THE COLLEGE CREST

The College Crest is enshrined within a lotus in full bloom to represent the cult of the devotion preached by mahaprabhu Shri Vallabhacharya. At the centre of the crest is a sacrificial fire, which symbolizes the Lord himself 'Yagna Vai Vishnu'. The Lord is reached by three steps of the altar signifying KSHARA, AKSHARA and POORNA PURUSHOTHAMA. The Volume at the foot of the altar stands for the Book of Knowledge (the Vedas) and the three flowers on it show the factors that conduce to the accumulation and propagation of the Knowledge, Intelligence, Action and Material Resources. The aim of Knowledge is the Realization of the Supreme truth and this is embodied in the College Motto taken from Srimad Bhagavatam.

'SATYAM PARAM DHEEMAH!'

"Let the truth uphold Supreme in my consciousness"

EDITORIAL

Rare are the kind to see great souls like Dr. A.P.J. Abdul Kalam. More than in mere words of inspiration he had lived a life that will motivate and ignite the young minds by its sheer simplicity, humility and sublimity. We all should be happy and feel proud that we had also lived in the same period as that of Dr. Kalam's, who had lead us to dream untiringly for reaching our goals in life. Great men leave the imprints of their lives in the sands of time only for the generations to know how life could be lived. We pay our humble homage to Dr. A.P.J. Abdul Kalam.

FROM THE PRINCIPAL'S DESK

Warm Greetings! I feel deeply honoured and privileged to take over as Principal of this esteemed institution, which is also my Alma Mater. I thank all the stake holders of the College for their whole hearted support, which has helped this institution to achieve the success it has.

Our College provides an excellent platform to every student, for honing their skill sets, which enables them to face challenges of the 21st century with great fortitude. The team of dedicated faculty members of our College, who keep abreast with the latest developments in their field through active research along with teaching, nurture and motivate the young minds to excel academically and pursue higher education. This is evident in the college's reaccreditation with A Grade by NAAC.

"Try not to become a man of success, but rather try to become a man of value".
- Albert Einstein

My dear Students, imbibe good values and pursue education for enlightenment, not merely for earning a living!

"Coming together is a beginning, Keeping together is progress, Working together is Success"
- Henry Ford

We have to prepare ourselves to scale greater heights in the future and only excellent team work will help us succeed!

"The secret of getting ahead is getting started"
- Mark Twain.

Let us all work collectively to achieve this Goal. My best wishes for an event filled academic year.

Jai Hind

V. Varalakshmi

S.D.N.B. VAISHNAV COLLEGE FOR WOMEN, CHROMPET, CHENNAI - 600 044
COLLEGE DAY REPORT

Good Evening,

Respected Chief Guest of the day Professor Dr. A. Kalanidhi, Vice Chairman Commonwealth Science and Technology Academy for Research, ISTE Professional Centre, Anna University, Dynamic Chairman Smt. Mamta D. Bhatt, Revered Secretary Shri Chandrakant M. Tolia, Most Respected Chairman Cork Industries, Shri S.N. Bhatt, and non-teaching and my dear students, I extend a very warm welcome to everyone on the 48th College Day. I express my sincere thanks to Prof. Dr. A. Kalanidhi for accepting our invitation to be the Chief Guest of the 48th College Day. Our Chief Guest is a Highly distinguished academician and administrator whose presence here today is a great honour for our institution. I welcome you once again Sir. I am deeply jubilant to present the 48th annual report of SDNB Vaishnav College.

To Quote Dr. Martin Luther King Jr.

"The function of education is to teach one to think intensively and to think critically. Intelligence plus Character – that is the true goal of education"

We, at Vaishnav, firmly believe in the potential of holistic education in developing capacity to reason critically and compassionately. We not only provide an education interwoven with values, but also integrate technology in our teaching learning process, so that the young ladies passing out of the portals of Vaishnav, are competent to face the Challenges of 21st century society.

GENESIS OF THE COLLEGE:

Shrimathi Devkunvar Nanalal Bhatt Vaishnav College for Women is a mission-driven educational institution that connects students to success and opportunity. The College was started in 1968 under the first National Policy of Education in rural areas, with a generous donation of 10 acres of land by our Late Founder Chairman Shri Nanalal Bhatt and Rs. 6 lakhs by Cork Industries Charities Trust. The College stands in the name of our Late Founder Chairman's beloved wife Shrimathi Devkunvar and it has been efficiently serving the cause of women's empowerment for more than four decades, by producing students who are holistic individuals in the field of Arts, Science and Commerce. From an initial strength of 300 students in the pre-university course, the college now caters to 5,184 both in aided and un-aided streams. The institution has recorded a steady progress and today it is a full-fledged P.G. and Research institute with 22 UG courses, 9 PG courses, and 4 M.Phil courses and 6 PhD. Programmes. College was Accredited in 2006 with 'A' Grade and Re-Accredited with 'A' Grade in 2011 by NAAC and granted Extension of Autonomous Status by UGC in 2013.

Our College is preparing for the third cycle of Reassessment by NAAC, this year.

MANAGEMENT

The success of our journey in women's education has been shaped by the visionary leadership of our College Secretary Shri. Chandrakant M. Tolia, who is the embodiment of courage and wisdom. Our college Chairman Smt. Mamta D. Bhatt's continuous support, guidance and encouragement has always been copious. The Management Committee Members of the College have also been tremendously supportive.

INFRASTRUCTURAL DEVELOPMENT

Infrastructure facilities of an institution is the most vital component of teaching-learning process. The College has abundant classrooms housed in five blocks, provides hostel facility to outstation students, excellent laboratory facilities for basic sciences, several computer labs and English language lab, laboratory facilities for visual communication - Preview Theatre, Photography Lab, computer Lab., Television & Video production room; Home

Science courses are provided with Cooking Lab., Microbiology and Physiology Labs.; separate libraries for Research scholars apart from general library and good Indoor sports facility. The college has air-conditioned auditorium for conducting conferences & Seminars apart from lecture halls with interactive boards and smart classrooms. CCTV cameras have been installed for better security in the premises. Our campus is green with an eco-friendly environment with rain water harvesting put in place.

STAR SCHEME

Our College has received a total grant of Rs. 36 lakhs, under the STAR SCHEME by the Department of Biotechnology, Government of India. This grant would be utilized for upgrading the educational and working skills of undergraduate students of all the life science departments of the college.

MOU

S.D.N.B. Vaishnav College has signed an MOU with Andhra Chamber of Commerce this year for inter-sh industrial visits and placements. Other MOU's are with the Institute of Cost Accountants of India and our College is recognized as CMA Support Centre by the Institute. The college is in the process of signing an MOU with Institute of Company Secretaries and also with Institute of Chartered Accountants.

ACADEMIC ACTIVITIES AND ORGANISATION

Board of Studies meet annually to design and develop syllabi, which are career oriented with enriched contents which is approved by the academic council and the Governing Body of our College. The Committee for coordinating the effective functioning of the various activities of the College are - Research, Admission, Ethical Grievance Redressal, Public Relation, Training & Development and Ragging Redressal Committees.

RESEARCH DEPARTMENTS

At Vaishnav we believe that Integrating research activities and teaching leads to academic excellence. We inculcate a spirit of inquiry the minds of students. The 22 Research Supervisors for Doctoral programme and 20 Supervisors for Mphil in the Departments of History and Tourism, Statistics, Physics, Plant Biology and Plant Bio-technology, Computer Science, Commerce, Mathematics and English are successfully carrying out research activities by guiding 52 Ph.D. and 27 M.Phil. scholars. Dr. M.S. Lekha Assistant Professor, Department of Economics has produced the first Doctorate of Philosophy in Economics from this institution. Under the guide ship of C. P. Sumathi, Head of the Department of Computer Science, two students have successfully completed and obtained the doctoral degree from Bharathiyar University, Coimbatore.

FACULTY ACHIEVEMENTS

The quality of education largely depends on the quality of teachers. In pursuit of knowledge and excellence, our teachers always evince keen interest in their professional development.

- Our Faculty members have completed 14 UGC Minor Research Projects from 2011 onwards
- Currently 2 Minor Research Projects and one Major Research Project of UGC are Ongoing and 6 more Minor research projects are pending for approval
- **Ph.D. Degrees awarded** - This year 6 staff members have defended their doctoral thesis and obtained Ph.D. degrees. They are Dr.S. Suganthi, Department of Economics, Dr. T. Vijayalakshmi, Department of Mathematics, Dr. V. Vasantha Kumari, Department of Commerce, Dr. G. Gayathri Devi, Department of Computer Science, Dr. N. Priya, Department of Computer Science (Self-Financing) and Dr. K. Padmavilasini, Department of Tamil (Self-Financing).

- **Resource persons** - Our staff members Dr. R. Savithri, Head Department of Commerce has been a resource person for a Seminar, Dr. M.S. Lekha has Chaired a Technical Session in a National Conference at SND Women's University, Pune and Dr. N. Gajalakshmi was a resource person for UGC National Seminar by ICSS and TNSCHE.

Dr. S.Lakshmi, Head Department of Physics and Dr. C.B. Nirmala, Assistant Professor, Department of PBPBT, DBT and British Council at Pune from 10th to 12th March 2016.

- **Paper Presentations** - This year nearly 28 research papers have been presented by our staff members at various International & National Level Conferences & Seminars
- **Research Publications** - Our staff members have published 17 research papers in various International & National Journals of repute.
- Mrs. D. Annapoorni, Associate Professor, Department of Statistics is pursuing her Doctoral degree, through UGC Faculty Improvement programme.

CONFERENCE, SEMINARS, WORKSHOPS AND EXHIBITIONS ORGANIZED

Various Departments organized Conferences, Seminars and Workshops:

- Controller of Examinations organised one Day Workshop on "Examination Reforms - A Step Towards Excellence"
- A workshop on "New Vistas in Library Process" was organised for the faculty.
- Department of English organized a One day workshop under the banner of Chennai Literary Fest on "News Reading and Compering" by Prof. Abul Faiz, Founder and Director, AF School of News Reading and on "Copy Editing and Publishing" by Mrs. Nalini Olivannan, Director at Chennai Centre of Training and Development.
- UGC sponsored Seminar on Human Rights was organized by the Department of History in connection with Human Rights Day
- National Seminar on Logistics Management was organized by the Department of Commerce
- Department of Plant Biology and Plant Biotechnology Organized a National Conference on "Algal Taxonomy and Application" conducted by Krishnamoorthy Institute of Algology on 27th and 28th of November 2015. A Seminar on "Hydroponics" by Karthik Mohansundaram, Agriculture Engineer at Emirates Hydroponics Farms, Abudhabi.
- UGC sponsored seminar on SOFTWARE ENGINEERING was conducted by the Department of Computer Science. Resource persons were from Cognizant Technology Solutions and Prodigy Recruitment Consultants.
- DBT Sponsored workshops on "Video Recording", "Nanosynthesis" and "Recording and Interpretation of FTIR Spectra" was organised by Department of Physics.
- Department of Statistics conducted a seminar on "Structural Equation Modelling using AMOS" for Staff and students of the Department of Statistics as well as Social Sciences.
- An Exhibition on "Health in Sanskrit Literature" was organized by the Department of Sanskrit. The students presented their views on various topics like Dhanvantari, Susruta and his surgical instruments, Hornam, Tridosas, Subashitani, Mantras, Mudhras, significance of cooking vessels in health and Tulasi plant.
- Students of Department of Home Science - Clinical Nutrition & Dietetics conducted a Nutrition Education Program in SOS-village East Tambaram, Chennai. A Food festival under the theme "Street Foods" was organised to promote entrepreneur skills and culinary talents amongst students. A notable feature was, preparation and sale of new recipes by the students.
- National Conference on "Educate, Enable, Engage, Enrich and Empower Human Resources" was organized by Department of Human Resource Management.

STUDENTS' ACHIEVEMENT

Students are encouraged and motivated to develop a passion for learning through research and 17 Students including Research scholars, students of both post graduation and under-graduation, have presented papers in various National Level Conferences and Workshops.

Pride of our College M. Yogeswari of M.Sc.(Computer Science) has brought several Laurels to the Institute for her Tamil Oratorical Competitions this year too - she has won Rs. 10,000/- at Gurunank College Oratorical Competitions, Silver Shield in Geetha Bhavan Association, participated in various TV shows in Makkal TV, TV, Kalaingar TV and Pattimandrams for Tamil Muttam and murasoli Arakattalai.

The Best Outgoing students of this year are M. Swetha of B.Sc. Statistics for aided stream, P. Shwetha of B.Sc. Computer Science for Self-finance stream and M Yogeshwari of M.Sc. Computer Science for Self-Finance stream.

UGC SPONSORED CERTIFICATE COURSES

Two UGC Sponsored certificate courses viz., Mushroom Cultivation and Women Entrepreneurship are offered by the Departments of BPBPT and Commerce respectively. Mushroom Cultivation imparts knowledge on Mushrooms and spawn production technology. The Entrepreneur Development Programme imparts theoretical and practical skills on Soft toy making, Bouquet making, Embossing, Oil, Glass and fabric painting, Food processing, etc. Other than UGC sponsored certificate courses, the College also offers thirteen skill based courses for students on "Computer Hardware", "Microprocessor", "Cosmetology", "Instrumentation", "Assistant Beautician", "Banking", "Financial Services and Insurance", "Computer Data Operator", "Data Analysis using SPSS", "Cloud Computing", "Food Preservation", "Interior Decoration", "Disaster Management" and "Radio Jockey".

IQAC

The Internal Quality Assurance Cell of the College monitors, documents and prepares the Annual Quality Assurance Reports periodically and organises regular programmes for students on "Stress Management" and "Employability Skills". Dr. S. Mohan Raj, Consultant Psychiatrist, Tharu Clinic, Chennai addressed the first year students and spoke on techniques for managing stress. The Ripe Institute conducted a workshop on Employability Skills for third year students.

Some of our Best Practices are Digital Library Software – DSPACE, Online mode of Applications for Admissions, Online payment of fees, Regular counseling sessions for Students, Tutor Ward system in every department, Regular medical checkup for Hostel students, Bridge course in English for first year students and Free newspaper for all hostel students & commerce students.

ASSOCIATION ACTIVITIES

The College also encourages activities under various Departmental Associations. Guest Lectures by eminent professors are organized to enrich knowledge and motivate students.

MUTHAMIZH VIZHA

Muthamizh Vizha was inaugurated by Prof. Vaa. Mu. Sethuraman, Pannattu Tamizh Manra Ulaga Amaippalar, who highlighted the importance of Tamil language spoken by non Resident Indians. He also released a book on Tamil Poetry written by our students titled, 'Pudhukuralgal'.

SMRTI 2015

The annual cultural carnival of our college is a medley of the truly traditional arts and popular contemporary arts. This year's two day carnival was inaugurated by Shri.T.M Krishna, Carnatic Music Vocalist. The special guests for this occasion were Actor Chandran and TV Anchor Anjana. The theme chosen for this year's carnival was DREAMS, a very fitting tribute to the inspiring personality, Late A.P.J Kalam. Around 40 colleges participated in this event.

ALUMNAE MEET

The Alumnae trust as registered in June 2015 and it was launched by Honourable Justice Smt. Pushpa Satyanarayana along with College Union Inauguration. The Alumnae trust Executive meeting, Alumnae Meet and Retired staff reunion was organised. Achiever's Award was given to 16 Alumnae from different disciplines.

SPORTS

Our College sports team consists of 43 Inter zone players, 34 State players, 11 University Blues and 14 National players. Our students have won accolades in various sports events at National and state levels. Our students have brought several laurels from National Level Championships - 4th Senior National Foot Volley Championship held at Karnal, Haryana, All India Inter- University Athletic meet held at Patiala, Punjab, All India Inter University match held at Kattankulathur Chennai, 61st Junior National Ball Badminton match held at Bhilai, Chhattisgarh, 4th Federation Cup Foot Volley Championships held at Haryana, State level Championships - Senior State football Tennis Triples Championship held at Thakkolam, Vellore and at 30th Tamil Nadu Inter- District Junior Athletic Meet at Kumbakonam. To mention a few of the achievements -

- M. Sowmiya won Gold Medal & set new meet Record by scoring 4486 Points in 30th Tamil Nadu Inter- District Junior Athletic Meet at Kumbakonam. She broke the 23 years record in heptathlon. She also won Gold Medals in Heptathlon at the All India Inter- University Athletic meet held at Patiala and 13th Federation Cup Junior National Athletic Championship held at Haryana.
- R.Abarana kumari, C.Priya, and V.Kokila Devi bagged Championship of the 61st Junior National Ball Badminton match held at Bhilai, Chhattisgarh.

NSS (National Service Scheme)

The NSS activities for this academic year was flagged off by Lion P. Puthukan and K.M.J. Ashok Lion Club International. The programmes organised were "Accident Free Nation" around 100 signals in Chennai, Traffic Awareness (Seat Belt, Helmet etc.,) jointly with "Thozhan", Tree Plantation" to commemorate International Youth Day, Pink Ribbon Walk for Breast Cancer Awareness. A Blood Donation Camp was inaugurated by Lion S.N. Harinarayanan and 132 units of blood was given by Voluntary Blood Donors. NSS Camp was held at Paavendhar Tamil Medium Primary School, Little Flower School and Women self help Groups, Solid Waste Management (Hand in Hand) at Kundrathur, Chennai.

NCC

Our NCC unit comprises of 24 cadets in 1(TN)Naval Unit and 21 cadets in 1(TN)Air Squadron.

- The pole-star of our college, Senior Cadet Captain M.NILA of III year B.A. History participated in Inter Group Shooting Championship Competition, All India level which was held at Dr. Karni Singh Shooting Range, New Delhi and bagged a Silver medal. She also participated in 25th All India GV Mavlankar Shooting Championship Competition and 59th National Shooting Championship. She stood 3rd among all the NCC cadets who participated in this competition and ranked 7th as the overall position. I feel privileged to announce at this moment that she has been selected for International Selection Trials 2016. M.Nila has also received DIRECTOR GENERAL'S COMMENDATION from the Director General NCC, New Delhi on 2nd February, 2016. This award was conferred by the Honourable Minister Dr.S.Sundara Rajji, MINISTER OF SPORTS & YOUTH WELFARE, Government of Tamil Nadu and she is the only NCC cadet who has received this prestigious award in the entire state of Tamil Nadu.
- Cadets of the Naval Wing participated in - All India Annual Training Camp, National Intergration Camp, Scuba Diving Camp and Marina Republic Day camp. Cadets of the Air Wing participated in - Vayu Sainik Intergroup Competition, State Level Inter Group Volleyball Competition, RDC Intergroup Competition, Basic Leadership Camp and Marina Republic day Camp.

VAISH CONSUMER CLUB 2015-16

The vaish consumer club was inaugurated by Dr.Shanthanarajan, Director, Consumer Association of India(CAI) and he spoke on Food Safety and Food Adulteration. A training programme was also conducted on "Consumer rights - its protection" and "Consumer Awareness on safety with regard to cosmetics" by Mr. Krishnan, Deputy

Director, CAI, and Dr. Shanthanarajan, Director, CAI. A survey on "Consumer Awareness on Insurance" carried out by our students in association with Consumer Association of India.

ENVIRON CLUB

The Environ Club was inaugurated by Mr.S. Indra Kumar of Exonara, Chennai and he delivered a lecture on creation of organic manure through vegetable waste and the importance of organic farming in households.

EDP

Learning by experience leaves a lasting impression. The WEDC introduces kaleidoscopic activities to students conducting various classes every week and some of the skills learnt are jewellery making, bouquet making, painting, pot painting, fabric painting, paper flower making and wire basket making.

