THE COLLEGE CREST

The College Crest is enshrined within a lotus in full bloom to represent the cult of the devotion preached by Mahaprabhu Shri Vallabhacharya. At the center of the Crest is a sacrificial fire, which symbolizes the Lord himself (Yagna Vai Vishnu). The Lord is reached by the three steps of the altar signifying KSHARA, AKSHARA and POORNA PURUSHOTHAMA. The Volume at the foot of the altar stands for the Book of Knowledge (the Vedas) and the three flowers on it show the factors that conduce to the accumulation and propagation of the Knowledge, Intelligence, Action and Material Resources. The aim of Knowledge is the realization of the Supreme truth and this is embodied in the College Motto taken from Srimad Bhagavatam.

“ SATYAM PARAM DHEEMAHI ”

“Let the truth uphold Supreme in my Consciousness”(or) truth and the transcendental divinity of the I uphold in my awareness.

From the Principal's Desk

"Organizations, like men, if they are to command respect and grow, must have a sense of honour and must fulfill their promises"

Mahatma Gandhi

Vaishnav college stands tall as an educational institution for women students of Kanchipuram District with this mission. This academic year 2014-15 was a remarkable year for Vaishnav college as 'DBT STAR STATUS' scheme for Basic sciences was sanctioned by Ministry of HRD, Government of India. Four Interdisciplinary seminars were organized to inculcate research interest in students. Our Alumnae Trust was registered this year to strengthen the Alumnae of Vaishnav. UGC sponsored certificate courses on "Mushroom cultivation" and "Women Entrepreneurship" were implemented along with other certificate courses. Academic excellence and unique learning experience given to students yielded rich academic dividend in the form of excellent results and 100% placement in reputed companies. College is fully committed to ecofriendly reputation by providing 'Go Green' campus, effective rainwater harvest system and solar panels.

" The highest results of education is tolerance"

Helen Keller

Teaching tolerance is one of the most important roles that a teacher can assume. The influence of a teacher on a student's attitude should not be underestimated and we knew that moving students from fear to tolerance can have a long-term impact on them. Our college has excellent counseling unit that help our students to understand their problems and to create different strategies. Winners from all walks of life have their own strategies and plans. So the will to win, desire to succeed, the urge to reach your full potential are the keys that will unlock the door to personal excellence. I wish Good luck to all my students in all their endeavours.

Looking Back.....Looking Ahead...

I thank the untiring efforts and support given by power-packed team of teaching and non-teaching staff and the constant encouragement of the management in making my tenure as Principal a memorable one, in this esteemed institution. In the pursuit of challenging and meaningful team goals, we have moved a long way towards effective team work.

As I travel down my memory lane, my mind takes me to people and events that I'm grateful about. I have a deep sense of gratitude to my former Principals, senior retired professors, my department colleagues and alumnae. Every student is very special and unique to me. When my students are worried, they know that they can turn to me for comfort and words of advice. No words of mine can ever convey the amount of gratitude I owe to this institution.

Let us all understand and believe passionately that, cutting-edge research, knowledge based education and total commitment will definitely take this college to its pinnacle of excellence. Reaching a milestone is a time to look back at the good times and look ahead to realizing more dreams. I am delighted to continue my service to this institution as Academic Advisor.

' Good leaders create a vision, articulate the vision, passionately own the vision and relentlessly drive it to completion'.

"We want that education by which character is formed, strength of mind is increased, the intellect is expanded and by which one can stand on ones feet."

Swami Vivekananda

Genesis of the College:

Shrimathi Devkunvar Nanalal Bhatt Vaishnav College for Women is a mission-driven educational institution that connects students to success and opportunity. The college was started in 1968 when the then Prime Minister Mrs.Indira Gandhi announced the first National Policy of Education in rural areas, with the generous donation of 10 acres of land by our Late Founder Chairman Shri Nanalal Bhatt and 6 lakhs donated by Cork Industries Charities Trust. The College stands in the name of our Late Founder Chairman's beloved wife Shrimathi Devkunvar and it has efficiently rendered four decades of dedicated service to the cause of women's education in the Kancheepuram District. The college houses many Research Departments that help our students to explore new avenues and equip them to scale greater heights in their life. The college was accredited to 'A' grade in 2006 and re-accredited to 'A' Grade in 2011 by NAAC. The Autonomous status was conferred by University of Madras in June 2006 and extension of autonomy in 2011. Total strength of the college including Day and Evening, is nearly 5000.

MANAGEMENT

We travel through the path of success by the visionary leadership of our College Secretary Shri. Chandrakant M. Tolia who is the embodiment of courage, sagacity and zeal in boundless measures. Our college Chairman Smt. Mamta D. Bhatt's continuous support, guidance and encouragement is voluminous. Our college Management Committee Members are always supportive in all ways.

STAR STATUS :

"Without continual growth and progress, such word as improvement, achievement and success has no meaning."
- Benjamin Franklin

The Dept. of Physics, Chemistry, PB&PBT has shown this growth from UG to Research Department and is awarded Star Status by Department of Bio-Technology, Government of India, Ministry of Science and Technology, New Delhi.

Today standing here at this juncture, my heart is brimming with gratitude of unending list of names and faces,of whom some are monuments, some are pillars, some are torchbearers and some are mirrors. I thank the management for their monumental support, my former principals, retired and present colleagues and my family members for being great pillars and the students the torchbearers of tomorrow. I render my heartfelt thanks to the unflinching support of our management, teaching fraternity, non-teaching staff and students during my tenure as the Principal of this great college.

Thank You

Department of Social Work

The Department of Social Work started its journey in 2003 and it offers a compilation of diverse subjects, all of which have a significant impact on the success of the Social work discipline. The Department of Social Work offers Masters Degree in Social Work with specializations in **Human Resources** and **Medical & Psychiatry**. Juxtaposed with the theory learning, the students also undergo two days of **field work** training in a week, which mirrors the need to learn the practical aspects of their respective field of study. The Department of Social Work, under its multitude of feathers organizes an array of activities that contribute towards enhancing social sensitivity. "**Students Participatory Empowerment Forum**" (SPEF), is an active Student's body, under which all the departmental activities are carried out with great passion and social responsibility.

Nuggets of events held during the academic year 2014-15:

World Aids Day – December 1st, 2014: This day is dedicated to raise awareness of the AIDS pandemic caused by the spread of HIV Infection. The students of the Social Work department organized an awareness program in the college campus on the theme "**Anti-Stigma Campaign.**" Awareness Slogans were displayed in prominent places of the campus to remove the stigma or discrimination against the people living with HIV. "**Red Ribbons**", (universal symbol of awareness and support for people with HIV) were distributed to all the students as a part of this awareness campaign.

International Day for Persons with Disabilities – December 3rd, 2014: This day is a global observance and in this connection, on 8th December 2014, the students of the Department of Social Work organized an awareness program for the children of "**Rosily Matriculation Higher Secondary School, Chitlapakkam,**" to sensitize them about the challenges and the needs of persons with disabilities. "**Street theater**" was performed highlighting the difficulties disabled persons face while they pursue their education and how the younger generation can contribute in the removal of those barriers. Couple of **documentary movies** was screened to create awareness about the various welfare services available for them.

World Human Rights Day – December 10th, 2014: In connection with this day, on 12th December 2014, the students of Social Work department performed a "**Street Play**" in the college **general assembly** signifying the right which belongs equally to every individual. The street theater aimed to draw attention on protection of human rights focusing on the certain issues where people are deprived of their rights. Alongside, **awareness messages** and **slogans** were displayed in the prominent places throughout the campus to accentuate the awareness on human rights.

National Youth Day – January 12th 2015: January 12th is observed as National Youth Day to commemorate with Swami Vivekananda's birth anniversary. The Department of Social Work celebrated this day on January 19th on the theme "**Youth Vibe**" by organizing various inter-departmental competitions to encourage and recognize the astounding talents of the future nation builders. YOGA AND MEDITATION ANNUAL REPORT 2014 -2015

International commission on Education for the 21st century have identified various tensions and crisis of the modern society and suggested four pillars to be constructed for strengthening the education system. These pillars are learning to know, learning to do, learning to live together and learning to be. At Vaishnav these four pillars are strengthened by providing scientific, technological and human value skills.

Human skills are developed by practising simplified physical exercises, meditation and introspection as per "The World Community Service Centre" Thiruvannamaiyur, Chennai guidelines. "Vaishnav College SKY Yoga" functions as the sub-centre of Balakrishnapuram SKY Yoga Trust.

During the academic year 2014-2015 under the stewardship of SKY Professors A/N Nithyashree, A/N Thiruchelvi and SKY Assistant Professors value added education programme for 1500 III year students of both day and evening college students have been imparted in the month of January 2015. Students were trained in physical exercises, kaya kalpa exercises, meditation and introspections like analysis of thought, moralization of desire, neutralisation of anger, eradication of worries and realization of self.

Every year through-out the 2nd semester of the year 150-120 students of both day and evening college students of 1st year undergo yoga practices in two sessions. 1586 1st year students have been taught yoga practices during this academic year 2014-2015. Yoga practice has been given to students in 2 sessions first session in the morning for evening college students and the second session in the after-noon for day college students for two hours each. Once a week all 1st year students undergo yoga practices. Students are divided into 9 batches and yoga practices are taught on individual attention basis. Regular tests are conducted to check whether the yogic practices are correctly followed by students.

Yoga classes conducted in our college aim at developing harmony between body, mind and life force of our students. These classes would help our students to lead a healthy, happy and prosperous life. In fact it will have an everlasting effect on the minds of the students and they would continue to practice the art of yoga and meditation regularly which will have an impact through-out their life time.

UNEXPECTED EXPECTATIONS

Everyone suffers with a malady called "EXPECTATIONS". We start expecting when we grow a little higher. Human's expectation can never be met as it proliferates but never desists. Expectations devastate peace. We should aim but not expect. A man would like to receive honors but reluctant towards fiascos. There are people who expect but never take any action to bring it into reality and this leads to frustration. Expecting others to be according to one's stand point makes no sense - as perceptions differ. Even parents can't expect their children to become what they had failed to become because they can't be successful if they don't accomplish it wholeheartedly. Following one's footsteps and expecting instantly to be like him /her will not do as time analyses each one's caliber. At one point of time, we realize that we had best things in our life after having losing them. The things which we consider nothing will seem the best to others and it goes on. So it's better not to expect and realize the things with which we are blessed with and reach heights as "REALITY IS OFTEN DIFFERENT FROM EXPECTATIONS".

CANDLE

God sacrifice,
A candle to this world,
She is born as a dream of light,
Glow as candle of sacrifice,
Melted her dreams for others,
Middle class girl sacrificial begins,
Sacrifice good roti for her brother,
Dream of education melted,
Love for her family dreams,
Glow as light of sacrifice,
Melted her dreams for others,
No rights to choose her partner,
Got married to an unknown one,
Live for her children dreams,
Melted her dreams for others,
God arrived, to take her,
Candle is still lightning, because,
Of her holy things and sacrifice,
Consecrate holy things for her children,
Slowly candle lose the lightning,
Melted as the last drop,
Dry drops are stay in the world,
Light reach the sacrificial creator.

THE LONG WAIT ON THE HIGHWAY

Standing there on the highway
I waited for a lift, the whole way.
My past days came in a vehicle,
Carrying with it, my childhood;
Reminding of my incapability to change it,
It went away, on the highway.
My past continuous days came in a vehicle,
Carrying with it, the horrible events.
Reminding of my incapability to stop it,
It went away, on the highway.
My future days came in a vehicle,
Carrying with it, the dilemmatic dreams,
Reminding of my incapability to control it,
It went away, on the highway.
My present day came in a vehicle,
Carrying with it, my good works.
Reminding of my incapability to rewind it;
It went away, on the highway.
My present continuous days came in a vehicle,
Carrying with it, the empty seats.
Reminding of my destination to reach;
It went away, on the highway.

THE FIRST STEP

As grown up people, we make mature decisions. Have you ever wondered when you gained your ability to make decisions? Have you ever reflected on how you decided on your favorite flavor of ice-cream after years? How you figured out that your math teacher was the best in the whole wide world? The nature of every decision you take today has its root at a very small 'V' point in your life. The point where you decided to walk the harder path and held onto your decision with all your might. That was the point where you gained the confidence to trust your decisions. Here is my chance to walk back and visualize how it was then.

Until my third grade, I was schooled at a very reputed institution in the Chennai city. We then shifted locality and I was put into a small school on the outskirts of the city where everybody knew everybody. The syllabus was unreasonably tiny and I topped the class without trouble. My parents decided to switch schools for the sixth grade for that is when a strong foundation is built and my current school would do little good concerning it. I was quite apprehensive about it and my teachers were instantly onto me persuading not to leave, threatening that I would definitely fail in a school so vast, and accommodating three thousand students. I could understand their worries about my leaving. I could appreciate it. But I couldn't stand to hear them say I would fail. After all, I topped my class of fifteen. I cannot fail. I will not fail. That was when I firmly decided on switching my school. I wanted to prove my loving teachers wrong on that one point. I took that first hard step and of course, I was no overnight success. My average score was somewhere between sixty and seventy. I was in touch with the teachers of my former school and looking at my marks they gave me the "We told you so! Now see for yourself" look. That, only made me cling onto my decision ever so tightly. I strived hard and eventually my scores shot to a steady 90% and never dropped. That was when I felt a sense of being complete. Had I made one different decision I would not have been the strong person I am today.

