind. When Om chanting is accompanied by deep breathing, it gives a very gentle massage to our chest, spine, tummy and head. It improves the functioning of all the organs of the body and thus helps in curing various diseases. When our mind is away from worldly thoughts, it is a stage when we get truly connected to the Almighty God. It infuses vitality in the body and one tends to feel stronger.

Method and fruit of wearing Rudraksa

रुद्रस्य नयनादुत्पन्ना रुद्राक्षा इति लोके ख्यायन्ते ।

Classification of 'Rudraksa' into Classes

The Rudraksa was born on the earth at the express instructions of Lord Siva in the form of different types of trees catering to the different needs and welfares of the different segments or classes of society.

Rudraksa with a white colour, of a red colour, a yellow colour and of black colour are prescribed according to the varnasrama respectively.

Powerful and Powerless 'Rudraksa'

समाः स्निग्धा दृढाः स्थूलाः कण्टकैः संयुताः शुभाः ।
कृमिदष्टं छिन्नभिन्नं कण्टकैर्हीनमेव च ॥

The best and most auspicious Rudraksa is strong (like a nut), superficially and comparatively smooth (to touch), uniformly round (like a glass marble), having thick and well developed spine, tacks and spicules. The following six types of beads are not considered good and should be avoided – those with nibbling marks created by wood eating ants, those which are deformed or broken or split or chopped or scared anywhere, those that do not have a spine, tacks or spicules, those which do not generally look attractive, pleasant and good, and those which do not have any of the prescribed qualities or characteristic features described above. The Rudraksa with a natural hole (bore) running through it is considered as of a good quality.

The beads which need to be drilled through to bore a hole through them through which the thread can be passed to string them into a rosary or a garland, are considered to be of a medium or ordinary quality i.e the beads which have a natural bore hole passing through them are regarded as the best while those through which such hole has to be artificially made are considered medium.

सर्वगात्रेण सोम्येन सामान्यानि विचक्षणः ।
निकषे हेमरेखाभा यस्य रेखा प्रदृश्यते ॥
तदक्षमुत्तमं विद्यात् तद्धार्यं शिवपूजकैः ।
शिखायामेकरुद्राक्षं त्रिशतं शिरसा वहेत् ॥

For the purpose of wearing them on the body, those beads which are of uniform size and shape, comparatively smooth, strong and hard as well as thick and robust should be selected, and they should be strung together by a silk thread.

All the beads should be of a uniform shape, size and colour . The devotees of Lord Siva should use beads having a subtle golden thread or line marked on them when tested on a touch stone, should be known to be superior quality and worn by devout worshippers of Siva.

Wearing of the Aksa-bead in other parts of the body

One should wear a single Aksa – bead over the tuft and wear three hundred over the head; he should place thirty six Rudraksa beads should be worn around the neck (as a necklace), sixteen beads in each of the two forearms (as armlets), twelve beads around each of the two wrists of the hands (as bracelets) and five hundred beads around the shoulders (encircling the armpit).

केयूरकटके सूत्रं कुक्षिबन्धे विशेषतः ।

सुप्ते पीते सदाकालं रुद्राक्षं धारयेन्नरः ॥

A garland of one hundred and eight beads should be worn, like a sacred thread. The garland worn around the neck as a necklace should have (2.3.5.) or 7 stands running parallel to each other. The beads can be worn as ear studs, ear rings and as crown jewels on the head.

Beads threaded together in a special cord should always be worn as arm band, whether the wearer is awake or asleep (i.e. at all times)

Wearing one thousand beads is regarded as the best, five hundred beads as medium or mediocre, and three hundred beads are regarded as most lowly. Hence, one should be aware of this while wearing them.