ROTARACT CLUB

The ROTARACT Club was revived this year by Rotarians Dr. Parkavi(Rotaract Chair) and Mr. Seshasai(Youth Secretary) Director with full zeal and enthusiasm.

KWIZ CLUB

The Kwiz (Knowledge Wizards) Club organised an Inter-departmental Quiz Competition, under the banner Ms. Mind Quiz-2016, conducted by Dr. K. Subapriya, PG & Research department of English, Pachaiyappa's College, Chennai.

THE PRINCESS CRUISE THEATRE CLUB

The Theatre club "The Princess Cruise" of S.D.N.B. Vaishnav College was inaugurated by Dr. Ann Thomas, Associate Professor, Department of English, Madras Christian College. The club set its sail with six drama performances by the students of 2nd year B.A. and B.Sc.

ENTRY IN SERVICE CELL

Entry in service cell regularly conducts programmes to develop students' acumen ship and essential skills for their future endeavors. The cell conducted a workshop on 'How to crack civil service examination'. The guest speakers were Mr.Bhoomithan, IRS, Mr.Manikandan, IRS and Mr.G.Ganasambandan, Assistant Commissioner, Forensic Department. The cell organized another workshop "Chisel your passion and be an achiever" to enable their focus in attaining their goals.

YOGA

Prof. P.Sekar world community service centre Chennai, a unit of Vethathiri Maharishi's institute of intuitional spiritual education addressed the students on the benefits of doing simplified physical exercises and meditative practices. Dr.S.Shiva Saila Vinayagam, Naturopathy and Yogic Sciences will be addressing the students on "healthy and stay healthy" followed by a demonstration of preparation of healthy foods.

FINE ARTS REPORT

CHARVI 2015, an interdepartmental fine arts competitions were conducted by the fine arts club and the overall trophy for day was bagged by B.Com and for the evening was shared by B.Com (A&F) and Viscom. Our Students won the overall trophy for the various competitions conducted by Prof. Dhanapalan college in art, from western dance, channel surfing, adzap, innovative selfies..

The Dance team of our college secured the second place in John Britto's Dance Championship and intercollegiate dance competition conducted by Anna Violet College of Arts & Science. The team has made its entry into third level of competition Kings of Dance conducted by Vijay TV.

COLLEGE STUDENTS' UNION ACTIVITIES

College Union was inaugurated by honourable Justice Smt. Pushpa Sathyanarayana who spoke on women empowerment and entrepreneurship. The Students Union was busy throughout the year conducting various competitions, encouraging participation and promoting a congenial atmosphere on the campus by organizing Orientation Programme, and Freshers' day for first years.

BRIDGE COURSE in English was conducted by the Department of English for the first year students. The main objective of this course was to refresh the basic grammar and boost the level of confidence of students to communicate in English.

Celebrating festivals like Krishna Jayanthi, Diwali, Onam and Pongal have made students to imbibe the traditional practices. A dance recital by the malyalee students was highlight of Onam celebrations. The significance of life of Lord Krishna and his sayings in day to day life was brought forth by Shri V. Gopalasundara Bhagavathar, on account of Krishna Jayanthi. Students performed a special skit under the theme "Bala Krishna Leela" followed by Veena and Bharathanatiam dance recital. Generous contributions were made by our students for the purchase of clothes, crackers, sweets and stationery items for the orphanage inmates of Bala Ashram on account of Diwali and rehabilitation of visually challenged children through Indian Association for the blind.

As a mark of tribute to our Founder Chairman, Founder's Day was celebrated. Our Chairman Mrs. Mamta D. Bhatt spoke on the Life of our revered founder Chairman Shri Nanalal Bhatt and his beloved wife Smt. Dev Kunvar Nanalal Bhatt and their Contributions to Women's Education.

Teachers Day, Voters Day, Human Rights Day and International Yoga Day were celebrated with a purpose of sending strong messages to the students community. Rangoli and Drawing competitions were held on Voter's Day. To instill the patriotic fervor among students Independence Day and Republic Day were celebrated with élan by the Principal, Staff and Students. International Women's Day will be celebrated shortly and Prof. Sarawathi, President of People's Union for Civil Liberties, Tamil Nadu and Pondicherry will be the guest of honour.

An oratorical competition was conducted on "Dreams and Achievements of Dr.Abdul Kalam" in both Tamil and English to commemorate Dr. APJ Abdul Kalam's Birth anniversary. A Sapling was planted in his memory.

An awareness programme on cyber ethics and pornography was conducted by the union in association with Rescue India, sensitizing the students on issues concerning human trafficking, cyber ethics, pornography and effects of abortion. Students' also participated in Vijay TV's "Neeya Naana" and future women power by Makkal TV.

SWACHCH BHARAT ABHIYAN

A cleanliness drive was carried out in the College campus for a week's time, to insist on the importance of keeping our surrounding clean. Our teachers and students actively participated and administered the pledge to keep the College campus neat and tidy in future. To commemorate one year of Swachh Bharath scheme the college conducted various competitions namely quiz, Tamil and English speech, Tamil and English poem Miming, Skit, Dance, PPT and Villupattu and the local municipal officials were the guests of honour. In connection with Swachh Bharat, the Idea Contest, Bangalore conducted competitions such as Pot painting, PPT presentation, Drama, Dance, Oratorical and Poem and three students were selected for the final event at Bangalore.

GRADUATION DAY

Thiru. K. Sekar, Directorate of Collegiate Education and Prof. Dr. P.Vanangamudi, Vice Chancellor, Dr. Ambedkar Tamil University delivered the Graduation Day address and gave away the Diplomas for the aided and Self Financing Stream.

PLACEMENT CELL

The Placement cell organizes campus interviews and actively helps students in getting employment, by inviting reputed companies to the college. I am extremely proud to inform this august gathering that, we have been able to consistently achieve 100% placement for this year as well. 979 job offers were successfully obtained by students in this year also, in prominent companies like Tech Mahindra, CTS, Wipro, Virtusa, TCS etc.

RETIRING STAFF

We are glad to honour the Retiring Teaching Staff Mrs. D.K.Gowri, Associate Professor and Head, Department of Chemistry and Non Teaching Staff Mr. S. Soundararajan, Laboratory Assistant(SG), Tmt.R. Ramaneeswari, Laboratory Assistant(SG), Tmt.N.K. Bama Junior Assistant(Spl.Grade) and Tmt.S.Vijayakumari Junior Assistant for their valuable service to the college.

SDNBVC IN FLOOD RELIEF

The benevolence of our dynamic management has been proved yet again through their swift and judicious relief operations during the recent Chennai floods. The management came forward to help not only the student victims, but also to support flood-affected teaching & non-teaching workforce and to the devastated people of the locality. The gates of SDNB Vaishnav College were opened to the public, to provide shelter for the stranded victims in the neighbourhood.

A committee comprising of faculty members was formed to identify the student victims of the college and the gravity of suffering. The needs of the students were thoroughly studied and identified through a structured questionnaire in order to cater to their needs.

Relief materials and revival kits were distributed to about 1568 students who were severely affected in the flood. Many generous donors, supporters, alumnus, well-wishers and volunteers collaborated with the college in this significant cause by contributing through cash and kind. Further, the management also extended their support to the staff members (both teaching and non-teaching) who suffered material loss in the flood by providing financial aid and emotional support to overcome the distress.

The college organized Post-flood health Camp in association with Rotary Club of Madras South West and College NSS unit on 19th and 20th December 2015. A team of doctors were dynamically involved in screening and examining around 3000 college students. The camp was opened for the general public too. Medical consultations and medicines were given free of cost to prevent the epidemics of water-borne and air-borne illnesses.

About 1100 Books worth Rs. 3.5 lakhs were distributed to flood affected students under book bank scheme of the Management and Alumnae.

Our Visual Communication Students' made a short film on flood relief initiative by our College.

To quote Dr. APJ Abdul Kalam

"Empowering women is a prerequisite for creating a good nation, when women are empowered, societal stability is assured."

Let us all work towards building a nation with empowered women leading to the development of a good society and ultimately a good nation. At Vaishnav we are striving to achieve the goals and dreams of Kalam.

Thank you.

To give you the Statistics at a glance, we have 43 Inter zone players 34 State players, 11 University Blues, 14 National players,6 All India Inter University Silver Medalist,7 National Gold Medalist, 1 National silver Medalist, 1 National Bronze Medalist, 2 State Gold Medalist,13 State Silver Medalist, 1 State Bronze Medalist.

Eventually, I would like to record my sincere gratitude to the respected Chairman and our beloved Secretary for their continuous support. I also wish to place on record my thanks to the Management committee members and our Principal for their trust and encouragement, and without them these achievements would not have been possible. My thanks are due to the members of the Sports Committee who guided and rendered assistance all the time and my Colleagues for their moral backing. Displaying their whole hearted support to sports and games, the members of teaching staff have instituted cash awards for outstanding Sports persons and I sincerely thank them all.

I thank the coaches who volunteered to do timely and devoted service in coaching the various teams with sportsman zeal. I thank the judges for being present early today to judge the march past skills of our students. My sincere thanks to the Principal of Rosily Matriculation Higher Secondary School for sending their band students.

Let me finish this brief report extending my sincere thanks to all the guests present here at this function. Finally, let me wind up congratulating all the prize winners at this 48th Annual Sports day. We look forward to more guidance and directions from the Management in future also. With dedicated efforts from every corner we can spell success in all our endeavours.

With Prayers hope and confidence we look forward to set many more impressive records in the years to come.

S.Subalakshmi, Department of Statistics

Report of 125th Birth Anniversary Celebration of Bharat Ratna Dr.B.R. Ambedkar

Indian Constitution is considered as an Instrument of Social change, which was mainly drafted by Bharat Ratna Dr.B.R. Ambedkar. To pay tribute and to honour him, on behalf of SDNB Vaishnav College for Women, Department of History celebrated the Bharat Ratna Dr. B.R.Ambedkar's One Hundred and Twenty Fifth Birth Anniversary on 18th December 2015.

The main aim of this celebration is to venerate, educate and to remind students about the contributions of Dr.Ambedkar to the nation. Various events were conducted in connection with this programme. Such as

- (i) Reading of Preamble of Indian Constitution to the Students
- (ii) Eloquent Competition
- (iii) Poster Making Competition and
- (iv) Performance of Villupattu on the life and contributions of Dr.Ambedkar

The Programme was started with brief introduction on "Dr. Ambedkar's life and his role in drafting the Constitution". Following this the Preamble of our Constitution was read and students repeated the same both in English and Tamil. Subsequently Eloquent competition was conducted on the topic "Dr. Ambedkar's life and his contributions to Indian Constitution. Students from various Department of our college enthusiastically participated in this competition. Tmt. R.Mangayarkarasi, Associate Professor & HOD, English and Dr. (Tmt). T. Senthamilselvi, Associate Professor & HOD, Tamil, were our distinguished Chief guests and they judged the competitions and distributed the prizes to the winner.

I prize won by Ms.Roja, II B.A., English Literature
II prize won by Ms.S. Nivetha, II B.Sc., Statistics

Likewise Poster competition was also organized by the Department. Dr.G.Shanthi, Assistant Professor, Department of Mathematics, Judged the competition.

I prize won by Ms. T. Harshini, II B.A., History
II prize won by Ms. N.Surya Prabha, III B.Sc., Statistics.

The highlight of this event is Villupattu performed by Ms. Roja, II B.A., English Literature with her companions Ms.Vellankanni, II B.A., History, Ms.Priyanka, II B.A., History, Ms.Ramya, II B.A., History, Ms.Sandhiya, I B.A., History and Ms.Kowsalya Devi, I B.A., History, about the life history of Dr.B.R.Ambedkar.

This Programme overall created a tremendous impact and awareness among students about Dr.Ambedkar. It is a matter of pride for the Department of History to honour 'Eminent National Leader – The Father of Our Indian Constitution', Dr.B.R.Ambedkar on his 125th Birth Anniversary year.

Report of UGC Sponsored Workshop on "CONTEMPORARY ISSUES IN HUMAN RIGHTS" 10-2-2016

Human rights are certain fundamental rights that are essential for any human being to lead a normal life amidst others at anytime in any society. Human rights are Universal and appreciating the value of human rights Department of History conducted the UGC sponsored one day workshop on "Contemporary issues in Human rights". The workshop is inaugurated by Tmt.Jayanthi IAS Honorable Member, State Human Rights Commission, Tamil Nadu. She traces the origin and development of Human Rights and focus on function of Human rights in India. She also highlights the importance of Human rights and stressed about environment right which is need of the hour. After the inaugural session, a documentary film on human rights was played for the students to create awareness on the issues.

In the post inaugural session, Professor G.Saraswathi, President, People's Union for Civil Liberties (PUCL), Tamil Nadu and Pondicherry enlighten the students on Human values and rights. She pointed out on Human rights and its impact in society. After lunch breakd the students of BA History performed mime on the theme 'Women and Children Rights' and students of MHRM performed on the theme of Women's Rights.

The Valedictory address was delivered by Tmt.C.Vasathakumari Chelliah, Senior Practicing Advocate, High Court, Chennai. She created awareness on legal rights and emphasize that which will be a tool to attain constitutional rights. Students of BA History and MHRM actively participated in the workshop. They also interacted with the key note speakers which paved the way for enlightening them on "Contemporary Issues in Human rights". Students of History also prepared more than 30 charts related to the topic and thematic rangoli was also sketched by them.

M. Nila's Achievements

- M.NILA, III YR HISTORY, NAVAL CADET of S.D.N.B.Vaishnav college, who is a part of 1(TN) NAVAL UNIT, is selected as FIRER.

S.No.	Camp Participated	Venue	Date	Achievement
1.	FIRING INTER GROUP COMPETITION CAMP	PARAMATHI VELLORE	03.06.15 to 12.06.15	SILVER MEDAL IN *PEEP SIGHT 3P POSITION
2.	FIRING TRAINING CAMP	PERUNDURAI	01.08.15 to 10.08.15	FIRING PRACTICE WAS GIVEN IN THIS CAMP in which scored *45 out of 50 POINTS and stood first in training.

- Participated in Most Prestigious Inter Directorate Championship Camp Held At Asansol, West Bengal from 13.08.2015 to 22.08.15
- 25th All India GV Mavlankar Shooting Championship Competition (Pre National) at Asansol, West Bengal from 30 Oct to 07 Nov 2015.
- 59th National Shooting Championship Competition at Dr.Karni Singh Shooting Range, New Delhi from 01 Dec to 15 Dec 2015.
- Selected for the International Trials Shooting Championship 2016.
- Participated in Junior Women Civilian Championship 50 Metre Small Bore Rifle and scored 608.6/654 (with decimal) and 580/600 (without decimal).
- Positioned 3rd Rank among NCC Cadets and 7th Rank in Overall India.
- Awarded Director General's Commendation
- Received Cash Award of Government of Tamil Nadu - RD Contingent Felicitation and Prize Winner's Ceremony - Gold prize - Rs.2000/-.

DEPARTMENT OF ECONOMICS

ECONOMICS ASSOCIATION 2015-16

CRUX ECO FUN

The Economics Association "CRUX ECO FUN" was inaugurated by Mrs. T.G.Geetha as superintendent of central excise under the central board of excise and customs on 21/01/2016 in the presence of the Head of the Department of Economics Dr. Mrs. Suganthi and the Economics Association Vice President Dr.Mrs. C.Khameer Sultana of the Department of Economics.

The Chief Guest who addressed the students on this occasion dwelt on the need to focus about "Women Empowerment" and distributed the prizes to the winners of the various competitions.

She stressed the importance of self introspection on the part of every student in order to obtain clarity in their future plans.

The speech was very much inspiring and informative and was beneficial to the students on the whole.

The vote of thanks was proposed by Economics Association Secretary Srinidhi. The Economics Association activities for the academic year 2015-16 drew to a close on a positive note.

DEPARTMENT OF ENGLISH

ENGLISH LITERARY ASSOCIATION & DEBATE CLUB - 2015-2016

To quote Sydney Sheldon "Don't give up. There are too many nay-sayers out there who will try to discourage you. Don't listen to them. The only one who can make you give up is yourself."

Our English Literary Association and Debate Club commenced functioning with the inauguration by Dr. Gopalan Ravindran, Professor & Head, Dept. of Journalism and Communication, Syndicate Member, University of Madras, Chennai, on 11th August 2015.

We conducted various Inter-Departmental competitions like Just a Minute, Sketch a Poem and Dumb charades to our fellow students, on 15th September 2015 to upgrade and refine their proficiency.

Many students participated in Just a Minute competition adjudged by Dr. (Tmt) K.Kanthimathi, Assistant Professor, Dept. of English.

- | | |
|--------------------|----------------------------|
| A. Janofar Sujitja | - I Chemistry Won I prize |
| Padmini | - III Physics Won II prize |
| S. Harini | - I B.Com Won III prize |

Students from various departments enthusiastically participated in Sketch a Poem adjudged by Miss. S. Ezhilarasi, Assistant Professor, Dept. of English.

- | | |
|-------------------------|-------------------------------|
| K. P. Navani Sidheswari | - Won I prize |
| M. Sanjana | - III Statistics Won II prize |
| C. Anulekha | - Won III prize |

42 teams participated in Dumb-C adjudged by P.Hema, Assistant Professor, Dept. of English.

- | | |
|------------------------------|--------------------------|
| K. Preethi, J. Priyanka | - III B.Com Won I prize |
| A. Muthulakshmi, R. Suganthi | - III Maths Won II prize |

A guest lecture on "Attitudes of English Second Language Learners towards corrective feedback" was given by Mrs. Malathy Bakeerathan, Lecturer, University of Jaffna, Sri Lanka on 5th January 2016.

Our students participated in various inter collegiate competitions.

Name	Place	Competition	College
Jeevitha	II	Face Painting	Prof. Dhanapalan Arts and Science College
Kaavya	II	Face Painting	Prof. Dhanapalan Arts and Science College

One day workshop was conducted under the banner of CLF (Chennai Literary Fest) on "News Reading and Comparing" by Prof. Abul Faiz, Founder and Director, AF School of News Reading (fore noon session) and "Copy Editing and Publishing" by Mrs. Nalini Olivannan, Director at Chennai Centre of Training and Development (after noon session) on 18th February 2016. The sessions were very informative and useful giving clear ideas about the skills of news reading and copy editing. Students from various colleges participated in the workshop. Dr. Lakshmi Selva, Assistant Professor Department of English Loyola College was the Chief Guest for the valedictory of the English Literary Association and Debate Club.

I conclude with the lines of C.S. Lewis "Literature adds to reality. It does not simply describe it. It enriches the necessary competencies that daily life requires and provides; and in this respect it irrigates the deserts that our lives have already become."

We hope our students will enhance their creativity and potentiality to move on the path of success and progress in future.

DEPARTMENT OF MATHEMATICS

MATHS ASSOCIATION 2015 - 16

The Department of mathematics conducted inter departmental competitions Math 'O' graph, Math connexion and Math hunt on 31.7.2015 and ONE DAY NATIONAL SEMINAR ON APPLIED MATHEMATICS was organized by the department of Mathematics on 2.2.2011.

In the first session of the Seminar, the second session was more interactive as Mr. Sukumar Kumar through his speech motivated and guided the students with the nuances of handling the analytical problems in the CSIR exam.

Sukumar Kumar started his speech with how to think and analyze a topic with practical examples. Then he interacted with the students, the concept related to Algebra and Analysis. He focused mainly on CSIR-UGC-NET Preparation.