That I was so decisive at that tender an age has never failed to take me by surprise. It has also never made me feel apprehensive about the decision I make. Stand firm on your ground and strive. Make decisions that will prove people who hoot and howl at you wrong. Not just for you, but for the millions who are struggling to make a bold decision. Not just for you, but motivating the thousands who have taken the harder path and are struggling. Not just for you, but for everyone who would care to read your account like you cared you to read mine.

WHY NOT LIVE A DAY FOR YOU ?

Have you ever questioned yourself for whom you are living in this world? It is definitely not for You. You are just residing here only for the sake of others.

It all started early in the childhood as he/she is being taught, how to impress others and earn a good name. Ultimately this idea is being imprinted in the minds of those tender young souls and they follow it to the very end of the grave. No one can have an escape from this idea including you.

The minute you wake up from the bed, various thoughts began to cluster your mind, framing the time-table for that particular day. Even in that well-scheduled time-table, it is damn sure, you don't have a Nano-second to live for yourself. You are working hard to acquire the adjective 'good' for example good child, good student, good parent, good worker, good friend etc. All this while, you are running behind this tag very hard as if you are doing everything for you own self. You can easily say 'I live for me'. But you, yourself clearly know this statement is only a make believe one. As long as you live for others, your individuality will hide deep inside you. In the other case, it is not necessary that you should live only for yourself and it is not just on your part.

In 365 days, at least spend only one day for you, you alone, without thinking the past or the future, live the present day whole-heartedly, set aside the botheration about others, discovering your individuality, free from all ties, rejuvenating you. At the end of the day, you feel the happiness deep inside your heart for having spent the time for your own sake. Sweet things about you pop up in your mind and bring a smile in your lovely face once when you start living for you. So do not deny to live a day for yourself.

BOND BETWEEN MY BROTHER AND

One whose grip is a little tighter,
One whose smile is a little whiter,
One whose deeds are a little brighter,
that's what I call my Brother.
One who'll lend as quickly as he'll borrow,
One who's the same today as tomorrow,
One who's there to share your joy and sorrow,
That's what I call my Brother.
One who while you're gone, will miss you sadly,
One who'll welcome you back gladly,
One who though angered, will not speak madly,
That's what I call my Brother.
One who's willing to aid you,
One who's advice has always paid you,
One who's defended you, when others have plagued you,
That's what I call my Brother.
One who's been there when life seems rotten,
One whose ideal you have not forgotten,
One who's given a lot more than he's gotten,
That's what I call my Brother
One who praise for the effort or the hard work which you do
One who always gives you a helping hand time to time
One who sacrifices him for me
That's what I call my Brother.

WHAT LIES BEHIND US AND WHAT LIES BEFORE US ARE TINY MATTERS WHEN COMPARED TO WHAT LIES WITHIN US

Simple slogans of motivation like those found on our coffee cups have the power to get us out of bed and through the day, but we often forget how endless the potential of the human spirit truly is.

The key to any form of personal success or healing: the human spirit. An inner will power and positive spirit is essential to all accomplishments. Man should breathe every moment with the sole aim of refining himself to live a life of value and raise the standards he sets for himself. One thing a person will never regret at the end of his life is the values he cherished, the positive and productive goals he nurtured, the grit and determination he expressed in standing firm on what is absolutely the right thing to do.

Man is made of immense capability and strength to over haul the largest of the obstacles in life; to accomplish huge and unimaginably sublime dreams and aspirations we should put our heart to such dreams and nurture this capacity in us, develop it into gigantic potential that we have.

It is only the matter of realization of one's capability lying dormant in oneself before one can embark on the journey of self-discovery and attempt to achieve the near I, possible. It is very important that we set our priorities right and put our energy in the right direction. Highly significant is the fact that every person discovers his innate capability and passion, his field of interest, the things that drive and determine what he has been made for. Then he needs to relentlessly work towards the goal with zeal, rigor and discipline. He will suffer setbacks and challenges but to face them with courage and not lose hope, will surmise how man can give true meaning to his life

Lance Armstrong fought testicular cancer to achieve the amazing feat of winning the Tour de France, a record seven consecutive years. That is the nature of human potential.

A timeless example of physical domination; Muhammad Ali and George foreman's legendary 1974 boxing match. Prior to this fight Ali had been suspended from boxing for over three years, and upon return, lost crucial matches. Foreman was picked as an overwhelming favorite against Ali and almost no one gave the former boxing champ a chance at regaining his title. Months prior to the match at a press conference, Ali delivered a rousing speech claiming that "George foreman was in trouble". After eight captivating rounds displaying Ali's tactical genius and unwavering determination. Ali regained his title against a younger and stronger George foreman. From that point on, and forever forward, Muhammad Ali was known as "THE GREATEST"

Ali's past was filled with defeat and setbacks and before him stood a boxing legend (in his own right) far stronger than he was, but within Ali was a will power and determination greater than everything standing in his way. His triumph over his past, his critics, and his obstacles wasn't done with fancy footwork and punching combos, but with an indomitable will power is every bit as crucial to success as muscle and agility. In fact, much more crucial, Will power is the undeniable force that sets our skills and talents into action.

Our inner spirit, whether rooted in religion or an inner will, is what drives and motivates us to push forward and regain strength when our bodies turn against us. A hero is no braver than an ordinary man, but he is braver five minutes longer.

Inner beliefs and motivations not only hold the potential to overcome external opponents, but internal challenges as well. The Meta physical conditions of individuals suffering from an illness or injury have often being found to be just as vital to their survival as their physical conditions. The strength within a patient can often be what saves their life." medicine only goes so far, and then comes spirit. There comes a time when doctors have done all they can, and the patients who survive are the ones that believe they can." Survival would be impossible without a vigorous and unconquerable will power...nothing can hold us back from healing and success.

Faith, in oneself, consists in believing when it is beyond the power of reason to believe....real strength is a decision and can be found within each of us. It is our opportunity to awaken our inner strength and live the life we desire; to create, explore, and accomplish the things we hold dear it takes strength to be in a loving relationship, raise a family, be yourself, and allow others to be themselves. Life is like a vessel and the choice of unfurling the sails is absolutely one's.

People have gained wisdom more readily through their failures than through their success death is not the greatest loss. The greatest loss is what died inside of a person and the person is still alive. Anyone can give up; it's the easiest thing in the world to do. But to hold it together when everyone else would understand if you fall apart, that's true strength

One needs the serenity to accept the things one cannot change, the courage to change the things one can and the wisdom to know the difference. There are truly amazing forces within us, which we would be powerless without success, whether mental, physical or emotional, cannot be attained without a fitting mindset. Our will power and spirit allow us to make triumphs greater than what we first imagined possible. The inspirational quotes and metaphors that decorate our coffee mugs and desk calendar's aren't only remind us that we can make it through, but invitations to achieve all that we can. Within us lie unlimited potentials and capabilities. It is up to us as individuals, to put down our coffee cups, and make something of our blessing.

THE SONG OF THE SKYLARK

TO THE GIRL WHO WAKES UP TO ANOTHER PIMPLE TOPPING THE ALREADY EXISTING TEN ON A MISERABLE MONDAY MORNING.
 TO THE GIRL WHO FRETS FOR THE NUMBER OF LIKES FOR HER PROFILE PICTURE ON FACEBOOK BARELY CROSSES FIFTY
 WHILST HER BEST FRIEND'S INVARIABLY HITS A CENTURY OR EVEN MORE.
 TO THE GIRL WHO PREFERS STAYING HOME FOR SHE FEARS SHE WILL BE MADE FUN OF, LEAVE ALONE NOT RECEIVE A COMPLIMENT.

Well...you are not alone. I am, or should I say, I was one such girl. When I meet someone new and the person asks me to introduce myself I could hardly go beyond saying my name and what I do. The reason was that I was embarrassed at myself. A quiet and random summer afternoon found me pondering over my life and at that holy instant I realized that the true qualities I perceived to be mine was not truly from my view. It was, rather, a perception of other's reflections about me. That startling discovery was the seed to the self-confident and strong person that I believe I am today.

Learning to love yourself is the formula. I know you have heard this over and over again 'n' number of times, but, you simply cannot ignore its profound nature, can you? How bad can you be? Let's see. You may not be a graceful person or a Sunday sunrise or a Friday sunset. Maybe you are a Tuesday 2 A.M., a broken window during February. Your bones may crack on a nightly basis and you may fall from elegance with a dull thud, you may sometimes apologize for your awkward sadness and believe that you don't belong around people but belong to all the leap days that did not happen.

What if I tell you that the society's beliefs make you see what you would be if you were only a shadow of yourself? Wouldn't you want to snap out of the misconception? If the for it will ever arrive, it is now, it is when you are done with this note to yourself. This note is from you to yourself because I am here, simply voicing what's truly inside you.

You are beautiful, but not like those girls in the magazines. You are beautiful for the way you think. You are beautiful for that sparkle in your eyes when you talk about something you love. You are beautiful for your ability to make other people, even the undeserving ones, smile even when you are sad. No, you are not beautiful for something as temporary as looks. You are beautiful deep down to your soul. You are beautiful not for the way you dance with your angels, but for the way the sound of your name can silence your demons. You are a skylark whose melodies are audible only to those who listen through their hearts. There is nothing more rare, nor more beautiful than a woman being unapologetically herself; comfortable in her perfect imperfections. That is the true essence of beauty.

You must learn a new way to think before you can master a new way to be. Dive into the abyss fearlessly and get to know your true self. I guarantee you, in no time, you will start loving yourself. Now, now, now....get on with your quest dear beautiful...What are you waiting for?

I have only one rule which I regard as the principle of life:
 Be independent of the opinion of others

On one sunny morning during the blissful summer holidays, I woke up to the strained voice of my Dad telling my son, "The pressure is getting to me. I don't know how long I am going to stay sane with this job." I pretended not to hear and went to brush. But those lines kept going on in a loop in my head all day long. That week end I had the rarest of the rare opportunities to have a quiet evening alone with my Dad. I decided to grab this chance to put to him the question that had been on my mind ever since I heard that & trained voice of it. Our conversation over a cup of tea went like this:

Myself: Daddy, What would you have become had you not become a Banker?

(There was look of irritation on his face. Nevertheless, I continued.)

Well, frankly, you didn't want to become a Banker, did you?

Daddy: (with gritted teeth) I wanted to become a Pilot. What does it matter to you?

Myself: (ignore his question) Why didn't you become one then?

Daddy: (muttering) Like I had a choice.

With that, he got up and left, His last words echoed in my ears: "Like I had a choice." Beneath that agitated voice and irritated look I could sense something more deep and profound: The pain of having sacrificed his dream. A person who wanted to rule the plains. a person who wanted to explore the skies. a person who wanted to taste freedom and live life up yonder like a falcon. to glue him onto a chair inside the closed walls of a dull and a colorless room seemed atrocious to me. He had endured seeing his dreams go down the drain and I was amazed that he had managed to spend 31 long years doing a job that did not rouse any passion in him. The intensity and reality of it all struck me hard. To live our lives at the mercy of fate and destiny and take cover under the safety of circumstances and helplessness is pure cowardice. A journey of a thousand miles begins with a single step, they say. Wouldn't it shatter you to know that you could have achieved sublime heights had you had the courage to put that one step forward? Wouldn't it haunt you and taunt you all your life that you could have been so much happier? Without doubt, it will. Take a brave step forward towards your ambition so that you can save yourself the trouble of walking back the entire wrong stretch to look at your "V" point, the point where you did have a choice, and think "If only I had dared to take that step." A man never regrets what he did. He only regrets what he did not do. The world, in its nature, will hoot and howl "IMPOSSIBLE". Do not be inhibited. That is the call for you to pursue your dreams and through the world's perspective wrong and says "Well, it wasn't!"

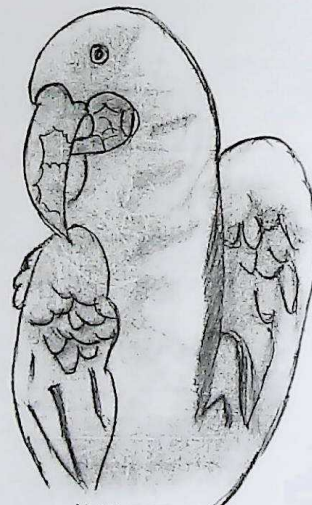

It is okay to lose a few battles. That you win the war matters. Learn not to settle for the ordinary. It is said "When the going gets tough, the tough get going". You better get going champ Because now is the time YOU DO HAVE A CHOICE.

MIRACLE OF FRIENDSHIP

There is a miracle called friendship,
That dwells within your heart
And you don't know how it happens.
Or when it even starts.
But the happiness it brings you,
Always gives a special lift,
And you realize that friendship
Is the God's most precious gift.