Mantras to wear in different parts

शिरसीशानमन्त्रेण कण्ठे तत्पुरुषेण तु ।
अद्योरेण गले धार्यं तेनेव हृदयेऽपि च ॥
अद्योरबीजमन्त्रेण करयोर्धारयेत् सुधीः ।
प च शशदक्षग्रथितान् व्योमव्याप्यभिचोदरे ॥
प च ब्रह्मभिरङ्गैः च त्रिमाला प च सप्त च ।
ग्रथित्वा मूलमन्त्रेण सर्वाण्यक्षाणि धारयेत् ॥

While wearing the beads on the various parts of the body, one should invoke the following Mantras – viz

- The Mantra "Isanah sarva vidyanam" should be invoked for wearing the beads on the head.
- The "Mantra tatpurusaya vidmahe mahadevaya" should be invoked for wearing the beads as a girdle or wreath around the neck in the region of the Adam's apple round the neck.
- The Mantra "aghorebhyo" should be invoked while wearing the beads as a necklace or garland around the neck and hanging or dangling on the chest or above the heart.

An expert and wise person should invoke the 'Aghora Mantra' for holding the beads in the hands. While passing the string through the hole in each of the beads, one should invoke all the alphabets in Sanskrit from the first letter 'A' (अ) to the last letter 'Ksa' (क्ष) as combined with Anusvara, root or seed words for invoking the various Gods in creation. The beads should then be blessed and empowered with the 'Panca Brahma mantra' or 'pancaksari mantra' (which is 'Om namah Sivaya'). This will endow the beads with divine, sublime and subtle mystical powers.

Then parallel strands numbering 3, 5, or 7 (odd numbers) should be worn like multiple garlands attached or linked to or interlined with each other and worn simultaneously.

Sannyasa

Sannyasa (Devanagari: Sannyasa) is the life stage of the renouncer within the Hindu scheme of asramas. It is considered the topmost and final stage of the ashram systems and is traditionally taken by men or women over fifty or by young monks who wish to renounce worldly and materialistic pursuits and dedicate their lives to spiritual pursuits. People in this stage of life develop vairagava, or a state of dispassion and detachment from material life, renouncing worldly thoughts and desires in order to spend the remainder of their lives in spiritual contemplation. A member of the sannyasa order is known as a sannyasim (male) or sannyasini (female).some of the sanyasis are.....
Git(4.20)

त्यक्त्वा कर्मफलासङ्गं नित्यतृप्तो निराशयः ।

कर्मण्यभिप्रवृत्तोऽपि नैव किं चित्करोति सः ॥

According to the Bhagavad-Gita sanyas or renunciation is a matter of attitude and thinking. True renunciation means freedom from desires. It is possible through detachment and equanimity of mind.

SWAMI VIVEKANANDA

ADI SANKARAR

Etymology and synonyms

Samnyasa in Sanskrit means "renunciation" or "abandonment". It is a tripartite compound of sam- with a "collective" meaning, ni- which means "down" and asa from the root as, meaning "to thro" or "to put". A literal translation would be "laying everything down". In dravidian languages, "sannyasi" is pronounced as "sanyasi" and also "sannasi" in colloquial form.

Sanyasis are also known as Bhiksu, Parivraja/Parivrajaka, Sadhu, Siddha, Sramana, Tasapa/Tapasvin, Tyagis, Vairagis, and Yatis.

Types

Adi Shankara in his Vivekachudamani (Sloka 81 and 82) speaks about those who being subject to the sufferings of life condemn samsara. Their vairagya is superficial, neither total nor everlasting. In this context Sri Candrasekhara Bharati of Sringeri explains that because they are not completely detached from sense-objects they are bereft of the firm virtues of sama etc. Therefore, Shankara instructs that the monster of Visava (sense-objects) is to be killed by steadfast vairagya then alone the ocean of samsara fraught with the waves of birth, death etc., can be crossed without any obstacle in order to gain saksatkarana ("intuitive perception") of Brahman (Vivekachudamani Sloka).

Subtypes of Sannyasis:

- Kutichaka
- Bahudaka
- Hamsa
- Paramahansa

More recently, in modern observation there are two types of "ekadanda" (literally single stick) and "tridanda" (triple rod or stick) saffron robed monks. Specific practices differ slightly between these two groups.