SESSION -3 : 12:30pm -1:30pm

SPEAKER : Dr. Joseph Kennedy ,(ASSISTANT PROFESSOR) Pondicherry University, Pondicherry

TOPIC : Euclid's Theorem : Furstemberg's proof

Dr. Joseph Kennedy discussed the Furstemberg's proof of Euclid's theorem which was published in American Mathematical monthly in the year 1955. It says "There are infinitely many prime numbers". He gave the topological proof of the theorem.

SESSION - 4 : 1:30pm -2:30pm

SPEAKER : Dr. M. Pitchaimani, (ASSISTANT PROFESSOR)
Ramanujam institute of Mathematical Science, Chennai

TOPIC : Basic concepts of Mathematical Modelling.

Dr. M. Pitchaimani started his talk on "Error Function" also explained about Prime, Composite and Transcendental numbers. He gave real life examples. And explained the difference between the numerical solutions and steady state solutions.

DEPARTMENT OF STATISTICS

STATISTICS ASSOCIATION 2015 - 2016

The Association activities for the academic year 2015-16 began with the inter-Departmental activities on 25/1/2016. The events were COLLAGE, QUIZ and CONNECTION.

List of prize winners :

EVENT 1 : COLLAGE (TEAM)

TOPIC : BASIC TERMINOLOGY IN STATISTICS

I PRIZE : S. ASWINI & B. KEERTHANA {III B.Sc. MATHS}

II PRIZE : R. SNEHA & S. SRINITHI {III B.Com}

EVENT 2 : QUIZ (TEAM)

I PRIZE : G.DHARANI & S.NITHYASRI {III B.Sc. COMPUTER SCIENCE}

II PRIZE : V. KEERTHANA & S. HARIPRIYA {II B.Sc. MATHS}

EVENT 3 : CONNEXION (TEAM)

I PRIZE : A.VINODHINI & R.MERCY ANBUMALAR {III B.Sc. Computer Science}

II PRIZE : R. VARALAKSHMI & S. SHRUTHI {III B.Sc. Computer Science}

III PRIZE : R. DURGA & R. SARANYA {II MATHS}

STAT QUEST, the intercollegiate festival was inaugurated by our Principal Dr. V.VARALASHMI on 29/2/2016. She emphasized the need for students to learn the application of Statistics and to exercise caution while interpreting the results.

Various intercollegiate activities like QUIZ, DUMB CHARADES, CONNEXIONS and CASE REPORT were conducted.

The following are the prize winners for the events:

EVENT 1 : QUIZ (TEAM)

I PRIZE : KAMALI. R, HARI. B and KEERTHI VARMAN. S (MCC)

I PRIZE : KAMAKSHI. G, NAFEESHA BEGUM. M and SAI SHRUTHI. G (JBAS COLLEGE)

III PRIZE : REVATHI. H, NIRUPAMA. R and AYEESHA NASRIN FATHIMA I.S (JBAS COLLEGE)

EVENT 2 : DUMB CHARADES (TEAM)

I PRIZE : NIVETHA. V, KIRUTHIKA. G and ANJANA. K (MCC)

II PRIZE : SARANYA.P, SUJITHA. S, and VINODHINI. R (DRBCC)

III PRIZE : VENKATESAN.K, EUGENEARPUTHARAJ.P RICHARD EMMANUEL WILLIAMS (LOYOLA COLLEGE)

EVENT 3 : CONNEXIONS (TEAM)

I PRIZE : PRASHANTH. M and MADHU PREETHA. S (LOYOLA COLLEGE)

II PRIZE : SHAWANA KOUNAIN. M and KALA RANJANI. S (JBAS)

EVENT 4 : CASE REPORT (TEAM)

TOPIC GIVEN ON THE SPOT

I PRIZE : DELWIN, SHYAM (LOYOLA COLLEGE)

II PRIZE : ABRAHAM GEORGE, VIGNESH. S (LOYOLA COLLEGE)

III PRIZE : MANJULADEVI. N, ASHWATI NAIR (DRBCC HINDU COLLEGE)

GUEST LECTURE

Dr. B.Sridhar, Academic counsellor, IGNOU gave a talk on "The importance of Statistical tools in Social Science Research" on 1/3/2016. He gave an illustrative account on the formulation of objectives, hypothesis, choice of data, preparation of wonderfully designed questionnaires, importance of pretesting, choice of statistical tools and presentation of findings and conclusions in social science research.

A one day seminar on "Structural Equation Modeling" was held on 5/3/2016. r.B.Ravikumar, Assistant Professor (Senior), Department of Technology and Management, VIT University introduced the need for structural modeling in data analysis.

Dr.G.Kumarapandiyam, Visiting scientist, Indian Statistical Institute, ISI centre was the resource person for the workshop on "Advanced Functions in Ms Excel" held on 15th March 2016. He explained the utility of Ms Excel for doing statistical data analysis.

DEPARTMENT OF PHYSICS PHYSICS ASSOCIATION 2015 - 2016

A special lecture on **Beyond Zero resistance- Phenomenology of superconductivity** was given by Dr. S. Sankar, Department of physics, Div. of Applied Sciences & Humanities, MIT Campus, Anna University, The lecture was based on the theory and applications of superconductivity. A **workshop on the Recording and Interpretation of FTIR Spectra** was given by Mr. Prabhu, Manager, Genius Lab Care Instruments, Thoraiyakkam. The outcomes of the Workshop are

- Hands on experience of handling FTIR
- Interpreting the spectra
- Identification of functional groups

A workshop on **Nanosynthesis** was organised. Experimental methods of synthesizing nanoparticles were explained. Hands on experience of handling Muffle furnace and microwave oven were given by Miss.V.Revathi, Research Scholar, Department of Physics, Presidency College, Chennai. A workshop on **Video Recording** was given by Mrs.D.Gomathi, Assistant Professor, Department of Visual communication, SRM Univerasity, Kattankolathur. The techniques of producing good video were explained. Hands-on experience on using a high-end video camera PD170 was provided to the participants.

DEPARTMENT OF CHEMISTRY CHEM VAIBHAV 2015-2016

Chemistry Association, CHEM VAIBHAV 2015-2016 was inaugurated by Dr. S. Kutti Rani, Professor, Dean, School of Physical and Chemical Sciences, B.S Abdur Rahman University, Vandalur, Chennai on 31/12/2015 in "Solid Waste Management" to our students.

Interdepartmental competitions (Collage, Kerchief painting, Creative singing) and Interclass Competitions (Quiz, Dumb Charades, Collage) are conducted and Prizes were distributed.

Our Valedictory Address is given by Dr. K. Venkatachalam, Assistant Professor, Department of Analytical Chemistry, University of Madras, Guindy Campus, Chennai on 08/02/2016 in "Catalysis".

DEPARTMENT OF PLANT BIOLOGY AND PLANT BIOTECHNOLOGY MADHULIKA 2015-16

The Department's "Madhulika" was scheduled from 8th September to 11th September 2015. On Day one and two, there were intercollegiate events for City Colleges. Day one was flagged off with a seminar by Karthik Mohansundaram, Agriculture Engineer at Emirates Hydroponics Farms, Abudhabi.

Biozap was followed by Pot pouri, Connexions, Flower arrangement, Biocartooning and Foodolics. The winners are as follows.

1. Biozap	Madras Christian College	I Prize
	Loyola College	II Prize
	Nandanam Arts College	III Prize
2. Pot Pouri	JBAS College	I Prize
	Meenakshi College	II Prize
	Loyola College	III Prize
3. Connexion	Loyola College	I Prize
	JBAS College	II Prize
	Madras Christian College	III Prize
4. Flower Arrangement	Madras Christian College	I Prize
	JBAS College	II Prize
5. Biocartooning	Nandanam Arts College	I Prize
	Nandanam Arts College	II Prize
	Loyola College	III Prize
6. Foodolic	Loyola College	I Prize
	Madras Christian College	II Prize
	New College	III Prize

Following were the events and winners on Day two.

1. Treasure hunt	Loyola College	I Prize
	Madras Christian College	II Prize
	Loyola College	III Prize
2. Miss Madhulika	Meenakshi College	II Prize
	Madras Christian College	II Prize
3. Quiz Programme	Loyola College	I Prize

The Programme ended with the Prize Distribution Ceremony. The Principal of the College, Dr (Mrs.) V. Varalakshmi gave away the prizes. The runners were Madras Christian College participants and the Rolling Trophy was won by Loyola College

Intercollegiate Competitions participated by Plant Biology and Plant Biotechnology students

LOYOLA COLLEGE GENOTSAV 2015 -2016

INDIVIDUAL OVERALL TROPHY WON BY SINDHU.M

OVERALL ROLLING TROPHY WON BY STUDENTS OF PLANT BIOLOGY AND PLANT BIOTECHNOLOGY

Seminar and conference

Conference

Department of Plant Biology and Plant Biotechnology Organized National Conference on "Algal Taxonomy and Application" conducted by Krishnamoorthy Institute of Algology on 27th and 28th of November 2015

Seminar

On 8th September 2015, a seminar on "Hydroponics" by Karthik Mohansundaram, Agriculture Engineer at Emirates Hydroponics Farms, Abudhabi.

Career oriented certificate course sponsored by UGC – "Mushroom Cultivation"

Successfully two batches of students completed UGC sponsored course for which the certificates are issued by the University of Madras.

As a part of this scheme, the staff and students involved in this program conducted a training program on "Mushroom Cultivation" in rural areas which help them to develop entrepreneur skill among the unemployed house wives.

DBT sponsored Star College Scheme

Under this scheme, an interdisciplinary certificate course "Herbal Cosmetology" was started on this year. III year Physics and Chemistry students are the beneficiaries of this course.

DEPARTMENT OF COMPUTER SCIENCE E-INFORMATIC 2015 - 2016

The Department of Computer Science conducted the Intra Collegiate competitions on 6th, and 7th August 2015. The following events were conducted for the students in our college-AdZap, Connections, T-shirt painting, Treasure Hunt, Collage, Paper Presentation, e-Songs. There was an enthusiastic participation of many students from various departments.

Intra Collegiate competition under the banner e-INFORMATIK '15 were conducted by the Department of Computer Science on September 29th 2015. Students from around 25 colleges participated in various events like Puzzle, Match up, Code Champ, Brain War, Presentation, e-Songsheld by our department and won several prizes. The Overall Trophy was bagged by Vivekananda College. Mr.IndraKumar, Head, Regional HR cum Faculty from NTRUST Company was the chief guest for the event.

Workshop on "Web Design" for the B.Sc. and BCA students of Day and Evening College was conducted on 09/09/2015. The resource person was Mr.A. KasimBasith from Opportunity InfoTech.

Workshop on Big Data for the B.Sc. and BCA students of Day and Evening College was conducted on 18/09/2015. Mr.Saravananof ClaroSoft was the resource person for the workshop.

UGC sponsored seminar on SOFTWARE ENGINEERING was conducted on 22/02/2016 for the students of B.Sc. Comp. Sci., B.C.A and PG students of day and evening college. Mr.Yuvaraju.K.V from Prodigy Recruitment Consultants, Mr. KarthikeyanRanganathan, Mr. Balaganesh Ramamurthy and Mr. Ganesh Kumar Janakiraman of Cognizant Technology Solutions were the resource persons.

2. Add on Certificate Course

CLOUD COMPUTING for Computer Science.

DEPARTMENT OF VISUAL COMMUNICATION

MEDIJI FIESTA 2015-2016

We, the Department of Visual Communication, conducted Mediji Fiesta 2016 on 2nd February and Ciencia Visuelle-the bioscope on 3rd February. Our Principal **Dr.Tmt.V. Varalakshmi** lighted the lamp for the event. Our Evening College In-charge Dr.R. Malathi of statistics department and the **Hod of Physics Department, Dr. Lakshmi** also were among the guests.

Our principal honored the chief guest **Mr.Rizwan, the Deputy Director of Chennai, International Short Film Festival** with a handmade bouquet. The chief guest delivered a speech on **"Silver Jubilee to just a silver screen"** and gave suggestions to the students for surviving in media industry. He had a wonderful interaction with the students and he made the students to understand what media is all about. He clarified all the doubts regarding the script writing, how to approach media persons for getting internship and job.

Mr. Vishal and Mr. Pradeep, the photographers of **"DREAM WOODS"**, started the second session on the topic **"Beyond the camera"**. They taught the fundamental techniques and ideas in capturing the images using digital still camera. They performed a live demonstration on **"Jewellery Photography"**. Our students also learned the lighting techniques and camera settings. Our students were encouraged to take photos and their photos were reviewed as part of the demonstration.

At the end of the session, the speakers gave away the certificates to student volunteers for arranging the event effectively, designing tickets and invitations and making handmade bouquets.

On the second day, the department conducted **Ciencia Visuelle - The biosope** for our faculty members. Two movies, **GRAVITY** and **12 YEARS OF SLAVE**, were screened and all the department staff members enjoyed and made the event successful.

DEPARTMENT OF SOCIAL WORK

SPARK 2016 - REJUVANATION

SMRTI'15 - DREAMS

Smrti 2015 the annual cultural carnival of our college is an annual medley of the truly traditional arts and popular contemporary arts. The Festival is held in memory of the founder Chairman, Shri Nanalal Bhatt and his wife Smt. Devkunvar.

This year's two day carnival was inaugurated by T.M Krishna, Carnatic Music Vocallist on 3rd sep 2015. The special guests for this occasion were Chandran (Actor), Anjana, (TV Anchor). They inspired and entertained our students. The inaugural was a melodious treat to the audience who got immersed in the mellifluous voice of T.M Krishna. The theme chosen for this year's carnival is DREAMS, a very fitting tribute to the inspiring personality, Late A.P.J Kalam. The literary events focused more on the inspiring sayings of Kalam. Most of the events had Dreams as the theme. There was a very good response from various colleges all over the city. Around 40 college have responded their participation.

Strains of Carnatic music mingled with the latest film songs which inspired the participants to their popular tunes. Similarly, brain and memory testing quiz went side by side with the not-so-easy but fun-filled contests like Just-a-minute, Tamil oratory, Tamil Kavithai, English oratory and the very popular Dumb charads, Adzap and variety entertainment, not only tested the skills of the participants but also of the able judges. Tamil kavidhai too had a good response like the contest that focused on the artistic skills using flowers. Beautiful pookalam were done by the participants. New contests - Vase painting, Quill art, Tatoo designing had a very good response. Beautifully dressed girls marched on for the newly introduced competition Fashion show.

The college had a festive feel for two days with SUR, MASTI, ROCK, TALK, INNOVATION happening all around.

ALUMNAE MEET AND RETIRED STAFF RE-UNION 2015-2016

The Alumnae Trust was registered during June 2015 and was launched along with Union Inauguration by Justice. Pushpa Sathanarayana on 22th July 2015. The following members were elected as:

SDNBVC IN FLOOD RELIEF

The benevolence of our dynamic management has been proved yet again through their swift and judicious relief operations during the recent Chennai floods. The management came forward to help not only the student victims, but also to support flood-affected teaching & non-teaching workforce and to the devastated people of the locality. The gates of SDNB Vaishnav College were opened to the public, to provide shelter for the stranded victims in the neighbourhood.

A committee comprising of faculty members was formed to identify the student victims of the college and their gravity of suffering. The needs of the students were thoroughly studied and identified through a structured questionnaire in order to cater to their needs.

Relief materials and revival kits were distributed to about 1568 students who were severely affected in the floods. Many generous donors, supporters, alumnus, well-wishers and volunteers collaborated with the college in this significant cause by contributing through cash and kind. Further, the management also extended their support to the staff members (both teaching and non-teaching) who suffered material loss in the flood by providing financial aid and emotional support to overcome the distress.

The college organized Post-flood health Camp in association with Rotary Club of Madras South West and College NSS unit on 19th and 20th December 2015. A team of doctors were dynamically involved in screening and examining around 3000 college students. The camp was opened for the general public too. Medical consultations and medicines were given free of cost to prevent the epidemics of water-borne and air-borne illnesses.

About 1100 Books worth Rs. 3.5 lakhs were distributed to flood affected students under book bank scheme by the Management and Alumnae.

Our Visual Communication Students' made a short film on flood relief initiative by our College.

CONFERENCE, SEMINARS, WORKSHOPS AND EXHIBITIONS ORGANIZED

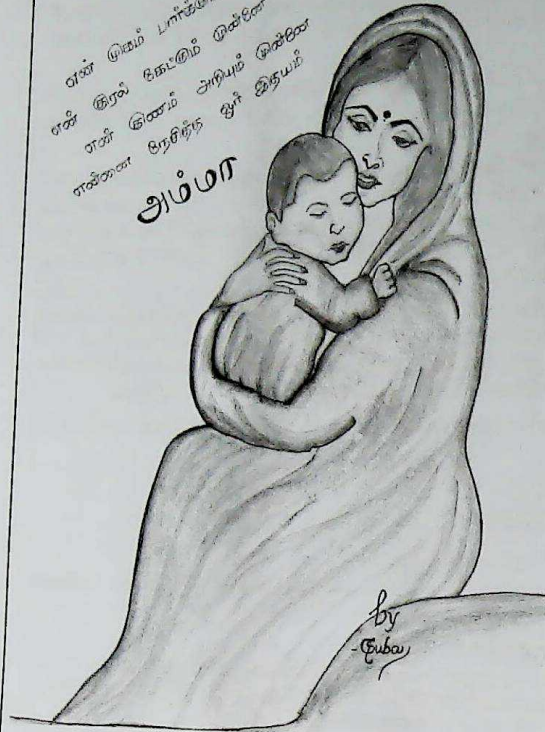

Various Departments organized Conferences, Seminars and Workshops:

- > Controller of Examinations organised one Day Workshop on "Examination Reforms – A Step Towards Excellence"
- > A workshop on "New Vistas in Library Process" was organised for the faculty.
- > Department of English organized a One day workshop under the banner of Chennai Literary Fest on "News Reading and Compering" by Prof. Abul Faiz, Founder and Director, AF School of News Reading and on "Copy Editing and Publishing" by Mrs. Nalini Olivannan, Director at Chennai Centre of Training and Development.
- > UGC sponsored Seminar on Human Rights was organized by the Department of History in connection with Human Rights Day
- > National Seminar on Logistics Management was organized by the Department of Commerce
- > Department of Plant Biology and Plant Biotechnology Organized a National Conference on "Algal Taxonomy and Application" conducted by Krishnamoorthy Institute of Algology on 27th and 28th of November 2015.
- > A Seminar on "Hydroponics" by Karthik Mohansundaram, Agriculture Engineer at Emirates Hydroponics Farms, Abudhabi.
- > UGC sponsored seminar on SOFTWARE ENGINEERING was conducted by the Department of Computer Science. Resource persons were from Cognizant Technology Solutions and Prodigy Recruitment Consultants.
- > DBT Sponsored workshops on "Video Recording", "Nanosynthesis" and "Recording and Interpretation of FTIR Spectra" was organised by Department of Physics.
- > Department of Statistics conducted a seminar on "Structural Equation Modelling using AMOS" for Staff and students of the Department of Statistics as well as Social Sciences.
- > An Exhibition on "Health in Sanskrit Literature" was organized by the Department of Sanskrit. The students presented their views on various topics like Dhanvantari, Susruta and his surgical instruments, Homam, Tridosas, Subashitani, Mantras, Mudhras, significance of cooking vessels in health and Tulasi plant.
- > Students of Department of Home Science – Clinical Nutrition & Dietetics conducted a Nutrition Education Program in SOS-village East Tambaram, Chennai. A Food festival under the theme "Street Foods" was organised to promote entrepreneur skills and culinary talents amongst students. A notable feature was preparation and sale of new recipes by the students.
- > National Conference on "Educate, Enable, Engage, Enrich and Empower Human Resources" was organized by Department of Human Resource Management.