MOTHER

Angel of Earth,
When I came with a cry,
She accepted me with a smile
Planting a kiss on my forehead,
And caressing my cheek,
She taught me as I grew up,
To differentiate between right and wrong,
She spread light in my life,
Like the sun; rising up far beyond the seas,
Like the stars, shining up high in the dark sky,
She loves me like none other,
As delicate as a feather,
As pure as a lotus,
As sweet as honey,
As clear as a crystal,
As far as a ocean,
She corrected me when I was wrong,
And always made me strong,
She made me happy when I was sad,
And supported me throughout,
She is guiding support,
She is an angel on earth,
My mother you are an angel on earth who is sent by God for me.

ASTRONOMICAL EVENTS 2014

The year 2015 is packed full of amazing astronomical sights in the daytime as well as night time's sky, from lunar and solar eclipse to dazzling bright planets.

- Here are the list of a most best astronomical sightings of the year.
- March 20** : Total eclipse of sun. The dark shadow of the moon traces a curved path primarily over north Atlantic and Arctic oceans.
- April 04** : Total eclipse of moon. Shortest eclipse since October 13 1856. i.e., 9 minutes.
- June 30:** A brilliant double planet.
Venus and Jupiter will be close together in the west. Southwest sky shortly after sunset for a spectacular view.
- August 12** : Perseid meteor shower.
In 2015, the moon shouldn't interface with the best meteor shower of the year in which viewers can see up to 90 Meteors per hour.
- September 04** : Last quarter moon.
The last quarter moon starts in front of Aldebaran. One of the brightest stars in the sky and Taurus the bull.
- September 27-28** : Lunar eclipse. The longest which begins before moon rise and remains till morning.
- October 26** : Another brilliant double planet.
Venus and Jupiter engage in the second close conjunction.
- November 5-12** : Taurid meteor shower peak.
They are like fireball meteors.
- December 13-14** : Geminid meteor shower.
The king of meteor shower will light up the sky on December 13 & 14, as the narrow crescent, moon sets early, providing ideal viewing and 2 Meteors per minute.

I WONDER

- ✗ I wonder, how he was able to manage his life without job when I was born
- ✗ I wonder, how he had the dare to educate a girl child even every when one of his well-wishers were against it.
- ✗ I wonder, even though he liked to drink, he doesn't want to drink since his girl child hate that.
- ✗ I wonder, though he got a low salary he made me to live like an angel.
- ✗ I wonder, how even though he felt hungry he saved his money for his child to buy the things which she liked
- ✗ I wonder, how when I stole the money, how he could give me 2 rupees the next day without asking anything about that.
- ✗ I wonder, even though he had many pains he didn't share with me.
- ✗ I wonder, to make me sleep happily how he could be able to awake TWO nights in driving.
- ✗ I wonder, how he can analyze the problem within me, by seeing my face.
- ✗ I wonder, how a person can not expect anything in return for his love.
- ✗ I wonder, how he can accept all my mistakes and make me know "That was all an experience in my life".
- ✗ I wonder, how he is living for his girl child from day one till his life ends.

HIDDEN IN PLAIN SIGHT

When you are young, you gift your parents on wedding anniversary and say 'I love u mom and dad, I owe u both a lot' why does it remain as mere words? Why do we not carry with us that sense of gratitude throughout? Why do we let our human nature die? What kind of being would abandon its parents? This note is the expression of my helplessness and anger against what this world has come to.

I was the kind of girl you could come across in a theatre or a beach or a party, the happy go lucky kind with not a care for the world: but that was only until a fleeting moment decided to freeze in front of me to irrevocably change my perspective of life forever. A friend of mine, who runs an NGO asked me if I would be interested to visit an old age home run by a well-known banner. I thought for a while and agreed to go with her simply because I preferred roaming around with friends to sitting at home all day. At that time, I had no idea that it would inflict on me an amount of pain I thought not even faintly possible. That was about to be my first visit to an old age home and I did not know what to expect. I have, of course, heard about them in general terms but nothing prepared me for what I was about to encounter. The place was in the heart of the city, right on a key road with vehicles whizzing by but was set very inconspicuously. It was right there, just I'm front of me, but I could not notice. From the outside there was nothing about it that could suggest that it was THE place. Simply put, it was, hidden in plain sight.

The entrance was very welcoming with an ornate door and flower hangings. We checked in with the care taker of the place and in deep silence ascended the steep staircase that was about to leave me face to face with the first real shock of my life. We entered the long hall that consisted of two rows of Steel beds with men and women between the age of 50 and 80 seated on their respective beds with their meager belongings under and a lost look on their faces. The hall had only one window that barely brought in any light. The dull wall had Calendar's, pictures of the almighty and a clock. It all sounds very normal to you, right? Like that's the exact setting you have always heard about, always imagined, nothing new, nothing surprising. But that is only the physical description. Not that it was not depressing, but it was the unseen and the unsaid that shattered me. Nobody spoke to anyone. There was that eerie silence that screamed their frustrated cries. The walls boomed and howled their miseries. The pain in their eyes spoke volumes and mad me cringe at the thought of their in humane children, who, at that time, would probably be enjoying a late morning coffee in their airy balcony. They looked at us with probing and desperate eyes that simply said "There is no way you can help us with our fate, can you? Oh! You are just another visitor who can make no difference to our lives."

I managed to get out of my trance and curved up my dried lips in a struggled smile. The primary reason to our visit was to spend some quality time, something that nobody could afford to spend for them. We went around introducing ourselves, distributing the packets of biscuits that we had brought with us and we awarded with a weak smile from each of them. We naturally got the topic of their lives there. Only then did I get to know that it was a 'once-in-never-out-shutter-island' kind of place. To be locked up there, in that single gloomy room, until death, is slow killing. Can you even imagine yourself like that? Your immediate response would be "WHAT? No way! That's impossible." Whereas, the term "outside" has little meaning to them. And that's naturally killing their sane, conscious and alive state. Worse is that they do not get any soul they know to visit them. Wouldn't you find that maddening? Outrageous? Inhumane? Oh wait! There's more. Nobody treats them with respect, they thought their children have left to this fate crushes them and they have some strange determine their schedule and put down their trivial rules even as to when and when not to have their fans on. Even more startling was that the fact that their funeral expenses were also paid when they were admitted to that place. I mean Seriously? You cannot afford time for their last rites? If so, kill yourself the next time you take leave from office for a day or two citing that your parents are ill.

But they are too weak to protest. And again, I don't mean just on the physical front. They are mentally and emotionally drained. Their tear glands have dried up. They have become numb to their pains and immune to all the disrespects. They simply live the remaining length of their lives, they just are not alive. Is that what they deserve? You would not even exist today where it not for them. They brought you into this world and made unremembered sacrifices all their lives for you. And is this how you repay them? Have they caged like animals? Does this sound even remotely right? You run behind money, earn in lakhs and lead a luxurious life. Is that all your life about? Just money? If then you are just a poor man with a lot of money. You are a monster who would do anything for money. You are a filthy low life who does not deserve love. If I had the power to send you to the hell I would not. I had just made sure you spend the rest of the life here, in this old age home, HIDDEN IN PLAIN SIGHT.

பாரதி தமிழ்ப்பேரவையில் முதல் பரிசு பெற்ற கவிதை சிறகுகள்

வெ.சஷ்மிதா - வணிகவியல் மூன்றாமாண்டு

பறக்கத் துடித்து
பக்குவமில்லாமல்
பாறையில் மோதி
பாதாளத்தில் விழுந்த
பச்சிளங்குருவியின் கதை.....

இது கற்பனைக் கதையல்ல
கற்பனைக் காக்கத் துடித்து
சிறகடிக்க முளைத்த
தமிழ்ச்சியின் கதை

சாதி, மதங்களால் சாய்ந்துவிட முடியாது
சாதாரணப் பெண்ணல்ல சாதனைப் பெண்
சட்டத்திட்டங்களோ ஆதிக்கவர்க்கங்களோ
சிறகடித்து பறக்கும் பெண்களை அழித்திட முடியாது

சமைக்கும் பெண்ணல்ல - தமிழ்ச்சி
சமுதாயத்தை தழைக்க வைப்பவள் - தமிழ்ச்சி

அக்னியின் பரிணாமம்
ஆதி தமிழ்ச்சியின் தன்மாவாம்
மடமை சடங்குகளால்
முடக்கிட முடியாது
-புவியெங்கும் இருக்கும் நம் புண்ணிய தேவதைகளின் சிறகுகளை !!

கரு சுமந்து உயிர் கொடுக்கும்
கலைமகள் பெண்
உடன்கட்டை ஏறும் மரக்கட்டை
இல்லை !!

பிறந்த நொடி முதல்
பருவம் வந்த நொடி முதல்
மழலைப் பருவத்திலும்
இளமைப் பருவத்திலும்
- மங்கையின் சிறகை வெட்டத் துடிக்கும் சமூகமிது !!

ஒருவரை சிறைபிடிக்க - குண்டு வைத்து
உரையே சிறகொடிக்கும் - பூமி இது !!

தீவிரவாதம் எனும் கோடாரி கொண்டு
அகிம்சை பறவைகளின் சிறகொடிக்கும்
- துரோகச் சிறை இது !!

ஆண்களின் இச்சை எனும்
நெருப்பைக் கொண்டு
பெண்களின் கற்பைச் சிறகொடிக்கும்
- தூய்மையற்ற பூமி இது !!

நாங்களும் பறக்க வேண்டுகிறோம்
சம வலிமை எனும் சிறகுகள் கொண்டு
இன்றும்,
பச்சிளங்குருவியாய் நிற்கும் என் கதையை முடிக்கிறேன் !!!

பாரதி தமிழ்ப்பேரவையில் முதல் பரிசு பெற்ற கட்டுரை எங்கள் தமிழ் என்று சங்கே முழுங்கு !!!

இர. மைதிலி - கணிதம் இரண்டாமாண்டு

முன்னுரை :

“வீறுநடை செம்மொழி தமிழ்மொழி - உலகம்
வேளுன்றிய நாளமுதல் உயிர் மொழி”
என்பார் பாவலரேறு.

தமிழ் மொழியானது பல்வேறு சிறப்புகளையும், பெருமைகளையும் தன்னகத்தே கொண்ட கற்பக விருட்சம் அள்ளி அள்ளி பருகும் வண்ணம் அமைந்த அமுத சுரவி. எனவே தான் உலக மொழிகளில் தமிழ் மொழியே சிறந்தது என்கிறார்கள் அறிஞர் பெருமக்கள். அத்தகைய சிறப்பினைக் கொண்ட தமிழ் மொழியினைப் பற்றி இம்மடலில் காண்போம் !

தமிழ்த்தாயின் வரை மகுடம்

திருக்குறளே ! தமிழ்த்தாயின் வரை மகுடமாகும். வேறு எந்த மொழிக்கும் இல்லாத இச்சிறப்பு நம் தமிழ் மொழிக்குண்டு என்பது சிறப்பு. தமிழ் மொழியானது, அழகான வேலைப்பாடமைந்த வெள்ளித்தட்டு, திருக்குறள் அதில் வைக்கப்பட்டுள்ள தங்க ஆப்பின் என்பார். டாக்டர் கிரேனால் திருக்குறளானது அறம், பொருள், இன்பம் எனும் முப்பெரும் பிரிவுகளை உடையது. இப்பெருமைக்குரிய உலகப் பொதுமறையானது, 107 மொழிகளில் மொழிபெயர்க்கப்பட்டுள்ளது. திருக்குறள் கற்பதனால் மனித வாழ்க்கை செம்மையறும் பண்புகள் வளரும். மனிதர்களிடையே வேறுபாடுகள் மறையும். எல்லா உயிர்களிடமும் அன்பு தழைக்கும்.

“வித்திப் பிகழக்கும் உழவரும்
வித்தக நலம் வாய்ந்த
வேந்தரும் ஒருங்கிணைந்து
வாடி வழிக்காட்டும் ஒளிகிளக்கு
திருக்குறள்”

இவ்வாறு சிறப்பு வாய்ந்த வரை மகுடமாக விளங்கும் திருக்குறளைக் கொண்ட மொழி
“எங்கள் தமிழ் என்று சங்கே முழுங்கு”

தமிழ்த்தாயின் பொற்சிலம்பு :

செம்மொழியான தமிழின்னையின் பொற்பாதங்களுக்கு பொற் சிலம்பாகத் திகழும் நூல் சிலப்பதிகாரம் தமிழின் முதற் காப்பியமாகவும், முத்தமிழ் காப்பியமாகவும் சிறப்புறத் திகழுகிறது. இத்தகைய அரும்பெரும் நாடக காவியத்திலே,

* இயல்

* இசை

* நாடகம் என தமிழ் செம்மையாகப் பயின்றது வந்துள்ளது.