True Renunciation Or Sanyas According To The Bhagavadgita

Gita(5.3)

ज्ञेयः स नित्यसञ्चयासी यो न द्वेष्टि न काङ्क्षति ।

निर्वन्दो हि महाबाहो सुखं बन्धात्प्रमुच्यते ॥

It is by renouncing the desire for the fruit of actions a karmayogi becomes a true sanyasi. Mental renunciation is actually more difficult to practice than outward and superficial renunciation. The Bhagavadgita proclaims that a karmayogi who neither hates nor desires should be considered true Sanyasi because it is by overcoming desires a person transcends the pair of opposites hidden in his passions and emotions.

Rules of sanyasis :

According to dharma sastra the rules of sanyasis are The Dharmasutras and Dharmasastras give a number of detailed rules regarding at what stage of life a person may renounce fire, who is entitled to renounce it, and what their legal and social standing is following renunciation.

- Should always have a dhandu (bamboo staff) and kamandulu (used for abulations made of wood). If he is without these two he cannot be considered as a sanyasi but a chandala.
- Should strictly observe celibacy.
- Must not travel in vehicles. Should travel by foot only.
- Must shave once in two months only.
- Must take biksha and eat.
- Must not travel abroad.
- Should not indulge on Wordly affairs.
- Must not stay in a town more than three days. Must be in continous travel.
- Must bathe thrice daily in cold water.
- Must not save money for personal use.
- Must concentrate only in doing sharavana, manana, nidhidhyaasana of vedhantha.
- Should do the karmas like japas and poojas as said by the guru.

Life style and their goals:

The sannyasi lives a celibate life without possessions, and practices yoga or bhakti devotional meditation, depending on the specific tradition, with prayers to their chosen deity or God. The goal of the Hindu Sannyasin is moksha (liberation), the conception of which varies from tradition to tradition.

Gita (5.8,5.9)

प्रलपनविसृजन्मृष्टणञ्चुन्मिच्छिमिच्छपि ।

इन्द्रियाणीन्द्रियार्थेषु वर्तन्त इति धारयन् ॥ 5.9

The Bhagavadgita provides a glimpse of how a true sanyasi lives and thinks. In the fifth chapter, we are informed. "Whether in seeing, hearing, touching, smelling, tasting, walking, sleeping or breathing, while performing actions a true sanyasi thinks that he is doing nothing at all. And when he is performing his bodily functions, he knows that only his senses are dealing with the sense objects." Thus a true Sanyasi is but karmayogi in daily life. Lord Krishna as sanyasi in mahabaratha:

Maharishi Mahesh Yogi's translation of this verse

"Know him to be ever a man of renunciation who neither hates nor desires; free from the pairs of opposites, he is easily released from bondage, O mighty-armed."

The attitude of renunciation is well evident in the life and activities of Lord Krishna himself. Though he led a luxurious life, seemingly enjoying the abundance of royal life, he was inwardly detached. He stood on the side of righteousness and destroyed demons and evil people, with a sense of duty rather than any kind of vindictiveness. In the epic Mahabharata while the various characters flit across the screen displaying tumultuous emotions, Lord Krishna remains calm and composed throughout. Truly, in Lord Krishna we find the perfect blend of a true karmayogi and sanyasi.

Gita (6:2)

“Yam sannyasam iti prahur yogam tam viddhi pandava, nah y asannyasata-sankalpo yogi bhavati kasacana”, A sannyasin has another quality: he does not will that something has to be done. He has no volition in any particular direction. He does not decide that something should be ‘like thhis’, and he does not decide that it should not be like this. Such a decision, such a determination, such a wish does not arise in his mind. He has no sankalpa, sankalpa means a kind of desire-filled determination of the will. As a sannyasin does not have any desire, he cannot have a determination in respect of doing something and avoiding something else. The sannyasin, having withdrawn his self from contact with sense objects, cannot have a desire to decide.