ARTICLES IN ENGLISH

OPITIMISTIC SPHERE - HEADING

No condition is permanent in this world. Everything tends to change. Some in a day or two. Some will take a month or an year or even more than that. Some changes occur spontaneously (i.e.) within a minute or a second. Most of us in this world like to have the positive changes to happen even quicker. Some are greedy that they want them to happen spontaneously within a fraction of a second. That means most of us have very negligible amount of patience. It is for this reason, we fail to believe that good things will follow the evil in the near future.

We have to believe the fact that **every cloud has a silver lining**, which explains clearly that, every problem has a solution. For example, an egg will not be an egg forever. Definitely it hatches into a larva on one fine day. A bud will not be a bud always. It blossoms into a beautiful flower on one fine day giving a great feast to our eyes and to the insects. A crest of a wave always follows a trough. Likewise, all the problems which we come across in our life, one day ends with a proper solution. At that time, our sorrows will turn into happiness. So, everything tends to change. So, ups and downs alternatively follow in everyone's life during our free wheel and fate wheel stages.

This is a scientific world. So, our temperament should also be scientific. The time-taken in identifying the solution for a problem differs from people to people.

"If the problem (1) lies in identifying the solution, then the solution lies in identifying the problem (2)."

This is a non-contemporary statement which is applicable to anyone in all walks of life. In this statement, when we encounter the word 'problem-1' for the first time, it refers to the non-availability of a solution. For example, assume that you are driving a car to a place to attend an important meeting. The car got struck on the way. Now we encounter the first problem (1) - (i.e.) the non-availability of the solution. (i.e.) we could not reach the place on time. Now, where lies the solution? It lies in identifying the problem(2)- (i.e.) finding out the exact technological problem (the cause) due to which the solution of not reaching the place at the proper time (i.e.) - (the effect) is being faced. So, once you identify your exact technological problem, the solution will be met immediately.

So, to conclude, it is to be always remembered that, nothing is permanent. Changes are inevitable. Changes are to be accepted gracefully. One should take or face life in its own stride. Problems are only transient in one's life. The verdict is,

"A CHANGE CANNOT BE CHANGED!"

It is for everyone to analyze the problem properly and they can easily come out of the cloudy situations and can definitely see and enjoy the silver lining of success.

Hope this article will definitely fetch more of positive attitudes in the minds of the readers.

Students population is more
 They are the prospective core!
 Researchers ,medicos, law makers
 Orators, leaders , humble workers
 Who are the society builders.
 Social conscious build through activities;
 Numerous ways inculcated through activities;
 Pave way to learn to rationalize .
 They are the only way to be patronize
 To make our society 'A paradise'

- G.Sriranjini
 I B.Sc. (Physics)

You are the one,
 Without you I am undone
 You made my ordinary life; a fairy tale
 And made me realize
 Without you, my heart will fail
 Whats my existence without you,
 Just tell, me what did you do?
 As a star which lightens up the sky
 You lighten up my heart
 You are like the day ; I am like the night
 Lets unite like the evening
 Your sudden smiles surprise me,
 Makes me to feel free.
 You are my poem,
 I am your music.
 Im not saying you are my whole life,
 Im just saying you make my life whole.
 Not even the best of thieves,
 Could steal my love for you.
 You are the one I crave for
 You are my start and also my end
 I am your journey
 You are my destination .
 I have been caught in your love
 Now, I am you willing captive.

- G.Harinivasini
 I B.A. English

One is the music, the other fits the words,
 together they make an enchanting melody.
 One is the painting, the other adds hues
 together they make a master piece.
 A warm sunshine and a cool breeze,
 together they make a beautiful weather.
 A fire that makes a hearth,
 and a breeze that can turn up a storm,
 together they build and turn each other's existence.
 They are poles apart repelling each other
 but then; they repel to attract and attract to repel.
 Together they adorn each other's world.
 They fight to pacify and reconcile to erupt again
 but then; they have a wonderful story to tell.
 A flower that blooms and the nature that holds,
 Together they define beauty.
 A smile that lasts, and a reason that creates it,
 Together they put the celestials to shame.
 Life gives them path, they walk together.
 Agony pours in torrents, they drench together.
 Hurdles break the path, they fix it together.
 Love fills the air, they breathe together.
 They have flaws that make it more to love.
 One waits for destiny while the other writes it down.
 Together they carve it, and make a memory of its own.

- Mahalashmi
 I B.A. (English)

MR. STRANGER

I don't want a boon,
 To get a groom like moon
 I want a stranger who walks with me
 Talks and laughs with me
 Taste every joy and sweet sorrows
 Which life is bound to be
 I don't expect the whole sea of love
 But just give me a drop
 You illuminate my sky with rays of sun beam
 You rejuvenate my life more lively and youthful
 My heart has laid out a agape
 With carpet of clouds
 Decked with trays of stars
 I can feel smile blossoming from my heart
 With colours of your love
 I have forsaken the world for you
 Atlast I found my destiny.

- G.Harinivasini
 I B.A. English

I Stop thinking that you're perfect because you're not
 All the while you've been hurting her which you
 haven't caught
 You think that your words haven't slashed her heart
 But baby, you forgot that even actions play their part
 You let her know that you cried 'coz of her
 But she hid her agony which you made her incur
 You blamed her for all the pain
 She loved you, so let you stain
 She found the bad as a fond memory
 But you took it as a miserable history
 She will always be the one above you
 And you will always be the one screw,
 Bid adieu.

- Shazia Fathima
 I B.A. English

I FIND MYSELF...

In the new brand world
 I am searching the real me
 What if my comrades have abandoned me
 What if all my guides have walked away
 With plenty of sorrows and pain in the colour of grey
 What if the tides are to be treacherous
 I have changed into a blaze full of valourous
 Inside my heart and soul
 I will find my space , clam and whole
 I will steer my ferry
 Make sure my way the most merry
 And one or the other day
 Every stream turns into a sea.

- G.Harinivasini
 I B.A. English

Walking ahead hopeless
 With a mind full of distress
 Always wrestle with my thoughts
 For long, between right and wrong
 I like to fake like I'm strong
 And act like nothing is wrong.
 But being the epitome of weak
 Being tough is something hard to seek.

- Shazia Fathima
 I B.A. English

YOUTH

The time between adult and childhood
 When individual dependency is born
 The appearance of freshness, vigor and spirit
 Age of doing crazy things in out of control
 Which brings golden memories in life
 Invites our confidence which teach us about life
 The best opportunity to attend higher education
 The moment in life to vote, candidacy,
 Consent, Defense of infancy, Driving etc.
 We take a journey of crossing circumstances
 With tasting the sweetness of life
 A time to create memories to think of in olden days!

- S.L.Preethi
 I B.A. English

MY PRAYER

Soft, sublime the scent is yours
I guess I am blooming
Sour, sweet the words are yours
I guess I am chirping
You're an old longing
My lifetime belonging
I guess, I have turned poetic
And totally romantic
The moon tricks me and walks away
It appears to me on the day
It picks new dreams for me
It finds new ways for me
So make me believe...
Are you for real or not?
You are an old habit and a brand new trouble
Though you bring me happiness in double
I'm imprisoned in your cool intoxication
If not the sea of love
Give me but a drop
Slowly my desire for you
Is crossing its boundaries.
I guess, My heart is not satisfied
By a drop anymore
It wants your sea of love
My patience is impatient for you
Every bit of my heart beats in a rhythmic fashion
It prays to you
The truth is you are my prayer I ask from you
Because I believe you are my GOD....

- G.Harinivasini

TEACHERS

When the clouds of problems
Hovered around me,
You have been an umbrella
Of hope for me
You're like the sun for me,
Illuminating the dark of my like.
You have been a great inspirer,
Encouraging me to scale new heights.
At times you have been my councillor,
Silently listening to woes and advising me aptly.
I have been flying in my life sky,
You have been my wings all along taking me up high,
In the dark days, you have been my
Beacon sending brightness all along for my progress.
You are so many things rolled into one,
You're A True Treasure.

THE VOICE OF AN ORPHAN

'Mom' - What does that mean?
How were you? poor or Queen?
I don't know if I had one;
Then why have I left with none?
I heard, babies birth are a boon
Was I a curse and So left alone?
I was punished for no reason
yet I regret at all season!
I don't know if I can blame you...
What's wrong from your point of view?
Didn't you love to possess me?
Or you loved to let me free?
I get independence so early!
So I'm treated unique and 'more pirty'!
I'm deprived of the biggest gift -
Love, that has gone away so swift
During my birth, I've seen your face
I guess you would've given me a helpless gaze.
Thanks for saving two souls
And left me to play tough roles...

EXPECTATIONS OF CURRENT GENERATION IN THIS SOCIETY

The top rising one is the technology
people follows it, forgetting their psychology!
Cell phones are in badly needed
Care not how bad an injury gets bled!
No world I without electricity
It is consider the major scarcity
Education is the must in the current world
Which is more valuable than gold!
Our economy should be high
But money should never fly
People rush to buy lands
Facing bank, they raise their hands
Dresses can be worn as - per our passion
Torn here and there is the fashion!
Something which left us, is the culture
Which is hard to get back and nurture
Mother tongue will always exist
Unless we never stand to resist
People refer to various lifestyles
Leaving their mother country behind miles
People care for all their rights
To leads a life at some heights
Women are still to be brought out from home
To rise from the thick society as foam
Expectation need not to be left to roam
It can be gathered and expressed in poem.

THE DAYS ARE GONE

Gone are the days!
When we chattered with ravishing affinity.
Gone are the days!
When we were never petulant with the petty.
Gone are the days!
When we meandered with no accountability.
Gone are the days!
When we inordinately cared for our beauty.
Gone are the days!
When we winced with Life's propriety.
Gone are the days!
But let's wake up to reality
And accept life's fraility
And sail through it with spirits high and mighty.
Reliving the days gone so admirably!
That the "Days Gone" manifest into "Days To Be Born"!!!!

Mrs. Sankari (Eng. - Eve)

[PHYSICS + SANSKRIT]

Long before Newton and Kepler, our ancestors knew about the fundamentals of Physics.

Some of such the points are:

1. GRAVITY:

Source: Rig Veda 10.22.14

"This earth is devoid of hands and legs, yet it moves ahead. All the objects over the earth also move with it. It moves around the sun".

2. SPEED OF LIGHT:

Vedic scholar Sayana in 14th century A.D said: With deep respect, I bow to the sun, who travels 2,202 yojanas in half a nimesha

1 Yojana = 9 miles

1 Nimesha = 16/75 seconds

3. DISTANCE BETWEEN SUN AND EARTH:

Source: Hanuman Chalisa

Yug sahasra yojana par bhanu,
Leelyo taahi madhura phala janu.

The sun, situated thousands of yojanas away swallowed by Hanuman thinking to be fruit.

1 Yuga = 12,000 years.

1 Sahasra yuga = 12000000.

1 yojana = 8

Thus, 153600,000 kms.

Actual distance = 152,000,000 kms.

4. VALUE OF PI

Aryabhata discovered it in 499 CE to 3.1416.

But European scientist Lambert proved it in 1761.

5. Nikola Tesla studied the concept of Prana and Akasha to work on FORCE and MATTER. Thus, he explained the concept.

This article is to inculcate that our ancestors were far before than the Western. They even explained terms like thrust, momentum, thermodynamic etc.

- Sruthi Suresh, I Physics

NATURE'S DURABLE BEAUTY

The shadow of the dawn;

Make me sit in my lawn.

The hear of Brontide;

Make me feel fright.

Breeze of Petrichor;

Has many thing to cure.

Stars in every night;

Make me feel delight.

Ephemeral of nature;

Hides a bit pleasure.

- G.Sriranjani, I Physics

How can you 'Sm_Le'

without 'I'

How can you be 'F_ne'

without 'I'

How can you 'W_sh'

without 'I'

How can you be 'Fr_end'

without 'I'

'I' am very important!

But this 'I' can never

achieve 'S_CCESS'

without 'U'

- Dhivya

OUR FOUNDER

(Shrimathi Devkunvar & Nanalal Bhatt)

Single poem is insufficient here,

One needs an anthology to describe them.

Their foregoing thoughts with optimism,

Made us to forgo pessimism.

Pioneering vision on educating women,

Flourished with many prodigy fruitfully.

Being a Successor that day.

They became a Superhuman today.

Lets bow for their tireless efforts,

which made us to nestle on the bough.

- S.Aswini

I M.Sc., Biostatistics

FRIENDSHIP

Friendship has so many meanings. People have different ideas on it. This shows that friendship is so wonderful, it is indefinable. We don't have the choice of choosing our parents and relatives but we can choose our friends, probably the reason is "Friendship is so unique". Someone, who is always there to listen to your stupid things, are for you and support you even at times when we are in wrong situations or in some problems. That someone was so called as a "Friend". Sometimes it will be sweet, sometimes bitter, sometimes boring, sometimes enjoyable, but it is so beautiful to have a friends those were handle our own problems as their problems. Friendship is like a magic. We can't say who will be our friend and it happens as such and it is in our hand to choose a friend. A real friend should be with us in our happiness and in sorrow. By choosing a friend don't look for a quality of money, look, Appearance, but took for the good quality of heart. In our daily life we come across many people who become close to us over a period of time. But are they are real friends? No one can't sure about this.

Many people develop contacts with others to derive certain benefits from them. But it will leads to great mistakes if one consider that as a friendship. Now a days choosing a Good friend is becoming as a difficult task in life. But in my life, I had such a beautiful lovely friend. I come across such a wonderful relationship called "True friendship". The girl who made me to understand about a "true friendship". I can't forget that days & it was such a memorable days in my life. One should be very careful while selecting a friend. A true friend will always with a person and stick with her even she is in deep trouble. That true friend should not only expressing her happiness (or) sorrow to her friend. She should comfort when tears is seen in her friend's eyes. She would make you laugh when you are in sorrow. She should guide you in right path. A most important is, she should never give up on you.

So, A person without a friend is like a lonely bird. A true friend will love you as she loves herself. We must choose a friend who shall be the one to step in, when the whole would steps out against us. And for being a Good friend, one can't do big things for her can do small things in a Big way. Some will stay in heart forever and some stay in mind. In my life, most of that memories are first with my lovely Grandma and second is my lovable friend. So, friendship is something so valuable like our self-respect. We can't give up our self-respect, likewise we should not give up for our true & best friends, whatever it may be. The one person in the world to whom we can share our fears, disappointments, angry, joby, personal feelings, thoughts, happiness, and even our proud moments is a "Friend". I learn the true meaning for earing and affection from my parents, grandma. But, along with those caring, affection, I learn the meaning for true love, for a friend, supportive, and promises from my friend. Make friends and live life fullest.

Our happiness is also secret of success. Everybody needs their memories. We all have the time machines, some takes us back, they are called as memories. In my point of view, memories are not a past feelings, it is living thing which come forever in our life. Such moments in my life was happened with my thoughts about something among worries, uncomparable angry between friends, sweet sorries, figutings same thoughts about my school life which friends, teasing others and making fun of others. These are some sweet memories about my school life which can't forget that happened with my true friend.

True friend should be behind our victory and help us to achieve great things in life. Finally I want to say that, Friend is the only person who will make your life thrill and challenging when you in trouble or in happy. So, be a True friend for True person who makes your life so happy at any situations. In future we will look back on the days of our friendship, that times will be stupid, fool etc. But that's alright. It is the magic. It happens only in True friendship life. Be a True friend.

WOMAN - A TRANSFORMATION FROM TRADITION TO MODERN

Woman is said to be the bone of the bone and the flesh of the flesh of Man. She is also called his better half. In spite of such tributes she has undergone a severe trial to come up and get an equal status with man.

In ancient times the women in India were generally respected. But they were respected within limits. Their main business in life was to attend to the household chores and beget children. They should also serve their father-in-law and mother-in-law as well as their husbands and children. They were also expected to help their brother-in-law and sister-in-law. They were to sit with their husbands during the wedding ceremonies in their families.

Some of them occupied respectable positions in their households-royal as well as ordinary. They were consulted by their husbands on many occasions such as weddings, wars, appointment of servants, celebration of festivals, conducting ceremonies, observing certain rites and offering gifts.

Some women in ancient India were great scholars. Some other women were gifted poetesses like Avvaiyar. The women of ancient India were allowed to learn music, dance and other arts. The princess were taught fighting too. Most of them were chaste and set an example to girls. They were allowed to play indoor games like dice and throwing flower-balls in the courtyard. They listened to upanyasas, ithihasas and tales of heroism and inspired them to become heroes when they grew up. They inspired their daughters to be chaste and good.

Some wives burnt themselves to death on the funeral pyres of their dead husbands. In other words they practiced the system of 'sati'. In course of time many fresh widows were compelled to resort to the observance of 'sati'. In ancient times widows were not permitted to remarry. But in modern times widows were allowed to remarry and it was Raja Ram Mohan Roy who abolished the system during the British rule in India.

Nevertheless women came to be treated as slaves to men. They were respected as deteriorated. They were utensils. Their status deteriorated. They were enslaved to their household work and procreation. Some kings had several wives and ordinary men too had two to four wives. Polygamy was allowed only to men.

By degrees women lost their chances of getting education. Men felt that they need not get it.

The desire to uplift women gained ground in the minds of Indian social reformers and freedom fighters only in the 20th century. Women of the aristocratic families began to get the school and college education. Leaders like Mahatma Gandhi exhorted the men to give proper respect to women and to call them the weaker sex and also advised women not to develop any inferiority complex with men-folk. Another famous leader observed that educating a man would help only him whereas educating a woman would help an entire family.

By and by middle class women in India began to get education. Year after year the number of educated girls went on increasing. The position of women now is very good and satisfactory. Women get university education in all branches of knowledge- arts, humanities, sciences and technology. They take up vocational courses and shine much better than men. After their educational career they become teachers, professors, doctors, engineers, lawyers, officers, clerks, artists, typists, nurses, police officers and officials like Kiran Bedi, soldiers, pilots, postmen and professional players in sports like P.T.Usha, P.V.Sindhu, Sania Mirza etc...they occupy responsible positions in every field of life which occupied only by men for a long time Mrs. Indira Gandhi became the Prime-minister of India. There are several I.A.S. Women-officers like district collectors and a lady was the mayoress of the madras corporation. In the departments of computer science and in the various research fields women compete with men. Everywhere they prove themselves to be more efficient, more hardworking, more honest and more successful than men. In politics too there are admirable and talented women like our present chief minister Ms. J.Jayalalitha, and maharani's like Scindhia and Gayathri. Some women take to the orders.

In sports and games there are admirable women-players like Tmt.P.T.Usha, P.V.Sindhu who won several medals in the Olympic games where they represented India. Younger women are trying to emulate here. Some women get higher education as an accomplishment; some to earn and help their fathers or husbands; some to help their children. Thousands of mothers manufacture sons and daughters of name and fame, following in the foot-steps

of the great king of Maharashtra -Chatrapathi Sivaji's mother and Mahatma Gandhi's mother. Modern Indian women are trying to live upto the ideals described by the Tirukkural, the Rig Veda and the other holy text books of different religious creeds.

The 20th century has seen many changes in economic, scientific, social and many other fields across the globe. In India noteworthy strides in all spheres of life have been made. Among other things the lot of women has shown a marked improvement. They have been given equal opportunities to compete with man and between themselves. They have penetrated into almost all spheres of activity and figure prominently in all walks of life be it education, health, sports, politics, science, social work or law. Today's women are joint partners in the management of world affairs. Indian women have now joined the Police, Army, Navy and Air Force hitherto-unheard-of in Modern India.