மாவெரும் மறத்தையும் முப்பெரும் அறத்தையும் சிறப்புற கொண்ட சிலப்பதிகாரம்,

“அரசியல் பிகழத்தொர்க்கு அறம் கூற்றாகும்

உரைசால் பத்தினியை உயர்ந்தீதார் ஏத்துவர்

உழ்வினை உருந்து வந்து உடரும்”

என்ற மூன்று உண்மைகளை நமக்கு உணர்த்துகின்றது

எனவே மக்களுக்கு வெறும் சுவையை மட்டுமின்றி அதன் கருத்துக்களையும் உடரும் வகையில் அமைந்த

சிலப்பதிகாரத்தைக் கொண்ட மொழி

“எங்கள் தமிழ் என்று சங்கே முழுங்கு”

டி - கரம் என்னும் எழுத்து சிகரமான எழுத்து

“அழகு என்னும் மொழியில்
பழகிவரும் எழுற்று
மழகை என்னும் மொழியில்
மசிழ்ந்து வரும் எழுற்று
முகரம் எனும் எழுற்று
சிகரமான எழுற்று”

இவ்வாறாக உலகில் எந்த மொழியும் உரைத்திடாத எழுத்தை கொண்ட மொழி
எங்கள் தமிழ் என்று சங்கீத முழங்கு !!!

கணிதமும் தமிழும்

செங்கோண முக்கோணத்தை மையப்படுத்தி அமைந்துள்ள பிதாகரசு தேற்றத்தை, பலநூறு ஆண்டுகட்கு
முன்பே நற்றிகையில்,

“ஓடிய நீளந்தன்னை ஓரெட்டு கூறாக்கி
கூறலில் ஒன்றை தள்ளி
குன்றலில் பாதி சீர்தீரால்
நீடிய கர்ணந் தானே”

என்று சுவியுள்ளனர். இவ்வாறாக தமிழ்மொழியானது வெறும் மொழியாக மட்டுமன்றி கணிதத்தையும்
அறிவியலையும் வளர்க்கும் மொழியாகவும் விளங்குகின்றது. இது மட்டுமன்றி பல்வேறு அறிவியல்
கருத்துக்களை வளர்க்கும் வண்ணம் அமைந்த மொழி “எங்கள் தமிழ் என்று சங்கீத முழங்கு” !!!

முடிவுரை :

தாயே ! தமிழே !
வள்ளுவனின் படைப்பு
வளப்பம் என்றும் உனக்கு !
இளங்கோவின் வித்து
இனிக்கும் உந்தன் சொத்து !
கம்பர் எழுதிய நூல்
மின்னும் உன்னை போல்
சுரதாவின் உவமை
போற்றும் என்றும் உம்மை !
தமிழ்மொழியை பருக
அனைவரும் வருக !
“தமிழுக்குத் தொண்டு செய்வோன்
என்றும் சாவதில்லை”

எனவே பைந்தமிழுக்குத் தொண்டாற்றுவோம் அதன் பெருமைகளை எண்ணி எண்ணி
“எங்கள் தமிழ் என்று சங்கீத முழங்கு”
ஆனந்தக் சுவந்தாடுவோம்

வாழ்க தமிழ் !

வளர்க அதன் இனிமை!

பாரதியார் பிறந்ததினவிழாவில் முதற் பரிசு பெற்ற கட்டுரை பெண்களுக்கு அதிகாரமளித்தல் ரெ. சசிலா கணிதவியல் முதலாமாண்டு

முன்னுரை :

‘மங்கை யராகப் பிறப்பதற்கே - நல்ல
மாதவம் செய்திட வேண்டும்மா’

என்று கவிமணி தேசிக விநாயகம் பிள்ளைக் கூறினார். பண்டைய பெண்கள் கல்வி கற்கலாகாது என
எவரும் கூறவில்லை அதன்பின்

‘ஏட்டையும் பெண்கள் தொடுவது தீமை’

என எண்ணப்பட்டது. இந்த இழிவுநிலையை மாற்ற முனைந்தவர் பலர். அவர்களுள் பாரதியார் தலையாயவர்
பண்டைக் காலப் பெண்கள் :

பண்டைய காலத்தில் சங்கக் காலத்தில் - பெண்கள் கல்வி கற்கக்கூடாது என்று எவரும் கூறவில்லை.
ஔவையார், காக்கைப்பாடியார், நச்செள்ளையார், வெள்ளிவீதியார், முதலிய பல பெண்பாற்
புலவர்கள் கல்வியில் சிறந்து விளங்கினார்கள். அவர்களுள் ஔவையார், அதியமானுக்கும்
தொண்டைமானுக்கும் நிகழ இருந்த போரையே தூது சென்று தடுத்து நிறுத்தினார். குயவர் குலத்தில்
தோன்றியிருந்த பெண், புலமை பெற்றிருந்தாள் என்பதை குறிக்கிறது.

இடைக்காலப் பெண்கள் :

இடைக்காலத்தில் பெண்களின் நிலை தாழ்ந்தது. சமண பௌத்த சமயங்களின் செல்வாக்கால்
பெண்களின் நிலை மாறியது. அவர்கள் ஆண்களின் இன்பத்துணையாகவே நடத்தப்பட்டனர்.
அக்காலத்தில் பெரும்பான்மை இதுதான் என்ற நிலையிலும், சிறுபான்மையினர் கல்வி கற்றனர்.
என்பதற்கும் சான்றுகள் இல்லை.

மகளிர் முன்னேற்றம்

பெண்கல்வியை அடுத்து மாதர் முன்னேற்றம் குறித்தும் பலர்பேசினர். அண்ணல் காந்தியடிகள்,
இராஜாராம் மோகன்ராய், திரு.வி.க, பெரியார், போன்ற பலரும் பெண்கள் முன்னேற்றத்திற்கு
பாடுபட்டனர். உடன்கட்டை ஏறுதல்போன்ற பல செயல்களை முறியடிக்க முயன்று வெற்றிகளை
ஈட்டினார்கள். இன்றைய தமிழக அரசும் பெண்களுக்கென தனிப்பள்ளி, கல்லூரி மற்றும் பல்கலைக்
கழகம் என, பெண்கள் நிலையை உயர்த்தி மகளிர்க்கு ஆக்கமும், ஊக்கமும் அளித்து வருகின்றது.
பெண் கல்வி

‘பட்டங்கள் ஆள்வதும் சட்டங்கள் செய்வதும்

பாரினில் பெண்கள் நடத்த வந்தோம்

எட்டும் அறிவினில் ஆணுக்கிங்கே - பெண்

இளைப்பில்லை காண்’

என்று 20ம் நூற்றாண்டின் பெண்கள் உரிமை முழக்கமிடுகின்றனர். அடுப்பூதும் பெண்களுக்குப் படிப்பு
எதற்கு என்ற காலம் மாறிவிட்டது. ‘நிமிர்ந்த நன்னடையும் நேர்கொண்ட பார்வையும் திமிர்ந்த ஞான
செருக்கும்’ கொண்டு ஆண் பெண் சரி நிகர் சமமாக வாழ்ந்து கொண்டிருக்கிறார்கள்.

பெண்கல்வியின் நன்மைகள் :

‘படித்த பெண் திருந்திய கழனி’

பெண்கள் நல்ல பெயர் வாங்கினால் மட்டும் போதுமா? அறிவு மிகுதியான பெண்ணாகத் திகழ கல்வி
மிகவும் அவசியம். ஒரு பெண் படித்திருந்தால் அவளுக்குக் கிடைக்கக்கூடிய மதிப்பு அளவிடமுடியாதது.
அவள் படித்தது மட்டுமில்லாமல் அவளது குழந்தைகளுக்கும் கல்வியறிவுப் புகட்ட முடியும். அறிவுடைய
திறம் வாய்ந்த பெண்ணால்தான் குடும்பத்தைத் திறம்பட நடத்த இயலும்.

அதனால்தான் இக்காலப் பெண்கள் சட்டமன்றங்களிலும், நாடாளுமன்றங்களிலும் சென்று கல்வி, மருத்துவம், சட்டம், பொறியியல், போன்ற பல்வேறு துறைகளிலும் வெற்றிக் கனியைப் பெற்றுக்கொண்டு வருகிறார்கள்.

பாரதியின் அறிவுரை :

'மாதர் தம்மை இழிவு செய்யும்
மடமையைக் கொளுத்துவோம்'

என்ற பாரதியின் அறிவுரைப்படி, தற்போதைய பெண்கள் தங்கள் வாழ்வில் முன்னேறி வருகின்றனர். நலம் பெறுகின்றனர்.

தொழிற்கல்வி :

'உழவுக்கும் தொழிலுக்கும் வந்தனை செய்வோம்

வீணில் உண்டு களித்திருப்போரை நிந்தனை செய்வோம்'

என்று கூறியதோடு அமையாமல், பயிற்றுப் பலகலை பயின்று நாட்டின் தரத்தை உயர்த்த வேண்டும் என்கிறார் பாரதியார். பொருளாதாரத்தில், நாடு தலைசிறந்த விளங்க வேண்டுமென்று கூறினார். இதனையே,

'வங்கத்தில் ஓடிவரும் நீரின் மிகையால்

மையத்து நாடுகளில் பயிர் செய்குவோம்' என்றார்

இந்தியாவில் உள்ள நதிகளை எல்லாம் இணைக்க வேண்டுமென்று அன்றே தீர்க்கதரிசனமாக பாரதியார் குரல் கொடுத்துள்ளார். ஆனால், நூறாண்டுகளுக்கு மேல் ஆகியும் இன்னும் அது நிறைவேறாததால் ஒரு பக்கம் வெள்ளத்தால் நாடு அழிகிறது. இன்னொருபக்கம் நிலத்தடியில் நீரின்றி உயிர்கள் வாழ முடியாதபடி வறட்சி ஏற்பட்டுள்ளது.

தொழிற்கல்வியின் தேவைகள்

ஏட்டுக்கல்வியைப் படித்து பட்டம் பெற்றோர் தொகை அதிகரித்துவிட்டதால் நாட்டில் வேலையில்லாத திண்டாட்டம் அதிகரித்து விட்டது. எனவே பொருள்களின் உற்பத்தி மிகுதியாகி, பொருளாதாரம் சுருங்கி விட்டது. எனவே அனைவரும் ஏட்டுக்கல்வியுடன் நிற்காமல் தொழிற்கல்வியையும் மேற்கொள்ள வேண்டும். மூலக்கல் தொழிற்கல்வியான கணக்கத் தொழில், மத்தியரகத்தொழில், குடிசைத்தொழில் ஆகிய மூன்றையும் கற்று நாட்டை மேம்படுத்த, பெண்கள் உதவி புரிய வேண்டும்.

தொழிற்கல்வியின் நன்மைகள் :

தொழிற்கல்வியை மேற்கொள்ளுவதனால், வாழ்க்கையை நடத்தவதற்குப் போதிய ஊதியமும் கிடைக்கும். பொருளாதாரத்தை மேம்படுத்தவும், முடியும்.

'அரும்பிய வியர்வை துளிகளைப் புவியில் போட்டு

ஆயிரம் தொழிலைச் செய்திடுவீர்' என்ற பாரதியின் அறிவுரைப்படி விருப்பத்தோடு தொழிற்கல்வியையும் கற்று நாட்டின் பொருளாதாரத்தை உயர்த்துவோம்.

சாதித்த பெண்களில் சிலர் :

இந்தியாவின் முதல் பெண் பிரதமர் - இந்திராகாந்தி

இந்தியாவின் முதல் பெண் ஆளுநர் - சரோஜினி நாயுடு

இந்தியாவில் சுப்ரீம் கோர்ட்டின் முதல் பெண் நீதிபதி - பாத்திமாபீவி

இந்தியாவின் முதல் பெண் முதல்வர் - சசிதாசிரிபாலனி

இந்தியாவின் முதல் பெண் மந்திரி - விஜயலக்ஷ்மி பண்டிட்

எவரெஸ்ட் சிகரத்தில் ஏறிய முதல் இந்தியப் பெண் - பச்சேந்திரிபாய்

இந்தியாவின் முதல் பெண் விமானி - தூர்கா பானர்ஜி

நோபல் பரிசு பெற்ற முதல் இந்தியப்பெண் - அண்ணைதேரலா (1979)

விண்வெளி சென்ற முதல் இந்தியப்பெண் - கல்பனா சாவ்லா

உலக அழகி பட்டம் பெற்ற முதல் இந்தியப் பெண் - ரீட்டா பிரியா

முன்மாதிரி பெண்கள் :

சாதித்த பெண்மணிகள் அனைவரையும், வளரும் இளம் பெண்கள் முன்மாதிரியாகக் கொள்ளவேண்டும். தற்போது பெண்கள் பல்வேறு துறைகளில் கால் பதித்துக் கொண்டிருக்கின்றனர். பெண்கள் தங்கள் கவனத்தை முன்னேற்றப் பாதையை நோக்கிச் செலுத்துதல் வேண்டும். இருபத்தோராம் நூற்றாண்டில், 'வளையல்களாலே சிம்மாசனங்கள்

வேண்டாம் இனி நமக்கு வெற்றி வளையங்களாலே வாழ்க்கை அமைப்போம்' என்று குரல் கொடுத்துள்ளார் பெண்களின் சிறப்பு :

தற்போதைய பெண்களுக்குத் தனிச்சிறப்பு உண்டு. அக்காலத்தில் ஆறுகளுக்கும், கடவுள்களுக்கும் பெண்களின் பெயர் சூட்டி வழிப்பட்டு வந்தனர். இக்காலத்திலும், பெண்களுக்கு என்று தனி வரிசை, தனி இரயில் பெட்டி, தனி பேருந்து என்று தனித்தனியே உள்ளது. அவற்றைப் பெண்கள் முறையாகப் பயன்படுத்த வேண்டும். இன்றைய அரசும், அதற்கு துணை புரிந்து வருகிறது. பெண்களுக்கு அதிகாரம் :

பெண்கள் தங்களுக்கு அளிக்கப்பட்டுள்ள அதிகாரத்தைச் சரியான முறையில் பயன்படுத்த வேண்டும். இல்லையேல் பெண் விடுதலைக்கும், பெண்களின் முன்னேற்றத்திற்கும் பாடுபட்ட தலைவர்களை இழிவுப் படுத்தும் செயலாக ஆகிவிடும். மேலும் அவர்களின் முன்னேற்றத்தை அவர்களே நிர்ணயிக்க வேண்டும். தடைகற்களாக இருப்பதைப் படிக்கற்களாக மாற்றிக்கொள்ள வேண்டும்.