The most striking scenario for such a struggle for their empowerment is the conflict caused by the rather difficult transition from tradition to modernity.

Women in the 21st century have expanded their roles and positions in society, especially those that were formerly dominated by men. These areas include careers, independence, decision-making, and military combat, to name just a few. Women are still trying to prove their equality to men, but have made major strides in the last 100 years.

Clearly, circumstances of the family life have changed in the 21st century. The modern era has taken the woman out of the home (from the kitchen) and into the workplace. Furthermore, larger families are no longer as economically practical or as socially desired. Today's family model has changed; the traditional family structure of woman as homemaker and husband as breadwinner makes up only 10 percent of today's families.

So education is necessary for women to meet the challenges of life bravely and eliminate the innate fear of their insecurity in the world. No one woman controls another woman indirectly. Education alone will root out the evils like dowry system and give women a free and easy living.

Today, women can take pride in what they have achieved. She is a home builder and an equal partner in all that the modern world aspiring to do.

பாரதி தமிழ்ப்பேரவையில் முதல் பரிசு பெற்ற கவிதை

சுவடுகள்

கடந்து வந்த பாதையைச் சுவடுகளாக்கி
நடந்து வந்த நாடோடிகள் நாமன்றோ.

வசதியின்றி மானமாய் வாழ்ந்தான்
அசதியின்றி சுகமாய் கழித்தான்
பிறர்க்கென வாழ்ந்த மனிதன் - இன்று
தனக்கென வாழ்ந்து மடிகிறான்.

காடு இருந்த சுவடுகளை மறைக்க - மாடுகள்
மேய்கின்ற புல்வெளியைக்கூட
குறைக்கத் திட்டம் தீட்டி கட்டிடம் கட்டுகிறான்.

புமியைத் தாய் என்று கூறியவன்
பூப் போல் வைத்துப் போற்றினான்
காலத்தின் சுவடுகளை மறந்ததனால்
ஆழத்தில் புமியைத் தகர்க்கிறான்,
அதன் விளைவுகளை அனுபவிக்கிறான்

வெட்டும்போது விளைவு அறியாமல்
பட்டும் புத்தி தெளியாமல்
இயற்கை தரும் கோரத் தீர்வை
இயற்கை என்றெண்ணி தட்டிக்கழிக்கிறான்
நம் முன்னோர்.

நதியின் தண்ணீர் குடித்து
வளர்ந்த சுவடுகளை மறந்து - இன்று
இரசாயனத் தண்ணீரைக்கூட
விலை கொடுத்து வாங்குகிறான்.

சுவடுகளை மறக்க நினைத்தாலும் - காலச்
சுவடுகளை மறக்க நினைத்தாலும்
அது நம்மை மறக்க விடுவதில்லை
சுனாமியில் இறந்தவர்களை வருடத்தில்
ஒரு நாளாவது நினைக்க மறந்திடுவோமா?

மக்களின் சுவடு இல்லாமல்
இயற்கைக்கு வாழ்வு உண்டு
இயற்கையின் சுவடின்றி மக்கள்
வாழ்வு நகருமா?
நம்பிகையோடு சுழலுமா யுமி?
யோசித்துப் பாருங்கள்.

ஆர்.சுசீலா
கணிதம், இரண்டாமாண்டு

பாரதி தமிழ்ப்பேரவையில் முதல் பரிசு பெற்ற சிறுகதை

காத்திருந்து காத்திருந்து

வை.பிரியாங்கா கணிதவியல் - மூன்றாமாண்டு

ஓர் அழகான மாலை நேரம், மீண்டும் மேகம் கறுத்துக் கொண்டுவந்தது. அங்கு அக்குளிர்ந்த தென்றலை அனுபவித்துக் கொண்டிருந்த நமது ஏழு வயது கௌரி, வாளை நோக்கியப்படியே அமர்ந்திருந்தாள்.

“கௌரி... உள்ள வாம்மா... மழைவரப் போகுது நனைஞ்சா டாக்டர்கிட்ட போக முடியாது” என்றான் 13 வயது அண்ணன் ராகவ். மெல்ல அந்த கருமேகங்கள் தனது மணித்துளிகளால் நகரத்திலிருந்து கட்டிடங்களையும் சாலை ஓரங்களையும் மட்டும் நனைக்காமல் அச்சிறுவர்களின் ஓட்டைக் குடிசையையும் நனைத்துக் கொண்டிருந்தது.

“ரொம்ப பசிக்குது அண்ணா... இன்னிக்கும் பன் தானா?” என்று மழலையாகக் கேட்டாள் கௌரி.

“ஆமாம்மா.. நாளைக்கு நீ கேட்ட தோசை வாங்கி தரேன்... என்ன செய்ய காலைலேர்ந்து மழை விட்டுவிட்டு பெய்யரதால் வேலை கெட்டிருச்சுல உனக்கு நான் அப்புறம் வாங்கித் தரேன்” என, தன் இயலாமையைக் கூறினான் ராகவ். மறுநாள் காலையில் மெல்ல சூரியன் உதித்தது.

“கௌரி... எந்திருமா... நேரமாச்சு” என்று தன் தங்கையைத் தூக்கக் கலக்கத்திலேயே எழுப்பினான். “அண்ணா எனக்கு தூக்கமா வருது உடம்பெல்லாம் வலிக்குது நா அப்புறமா எந்திருப்பேன்...”

பொம்மையும், புத்தகத்தையும் அடுக்க வேண்டிய இந்த பிஞ்சுக் கைகள் தினமும் காலையிருந்தே தன் அண்ணனுடன் தெரு தெருவாகச் சென்று கண்ணாடி, இரும்பு, பிளாஸ்டிக் என குப்பைப் பொருட்களைப் பிரித்து அடுக்குகின்றது ராகவ் எப்படியோ தன் தங்கையைக் கிளப்பி தன்னோடு கூட்டிச்சென்றான்.

அன்று மதியம் அவர்கள், பள்ளி வளாகத்திலிருந்து சிறிது தள்ளி இருந்த பெரிய குப்பைத் தொட்டியில் குப்பைப் பொருள்களைச் சேகரிக்கச் சென்றனர்.

நேரத்தில் ராகவ் “கௌரி...கௌரி...” என்று பதறினான் சிறிது தூரத்தில், “ஏய் என்ன பிடிக்கலாம்... என்ன பிடி...” “அவுட்டே ஹா ஹா ஹா” என்று பல குழந்தைகள் சிரித்து விளையாடும் சப்தம் கேட்டு, பள்ளிப் பக்கம் திரும்பினான். அங்கே அவன் தங்கை பள்ளி வாசலில் தப்பதைப் பார்த்து தன் தங்கையை அழைக்க அவனும் அங்கு சென்றான்.

“அண்ணா ஏன் இவங்க ஒரே மாதிரி சொக்காப் போட்டு (கோட்) எல்லாரும் உள்ள விளையாடுறாங்க” நாமும் போய் விளையாடலாமா? என்றான் கௌரி. தன்னை அறியாமல் மெய்மறந்து பார்த்துக் கொண்டிருந்த ராகவ், “இது பள்ளிக்கூடம், இங்கு பசங்க படிக்கவும் செய்வாங்க விளையாடவும் செய்வாங்க” என்றான் ஏக்கத்துடன்.

“நாமும் அங்கு போலாமா?” கௌரி “ம்ம்.. முடியாதுமா... அப்பா அம்மா” இருந்ததான் நாமும் அங்கு போய் சேரமுடியும்” “சரி போகலாம் வா கௌரி இங்க வீணாக நேரம் கழிக்கவேண்டாம், குப்பை வண்டி வந்திரப்போகுது” அன்று அவர்களுக்கு நிறைய பொருள் கிடைத்தது. அதனால் மகிழ்ச்சி அடைந்தனர்.

மாலையில் “அண்ணாச்சி என்ன சொல்லீங்க இந்த பொருள் எல்லாம் சேர்த்தால் இருநூறுருவா தேரும், வெறும் நூறு ரூவா வச்சி என்ன செய்யறது? ரொம்ப குறைவு அந்த நூறு ரூவா சாப்பாட்டுக்கே பத்தாது, போட துணி கூட உருப்படியா இல்ல ; கொஞ்சம் பாத்து சொல்லுங்க” “என்னடா வாய் நீளுது இது தரதே பெரிய விஷயம், கொடுக்கற மட்டும் வாங்கிட்டு போ” என கடைக்காரனும் ஏமாற்றினான்.

வாயில்லா பூச்சி, என்ன செய்வார்கள் பாவம் கிடைத்ததைப் பெற்றுக்கொண்டு செல்கின்றனர். மறுநாளும் அதே இடத்திற்குச் செல்கின்றனர். அங்கு மீண்டும் கௌரி பள்ளி வாசலில் நிற்கின்றாள்.

“அறம் செய்ய விரும்பு, ஆறுவது சினம்” என பிள்ளைகள் தங்கள் பாடத்தை உரக்க யடித்துக்கொண்டிருந்ததைக் கவனமாகக் கேட்டுக் கொண்டிருந்தாள் அதற்குள்.

“ஏய் ஏன் இங்கு நிக்கற போ போ” என பள்ளிக் காவலாளி துரத்தினான் ராகவ் தன் தங்கையைக் கூட்டிச் சென்று குப்பைப் பொருட்களைத் தேட ஆரம்பித்தான்.

அண்ணா... அண்ணா இங்க பாரு பொம்மா...” அழகா இருக்குல்ல ஒரு கையும், ஒரு காலும் மட்டும் இல்ல பரவால. குச்சி வச்சுக்கலாம் நாளைலேந்து இந்த பொம்மையோடு விளையாடுவேன் என கிழிஞ்சு சொக்கா தருவேன்...” என அடுக்கிக்கொண்டு செல்கிறான். உயிரற்ற ‘உடைந்த’ அந்த பொம்மையை ஏளனமாக பார்க்காமல் அதை வைத்து கொண்டாடுகின்றான்.

மீண்டும் அடுத்தநாள் வருகின்றனர் அன்று சனிக்கிழமை மதியமே பள்ளிகள் முடிந்துவிட்டன பிள்ளைகளை அழைக்க வந்திருந்தனர் பெற்றோர் அதில் ஒரு மழலை பிஞ்சு “அம்மா அம்மா எனக்கு ஜஸ்கீரம் வேணும் வாங்கித்தா...? என மிகவும் அடம்பிடிக்க அதை வாங்கி உட்படிவிடுகின்றாள் தாய். அதைப் பார்த்துக்கொண்டிருந்த கௌரி தாய் அன்பிற்கு

ஏங்குகின்றாள். ஜஸ்கீரீம் என்று கூட சொல்ல தெரியாமல் அவளும் “அண்ணா எனக்கு அந்த பண்டம் வேணும் இப்பவே வாங்கித்தா... வாங்கித்தா அண்ணா” “அதலாம் வாங்கித்தர முடியாது சும்மா ஏதாவது கேட்காத போ தள்ளு” என்றான் கோபத்துடன்.

பாவம் பிஞ்சு மனம் வெதும்பி கண்களில் கண்ணீர் பெருக்கெடுத்து “இரு இரு அம்மா வரட்டும் சொல்றேன்” என்றாள். அவன் நினைவுகள் பின்னோக்கி செல்கின்றன. நான்கு வருடம் முன் குடித்தே தந்தை இறந்தார் என்பதை அறியாமல் “அம்மா, அப்பா எங்கமா? ஏம்மா இன்னும் வரண” கேட்கின்றாள், கௌரி என்ன சொல்லி புரிய வைப்பது என அறியாமல் “அப்பா தூரம் போயிருக்கு. வர நேரமாகும், நாளாகும்” என்றாள் பாவம் விதி விளையாடி அம்மாவுமே நோய்வாய் பட்டு சிகிச்சை அளிக்க வசதியின்றி இரண்டு மாதம் முன்பு தான் இறந்தாள். “அண்ணா அம்மா எங்க? என்கிட்ட சொல்லாம எங்க போச்சு? எனக்கு பசிக்குது அம்மா, எங்கண்ணா சொல்லு” எனக் கேட்கிறாள், அவளும் “அம்மா... அம்மா.. தூர போயிருக்கு வர... வர பல நாளாகும்” என்கிறான் அழுதுக் கொண்டே அதை இன்றும் மறக்காமல் நம்பிக்கொண்டு அழும் தன் தங்கையைப் பாசத்தோடு அணைக்கின்றான்.

“அழாதம்மா அண்ணா! உன்ன இனிமே திட்டமாட்டேன் சரியா! அழாதம்மா” சிறிது நேரத்தில் “அண்ணா இங்க பாரு.. இங்க பாரு..” “இதே போல் அந்த பிள்ளைகளும் வச்சிருந்தாங்க அண்ணா” என்றாள் குதித்துக் கொண்டே. “இது தான் புத்தகம் இது தான் பள்ளியிலே சொல்லித்தருவாங்க...” என்றான் ராகவ். பள்ளிகூடத்தையும் பெற்றோருடன் பிள்ளைகள் செல்வதையும் கண் கொட்டாமல் பார்க்கின்றாள்.

அன்று மாலை வீடு செல்லும் போது அந்தப் புத்தகத்தை இறுக்க அணைத்துக் கொண்டு “எனக்கும் என் அம்மா வருவாங்க. நானும் பள்ளிக்குப் போவேன் எனக்கும் என் அம்மா வருவாங்க... அம்மா வருவாங்க...” என சொல்லிக்கொண்டே இருந்தாள். ராகவின் கண்கள் கலங்கின. உண்மை தெரிந்த அவன் தன் தங்கையைத் தூக்கி கொண்டு சென்றான். தூங்கும் போதும் அவள் புத்தகத்தையும் பொம்மையையும் அருகிலே வைத்து தூங்குகிறாள். இவ்வாறே பல தினங்கள் செல்கின்றன. அப்புத்தகத்தைப் பார்க்கும் போதெல்லாம், “எனக்கும் அம்மா வருவாங்க நானும் பள்ளிக்குப்போவேன்; படிப்பேன்; விளையாடு வேன் எனக்கும் அம்மா வருவாங்க, அம்மா வருவாங்க...” என்று சொல்லிக் கொள்வாள்.

இவ்வாறு தாயின் அரவணைப்பிற்காகவும், கல்விக்காகவும் கௌரி காத்திருக்கின்றாள்... காத்திருப்பாள்...

இவள் போல பல குழந்தைகள் குடும்ப வறுமையையால், பெற்றோர் இல்லாமலும் அன்பிற்கும் கல்விக்கும் ஏங்குகின்றனர் அவர்களைக் கண்டெடுத்து அரசு தனது உதவி கரங்களால் நீட்டவேண்டும் நாரும் அத்தகையோர்க்கு நம்மால் ஆன உதவிகளைச் செய்வோம்.

பாரதி தமிழ்ப்பேரவையில் முதல் பரிசு பெற்ற கட்டுரை இலக்கிய வளர்ச்சியில் பாவேந்தர் பாரதிதாசன் ரா. மைதிலி கணிதவியல் - மூன்றாமாண்டு

குறிப்புச் சட்டகம்

- ◇ முன்னுரை
- ◇ இளமைப்பருவம்
- ◇ இலக்கியப் படைப்புகள்
- ◇ தமிழே உயிர்
- ◇ எளிய நடையில் எழுதுதல்
- ◇ பிறமொழி கலவாமை
- ◇ முடிவுரை

முன்னுரை :

“புதுமையிலே பிறந்து
புரட்சிக்கவி தந்து
பாரதியின் பெயரையும் சேர்த்து
தமிழிலக்கியத்திற்கு
ஒரு ரத்தினக் கல்லாக

விளங்கியவர் - பாரதிதாசன்
இவர் தமிழினக் காவலர் தமிழ்ப் புரட்சி ஆர்வலர். தமிழ் இலக்கிய வளர்ச்சியில் பாவேந்தர் பாரதிதாசனின் பங்கு என்ன என்பதைப் பற்றி இக்கட்டுரையில் காண்போம்.

“தமிழுக்கு என்றும் இணையில்லை - அதைப் பாட
பாரதிதாசனுக்கு எவரும் நிகரில்லை.”

இளமைப் பருவம் :

உலகில் தோன்றிய முதல் மனிதன் தமிழன்
அவனின் முதல் மொழி தமிழ்மொழி
“தமிழ் மொழியைத் தாய் மொழியாகவும், தமிழ்நாட்டைத் தாய்நாடாகவும்
தமிழர் ஒழுக்கம் தனதொழுக்கம் என எண்ணி
வாழ்பவனே தமிழன் ; மற்றவன் பிறனே”

அவ்வாறு 1891-ம் ஆண்டு ஏப்ரல் மாதம் 29-ம் நாள் தமிழ்நாட்டிலுள்ள புதுவையில் தமிழைத் தாய் மொழியாகக் கொண்டு பிறந்தவர் பாரதிதாசன். என்னையின்ற தந்தைக்கும் தாய்க்கும் தாய்மொழியாகவும் தீருநாளாகும்” என்று தீர்மானம் நலமேனும் கிடைக்குமாயின் செத்தொழியும் நாள் எனக்குத் தீருநாளாகும்” என்று பாடிய இவரின் பெற்றோர் கண்கசைபை - இலக்குமி அம்மாள். மேலும் இப்பாடல் மூலம் பாரதிதாசன் எண்ணம், செயல், பேச்சு இவை அனைத்தும் தமிழ்மொழி, தமிழ் நாடு, தமிழினின் மேன்மையை நோக்கியே இருந்தது என்பது தெளிவு.

“நல்லதொரு குடும்பம் பல்கலைக்கழகம்” என்று கூறிய இவர் 1920-ம் ஆண்டு பழனி என்பவரை மணம் செய்து கொண்டார்.

இலக்கியப் படைப்புகள் :

எழுபத்து மூன்று ஆண்டுகள் நம்மிடையே வாழ்ந்த பாவேந்தர் பாரதிதாசன் அவர்கள் அறுபதுக்கும் மேற்பட்ட படைப்புகளைப் படைத்துள்ளார்.

குடும்ப விளக்கு, பாண்டியன் பரிசு, தமிழியக்கம், கண்ணகி, புரட்சிக் காப்பியம், குறிஞ்சித் திட்டு முதலிய பல இலக்கியங்களைப் படைத்துள்ளார். பாவேந்தர் இலக்கியச் சுவையுடையவர் தமிழுக்காக அரும்பாடு பட்டவர். இவரின் கவிதைத் தொகுப்புகள் ஏராளம், காவியம், பெண்ணுலகு, புதிய உலகம், காதல், பன்மணித்திரள் முதலிய பல படைப்புகளைப் படைத்துள்ளார்.

“பாரதி சுதந்திரத்திற்காகப் பாடினார்.
பாரதிதாசனோ தமிழ் இலக்கிய வளர்ச்சிக்காகப் பாடினார்.
பாரதி காலம் தந்த கவிஞர்
பாரதிதாசன் காலத்தை வென்ற கவிஞர்”

தமிழானது தமிழனின் ஊனில், உயிரில் இரண்டறக் கலக்க பாரதிதாசனின் இதழ்கள் பெரிதும் துணைப் புரிந்தன.

“தான் படித்த 100 செய்திகளை
மக்களுக்கு 1000 செய்திகளாகக் கொடுத்தவன்
- பாவேந்தர் பாரதிதாசன்”

தமிழே உயிர்!
தன் இனத்தையும் மொழியையும் பாடாத கவிதை
வேரில்லாத மரம்! கூடல்லாத புறவை!”
- ரசூல் கம்சதோவ்

அதற்கேற்ப பாரதிதாசனும் தன் இனத்தையும் மொழியையும் பாட மறந்ததில்லை தமிழை தன் உயிராக, கருதினார்

“நனிபசு பொழியும் பாலும் தென்னை
நல்கிய குளிரின நீரும் இனியன
என்பேன் எனினும் தமிழை
என்னுயிர் என்பேன் கண்டீர்!”