முடிவுரை :

"பெண்கள் நாட்டின் கண்கள்"

அவர்கள் எப்பொழுதும் விழிப்புணர்வோடும், அதே சமயம் பாதுகாப்புடனும் இருக்க வேண்டும். ஒவ்வொரு குடும்பத்தினரும் அவர்களது பெண்களுக்கு அதிகாரம் அளித்து, அவர்கள் வாழ்வில் வெற்றி பெற துணை புரிய வேண்டும்.

தமிழ்ப்பேரவையில் முதல் பரிசு பெற்ற சிறுகதை தவம்

இர. ஐஸ்வரியா - புள்ளியில் இரண்டாமாண்டு

திருநெல்வேலியில் ஒரு அழகிய பசுமையான உள். எங்கே பார்த்தாலும் பச்சைக் கம்பளம் போர்த்திய மாதிரி செழித்து வளர்ந்துள்ள புல்வெளிகள். பாலை ஓட விட்டது போல் கம்பீரமாய் காட்சியளிக்கும் "தாமிரபரணி" ஆறு. அந்தீரால் பசுமையாக வளர்ந்து முளைகட்டிய நெல்மணிகளின் எடை தாளாமல் உள்ள கதிர்கள் அந்த தாமிரபரணி அன்னைக்கு நன்றி செலுத்துவது போல் தலை சாய்ந்து தோன்றும், அழகிய இடங்களைக் கொண்டது.

அவ்வூரில் கற்பகம் என்னும் சுவலித் தொழிலாளி வாழ்ந்து வந்தான். அவன் கணவன் பெயர் முருகன். அவர்களுக்குத் திருமணம் ஆகி பத்து வருடங்கள் ஆகியும் குழந்தைப்பேறு இல்லாமல் வாடினர். எங்கு குழந்தைகளைக் கண்டாலும் கற்பகம் கண்ணில் கண்ணீர் வழக்கிவிடும். உலகில் இருக்கும் அனைத்து கடவுளிடமும் வேண்டுகிறார்.

பின் அந்த தவத்தின் பலனாய் ஒரு மகன் பிறக்கிறான். அவனுக்கு குமரன் என்று பெயர் சூட்டினர். இருவரும் அடைந்த மகிழ்ச்சிக்கு அளவே இல்லை. குழந்தைப் பிறந்த சில மாதங்களுக்குள் முருகன் காலமானார். தாய்க்குக் குழந்தையும், குழந்தைக்கு தாயும் துணையாய் இருந்து வாழ்ந்தனர்.

இரண்டு வருடங்கள் கழித்து ஒருநாள் குமரன் சாலையில் நடந்து சென்று கொண்டிருக்கும் போது ஓர் விபத்து ஏற்பட்டது. அவ்விபத்தில் குமரன் தன் கேட்கும் திறனை இழந்தான். மருத்துவரிடம் சென்று அணுகிய போது குழந்தைக்கு உறுப்புதானம் செய்வோர் எவரேனும் கிடைத்தால் குழந்தையின் உறுப்பை மாற்றி வைக்கலாம் என கூறினார்.

அவன் பள்ளி செல்ல வேண்டிய காலமும் வந்தது. பள்ளிக்கூடத்தில் இருந்த பிள்ளைகள் அனைவரும் அவனை ஏளனமாகப் பேச ஆரம்பித்தனர். அவனுடன் சேர யாரும் விரும்பவில்லை. எனவே அவன் தினமும் வீட்டில் வந்து அழைத்தொடங்கினான். இதனைக்கண்ட தாய் மனம் தாளாமல் உறுப்புதானம் செய்ய எவரேனும் கிடைப்பாரா என்று ஏங்கினான். இப்படி குமரன் ஏழாம் வகுப்பு வரை வந்து விட்டான். ஒருநாள் அவன் தாய் ஒரு சப்தம் எடுத்தான். அந்த சப்தத்தின்படி தன் மகனுக்குக் காது கிடைக்கும்வரை தன் கருங்குழுவை அள்ளி முடிக்கமாட்டேன் என்றான்.

சில வருடங்கள் கழித்து தனக்கு ஒருவர் உறுப்பு தானம் செய்ய முன் வந்துள்ளார் என்னும் செய்தியை அறிந்த குமரன், மகிழ்ச்சியோடு தன் தாயிடம் சென்று அம்மா எனக்கு காது கிடைத்துவிட்டது என்றுக் கூறினான். சில நாட்கள் கழித்து மருத்துவரிடம் சென்று காதை பொருத்துகின்றார்கள். தாயின் மகிழ்ச்சிக்கு அளவே இல்லை. அவனும் நன்கு படித்து வந்தான். நல்ல வேலைக்குச் சென்று நன்கு சம்பாதித்து தாயை நல்ல நிலைமையில் வைத்து கவனித்துக் கொள்கிறான்.

"ஈன்ற பொழுதிற் பெரிதுவக்கும் தன்மகனைச்

சான்றோன் எனக்கேட்ட தாய்"

வீடு, வாசல், மனைவி, பிள்ளைகள் என்று வாழ்க்கைக்குத் தேவையான அனைத்தும் வந்தது. ஆனால் தாயோ அன்றெடுத்த சப்தத்தின்படி தன் தலைமுடியை அள்ளி முடிக்கவில்லை. அவன் தாயிடம் சென்று கேட்கும் போதெல்லாம் இல்லையப்பா நான் நேரம் வரும்போது முடித்துக்கொள்வேன் என்றான். அவனும் விட்டுவிட்டான்

சில வருடங்கள் கழித்து தாய் நோய்வாய்ப்பட்டு இறந்து விட்டாள். இறுதிச் சடங்கு செய்ய சுவந்தலை அள்ளிய போது தாயின் காது இல்லாததைக் கண்டு குமரன் அதிர்ச்சி அடைந்தான். அன்றுதான் அவனுக்குத் தெரிய வந்தது தனக்கு காது கொடுத்தது தன் தவத்தாய் தான் என்பது.

பத்து வருடம் தவயிருந்து பெற்ற பிள்ளை பெரும் கஷ்டம் பொறுக்காது தன் வாழ்நாள் முழுவதும் கஷ்டப்பட்டாலும் பரவாயில்லை தன் மகன் நன்றாக வரவேண்டும் என நினைத்து தன் ஒரு காதை இழந்தான். இந்த தவத் தாயின் பெரும் தவத்தை என்னென்று சொல்வது!!!

வி. இலட்சுமி - வணிக மேலாண்மை இரண்டாமாண்டு

அந்தி நேர வானத்தை வெறித்து பார்த்தபடி அமர்ந்திருந்தான் சிவா. எவ்வளவு முயன்றும் அவனின் முடியவில்லை என்பதால் தோல்வியின் உச்சத்தில் இருப்பதைப் போல உணர்ந்தான். எங்கு பார்த்தாலும் அனைவரும் அவனையே கேலி செய்வது போல ஒரு பிரமை. சிவா எப்போட்டாவது பெரிய நடிக்க ஆக வேண்டும் என்ற குறிக்கோள் உடைய பி.எஸ்.ஸி விஷுவல் கம்ப்யூனிகேஷன் மாணவன். பிடித்த படிப்பை பிடிவாதத்துடன் படித்து தேர்ச்சி பெற்றான். நல்ல வேலையும் கிடைத்தது. இரும்பினும் வேலை பிடிக்கவில்லை. வேலையை கை விட்டான். அனைவரின் ஏச்சுக்கும் பேச்சுக்கும் பொருளானான்.

ஏறாது ஸ்டூடியோ இல்லை, அலையாத டைரக்டர் வீடு இல்லை... அனைத்து முயற்சிகளும் வெற்றிகரமாய் போல்வியைத் தழுவின. ஒருவர் கூட சிவாவை நம்ப தயார் இல்லை. வீட்டில் மதிப்பே இல்லை. அனைவரிடமும் பெற்ற தாயிடம் கூட எரிந்து விழுத்துவங்கினான். ஏன் எனக்கு மட்டும் இப்படி நடக்குது என்று சுய பரிதாபம் வேறு. இவ்வாறு எண்ணியபடி தூங்கப் போனான்.

அன்று விடியற்காலையிலிருந்து சோர்வாக காணப்பட்டான். வேறு வேலை தேடவேண்டும் என்று மனதுடன் கோரிட்டவாறு ஏவினம் ஸ்டூடியோ புறப்பட்டான். அப்போது பார்த்து மட்டின் நடிக்க வரவில்லை. டைரக்டர் கத்திக் கொண்டிருந்தார்.

விவஸ்கையே இல்லையா இந்த ஆளுக்கு ஹீரோ ஆன பின்பு எவனும் யாரையும் மதிக்கிறதேயில்லை. அதுக்கு முன்னாடி வரைக்கும் சாரிசாரினு பின்னாடியே சுத்த வேண்டியது, என்று புலம்பிக் கொண்டிருந்தார் டைரக்டர் நல்லசிவம். இதனைக் கேட்ட சிவா அவரிடம் சென்று தனக்கு ஒரு வாய்ப்பு கொடுக்குமாறு கேட்டான். கடுப்பில் இருந்த டைரக்டர் ஏன்யா என் உயிரை வாங்குறீங்க? எவன் முஞ்சியில் முழிச்சேனோ? என்னைப் பட்டாய் படுத்தி பச்சடி வைக்குறீங்கயா? என்று பொரிந்து தள்ளினார். இவற்றை வாங்கி யுகிய சிவா அமைதி காத்தான் சரி நல்ல பையனா தெரியுமா, ஒரு சீன் நடி பார்ப்போம் என்று தெய்வ வாக்கு அருளினார். மகிழ்ச்சி பிரவாகத்தில் தள்ளாடிய சிவா கட்டவாய்மன் சிவாஜியிலிருந்து இளையதளபதி விஜய் வரை அனைவரின் பாணியையும் புட்டு புட்டு வைத்தான்.

அசந்து போன டைரக்டர் எங்கேயா இருந்தே இவ்வளவு நாள். உன்னை மாறி ஆளதான்டா தேடிட்டு இருந்தேன் என்று அனைத்து டைரக்டரின் அக்கமார்க் கைலாக்கை உதிர்த்தார். மடக்கரு வேக வேகமாய் தயாரானது. மட்டுமீட்டி ஆரம்பமானது. ரோட்டில் நடந்து போன சிவாவைப் பார்த்து பாருடா இவன்லாம் ஹீரோவாம் என கலாய்த்தபடி பலர்.

முதல் சீன் விடலையான ஹீரோ கலைக்டர் ஆகுறார் இதான் மடக்கரு. முதல் சீன் அற்புதமாக படம்பிடிக்கப் பட்டது. வானமே எல்லை சில மாதங்களுக்குப் பிறகு...இவ்வாறாகப் பாதிபடம் முடிந்தது. இறுதியாக க்கள மாக்கல் மட்டும் இருந்தது. விடலையான ஹீரோ அடிமட்டு மிதிப்பட்டு பல தோல்விகளைச் சந்தித்து கடைசியாக நாடு போற்றும் உலகம் போற்றும் கலைக்டர் ஆகி, நாட்டின் நன்மைக்காகப் பல திட்டங்களை நாள்தோறும் சிந்திக்கும் பொறுப்பான கலைக்டர் ஆனான். அவனது திட்டத்தினை ஏற்ற அரசாங்கம் வெகுமதி அளித்து கௌரவித்தது. அத்திட்டத்தால் அவனது மாவட்டம் செழித்தது. விவசாயிகளைக் கௌரவித்து, அவர்களுக்கு வேண்டிய நல்லனைவையெல்லாம் செய்து, பசுமைப் புரட்சி போராட்டத்துடன் வணிக மேம்பாட்டு திட்டமும் ஒருங்கே இணைப்பதே அந்தத் திட்டம். இதனை அனைத்து மாவட்டங்களிலும் பயன்படுத்த இந்தியா வல்லரசு ஆனது.

க்களமாக்கலில் ஹீரோ இந்தியக் கொடியை நிலைநாட்டி மக்களின் பிரதமர் ஆகிறார். எங்கும் ஹீரோவின் பெயர் மக்களின் கோஷம் காலைத் துளைக்கிறது. இதுவே மத்தின் கடைசி சீன் ஆறு மாதங்களுக்குப் பிறகு ஆகஸ்டு 15 படரிலீஸ். வானமே எல்லை ஆறுமாதங்களுக்கு பிறகு இன்று ஆகஸ்டு 15, காலையில் இருந்து கையூட்டி ஓடவில்லை காலும் ஓடவில்லை சிவாவுக்கு ஒரே பதற்றம். என்னவாகுமோ? ஏதாக்குமோ? நான் நல்லா நடிச்சிருக்கேனோ? என் படம் ஓடுமா? எல்லாருக்கும் என்ன பிடிக்குமா? இப்படி பல கேள்விகள். அவன் மனக் குதிரை தாறுமாறாய் ஓடியது. அவனது படம் "வானமே எல்லை" வந்த நாளே வெளியேறப் போகிறது என்றே நினைத்து விட்டான். ஆனால் அதற்கு மாறாக வந்த நாளே மட்டைய கிளம்பியது படம், செம் வகூல் . இரண்டு மாதத்தில், முழு படக் கலைக்டர்

நல்ல சிவம் வாயில் வார்த்தையே வரவில்லை சிவாவை அழைத்து சுவரினார். இன்னைக்கு ஜெயிச்சிட்டே இதனால் நீ நாளைக்கு தலைக்கனத்தோட நடக்கக்கூடாது. என்னிக்குமே அமைதியும், அடக்கமும், விடா முயற்சியும், இருந்தா உன்ன யாராலும் தோற்கடிக்க முடியாது இத மறக்காதே! இதுவரை வரலாறு காணாத வசூல். கலாபத்தவர் வாய் எல்லாம் ஆவென அசந்து நின்றன. வானமே எல்லையின் வகலுக்கு எல்லையே இல்லையா? பத்திரிகைகளின் தலைப்பு

அதன்பின்பு ஒருநாள் சட நேரமே இல்லை சிவாவுக்கு படம் மேல் படம் வந்தபடி இருந்தது. கால்ஷீட் வேண்டி கைரக்டர்கள் வரிசையில் காத்துக்கிடந்தனர். சிவா நடிக்கானகி விட்டான் என்பதை அவனாலயே நம்பமுடிய வில்லை! அனைத்து படங்கலையும் முதல் படம் போலவே சிரத்தையோடு முடித்துக்கொடுத்தான். வானமே எல்லை வெள்ளிவிழாவில் அவன் அளித்த பேட்டியானது.

நா ஹீரோ ஆகணும்னு எவ்வளவோ ஆசைப்பட்டேன் தெரியுமா? ஆனா என்னால முடியல கிடைச்ச வேலை கலையும் விட்டுட்டு தெருதெருவா அலைஞ்சேன். அத்தனை முயற்சியும் தோல்விய தான் சந்திச்சது. கடைசியா நல்லசிவம் சாரைப் பார்த்தேன். அவர் கலை கால் விழுந்து இந்த பட சான்ஸ் கிடைச்சது இன்னிக்கு நான் இவ்வளவு பெரிய ஹீரோ ஆனதுக்கு ஒரே காரணம் எனக்கு கிடைச்ச சந்தர்ப்பம் தான்.

தொடுவானம் தொட்டு விடும் உயரமே தொடர்ந்து எத்தனித்தால்!
செவ்வானம் சென்றுவிடும் தூரமே செவ்வனே முயற்சித்தால்!

எனவே வாழ்க்கையில் முன்னேற தேவையானது உங்க எல்லாருக்கும் முயற்சி. விடா முயற்சியும் சரியான சந்தர்ப்பமும் தான். இது மட்டும் இருந்தா வானம் எல்லையல்ல. அந்த வானம் என்பதே இல்லை என்று ஆகி விடும். எந்த வேர்கவக்கும் வெற்றிகள் வேர் கவக்குமே உகை உள்வத்தில் உள் கவக்குமே எனவே முயற்சியை மட்டும் கைவிடாம இருங்க! அந்த வானம் என்றும் உங்கள் வசம்! ரசிகர்களின் கரங்கள் கைதட்டல் மழை பொழிந்தன!

வானம் வசப்படும்...
முயற்சியால் வசப்படும்!
தோல்வியே படிக்கட்டு
சந்தர்ப்பமே மேடை
இவ்விரண்டும் இருந்தால்
வாழ்க்கை நடத்தலாம் வான மெத்தையிலே....!

சிம்மாசனம்

எனக்காக ஒரு உலகம் கொடுத்தாய்!
அங்கு நீ மட்டுமே உலகமாய் இருந்தாய்!
உன்னுடன் பேச மொழி இல்லை அங்கு
ஆனாலும் உன்னுடன் உரையாடினேன்
மொழியை விட சிறந்த முறையில்
அசைவுகள் என்னும் மொழியாலே!
என் அசைவின் அர்த்தம் புரிந்து
நீ உணவு புசித்தாய்!
காரணம் உன் பசிக்கு அல்ல
எனக்கு பசிக்குமே என்று
ஒரு நாள் என்னை, உலகம் என்னும்
இப்புவிக்கு நீ அறிமுகம் செய்தாய்
ஆனால் இந்த உலகத்தைவிட
எனக்கு உலகமாய்
நான் பத்து மாதம் குடியிருந்த கோயில்
உன் கருவறையே எனக்கு சிம்மாசனம்...!

மாணிடம் பாடும் வானம்பாடி

சிறுகூடல்பட்டி என்ற சிங்காரச் சிற்றூரில்
அன்றொருநாள் அழகான ஆண்மகவு பிறந்ததம்மா!
சிரித்த முகத்துடனே எட்டாவது அதிசயமாய்
அன்றைக்கு அவன் அன்னை இட்டபெயர் முத்தையா!
சில்லென்று வீசும் தென்றலுக்குத் தோழனவன்
அன்றவனோ அவ்வூரில் அறியாத சிறுபிள்ளை!
சிலகாலம் சென்றவுடன் எழுதிவைத்தான் முதற்கவிதை
அன்றுமுதல் அவன் புகழை அறிந்தனரே அனைவரும்...

ஆசையே அலைபோலே, அவனும் தான் அதன்மேலே
ஓடும் போலே ஆடிஆடி வாழ்நாளிலே
ஆட்டுவித்த இறைவனது ஆட்டத்திலே மதிமயங்கி
ஓயாமல் உழன்றதனால் பேரறிவு ஞானியாகி
ஆடாத ஆட்டமெல்லாம் ஆடுகின்ற மானிடரை
ஓங்கி உயர்ந்ததொரு திரையினிலே நின்றுகொண்டு
ஆன மட்டும் அத்தனையும் பாடிவைத்தான் பாட்டினிலே
ஓடும் நதியலைபோலே தவழ்ந்தனவே மனதினிலே...

பிறப்பு முதல் இறுதிவரை வாழ்க்கைகளை கவிதையாக
படிக்காத பாமரர்கும் தத்துவமாய் உணரவைத்தே
பிள்ளையாய் இருந்துவிட்டால் இல்லையொரு தொல்லையென்று
பச்சைக் குழந்தைக்குப் பாங்காக பாட்டெழுதி
பின்னாளில் அவன் வளர்ந்து காளைப் பருவ மெய்தி
பருவ வயதுடைய பாவையரின் மனதினிலே
பிரியாத காதல் மலர்வதனை மட்டுமன்றி
பரிதவித்து காதலிலே தோல்வியுற்ற போதிலும்

வந்ததுன்பம் எதுவென்றாலும் வாடாத மனதுடனே
ஆண்டவன் மனிதனுக்கு அளித்த கட்டளையை
வழிமுறையாய் கொண்டேதான் வாழும் வகையுணர்த்தி
ஆழிப்பேரலைப் போல் ஆட்டுவிக்கும் மனிதனுக்கு
வரவும் செலவுமிந்த பிறப்பும் இறப்புமென்ற
ஆழ்ந்த பொருளுணர்த்தி அழகாக எடுத்தியம்பி
வந்த வழியறிவோம் போவதெங்கே தெரியாது
ஆகையினால் மானிடரே நிலையாமைதனை உணர்ந்து...

நாடுகாக்க வாழ்ந்திடவும் நன்மைசெய்து பார்த்திடவும்
நல்லதொரு வழியுண்டு நமக்கந்த இறைவனுண்டு
நாமவனின் வழிநடப்போம் என்றே முடிவெடுத்தால்
நமக்கு ஒளிமயமாய் எதிர்காலம் உண்டென்று
நாளும் கடமைதனைத் தவறாமல் செய்து வந்தால்
நம்பிக்கை நம்மை நலமுடனே வாழ வைக்கும்
நாடெல்லாம் நலம்பெறவே எளிமையாக மாணிடத்தை
நல்ல கானமெனப் பாடியதோர் வானம்பாடி?

குடியரசு நாளில் சபதமேற்போம்

அந்நிய வெள்ளைக்காரன் நம் நாட்டிற்கு வந்தான்
அனைவரையும் அடிமையாக்கி வேட்டையாடினான் - இந்த
வேட்டையில் நம் மக்கள் சிந்திய இரத்தம் - பெரும்
வேள்வி தீயாய் பரவியது சுதந்திர தாகம்

இனி ஒரு நாள் பொறுப்பதற்கில்லை என்று சீறியே,
இந்தியாவில் சுதந்திர போர் கொழுந்து விட்டது
சத்தியமாய் நம்முன்னோர் செய்த தியாகங்கள்
சளைக்காது நடத்தியதோர் பெரும் போராட்டங்கள்

அந்நியரை விரட்டி நாமும் சுதந்திரம் பெற்றோம்
ஆளுதற்கு தனித்தொரு சட்டமும் வகுத்தோம்
ஆதிக்க முடியரசாம் வெள்ளை பேயினை ஒழித்து
ஆனந்தம் கொண்டாடும் நல்ல குடியரசாவோம்

குடியரசு ஆனதனால் மிகுந்த சந்தோசம் - ஆனால்
குடிக்கொண்டு இருக்குது பார் இன்னும் பல தோஷம்
அனைவருக்கும் கல்வி இல்லை நமது நாட்டிலே
ஆதிக்க கொலை வெறிகள் தினமும் ஏட்டிலே

தவறான சிந்தனைகள் பரவி கெடுத்திடும் - நம்மை
தரங்கெட்ட மனிதராக்கும் பெரிய தரித்திரம்,
குடியரசு ஆவதற்கு நம்முன்னோர் பட்டத்துன்பங்கள் - பல
கோடி இளைஞர்களுக்குப் புரியவில்லை இதனை நம்புங்கள்

அந்நிய மோகம் செலுத்துகின்ற ஆதிக்கத்தில்
அழிவைத் தேடிப்போகின்ற கலாச்சார சூழல்
தேசபக்தி அழிந்து போக இனி விட மாட்டோம்
தடைகற்கள் எது வந்தாலும் நொடியினில் தகர்ப்போம்

அனைவருக்கும் சமமான வாழ்க்கைக்காகவே
அனுதினமும் பாடுபட சபதமேற்போம் குடியரசு நாளிலே

SANSKRIT ASSOCIATION REPORT (2014 - 2015)

The Bhagavad Gita - " The Song Divine " is the most precious gift from God for the salvation of mankind. Every year our students are getting a golden opportunity to recite one of the chapters of Gita on the occasion of the Gokulashtami day celebration and few slokas from Gita are recited on every Friday in the Sarvodaya prayer.

In the month of February Dr.S.Padmanabhan, Professor and Head of the Department, Director - NCC Project, New Catalogus Catalogorum (NCC), Department of Sanskrit, University of Madras, Marina Campus ,Chennai-18 he spoke about the Importance of Studying Sanskrit and also encouraged the students to develop their talents and communication skills. It was very interesting, inspiring and informative.

Students brought many laurels to the college by winning many prizes throughout the year. We thank God Almighty for showering his blessings in all our endeavors and I pray to him to make our future ones also fruitful.

Perfect Your Health – Dhanvantari

Dhanvantari (धन्वन्तरी) is an Avatar of Vishnu from the Hindu tradition. He appears in the Vedas and Puranas as the physician of the gods (devas), and the god of Ayurvedic medicine. It is common practice in Hinduism for worshippers to pray to Dhanvantari seeking his blessings for sound health for themselves and/or others, especially on Dhanteras.

ओं वासुदेवाय विद्महे महाराजाय धीमही ।
तन्नो धन्वन्तरी प्रचोदयात् ॥

According to ancient Sanskrit work Vishnudharmottara Dhanvantari is a handsome individual and should usually be depicted with four hands, holding Shankh, Sudarshan Chakra, Jalouka (Leech) and a pot containing rejuvenating nectar called amrita in another. He is often shown with a leech in his hand rather than the scriptures. Bhagavatapurana states that Dhanvantari emerged from the Ocean of Milk and appeared with the pot of nectar during the story of the Samudra or Sagar manthan whilst the ocean was being churned by the devas and asuras, using the Mandara mountain and the serpent Vasuki. The pot of Amrita was snatched by the Asuras or Demons, and after this event another avatar, Mohini, appears and takes the nectar back from the Asuras. It is also believed that Dhanvantari promulgated the medical science of Ayurveda. His birthday is celebrated by the practitioners of Ayurveda every year, on Dhanteras, two days before Diwali, the Hindu festival of Lights.