கனியின் சுவையும், பசுவின் பாலும், தென்னையின் இளநீரும் இனியன எனினும் தமிழை தன்னுயிராகக் கொண்டவர் பாரதிதாசன் “செந்தமிழே! உயிரே! நறுந்தேனே! செயலினை மூச்சினை உனக்களித்தேனே!”

பல அடியார்கள் தமிழைப் போற்றியுள்ளனர் அவர்கள் இறைவனை கண், தேன், பால் என போற்றியுள்ளனர். ஆனால் தமிழை கண், தேன், பால் என வருணித்துப் பாவேந்தர் மூன்றோடியாகத் திகழ்ந்தவர் பாவேந்தர்.

“தமிழுக்கு அமுதென்றுப் பேர்-அந்தத் தமிழ்
இன்ப தமிழ் எங்கள் உயிருக்கு நேர்
என்று பாடியவர் புரட்சிக்கவி

அமிழ்தம் என்பது ஒருவகை உணவு. இதனை உண்ணும் தேவர்கள் சாகா வரம் பெறுவர் என்பது நம்பிக்கை. புரட்சிக் கவி தமிழை அமிழ்தமாக உண்டதால் தான் இன்னும் நம்மிடையே உயிர்ப்புடன் இருக்கிறார் என்பது புலனாகிறது.

எளிய நடையில் எழுதுதல் :

“எளிய நடையில் தமிழ்நூல்கள் இயற்றிடவும் வேண்டும், புதிதாக இலக்கணநூல் எழுதிடவும் வேண்டும். எளியநடையில் இலக்கியங்கள் படைத்தால் தான் தமிழ் மேன்மையடையும் என்பதை நம் பாடல்களின் மூலம் விளக்கினார்.

“பழையன கழிதலும் புதியன புகுதலும், வழுவல கால வகையினானே” - நன்னூல் என்னும் நூற்பாவிற்கேற்ப பழைய மரபு கவிதைகள் சென்று புதிதாக எளிய நடையில் கவிதைகள் எழுத வேண்டும் என்ற மரபைப் புகுத்தினார் உதாரணமாக,

“தேனொக்கும் தமிழே! நீ கனி
நான் கிளி
வேறென்ன வேண்டும் இனி”

இவ்வாறு எளிய நடையில் அமைந்தது இவரது கவிதைகள்.

இந்தி எதிர்ப்பு :

“நற்றமிழ்த் தாய்க் கெதீர் இந்திக்கும் ஆட்சியா, நாம் தமிழர் நாம் தமிழர் என்று முரசறைவாய்.” என்று தூங்கிக் கிடந்த தமிழ் மக்களிடையே தமிழுணர்வை தட்டித் எழுப்பியவர் பாவேந்தர் பாரதிதாசன். “தத்துவம் தவளைக் கிடமா முல்லைக்காடு. நம் தமிழகத்தில் கால் பதிப்பதா இந்தியின் பேடு” என்று இந்தியைக் கடுமையாக எதிர்த்தார் பாவேந்தர்.

பிறமொழிக் கலவாமை :

நம் தமிழ் மொழி செம்மையான மொழி. தொன்மையானது உயர்தனிச் செம்மொழி என்று வாயளவில் சொல்லிக் கொண்டு இருந்தால் மட்டும் தமிழ் வளர்ந்து விடாது. அதற்கு பல தொண்டுகள் செய்ய வேண்டும். தூய தமிழில் எழுதுவதே சிறப்பு என்றும், அதை எவ்வாறு பின்பற்ற வேண்டும் என்பதையும் சுட்டிக் காட்டுகிறார் புரட்சி கவி.

உதாரணமாக,

“காட்சி என்ற சொல்லை தம்பி சிலர்
காஷி என்று உரைப்பார் அதுதப்பாம்

காட்சி என்பது தம்பி காண்

கேள் என்பதன் விளைவாம்”

என்று பிறமொழிக் கலத்தலைப் பற்றி எழுதியுள்ளார்.

மேலும்

“ஆங்கிலச் சொல் இந்தி மொழி

வடச்சொல் யாவும்

இவண் தமிழில் கலக்கலாமோ?”

என்றும் எழுதி பிறமொழி கலத்தலைத் தீவிரமாக எதிர்க்கிறார்.

மறைவு :

1964-ம் ஆண்டு ஏப்ரல் மாதம் மறைந்தார். அவர் மறைந்தாலும் அவரின் எழுத்து, சொல், சிந்தனை என்றும் நம்மை விட்டு மறையாது.

முடிவுரை :

தமிழ் இலக்கிய வளர்ச்சிக்கு பெரும்பங்கு வகித்தவர் பாவேந்தர் பாரதிதாசன் என்று சொன்னால் அது மிகையாகாது. தமிழ் மொழிக்கு தன் படைப்புகளால் பல அணிகலன்களைச் சூட்டியவர் புரட்சிக்கவி. பைந்தமிழ் பாரினில் நிலைத்திடச் செய்த பாரதியின் தாசனைப் போற்றிடுவோம்!

அவன் வழி நடப்போம்!

நிச்சயம் தமிழ்மொழி வளரும்!

வளர்தமிழ் இலக்கிய மன்றத்தில் முதல் பரிசு பெற்ற சிறுகதை
பா. கீர்த்தனா (II M.Sc. Comp. Sci.)

சிகரத்தை நோக்கி

நடைப்பயிற்சி முடித்து அருண் வீட்டை வந்தடைந்தான். முக மலர்ச்சியுடன் அவனுடைய பறநேரர் அவனை வரவேற்றனர். என்னப்பா ஏன் வாசலிலேயே நிக்கிறீங்க. அருண் உனக்கு வேலை கிடைச்சிருக்குப்பா என்றாள் அம்மா. ஊ.ஊ.டி இல் படிச்ச உனக்கு வெளிநாட்டு வேலை கிடைச்சிருக்கு சந்தோசமா? என்றார் அப்பா. ரொம்பவே சந்தோஷமப்பா எனக்கு என்ற அருணிடம் சொல்ல மறந்துவிட்டேன்.

உன் நண்பர்கள் எல்லாரும் சேர்ந்து உங்களுக்குப் பாடம் எடுத்த 8 ஆசிரியர்களுக்குப் பாராட்டு விழா நடத்தலாம் அப்பிடின்னு முடிவு பண்ணியிருக்காங்க என்றார் அப்பா. 'அதுக்கு என்னப்பா கட்டாயம் அவர்களுக்கு மரியாதை செய்து கௌரவப்படுத்தணும்' இதைச் சொல்லிக் கொண்டே வீட்டிற்குள் சென்றான் அருண்.

அவனை, பார்த்துக் கொண்டு இருந்த கமலத்திற்குக் கண்ணில் நீர் அரும்பியது. ஏன் கமலம் ஏன்? இப்ப அழுகிற என்று விசாரித்தார் அருணின் தந்தை. ராஜா இல்லைங்க, இவன் இந்த அளவிற்கு வாழ்க்கையில் நல்ல நிலைக்கு வருவான் என்று நான் எதிர்பார்க்கவில்லை என்றான் கமலம்.

எப்ப பார்த்தாலும் படிக்காம இருந்த பையன் கிரிக்கெட், கபடினு விளையாட்டுத் தனமாவே இருந்தான். படின்னு சொன்னாவே எளிஞ்சு விழுவான், போன வருடம் கூட பரிட்சைக்குப் படிக்காம விளையாடிட்டுத் தான் வந்தான் என்று கமலம் சொல்லிக் கொண்டே போனான்.

அப்பா ராஜாவோ, 'எல்லாம் கடவுள் இருக்கிறார் அவர் பார்த்துக் கொள்வார்' என்று கமலத்தை மாதானம் செய்தார். சிரித்துக் கொண்டே, நான் கூட ஒரு தடவை அவனை ஓட்டைக்குச்சியால் அடி விளாசினப்ப கூட அவன் கேட்டதை தாண்டி விளையாடுறதுக்கு ஓடிட்டான் என்று தன் பழைய ஞாபகங்களில் மூழ்கினார்.

பாராட்டு விழா ஏற்பாடுகள் பலமாகவும், மும்முரமாகவும் நடைபெற்றுக் கொண்டு இருந்தது. வரும் ஆசான்களுக்குக் குளிப்பானம், இருக்கைகள் அவர்களுக்குத் தேவையான வசதிகளை அருணின் நண்பர்கள் செய்து கொண்டு இருக்க அருண், பலத்த சிந்தனையுடன் கமலத்தைக் கட்டிச் சென்றான். கமலம் ராஜாவிடம் சென்று, 'அவன் மன சோர்வோடு இருக்கிற மாதிரி தெரியுங்க நீங்க போய் என்னன்னு கேளுங்க' என்றான்.

ராஜாவோ, 'அவன் என்னிக்கு நம்மகிட்ட அவனுடைய சங்கடங்களைப் பகிர்ந்து இருக்கான் இப்ப சொல்லறதுக்கு' என்றார்.

அருணும் அவன் நண்பர்கள் 12 பேர் மட்டும்தான் இந்தியாவில் இருந்து அமெரிக்கா நிறுவனத்திற்கு வேலைக்குச் செல்ல உள்ளனர். அதில், இவன் முதல் இடத்தைப் பிடித்தான்.

விழா ஆரம்பமானது. மெக்கானிக்கல் புரொபசர் ராமன், 'விழா ஆரம்பிக்கலாமா சுந்தர்' என்று கேட்டார். உடனே சுந்தர் மேடை ஏறி, அழைப்பை ஏற்று இங்கு வந்த ஆசிரியர் பெருமக்களுக்கு என் மனமார்ந்த நன்றியையும் எங்கள் வாழ்க்கையின் சிகரத்தை நோக்கி பயணம் செய்ய வழிவகுத்த முதல்வருக்கும் என் மனமார்ந்த நன்றிகள்' என்று கூறி முதல் இடத்தைப் பிடித்த அருணைப் பேசுவருமாறு அழைத்தார். அருண் மேடை ஏறியவுடன் பலத்த கரகோஷமும் ஆரவாரமும் எழுந்தன.

அருண் பேச ஆரம்பித்தான். எங்கள் அழைப்பை ஏற்று வந்திருந்த அனைவருக்கும் எம் நன்றிகள். கல்வியின் மகத்துவத்தை இப்போது உணர்கிறேன். வாழ்வில் ஒருவன் இலக்கை அடைவதற்கு கல்வி எத்தகைய பங்கு வகிக்கிறது என்பதை என் மனம் இப்போது உணர்கிறது.

சிறு வயதில் எனக்கு கணிதப் பாடம் எடுத்த ஆசிரியர் திரு.பழனி ஐயா, ஒருமுறைக்கு நான்கு முறை சொல்லி கொடுத்து என்னை ஊக்கப்படுத்தி 100 மதிப்பெண் பெற வைத்தார். மேலும் 'ஆயிரம் பேரைக் கொன்றவன் அரை வைத்தியன் அல்ல' என்ற கருத்தை 'ஆயிரம் வேரைக் கொன்றவன் அரை வைத்தியன்' என்று தன் கருத்தை பழமொழியின் வாயிலாக மாற்றி புரிய வைத்தவர். ராமு ஐயா அவர்கள், நல்ல மாட்டுக்கு ஒரு சூடு என்பதை, நல்ல மாட்டுக்கு ஒரு சுவடு என்று கூறி அதன் பொருளை எங்களுக்குப் புரியவைத்த அறிவியல் ஆசிரியர் திரு.ராமலிங்கம் ஐயா, அதன் அறிவியல் பொருளை விளக்கினார். மாட்டின் சுவட்டினை வைத்து அதன் காஷ்ட தடங்களையும், நோயையும் அறிய முடியும் என்று விளக்கிய ஆசிரியர்.

கல்லூரியில் அடியெடுத்து வைத்த எங்களின் தனித் திறமைகளை வெளிப்படுத்த வைத்த ஆசிரியர்களுக்கு என் நன்றிகள். உங்களிடம் வேண்டுகோள் விடுத்து எம் மேல் நிலைப்பள்ளி, உயர்நிலைப்பள்ளி ஆசிரியர்களை மேடைக்கு வருமாறு கேட்டுக்கொள்கிறேன். கல்லூரி முதல்வரும், எங்கள் ஆசான்களும் எந்த ஒரு எதிர்பார்ப்பும் இல்லாமல் எங்களை சிகரத்தை நோக்கி செல்ல வழி வகுத்துள்ளனர்.

இதனைக் கேட்டு கமலம் தன் மகனை அணைத்துக் கொண்டு பாராட்டினார். அருண் வாழ்க்கையில் எந்த நிலைக்குச் சென்றாலும் உன்னிடம் தன்னடக்கம் வேண்டும் என்று சொல்ல சொல்ல அருண் கேட்டுக்கொண்டான்.

ராஜா, தன் மகன் வாழ்க்கையில் ஒரு இலக்கை அடைய முயற்சி செய்து அதில் வெற்றியும் பெற்று, மேலும் மேலும் சிகரத்தை அடையவேண்டும் என்று மனமாற வேண்டிக்கொண்டார்.

அம்மா

மறுமுறை உந்தன்
கருவறை வேண்டும்
முழுவதும் துறந்து
முழுமையாக உன்னில்
சங்கமம் ஆக
மறுபடி என்னை
மடியினில் சுமப்பாயா?
அம்மா!

S.கீர்த்தனா

பொருளாதாரம் - முதலாமாண்டு

சிந்தனைத் துளிகள்

தோல்வி என்பது நீ கீழே விழும்போது இல்லை
நீ மீண்டும் எழுவதற்கு மறுக்கும் போதுதான்!

வெற்றி பெற்றவன் சாதனை படைப்பான்
தோல்வி அடைந்தவன் சரித்திரம் படைப்பான்!

உளிதாங்கா எக்கல்லும் சிலையாக முடியாது
வலிதாங்கா எம்மனமும் முன்னேற முடியாது!

ஒரு மரத்தில் உள்ள பழங்களை எண்ணி விடலாம்
மரத்தால் உருவாகப்போகும் பழங்களை எண்ண முடியாது

சாதிக்கும் எண்ணம் இருந்தால் சிந்தி
சிந்தனை கூட சரித்திரமாகும்

தோல்வி மட்டும்தான் சிறையடைந்த ஒரு
மனிதனைச் சிற்பமாக மாற்றும்

உனக்காகப் பிறர் கண்ணில் இருந்து வரும்
கண்ணீர் உப்பாக இருந்தாலும் உண்மையாக இருக்கும்!

எவரும் பிறக்கும்போதே சாதிப்பதில்லை
அவர்கள் சாதிக்கும்போது தான் பிறக்கிறார்கள்!

த.லக்ஷ்மி
ஆங்கில இலக்கியம் - முதலாமாண்டு

என் இனியவனே!

என் இனியவனே!
சற்றே நில்...
மாணவ கண்மணியே
பொன்னிலும் உயர்ந்தது
உன் உயிர்....

மூன்று மணி நேர தேர்வுகளா
உன்னைப் புடம் போடும்?
தேர்வுகளே சாபங்களானால்
வரங்கள் வருமா?
பரிட்சைகளே வெளிச்சமானால்
தீபங்கள் அணையுமா?

இனியவனே!
சுறுசுறுப்பு என்ற நெருப்பில்
சோம்பலை சாம்பலாக்கு
படுத்து கிடக்காதே பகல் கூட
இரவாகும்..

தன்னம்பிக்கையோடு எழுந்து நட
திரும்பிய திசையெங்கும் வெற்றி
வந்து சேரும்
வாழ்க்கையின் சாட்சியாய்!

உன் பிறப்பு தரித்திரமானாலும்
நிச்சயமாக, நிச்சயமாக
உன் இறப்பு சரித்திரமாக
தன்னம்பிக்கை கொள்!
தேர்வு என்பது உன்னை
புடம் போடுவது அல்ல...
நீ கற்றவற்றை
எடைப்போடுவது!
எனவே
தேர்வைக் கண்டு
பயப்படாதே!
எதையும் கண்டு
அஞ்சாதே!
திடங்கொள்!
வெற்றிக் கொள்வாய்...!

புதிய உடை

மேகங்களின் மழை துளி
வெள்ளமாமும்!
அம்மாவின் கண்ணீர் துளி
மனிதனாக்கும்!
ஆசிரியரின் முயற்சி
சரித்திரமாக்கும்!
மாணவிகளின் முயற்சி
புதிய உடைகை உருவாக்கும்!

- தாஹிர பேகம்
வணிகவியல் - முதலாமாண்டு

ஆருயிர் தந்தைக்கு

உயிர் கொடுத்தவன் நீ!
ஞானம் கொடுத்தவன் நீ!
முதல் ஆசான் நீ!
சிறுவயதில் சிறந்த நடிகன் நீ!
வளரும் வயதில் சிறந்த வழிகாட்டி நீ!

- ர.இராஜேஸ்வரி
கணினி அறிவியல் - முதலாமாண்டு

சிறுதுளிகள்

சிறு சிறு முயற்சிகள் செய்
சோர்வடையாதே...
முயற்சிகள் சிறு துளிகள் போல,
இணைந்து ஓடையாய்,
நதியாய் ஒருநாள் கடலை சேரும்
வெற்றி என்ற ஆழ்கடலை!

வாழ்க்கை

வாழ்க்கை... கடலில் பயணம் செய்வது போல
இடையில் துன்பங்கள் பல வரலாம்
வெற்றிகரையை ஒருநாள் நிச்சயம் அடைவாய்

வெற்றியின் உச்சி
சிறு முயற்சி வெற்றி எனில் - போதும்
என்று நின்று விடாதே
செல்... மிக உயரத்திற்குச் செல்
யாரும் செல்லாத வெற்றி உச்சத்திற்கு!

வெளிச்சம்

இன்னல்கள் பல வரலாம், இருட்டைப்போல
ஆனால், விடியலெனும் வெளிச்சம் நிச்சயம் வரும்

வானம்

சோம்பேறியாய் இருந்தால்
சிறு சிலந்திகூட சிறைப்பிடிக்கும்
எழுந்து நீல்...
வானம் கூட வசப்படும்
நேற்று என்பது தேய்பிறை
நாளை என்பது மறையும் நட்சத்திரம்
இன்று என்பது நிலையான சூரியன்

கடற்கரை கால்தடங்கள் அல்ல கனவுகள்
கனவுகளைக் கல்வெட்டைப் போல் அமை
இமயத்தைக்கூட எட்டுவாய்...

தோல்விகளைத் தோணி ஆக்கு!
நம்பிக்கையை ஓடமாக்கு!
பயணம் செய்! வாழ்க்கைக் கடலில்
வெற்றி நிச்சயம்

சிறு விதையே முயன்று மரமாகின்றது
சிறு விதையால் முடியும் எனில் ஏன்?
உன்னால் முடியாது...
முயற்சி செய் முடியும் வரை அல்ல
வெற்றியை அடையும் வரை!

- ரா. பத்மினி
இயற்பியல் - முதலாமாண்டு

அன்பு

அன்பு என்பது ஒரு பண்பு
அன்பு இருப்பவரிடம் இன்பம்
அன்பு இல்லாதவரிடம் பல துன்பம்
அன்பைப் பெற முதலில் - நீ
உன் இதயத்தை நேசி பிறகு
உன் இதயத்தைப் பலர் நேசிப்பார்!