Lord Dhanvantari is the Vedic Physician; he cures health ailments and protects the wellbeing of his children in this Universe. He encircles us with his positive vibrations which can unchain us from any kind of health disorders. It is believed that the intricacy of Ayurveda has been passed down through generations from the Vedic scriptures. If health ailments are our impediments to achieve success, our prayers to Lord Dhanvantari will heal our health problems.

Yantras are great cosmic conductors of energy, an antenna of Nature, a powerful tool for harmony, prosperity, success, good health, yoga and meditation. Yantras consist of a series of geometric patterns. The eyes and mind concentrate at the center of the Yantra to achieve higher levels of consciousness. Yantras are usually made out of copper. The positive vibrations of the Yantra can liberate us from untreatable illnesses and bless with happiness and peace. Dhanvantari Yantra is a one stop solution to cure our health problems and to stay in the pink of our health! His Yantra contains those radiations that can rejuvenate our body and soul.

ओं नमो भगवते वासुदेवाय
धन्वन्तरये अमृतकलशहस्ताय

सर्वामय विनाशाय त्रैलोक्य हस्ताय
धन्वन्तरी महाविष्णवे नमः ॥

Mantra is a divine instrument with the rare potential of arising our dormant consciousness. Thus it helps develop our latent powers and brings our original greatness to the fore. The parents give birth merely to our physical body whereas the True Brahmanishtha Sadgurus, the personages established in their True Self, give birth to our Chinamy Vapoo through Mantra-Diksha. A person can attain greatness by developing his dormant powers through Mantra. The regular japa of mantra reduces restlessness of the mind, brings restraint in life; and works wonders in developing the concentration and memory. A Mantra has different effects on different energy centers of the body. Many personages like Mahavir, Buddha, Kabir, Guru Nanak, Swami Vivekananda, Ramakrishna Paramahansa, etc. have attained reverence all around the world through their awareness of the True glory of Mantra. Listening to this Dhanvantari mantra daily can improve our vitality and help you attain your natural state of 'ease' and well-being. To fill our day with the bliss of living at our highest potential, we must close our eyes and listen to the mantra once again.

नमामि धन्वन्तरी आदिदेवम्
सुरसुर वन्दितम् पादपद्मं ।
लोके जररुग्भय मृत्यु नाशकम्
धन्वन्तरीं दातारं ईश्वरं विविधौषदम् ॥

Meaning: We pray to the God, who is known as Sudarshana Vasudeva Dhanvantari. He holds the Kalasha full of nectar of immortality. Lord Dhanvantari removes all fears and removes all diseases. He is the well wisher and the preserver of the three worlds. Dhanvantari is like Lord Vishnu, empowered to heal the Jiva souls. We bow to the Lord of Ayurveda. The Divine Doctor in Heaven, Dhanvantari, invites us to receive the blessings of happiness and good health. Salutations to the Supreme Lord Vishnu who appears as Dhanvantari with the Pot of Nectar in his hands. Let us pray to that Dhanvantari, the Lord of three Worlds, to remove all our sufferings by healing our diseases and ailments.

Vratas in Hindu Way Of Life

Depending on the tithi (lunar day), the day of the week, the nakshatras (stars), the month, the season and the position of the sun, certain specific religious rites and ceremonies have to be performed. These are known as vratas.

अनभ्यासे विषं विद्या अजीर्णे भोजनं विषं ।
विषं सभा दरिद्रस्य वृध्दस्य तरुणी विषं ॥

The food which gives us nourishment and energy to live, the most essential thing in this life after air, the same food can become poison, worse, in indigestion! The best medicine for indigestion is lot of water, and fasting. A day or two of minimal, simple food and lot of water, cures most stomach ailments. "vrata" means a pledge. and "upa-vAsa" means 'to be next to'. The idea of 'upavAsa' is to forget about food (and mortal) worries, and spend the extra time near god, in thoughts of the higher issues, beyond just the material needs. that can be done by studying spiritual texts, or the religious texts or in the company of wise, selfless people.

First Day

The first day of the lunar fortnight is known as paratipada. The day of pratipada in the months of Kartika, Ashvina and Chaitra are Brahma's tithis. It is then that the worship of Brahma must be done.

Second Day

On the second day of the lunar fortnight (dvitiya), one should eat only flowers and pray to the two Ashvinis. This makes the supplicant handsome and lucky. Suklapaksha is that lunar fortnight in which the moon waxes and krishnapaksha is that lunar fortnight in which the moon wanes. Suklapaksha dvitiya in the month of Kartika is earmarked for the worship of Yama. If one performs this vrata, one does not have to go to naraka (hell). This is also the day for praying to Balarama and Krishna.

Third Day

It was on the third day of the lunar fortnight (tiritiya), in Suklapaksha and in the month of Chaitra, that Siva married Parvati or Gouri. Rites performed on this day are thus known as gourivrata. Siva and Parvati have to be given offerings of fruit. The eight names of Parvati have to be recited. These are Lalita, Vijaya, Bhadra, Bhavani, Kumuda, Siva, Vasudevi and Gouri.

Fourth Day

Chaturthi vrata is performed on the fourth day of the lunar fortnight, in Suklapaksha and in the month of Magha. This is the day for worshipping the common gods (gana devata). The offerings on this occasion are to be wine and fragrant perfumes.

Fifth Day

On the fifth day of the lunar fortnight, one performs panchami vrata. This grants good health and takes care of bad omens. Particularly auspicious for panchami vrata are the shukapakshas in the months of Shravana, Bhadra, Ashvina and Kartika.

Sixth Day

On the sixth day of the lunar fortnight one performs shashthi vrata. One has to live only on fruit and if one performs this vrata, the fruits of any action that one performs live forever. Shashthi vrata should be observed especially in the months of Kartika and Bhadra.

Seventh Day

Surya is to be worshipped on the seventh (saptami) day of the lunar fortnight. If saptami vrata is observed in Suklapaksha, all sorrow disappears. Sins are atoned for and all one's desires are attained. Women who have no children can have sons if they observe these rites.

Eighth Day

The eighth day of the lunar fortnight (ashtami) is very significant. Krishna was born on this tithi in the month of Bhadra when the nakshatra Rohini was in the sky. Ashtami is therefore auspicious in the month of Bhadra. If one fasts on that day and prays to Krishna, the sins of one's earlier seven lives are atoned for. But this vrata is to be observed in krishnapaksha and not in Suklapaksha, since Krishna was born in krishnapaksha. Together with Krishna, Rohini and the moon, Devaki, Vasudeva, Yashoda, Nanda and Balarama are also to be worshipped on the occasion. Since Krishna took birth (janma) on this ashtami tithi, this particular day is known as janmashtami. The eighth day of the lunar fortnight can be important even if it is not the month of Bhadra. For example, the eighth day of the lunar fortnight might be a Wednesday (budha vara) in both Suklapaksha and krishnapaksha. Irrespective of the month, such an ashtami is important and is known as budhashtami. On that day one has to live only on molasses and rice and perform the vrata.

Ninth Day

The ninth day of the lunar fortnight is navami and navami in Suklapaksha, especially in the month of Ashvina, is earmarked for the worship of Gouri. An animal has to be sacrificed and offered to the goddess on this occasion.

The Tenth Day

The people become all powerful if they observe dashmai vrata on the tenth day of the lunar fortnight and donate ten cows.

Eleventh Day

The eleventh day of the lunar fortnight (ekadashi) is for fasting. It is also the tithi for praying to Vishnu. The observance of ekadasi vrata grants sons and wealth and stones for one's sins.

Twelfth Day

The twelfth day of the lunar fortnight is dvadashi. Any dvadashi in Suklapaksha is auspicious for worshipping Vishnu. Dvadashi in the month of Bhadra is for praying to cows and calves and in the month of Chaitra it is for praying to the god of love (Madana). If one observes dvadashi for an entire year, one never has to go to naraka. An especially good conjunction is dvadashi in Suklapaksha in the month of Bhadra when the nakshatra Shravana is in the sky. If one fasts and observes a vrata then, one earns greater punya than from bathing in the confluence of sacred rivers. If Budha (Mercy) is also in the sky, the punya is multiplied severalfold.

Thirteenth Day

Trayodashi vrata is on the thirteenth day of the lunar fortnight and this ritual was first performed by the god of love when he wanted to please Siva. This is the tithi on which Siva is worshipped. In the month of Ashvina, Indra is also revered on this tithi. And in the month of Chaitra, the god of love is worshipped in Suklapaksha on the same tithi.

Fourteenth Day

The fourteenth day of the lunar fortnight (chaturdashi) is also earmarked for Siva, particularly in the month of Kartika. One fasts and donates to brahmanas and thereby attains svarga. The chaturdashi in Krishnapaksha that comes between the months of Magha and Falguna is known as Sivaratri. Then one has to fast and stay awake the whole night. Earlier, there used to be an evil hunter named Sunarasena. But because he performed a vrata on Sivaratri, all his sins were forgiven.

Science And Fasting

It has been scientifically proven that fasting makes the mind calm and serene. In yogic terminology this is known as the sattvic element. Because the mind becomes predominantly sattvic and more receptive, the scriptures advise the worship of certain deities during these fasting periods. This is called vrat, a specific type of purifying austerity or tapa. In the 'Tapovanshant Paras' fasting is referred to as param tapa, or supreme austerity. When the positive aspects of a particular deity are concentrated on, those qualities are ultimately evoked in the individual. The deities are not actually separate beings; they are aspects of the dormant mind waiting to be awakened and utilized in man's consciousness. Worship can arouse these potential faculties so that the low, sensual consciousness can be elevated to super-consciousness.

अष्टैतानि अब्रतघ्नानि हे आपो मूलं पयो दधिः ।

हाविरब्रह्मण काम्य च गुरोर्वचनं औषधं ॥

The eight following exceptions do not break one's fast: drinking water, eating potatoes, sweet potatoes, drinking milk, eating yogurt, eating butter, eating things by the request of a traditionally authentic Brahmana following the orders of a Vedicly authorized Guru, and consuming the prescribed medicines.

The systems propounded in the Vedas and Shastras coordinate man's biological rhythms with the cycles of nature. One of nature's most fundamental rhythms can be observed in the phases of the moon. Scientifically it is known that the tides of the ocean rise during full moon and by dark moon they have completely ebbed. These phases must therefore affect the human body, considering it is approximately 70% water. The systems of fasting are based on the different stages of the moon's waxing and waning. The cycles of the moon influence women in particular through the menstrual cycle, so fasting is practised more extensively by women.

Chemistry in Ancient Period

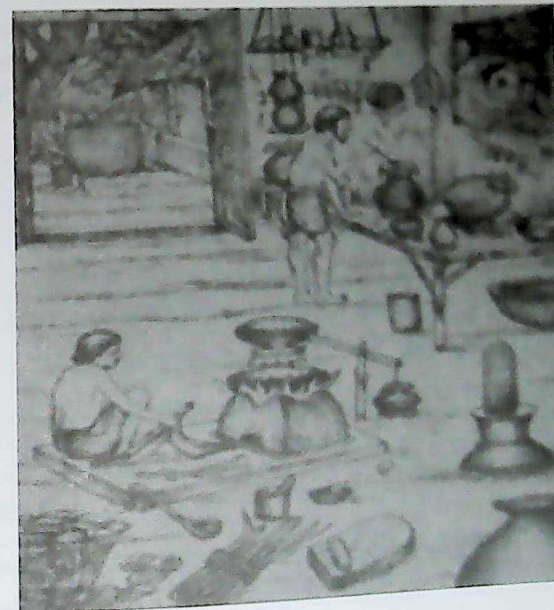

Introduction

In India chemistry was practiced as an art to manufacture mercury, zinc, copper and their alloys as early as around 3000 BCE. Production of medicines and plant extracts to cure disease was very well developed as aids to Ayurveda and other forms of health care. Similar to that in Europe, the chief aim of chemistry in India was to provide relief to humans from ailments. There are treatise like those of Charaka and Sushruta dealing with chemistry, medicine and surgery in ancient times. Great attention was paid to carry out minute details of the formulae for the preparation of drugs such as extract of plants by leaching, decoction or distillation. Manufacture of various metal powders under specific condition of temperatures and pressures. This systematic development of chemistry, coupled with some accidental discoveries, ultimately led to the development of "kimaya" the term used for alchemy in India.

Minerals - Their Properties

As herbs have their own Rasa, in the same way, minerals also have their own Rasa. For instance, gold is madhura (sweet) and kasaya (astringent) in rasa, snigdha (oily) and laghu (light) in guna, sita (cold) in virya, and madhura (sweet) in vipak. It acts as an antimicrobial and antipyretic, improving body complexion and controlling the wastes of the body tissue. Talking about silver, it is kasaya (astringent) and amla (sour). Silver is known to give strength to the brain, heart and stomach. Speaking of Lapis lazuli, it produces feelings of well being while expelling all doshas from the body.

Chemistry laboratory

Location and layout

रसशालां प्रकुर्वीत सर्वबाधाविवर्जितां ।
सर्वोषिधमये देशे रम्ये कूपसमन्विते ॥

Build a laboratory in a beautiful place that abounds in medicinal plants devoid of any disturbance and has a well.
Build a laboratory bound by corridors, furnished with a variety of equipments facing north, northeast, or the eastern direction.