- ஆர். பிரியங்கா
இயற்பியல் - முதலாமாண்டு

சுவடுகள்

கடவுள் தந்த முதல் பிறப்பு
தாய் தந்த முதல் முத்தம்
தந்தை அணைத்த முதல் அணைப்பு
சகோதரன் அழைத்த முதல் அழைப்பு
அம்மா ஊட்டிய முதல் உணவு
அப்பா கொடுத்த முதல் அறிவுரை
அண்ணனுடன் போட்ட முதல் சண்டை
அப்பாவின் கைக்கோர்த்து சென்ற முதல் கடை வீதி
பொம்மைக்காக அழுத முதல் அழுகை
பள்ளியில் சேர்ந்த முதல் நாள்
ஆசிரியையிடம் வாங்கிய முதல் அடி
தேர்வில் வாங்கிய முதல் மதிப்பெண்
திரையரங்கில் பார்த்த முதல் திரைப்படம்
மேடையில் பேசிய முதல் பேச்சு
போட்டியில் வாங்கிய முதல் பரிசு
பருவம் அடைந்த அந்த முதல் நாள்
மனதில் பூ மலர்ந்த முதல் அரும்பு
குழந்தையின் அந்த மழலைச் சொல்
கல்லூரியின் முதல் சுவாசம்
தோழர்களிடம் போட்ட முதல் சண்டை
கண்ணீருடன் நட்பு தந்த பிரிவு
ஆசிரியரின் அனுபவம் சொன்ன பாடம்
கண்ணீருடன் சேர்ந்து வரும் சிரிப்பு
இவை யாவும் என் வாழ்வின்

புகம்பத்தின் சுவடுகள்

பூமித்தாயின் கோரப் பசியால்
புள்ளியானது பூஜ் நகரமே!
விம்மி அழுது உள்ளம் நொந்தேன்
மாண்டவர் பற்றி அதிகம் இல்லை
பிழைத்தவர் எப்படி வாழ்வாரென்று!
வெளிச்சம் தேடி உயிரைத் துறக்கும்
விட்டில் பூச்சியின் இனத்தைப் போல
வாழ்வைத் தேடிய மரணம் தழுவி
உன்னத மனிதர் பூமியல் புதைந்தார்!
இரவின் மடியில் உறங்கிய விழிகளை
இமைக்கும் பொழிதில் நீ அழித்தாய்!
மழலைக் குழந்தையின் அழகிய முகத்தை
மண்ணுள் மறைத்து நீ ரசித்தாய்!
கருவறை இருட்டில் உறவினை வளர்த்த
கர்ப்பிணி பெண்ணின் மாமிசம் சுவைத்தாய்!
நானை மலரும் மல்லிகை மொட்டினை
தீயில் கசக்கி வாசம் நூகர்ந்தாய்!
இரவல் கேடகிறேன், இரக்கம் காட்டு
இனியும் உயிர்களைத் தின்றுவிடாதே!
விதியின் வலிமை கொடியது என்று
சிலந்தி வலையில் தீ மூட்டாதே!

வெள்ளத்தில் மூழ்கிய மதராசப்பட்டினம்

வரமாக மழை வந்தாலும்
இந்த மழைப்போல் ஆகிடுமா!
தூறி தூரலாய் பெய்தாலும்
நீ தந்த சோகம் முடிந்திடுமா!
மக்களை நீ அழித்தானுமே
உன் வரங்களுக்கு ஈடாகுமா!
நீரில் ஊரிப் போனதால்
மண்டபத்தில் தஞ்சம் அடைந்தோமம்மா!
வியாபாரம் நஷ்டத்தில் நீதானே
வரமாக மழை வந்தாலும்
இந்த மழைப்போல் ஆகிடுமா
வெள்ளத்தில் மூழ்கிய வீட்டினுமே
பாம்பு கரையான்கள் நுழைந்ததம்மா
வெள்ளத்தில் மிதந்தது மனித உடல்
மக்களிடம் எழுந்தது மனிதநேயம்
படகு சவாரி கடலில் தான்
இந்த தருணம் வீட்டில் தான்
பரிதாபமாக உடல்கள்போனால் கூட
மதங்கள் மறைந்தது வெள்ளத்தினாலே
பொறாமை வீழ்ந்தது உன்னால் தானே!

வெள்ளத்தில் மூழ்கிய மதராசப்பட்டினம்

வரமாக மழை வந்தாலும்
இந்த மழைப்போல் ஆகிடுமா!
தூறி துரலாய் பெய்தாலும்
நீ தந்த சோகம் முடிந்திடுமா!
மக்களை நீ அழித்தாலுமே
உன் வரங்களுக்கு ஈடாகுமா!
நீரில் ஊரிப் போனதால்
மண்டபத்தில் தஞ்சம் அடைந்தோமம்மா!
வியாபாரம் நஷ்டத்தில் நீதானே
வரமாக மழை வந்தாலும்
இந்த மழைப்போல் ஆகிடுமா
வெள்ளத்தில் மூழ்கிய வீட்டினுமே
பாம்பு கரையான்கள் நுழைந்ததம்மா
வெள்ளத்தில் மிதந்தது மனித உடல்
மக்களிடம் எழுந்தது மனிதநேயம்
படகு சவாரி கடலில் தான்
இந்த தருணம் வீட்டில் தான்
பரிதாபமாக உடல்கள்போனால் கூட
மதங்கள் மறைந்தது வெள்ளத்தினாலே
பொறாமை வீழ்ந்தது உன்னால் தானே!

चुटकुले

पत्नी : तुझे नरक में भी जगह नहीं मिलेगी।
पति : अच्छा है। मरने के बाद तो चैन मिलेगी। वर्ना , सब जगह तेरे संग रहते रहते पागल ही हो जाता।

पापा : बेटा, इस बार परीक्षा में कितने अंक प्राप्त किए ?
पुत्र : पापा 100 अंक।
पापा : सच ! बेटा ?
पुत्र : पहले विषय में 1, दूसरे और तीसरे में 0।
राम : चल बता जेल को हिन्दी में हवालातू क्यों कहते हैं ?
रयाम : सिपल है यार। क्योंकि वहाँ सिर्फ हवा और लातू खाने को मिलती है।

पिता : बेटा , आज तेरी माँ इतनी चुप क्यों है ?
पुत्र : वह इसलिए चुप है पापा , क्योंकि माँ ने मुझसे लिपस्टिक माँगी थी। पर मैं गलती से उसे वएदगण्टउच दे दिया।

पुत्र : पापा , एक खुशखबरी आपके लिए। आपने कहा था न कि मैं सारी परीक्षाओं में उत्तीर्ण हो जाऊँगा तो मुझे आप पाँच सौ रुपए देंगे।
पिता : हाँ बेटा। तो तुम सारी परीक्षाओं में पास हो गये हो !?
पुत्र : नहीं पापा। खुशखबरी तो यह है कि आपके पाँच सौ रुपए बच गये।

मेरी प्यारी दादी माँ

दादी आप हैं फूलों के जैसे
यह मत पूछो कैसे
क्योंकि है बहुत से शब्द,
जो कहता है दादी का मतलब।

राजा - रानीवाले किस्से
मुझको रोज सुनाती।
जब मम्मी मुझे डाँटती,
तब

प्यारी दादी मुझे बघाती।
बड़े प्यार से अपने बाहों में सुलाती।

आपने मेरे आँसुओं को हटाकर
अपनी खुशियों को दबाकर
मुझे बताया है, मुझे समझाया है कि
क्या गलत और क्या सही है।

आपने मेरे साथ
रखा अपना हाथ मेरे ऊपर
मेरा कहना माना,
सिखाया मुझे कष्टों को सहना।

BEGGING MAKES ONE SMALL

Harsha Roy, II B.A., English Literature

All our Holy Scriptures and great literary works stress on 'GIVING'. At the same time they never fail to condemn the act of begging. In Begging, one stoops oneself low by pleading to someone for something. Gaining something at the cost of one's self-respect will diminish their persona. Hence 'Begging' is abhorred in Indian Culture. Here in this article I have quoted some Hindi Verses by Great Hindi Poets which criticize 'Begging'.

RAHIM:-

Abdul Rahim Khan-i-Khana, widely known as Rahim was one of the navratanas in Akbar's court. Rahim was not just a diwan in Akbar's court but also Akbar's foster son. A poet by heart, Rahim is renowned till today for his Hindi couplets which we often find in Hindi Text books. Rahim here gives an example of the mythological character, 'Vamana' (one of lord Vishnu's 10 incarnations) to help us perceive the underlying message.

माँगे घटत 'रहीम' पद, किती करो बढिकाम।
तीन पैड़ बसुधाकरी, तऊ बावने नाम॥

Rahim says that begging for something will diminish our self-respect, disregarding the aim or reason behind the doing. Even lord Vishnu incarnated himself as 'Vamana', when had adjured King Bali to give him the whole of earth in three footings, he did it by acquiring a bodily form or avatar of that of a dwarf. The aim behind such action of lord Vishnu was to cease the pride of King Bali as he considered himself to be the greatest donor. Lord Vishnu was successful in accomplishing the required result but it came at the cost of his own dignity. The message by Rahim is- whatever the reason may be, try not to conjure.

KABIR:-

Saint poet Kabir is one of the most interesting personalities in the history of Indian mysticism. Born near Benaras or Varanasi, of Muslim parents, in c.1440, he became in early life a disciple of the celebrated 15th century Hindu ascetic Ramananda, a great religious reformer.

Kabir in his couplets emphasizes ethical values like simplicity, Honesty, humility, and enlightenment. In the couplet given below he rebukes the act of 'Begging'.

मांगन मरन समान है, मत कोई माँगे भीख
मांगन से मरना भला, ये सत गुरु की सीख

Kabir strongly condemns or dissents the act of begging. He considers it to be a sin and equivalent to death. On comparison between the two, Kabir opts for death instead of imploring to someone. The message here by the great poet is that entreating others for something should never be considered an option. Begging makes one small.

THIRUVALLUVAR:-

Thiruvalluvar is a celebrated Tamil poet who wrote the Thirukkural, a well-known ethical work in Tamil literature. He is claimed by both the Tamils who practice Hinduism and the Tamils who practice Jainism as their own. Thiruvalluvar has been considered to be a Jain citing internal textual evidence from Thirukkural.

Thiruvalluvar, in this 'kural' compares two people of different social strata, the one who begs to run his livelihood and a person who is affluent enough to help others.

கரப்பவர்க்கு யாங்கொளிக்கும் கொல்லோ
இரப்பவர் சொல்லாடப் போடும்உயிர்.

A person, who seeks the help of others, leaving behind his dignity and self-respect, is compared to a soulless body. But, the one who has everything in his favor and is very well capable to help and is still refusing to help the poor, is a dead person who is void of any emotion. Thiruvalluvar here casts light upon the merciless men in the society giving us the message to show compassion towards the poor and needy people.

WHERE IS GOD?

- Mahalashmi.N
2nd year BA English

Kabir, a medieval poet, preacher, as well as philosopher, enlightens everyone about the true existence of God being in one's own self. He elucidates these preaching through a medium of couplets which are widely popular in the Hindi literature as 'Doha'. Here are a few of those with their respective meanings.

Kabir explains the concept of God, being inside everyone through an example of musk deer.

कस्तूरी कुंडल बसे, मृग ढूँढत बन माहि।
ज्यो घट घट राम है, दुनिय देखे नाही।

The musk deer has an exquisite fragrance, which is found in the gut of that animal. The deer though is quiet oblivious to this fact and runs throughout the woods in search of the source and gives up in vain. Similarly, even though god dwells inside every soul, we humans do not realize this fact and end up travelling far and wide out in the world.

Kabir in this couplet gives us a natural example of flint stones to elucidate the concept of god.

पावकरुपी साईयां, सब घट रहा समाय।
चित्त चकमक लागे नाहि, ताते बुझी बुझी जाय॥

Kabir says in this, that the God is like a fire residing in each and every person's heart. Unless the flint stones rub against each other, the spark of erudition is not generated. The stones give out no light.

In this couplet, Kabir uses his austere diction to explain us the true residence of god.

ज्यों नैनों में पुतली, त्यों मालिक घट माहि |
मूरख लोग न जानहि, बाहिर दूढ़न जाहि ॥

Like the pupil in the eyes, God dwells inside each and every soul. But the unenlightened people are ignorant about this fact, and they search elsewhere in the world to attain the almighty.

Kabir also uses day-to-day examples in his works, in order to connect with the commoner's perception.

जैसे तिल में तेल है, ज्यों चकमक में आग |
तेरा साईं तुझ में है, तू जागस के तो जाग ॥

The way, the seeds of sesame contain oil, and the flint stone possess potent fire, the same way mortals withhold the seat to divine inside their selves, a person who is observant enough to notice this fact can surely reach the path of divine glory.

• CONCLUSION:

Scriptures describe God as a masked holy power, and to please him people often have to make the effort of faith. God is often said to be above the earthly beings, hovering over all of us in a celestial world. But according to the vision of Kabir, God is indeed a celestial being, whose existence we have within ourselves as a part. If acknowledged with duty and delight we can evoke the divine spirit even inside ourselves.

JOY OF GIVING

Keerthana Parthasarathy, II B.Sc., Stats

'Giving' is a part of Indian Culture. It is a good habit which is being built in us from our childhood by our elders. All the Religions stress upon helping others. In almost all the Indian languages we can find literary works which uphold the significance and greatness of 'Giving' and helping others.

In this article, we will get to see a few Hindi verses on 'Giving' written by our famous Hindi poets.

RAHIM:

Rahim was a great poet who lived during the rule of Mughal emperor, Akbar. He was one of the Navaratnas (nine gems) in Akbar's courtyard. He was well known for his 'Giving'. He has written a lot of poems. Through his works he preached ethical and moral values to the society.

Some of his verses that speak about 'Giving' are given below :

“ वे रहीम नर धन्य हैं, पर उपकारी अंग।
बांटन वारे को लगे, ज्यों मेहदी को रंग ॥ ”

Meaning:

In this couplet, Rahim tells us that giving something to others will benefit us too. He illustrates this with a beautiful example. If we give henna paste to others, our hand will also look beautiful with the colour of mehendi. Our palm is coloured while giving henna to others. What a beautiful simile to explain that in 'GIVING', it is not just the receiver who is benefitted but also the donor !

Rahim also feels that 'GIVING' is found in abundance in Nature. Hence, it is a natural process. In the couplet given below, we find that nature is a best teacher to teach us 'GIVING'.

तरुवर फल नहीं खात है, सरवर पियहि न पान।
कहि रहीम पर काज हित, संपति सँचहि सुजान ॥

Meaning:

Above couplet says that a River does not drink its water and trees do not eat their fruits. Similarly, instead of using wealth for their own self, if wealthy people come forward to help the poor and needy, more glory is added to their riches.

Poet Rahim, while emphasizing the greatness of 'GIVING', parallelly condemns the ungenerous people. Here follows Rahim's Doha which lashes non helping people and their wealth.

DEPARTMENT OF SANSKRIT (DAY) - LITERARY ASSOCIATION MEETING

The Department of Sanskrit (Day) successfully conducted the Sanskrit Association Literary meeting on 28th January 2016 in our College premises. Our Chief Guest was Dr. R. Ramachandran, Associate Professor, Department of Sanskrit & Controller of Examinations, R.K.M. Vivekananda College, Chennai. He gave a special lecture on 'SAMSKRUTAM SAMSKRUTI CA' (Sanskrit and Culture). He spoke on the importance of culture in Human life and stressed that culture leads to scientific way of living. He gave various examples from Sanskrit Literature in support of his view.

Our College students performed Gita Chanting and they were appreciated by the Chief guest for the proper pronunciation. Our college Sanskrit students presented a Drama on "GuruVisvasaha" which focuses on Respect to Teachers. A Dance performance, which depicts Krishna and his Leela was also given by our students.

Also, on that special occasion, an Exhibition on "Health in Sanskrit Literature" was grandly inaugurated by our honorable Chief guest and Respected Principal, Dr. V. Varalakshmi. The students transformed their thoughts and innovations into interesting facts related to health derived from the ancient Sanskrit literature. They presented their views on various topics like Dhanvantari, Susruta and his surgical instruments, Homam, Tridosas, Subashitani, Mantras, Mudhras, significance of cooking vessels in health and Tulasi plant. The Management, Professors and Students of the college supported and appreciated the theme and informations conveyed through the exhibition.

Enaction of Krishna Leela

On the occasion of Krishna Jayanthi, Dept. of Sanskrit Organized few programs on 2nd Sep. 2016. Sanskrit students of our college enacted RASAKRIDA (a dance - drama performance on the life of Krishna). Students also chanted few Slokas from Bhagavad Gita.

SANSKRIT SMRTI REPORT - 2015-16

The Sanskrit Department conducted three events as a part of SMRTI for the year 2015-2016 on 25th September 2015. Sloka Recitation, Drawing and Quiz were the competitions held on this occasion.

Our Honorable Judges were Mrs. A.Uma, Former Head, Department of Sanskrit, S.D.N.B.Vaishnav College, Dr. N. Sujatha, Head, Department of Sanskrit, J.B.A.S.College for Women, Chennai, Mr. K.Sriram, Sanskrit Teacher, Sri VishwaVidyalaya, Vandaloor, T.E. Badrinarayanan, Sanskrit Teacher, San Academy, Chennai.

Students from various colleges participated in these competitions enthusiastically and exhibited their talents.

ASSOCIATION REPORT 2015-2016

Department of Sanskrit (Eve) has organised a meeting on 06/1/2016 at 2.30 p.m.

Our chief guest Dr. N. Sujatha Associate professor, Head of the Department, Sanskrit, J.B.A.S College of has consented to grace the Occasion. On behalf of our college staff and students our Chief guest was welcomed by Deepika of I. B.Com (C.S).

Dr. N. Sujatha addressed the gathering and delivered speech on "Friendship in Sanskrit literature" and how the Sanskrit literature helps in day today life for all the students. On behalf of our college, Vasanthi H.M.S of I. B.Com(C.S) rendered vote of thanks.

DHANVANTARI - THE GOD OF AYURVEDA

ॐ नमो भगवते वासुदेवाय धन्वन्तरये अमृतकलश हस्ताय
सर्वामय विनाशनाय त्रैलोक्यनाथाय श्री महाविष्णवे नमः॥

Dhanvantari is worshipped as the Hindu God of Medicine. He epitomizes medical knowledge and is also regarded as the original exponent of the Indian Medical Tradition, Ayurveda.

Deriving the word:

The word dhanus is only Indicative (upalakshna). It denotes the Science of Surgery. The one who has seen the end (anta) of it is DHANVANTARI.

Origin:

Dhanvantari's origin dates back to the Puranas and more importantly to the legendary incident of Samudra Manthan. Lord Dhanvantari was the one who brought out the nectar of immortality or Amritam out of the depths of the kshirasagara (the milk ocean).

Some regard Dhanvantari as the 12th avatar of Lord Vishnu. He had received the knowledge of medicine from sage Bharadwaj. Dhanvantari is also regarded as the prince of Kashi in the Mahabharata.

Appearance:

The icons of Dhanvantari are four-armed, carrying a conch and discus in the upper arms, and a Jalauka (leech) and Amrita-kalasha (a pot full of nectar) in the lower hands. He is dark-complexioned in yellow silken garments.