शालायाः पूव्दिग्भागे स्थापयेद्रसभैरवम् ।
वह्निकर्माणि चाग्नेये याम्ये पाषाणकर्म च ॥

Establish mercury in the eastern side of the laboratory, melting in the southeast and stone instruments in the southeastern direction. Cutting tasks in southwest, cleaning etc., in west, drying in northwest and piercing in north. Ready to use goods should be kept in the northeast. Materials useful in the production of metal should be gathered.

Yantras

Ancient Indian chemists were using more than 32 types of apparatus for chemical and pharmaceutical investigations in their laboratories and they are called yantras. The rasaratna-samuccaya talks of a variety of furnaces for melting and distillation. Of these 3 types of furnaces are dealt with here:

- The Koshti Yantra and The Deki Yantra
- The Tiryak Patana Yantra

The Koshti and Deki Yantra

The Koshti furnace is 16 inches in breadth and is of equal height and length oh 1 palm length. It enhances the strength of ores. In the opening under the neck of the vessel fit the bamboo tube. Taking two brass vessels, fill them with water and placed the mouth of the tube appropriately and firmly there.

नलिकस्यं तत्र योग्यं दृढं तच्चापि कारयेत् ।
युक्तद्रव्यैर्विनिक्षिप्तः पूर्वं तत्र घटे रसः ॥

Mercury mixed with proper ingredients is previously poured in the vessel. The mixture heated with fire, falls down on the water. As long as the whole vessel is hot, distillation takes place. This is called Deki Yantra.

Source :

Rasa-Ratna-samuccayah , Adhyayah 9 (12th Century AD).

The Tiryak Patana Yantra

In along vessel with a tube going downward pour the chemical. Place the tube in the belly of another vessel. Closing well with mud the top and the bottom of two vessels, burn an intense fire under the vessel containing the chemical.

इतरस्मिन् घटे तोयं प्रक्षिपेत्स्वादु शीतलम् ।

तिर्यक्पातनमेतद्धि वार्तिकैरभिधीयते ॥

On the other pot, pour sweet cold water. This is the slanting distillation vessel.

Source :

Rasa-Ratna-samuccayah , Adhyayah 9 (12th Century AD).

Generation of electricity in a cell

Place the earthen vessel as well as the copper vessel securely, close the vessels with copper sulphate and sawdust. Lumps of gems generate electricity by the union of copper and zinc. By the union energy is born which is referred to as the sun. Such a union of hundreds of cells is remembered as the doer (generating electricity)

सुसंमृष्टा च सुभगा घृतयोनिः पयोधरा ।

मृत्कुंभी सर्वदा ग्राह्या

Earthen pot which is well cleaned, pretty, fit for storing ghee and capable of holding water should be taken.

Conclusion

At ellora and Ajanta the paintings found on the wall look fresh even after 1000 years and one can see the high level that chemical science reached in ancient india. It is said that armour and cutlery made of Indian Iron were used ancient romans. Revival in the age old practices of ancient india has seen a worldwide growth in alternative fields of medicine due to which there has been a stupendous growth in the chemical industry. Ceaseless encouragement and understanding of the history of chemistry in india will encourage people to further progress in this field and all credits should be given to ancient Indian alchemist and scientist who with their foresight and hardwork paved the way for the comfort and need of future generations.

PARAMOUNTCY OF GOD'S OWN LANGUAGE

MAHATHMA GANDHI proclaimed that,

"Sanskrit is like river Ganga for all languages"

SANSKRIT is the most ancient and perfect among the great languages of the world. It is a true symbol of Indian tradition and thought, which has exhibited full freedom in the search of truth, and has shown catholicity towards universal truth. The Vedas in Sanskrit are the soul of Indian culture and tradition. It is also widely known as the root of many branches of science as various seers, poets, writers and commentators have made entries about it. In 1786, SIR WILLIAM JONES, in his address to the Royal Asiatic Society of Bengal emphasized the flawless purity of SANSKRIT by saying;

"the Sanskrit language, whether, be its antiquity, is of wonderful structure, more perfect than the Greek, more copious than the Latin and more refined than either".

The culture of SANSKRIT and its literature is actually the culture of synthesis and assimilation. THE NATIONAL BRAIN RESEARCH CENTRE (NBRC) has discovered that learning and reading DEVANAGARI script of SANSKRIT involves more areas of human brain than ROMAN scripts. This means learning our divine language is a brilliant brain exercise. NASA scientist RICK BRIGGS declared that SANSKRIT is the best and most suitable language for computer programming and operations in his paper, "KNOWLEDGE REPRESENTATION IN SANSKRIT AND ARTIFICIAL INTELLIGENCE" which was published in 1985.

By analogy of ENGLAND, NETHERLAND, SOVIETLAND etc, India, is in fact SANSKRITLAND. If one learns Sanskrit, one will get a glimpse of ancient world religions, languages, customs, traditions and culture from the glass of Vedic and Sanskrit literature. We are able understand the prominence of Sanskrit language when we become aware of its merits. Ergo, it is highly imperative for a person to drink the elixir of wisdom by acquiring the knowledge of this magnificent language.

HINDI SMRTI REPORT – 2014-15

The Hindi Department conducted two events as a part of SMRTI for the year 2014-2015 on 14th August 2014.

Our Chief Guest Dr.Smt.Ravita Bhatia, Head, Dept. of Hindi, Patrician College of Arts & Science , Adyar, Chennai graced the occasion by her august presence.

On behalf of our Hindi Department , Hindi Association Secretary, Habeeba .N., II B.A(Eng) delivered the welcome note. Dr.Ravitaji, delivered a special lecture in detail on the Evolution of 'Hindi Story World' through the ages.

Her oration shed light on the eternal bond between human life and the stories. She pointed out that ethics and values are disseminated effectively through stories from time immemorial. She briefed the psychological intricacies lurking in the stories of Premchand , one among the eminent personalities in Hindi Literature. She screened a few short films made on the stories written by Premchand , through OHP. Our students enjoyed the session very much as evident by their explicit and spontaneous response.

The meeting came to an end with the vote of thanks rendered by Kumari. Gaythry, II yr B.Sc(Chem) followed by the National Anthem.

भाषा क्या है?

भाषा क्या है? कई लोग कहते हैं कि भाषा बसुसंप्रेषण का माध्यम है। यह सच तो है पर भाषा सिर्फ यहाँ तक सीमित नहीं है। भाषा से बहुत सारी बातें जुड़ी हैं। भाषा एक आदमी की पहचान होती है। एक मनुष्य की भाषा से उसका स्वभाव, उसकी संस्कृति और यहाँ तक है कि उसका मानसिक गठन भी बताया जा सकता है। इस दृष्टि से भाषा बहुत महत्वपूर्ण होती है। यह भी कहा जा सकता है कि भाषा ही आधारशिला है जिसके बल पर ज्ञान के अन्य विषय खड़े हो पाते हैं। कई विद्यार्थियों का यही विचार है कि सिर्फ विज्ञान, गणित या सामाजिक विज्ञान में अंक लेना, इन विषयों को अच्छी तरह पढ़ना और जानना काफी है, भाषा को पूरी तरह पढ़ने की और उसको सांगोपांग समझने की कोई ज़रूरत नहीं है। यह विचार सही नहीं है। सच कहें तो भाषा एक थाली जैसे और अन्य विषय खाद्य पदार्थ जैसे हैं। अगर थाली साफ और अच्छी होगी तो ही खाद्य पदार्थ के सारे पोषण हमें प्राप्त होंगे। थाली की गंदगी से हमें हानी भी पहुँच सकती है। इसलिए हमें भाषा रूपी थाली को साफ रखनी चाहिए।

पर आज कल की समस्या सिर्फ यह नहीं, इससे भी बढ़कर कुछ और है। लैटिन और ग्रीक जैसी प्राचीन भाषाएँ मिट चुकी हैं। बहुत कम लोग इन भाषाओं का प्रयोग करना जानते हैं। ऐसा क्यों होता है? समाज में इन भाषाओं का प्रयोग न के बराबर हो गया है। भारतीय भाषाओं की स्थिति भी कुछ ऐसे ही होती जा रही है। कई भारतवासी अंग्रेज़ी में बतियाने को प्रतिष्ठा की बात समझते हैं। समाज ऐसा हो गया है कि अंग्रेज़ी शब्दों का इस्तेमाल करने से ही एक अदमी को सम्मान दिया जाता है। यहाँ तक कि कुछ परिवारों में माता-पिता अपने बच्चों से अंग्रेज़ी में ही बातें करते हैं। कुछ लोग दिखावे के लिए अंग्रेज़ी में बात करते हैं - यह तो ऐसा लगता है जैसे एक बच्चा दिखावे के लिए किसी सिनेमा अभिनेत्री को अपनी माँ कह रहा हो और असली माँ को माँ कहने में वह शर्म महसूस कर रहा हो। भारत में बच्चे फ्रेंच, जर्मन और अन्य विदेशी भाषाएँ पढ़ने में रुचि दिखाते हैं, पर बहुत बच्चों को अपनी मातृभाषा पढ़ना भी नहीं आता। यह क्या हाल है? हमें विदेशी भाषा का प्रयोग करके सम्मान प्राप्त करने के बारे में नहीं सोचना चाहिए बल्कि हमारे कर्मों से अपनी मातृभाषा को सम्मान पहुँचाना चाहिए, हमारी भाषा को ऊँचाई पर खड़ा करना चाहिए। हाँ, लोग कहते हैं कि अंग्रेज़ी सफल और सक्षम व्यापारिक भाषा है और इसे जानना ज़रूरी है। हो सकता है, पर हमें अपनी मातृभाषा को भूलना नहीं चाहिए। भारत में अनेक भाषाओं का प्रचलन है। भारतीय साहित्य भण्डार इन भाषाओं के कारण अति संपन्न है। अपने देश की सारी भाषाओं को हम सीख नहीं सकते, समस्त भाषाओं के समृद्ध साहित्य को पूर्ण रूपेण हम पढ़ नहीं सकते हैं। पर हम इतना तो अवश्य कर सकते हैं कि अपनी

मातृ भाषा को सीख सकते हैं, उसमें लिख पढ़ सकते हैं, वार्तालाप में अपनी भाषा का प्रयोग कर सकते हैं और मातृभाषा को विकसित करने का प्रयास कर सकते हैं। आखिर यह काम हम नहीं करेंगे तो और कौन करेगा?

मेरा बचपन याद आता है

आज याद नहीं, कितने ही नाम,
आज याद नहीं, बेमतलब की बात
आज मुझे है, कितने ही ज़रूरी काम
फिर भी न जाने क्यों,
एक समय अब भी है याद मुझे,
मेरा रंगीला बचपन, बड़ा याद आता मुझे।

वह दिन-भर माँ का संग रहना,
उनका मुझे हर पल सहना,
मेरी एक मुस्कान के लिए-
उनका सारा समय मुझे देना,
सब मुझे सताता है।
मेरा बचपन मुझे याद आता है।

वह छिप-छिपकर मिट्टी खाना,
किचन-सेट्टू के लिए सामान चुराना,
अंगूठा चूसने पर
माँ का अंगूठे पर मिर्च लगाना,
अब यह सब मुझे हँसा देता है।
मेरा बचपन मुझे याद आता है।

फेरीवाले से चूड़ियों की जिद करना,
गुड़ियों के साथ घंटों खेलना,
हर दो-मिनट में माँ को
भूख लगी है, कहकर सताना,
मुझे आज भी याद आता है।
मेरा बचपन मुझे याद आता है।

स्कूल न जाने के लिए-
बुखार होने का नाटक करना,
चीनी-रोट्टू खाने के लिए,
आठ बजे सोने का बहाना करना,
हर बार दूकान से पेंसिल-रब्रू लेना,
और अपना सामान किसी को न देना,
जन्म दिन पर ढेरों उपहारों का मिलना,
और सुंदर कपड़ों में स्कूल जाना

बड़ा ही सताता है।
मेरा बचपन मुझे याद आता है।

परीक्षा के नतीजे से, बेफ़िक्र रहना,
बड़ी आसानी से, किसी को नू कह देना,
झट-पट नई जगह पर दोस्त बना लेना,
हर झूठ को सच मान लेना,
खुद के जैसे दुनिया को सच्चा मानना,
मुझे बचपन को खो देने का एहसास दिलाता है।
आज भी, मुझे मेरा बचपन बहुत याद आता है।

बेटी

बेटी -

वह तो सारी खुशियों की चाबी,
नहीं रहती गुमसुम एक पल भी।
लेती जब फैसला अपने लिए
यह ध्यान रखती है कि
अपना घर भी इससे थिले।

अपनी सारी खुशियों की,
करती है वह कुरबानी।
जीती है वह दूसरों के खातिर,
हर रिश्ता सभालने में
वह है माहिर।

उसका तो रूप अनेक -
कभी बनती है
लाडली बेटी
कभी बन जाती

प्यारी बहन,
अपने पुरुष की सच्ची सहधर्मिणी
अपनी सासु अम्मा की श्रध्दालु बहु
पीहरी में वह बाबूल की लाडली
और माओं की तो वह युवराणी
मीठी है उसकी कहानी

बेटी तो जगत जननी कहलाती है।
जीवन भर अपनों का साथ निभाती है।