Unknown Facts:

The Dhanvantari Nighantu, one of the most important and earliest books of Ayurveda is said to have been written by Lord Dhanvantari himself. According to some legends, Dhanvantari has the power to cure snakebites and neutralize the effects of poison. He also has the ability to prevent deadly diseases and cure seemingly incurable ailments. Ref: Agni Puranam (278-289)

SURGICAL INSTRUMENTS USED BY KASI DHANVANTARI

TECHNIQUE	OBJECTS USED FOR PRACTISE
Incision (cuts) – Chhedya	Gourd, Watermelon, Cucumber
Excisions (removal) - Bhedyā	Bladder of a dead animal, Puncturing a leather pouch filled with fluid.
Scraping – Lekhya	Piece of skin with hair
Venesection (puncturing a vein) - Vedhya	Vein of a dead animal, lotus stem
Probing and stuffing	Worm eaten wood, Bamboo, Mouth of a dried gourd
Extraction – Aharya	Withdrawing seeds from the kernel of a bimbi (Aegle marmelos), bilva (Cephalandra indica) or Jack fruit, teeth from jaws of a dead animal
Secreting or evacuating fluids – Visravaniya	Surface of Shalmali (Bombax malabaricum)
Suturing – Sivya	Pieces of cloth, skin or hide
Bandaging	Limbs of a full-sized doll stuffed with linen
Repairing a severed ear lobe	Soft severed muscle of flesh, stem of lotus or lily
Applying caustics	Piece of soft flesh
Inserting a syringe or injecting enemas	Inserting a tube into a lateral fissure or pitcher full of water or mouth of a gourd in bladder region or ulcerated channel

SUSRUTA

Susruta is known as father of medicine lived in 600BC. He is one of the disciple of Dhanvantari. He compiled his entire work into a book called Susruta Samhita which has been divided into three volumes. He was also called as father of plastic surgery.

As a proof during colonial period a king named Tipu Sultan used to punish his soldiers who supported British by cutting their noses. So as a treatment for this, plastic surgeries were performed to these soldiers by the Marathi Vaidyas (doctors) who followed Susruta Samhita.

Present century doctors use camel's nerve or surgical thread for stitching the skin after the surgery but earlier (i.e) during 600BC Susruta used the black ants. After the completion of surgery he used to place the ants at the opening of the split skin and these ants use to hold it tightly. At that time he used to cut of its body alone so that it doesn't hurt the person with its venom.

Citations :

The Mahābhārata lists Suśruta amongst the sons of Viśvāmitra, the legendary sage and progenitor of all Brāhmanas. The same connection with Viśvāmitra is also made in the Suśruta-samhitā itself. The name Suśruta appears in later literature in the Bower Manuscript (sixth century CE), where Suśruta is listed as one of the ten sages residing in the Himalayas.

Susruta Samhita :

The Suśruta-samhitā, in its extant form, in 184 chapters contains descriptions of 1,120 illnesses, 700 medicinal plants, 64 preparations from mineral sources and 57 preparations based on animal sources. The text discusses surgical techniques of making incisions, probing, extraction of foreign bodies, alkali and thermal cauterization, tooth extraction, excisions, and trocars for draining abscess, draining hydrocele and ascitic fluid, removal of the prostate gland, urethral stricture dilatation, vesicolithotomy, hernia surgery, caesarian section, management of haemorrhoids, fistulae, laparotomy and management of intestinal obstruction, perforated intestines and accidental perforation of the abdomen with protrusion of omentum and the principles of fracture management, viz., traction, manipulation, apposition and stabilization including some measures of rehabilitation and fitting of prosthetic. It enumerates six types of dislocations, twelve varieties of fractures, and classification of the bones and their reaction to the injuries, and gives a classification of eye diseases including cataract surgery.

SURGICAL INSTRUMENTS

INTRODUCTION

Even before the modern surgical instruments were invented, our ancestors performed even complicated brain surgeries and nose alterations. There has been various evidences which were written in Sanskrit texts and archaeological excavations.

CONTENT

Investigating on surgical instruments, we get to know about the Indian medical genius named SUSRUTA. He was the first one to perform plastic surgery.

Men was always attached to nature and animals in those days, so even those surgical instruments, forceps were perfectly designed like animal and bird faces.

Suturing is the process of stitching. In those days fine thread or ASHMANTAKA GRASS was used which has its own properties. Again stitch was made with hemp, silk, hair etc.

Instruments are classified into blunt and sharp types.

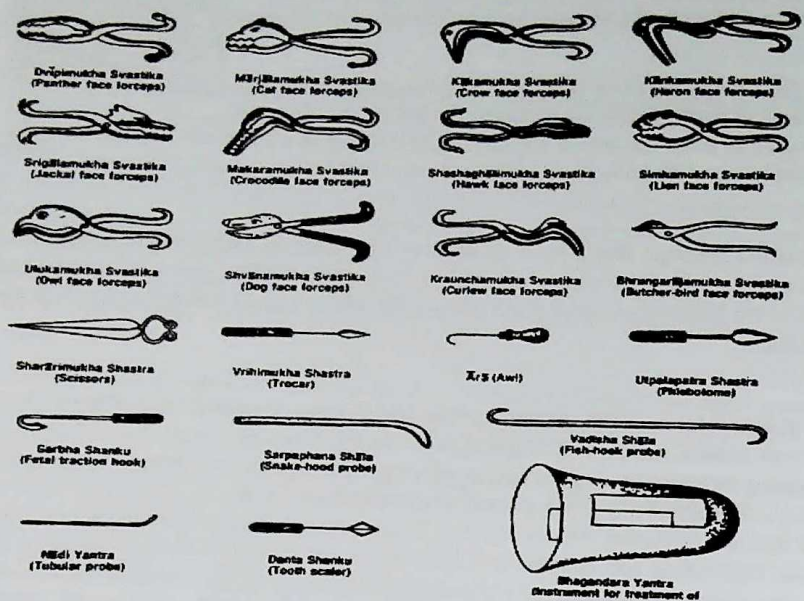

Blunt instruments are of 6 types namely swastikas (24), forceps (2), scoops (2), tubular (20), probes (28), and minor instruments (25).

Sharp instruments are 20 types, which were used for excision, cutting, dividing, spreading, draining out fluids, puncturing, pricking, suturing etc.

There were 6 types of cotton headed probes which were used for cleaning tasks.

Even the needles were of many types namely round shape with 2 finger width length and for fleshy parts 3 cornered with 3 finger width length were honoured. In vital parts like abdomen and scrotum, bow shaped needles were appropriate.

TRIDOSHA

Vayu – Vata, Pitta and kapha are the three Doshas of the body. Perfect balance of three Doshas leads to health, imbalance in Tridosha leads to diseases.

How Tridosha are spread in body and in a day?

The Tridosha are present all over the body, but their presence is especially seen in particular parts. If you divide the body into three parts, The top part upto chest is dominated by Kapha Dosha, Between chest and umbilicus is dominated by Pitta, Below umbilicus part is dominated by Vata.

Types of digestive fires

NAME	INFLUENCED BY	NATURE
Vishama Agni	Vata	It will have sometimes low appetite and sometimes high appetite
Teekshna Agni	Pitta	It will have high digestion power and appetite.
Manda Agni	Kapha	It will have low digestion power.
Sama Agni	Perfect balance of Tridosha	It will have proper digestion

Types of Prakruti – Body Types

Like the poison is natural and inherent to poisonous insects, similarly, the Prakruti (body type) is inherent to humans. The body type is decided during conception, based on qualities of sperm and ovum.

Vataprakruti - Vata body type is considered as low quality

Pitta Prakruti - Pitta body type is considered as moderate quality

Kapha body type is considered good quality.

Tridosha body type - influenced equally by Vata, Pitta and Kapha is considered the best quality.

Dual body types, Like Vata-Pitta, Pitta-Kapha, Vata-Kapha body types are considered as not good.

Qualities of Vata
Roksha - dryness, Laghu - Lightness, Sheeta - coldness, Khara - roughness, Sokshma - minuteness, Chala - movement These are the qualities of Vata.

Vatham is production. It is responsible for the production / implementation of thoughts to action. Generally, its function is more related to cerebral activities like, thinking and action.

FORMS	CORRESPONDS TO	FUNCTION
ABANAN	Pelvic plexuses	Control excretory function
SAMANAN	Solar plexuses in the naval region	control the digestive system.
PRANAN	cardiac plexus in the heart region	responsible for the circulation, breathing and biocombustion of nutrients
UDHANAN	plexus in the throat region, that is pharyngeal plexus	responsible for the speech, swallowing, breathing, conduction of food
VIYANAN	nasociliary plexus at the root of the nose and the base of skull which spreads all over to the body	responsible for the movement of the body and the nutrition of the thathus

Qualities of Pitta

Sasneha – slightly oily, unctuous, Teekshna – piercing, entering into deep tissues, Ushna – hotness, Laghu – lightness, Visram – bad smell, sara – having fluidity, movement, drava – liquidity are the qualities of Pitta.

Pitham is for preserving the body. It is responsible for the normal metabolism.

The five forms of Pitham:

FORMS	CORRESPONDS TO	FUNCTION
ANALA PITHAM	It denotes inherent heat in the stomach	This gives appetite and it is responsible for digestion
PRASAGA PITHAM	It denotes the colour pigments of the skin	is responsible for the complexion of the skin.
RANJAJA PITHAM	It denotes the haemoglobin	This is responsible for the colour of blood
AALOSAHA PITHAM	It denotes the aqueous humour This is responsible for the maintenance of vision	
SAATHAAGA PITHAM	It denotes the life energy.	This activates the whole body

QUALITIES OF KAPHA

Snigdha – oily, unctuous, Sheeta – cold, Guru – heavy, Manda – mild, viscous, shlakshna – smooth, clear, Mrutsna – slimy, jely, sthira – stability, immobility are the qualities of Kapha.

Kabam's function is destructive in nature. According to Siddha principle in old age the cause of death is by Kabam. There are 5 classifications in Kabam

The increase, decrease of individual Doshas, or imbalance of couple of these Doshas is called as Samsarga and imbalance of all the three Doshas together is called as Sannipata.

FORMS	CORRESPONDS TO	FUNCTION
KILATHAGAM	It denotes the saliva	FUNCTION: It
THARPAGAM	This is cerebrospinal fluid	This is responsible for the protection of cerebrum
POTHAGAM	It denotes the lymph	is responsible for the immunity, absorption of excess fluid and return to the blood stream.
SANTHIGAM	It denotes the synovial fluid	This is responsible for the lubrication and free movement of joints

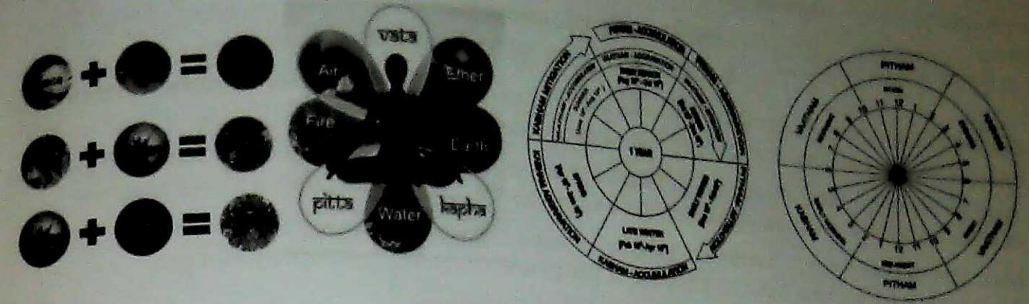

Nature of increase and decrease:

Equal qualities lead to increase, and opposing qualities lead to decrease.

- If Vata gets out of balance, for instance, it leads to overactive mind, poor circulation, poor nerve conduction, loss of memory, irregular elimination, uncomfortable menses, etc. - all things related to movement.
- If Pitta is out of balance, we can get excessive digestive fire, resulting in heartburn, excess stomach acid, a hot temper, inflammations, etc. -all things related to heat and digestion.
- If Kapha gets out of balance, it can lead to chronic congestion, weight gain, cellulite, cholesterol buildup, acne, oily skin, etc. - all things related to structure and lubrication.
- The table below gives brief information about the seasonal guidelines.

Season	Preferred taste	Preferred	Medications	Preferred life style	State of 3 humours Appetite
Rainy season from Aug 16th - Oct 15th (Kaarkaalam)	Sweet, Sour, Salty.	Hot potency and digestible food.	Emetic, purgative drugs and appetizers.	Use dry clothing. Avoid butter milk, day time sleep and tire some work	Pitham is in accumulated state, Vaatham is in aggravated state Decreased appetite
Autumn from Oct 16th - Dec 15th (Koothirkaalam)	Sweet, Bitter, Astringent.	Dry and cool food, light diet	Bloodletting	Avoid curd, oil, fats, alcohol, daytime sleep sunlight, dew, heavy meals and salty diet.	Pitham is in aggravated state, Vaatham is in mitigated state.
Early winter Dec 16th - Feb 15th (MunPanikaalam)	Sweet, Sour, Salty.	Cool	Oil application	Use boiled water, blankets. Exposure to evening sun light and slight work is good. Always use footwear.	Pitham is in mitigated state. Increased appetite and immunity.
Late winter from Feb 16th - Apr 15th (PinpaniKaalam)	Sweet, Sour, Astringent.	Avoid diet that increases vaatham	Oil application.	Use boiled water, blankets. Exposure to evening sun light and slight work is good. Always use footwear.	Kabham is in accumulated state.
Spring from Apr 16th - June 15th (IlavaenilKaalam)	Bitter Pungent Astringent	Dry and hot potency food, solid, liquid and semi-solid food.	Emetic, Nasal application (Nasiyam) medications.	Avoid bulky diet cool diet and daytime sleep	Kabham is in aggravated state.
Summer June 16th - Aug 15th (Muduvaenil Kaalam)	Sweet	Coolant	Vatha neutralizing medications	Avoid food that is digested with difficulty.	Vaatham is in accumulated state, Kabham is in mitigated state.

Cyclic representation of seasonal effects on the three doshas

VAIDYAKEEYA SUBHASHITANI (WISE SAYINGS ON HEALTH)

पृथिव्यां त्रीणि रत्नानि जलमन्नं सुभाषितम्।

According to, there are 3 gems in the world : water, food and Subhashitani. Lets see the meaning of the word Subhashitani.

The meaning for the Sanskrit word "Subhashitani" is wise sayings as "Su" means good and "bhashita" means sayings. They are the wise sayings, instructions composed in Sanskrit language. They were composed by ancient saints and scholars that can be dated back to 5000B.C. where all our scientific inventions and theories were proved a very long ago.

Vaidyakeeyasubhashitani is wise sayings based on Ayurvedha. It not only stresses more on health and hygiene of the body but also tells how to sustain one's mental health.

VaidyakeeyaSubhashitani covers wide range of topics based on health and at the same time explains how a ideal person should be. Let us see what it says about bathing.

Bathing :

Bathing is the pre requisite for every action and it helps to keep body and mind clean . According to Yagyavalkya, there are seven types of bathing where majority of them are substitutes when bathing with water is not possible They are:

Mantra

मान्त्रं भौमं तथा आग्नेयं वायव्यं दिव्यमेव च ।
वारुणं मानसं चैव सप्तस्नान्यनुक्रमात् ॥(याज्ञवल्क्य)

Bhoomam: bathing by smearing the body with mud. In the olden days ,mud in the river banks are best as they are always devoid of germs due to steady flow of the river.

Agneyam: bathing by smearing the whole body with holy ash . Its one of the main substitute for bath when one is sick where one cannot bath with water.

Vayavyam : bathing in the dust raised by cow hoofs which acts as an antibacterial like other products of cow.

Divyam : bathing in rain water and in sunshine.

Varunam: bathing by plunging oneself in water. This is considered to be the best type of bathing ,says Mahabharata.

Manasam: this type is for the mind ie bathing by meditation.

Water :

Water constitutes 3/4th of earth as well as our body . Water is the most important and without that life of sick and healthy person is unimaginable.

In Sanaskrit literature , there are many ways suggested to the purification of water :

दृष्टिपूतं न्यसेत् पादं , वस्त्रपूतं पिबेज्जलम्।
सत्यपूतां वदेत् वाचं , मनः पूतं समाचरेत् ॥ (मनु)

One should walk on the known path, one should strain water in cloth to drink , one should strain their words with truth and one should act accordingly to their mind , says Manusmriti.

Another way is that using Nirmalee Fruit (Botanical Name :) which extracts impurity of water and gives us a clean water . It's an ancient method of purification and it purifies only impure water but not a quagmire.

Water acts as a medicine at the time of indigestion, energizing after digestion, tastes like a nectar when it is sipped in between the food but it is as harmful as poison when it is taken immediately after food.

अजीर्णं भोजनं वारि जीर्णं वारि बलप्रदं ।
भोजने चामृतं वारि भोजनान्ते विषप्रदम् ॥

Food :

Food is the main source of energy for all the beings. The Subhashitani says about what kind of food must be taken

न भुञ्जितोद्धतस्नेहं , नातिसौहित्यमाचरेत् ।
नातिप्रगे नातिसायं , न सायं प्रातराशितः ॥ (मनु)

One should not eat food which is devoid of oily materials (limited quantity) . One should not eat excessively and also at the time of dawn and dusk and one should not take food in the night if the lunch is very heavy.

भुक्त्वा उपविशतस्तन्द्रा शयानस्य तु पुष्टता ।
आयुश्चक्रममाणस्य मृत्युर्धावति धावतः ॥ (चरक)

Relaxing on the sitting posture after food leads to laziness, while lying down leads to strength and death runs after the person who immediately runs after having food as the digestive process gets interrupted by sudden intensive action.

Digestion and Indigestion :

Our body and mind is the replica of the food we intake . During digestion food is divided into 3 parts :

अन्नमशितं त्रेता विधीयते , तस्य यः स्थविष्ठो धातुस्तत्परुषिं ।
भवति , यो मध्यमतन्मांसं , यो अणिष्टः तन्मनः ॥ (चरक)

The indigested part goes directly to filth , the middle part gets reduced to flesh and the digested part having absorbed the nutrients goes all over the body and directly to mind.

The process of digestion is depended on the state of mind . If the mind is calm then process of digestion get easy .this was proved scientifically which was quoted hundreds of years ago in CharakaSamhita :

मात्रया अप्यभयवहृतं पश्यं चान्नं न जीर्यति ।
चिन्ताशोकभयक्रोधदुःखशय्याप्रजागरैः ॥ (चरक)

Even limited nutritious beneficial food is not digested properly due to worry, anger, sorrow , fear, sadness, sleep during day time and keeping oneself awake at night.

IMPORTANCE OF OM AND CURABLE MANTRAS

Every vibration has a corresponding sound and everything in the universe has a vibration and thus a sound. Each atom, molecule, cell, object, group of objects, even the entire universe, has its own collection of vibrations and unique sound.

BY sound and form, AUM symbolizes the infinite Brahman (ultimate reality) and the entire universe.

A stands for Creation

U stands for Preservation

M stands for Destruction or dissolution

A, U, M. These contain all the sounds there are

- The A is guttural and comes from the throat. It is pronounced without any part of the tongue or palate in contact.
- The U sound comes from the middle of the sounding board, the palate.
- the M sound is prolonged and vibrated up to the crown of the head
- A and U join together to become O. The O sound is vibrated from the navel/ solar plexus area.
- This vibrating M is felt in every cell of the body and is beamed out lovingly, soothingly, powerfully, to everything, everyone, everywhere.

When you chant a mantra, you merge with the sound vibration and become at one with the energy wavelength of the object of your mantra. By chanting a mantra, your cells, molecules, atoms, and sub-atomic particles all vibrate in the same wavelength.

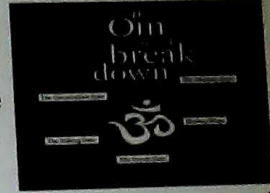

MANTRAS

Mantras are Sanskrit-invocations of the Supreme Being..They have always existed in a latent state as sound energies. Just as gravity was discovered but not invented by Newton, Mantras were revealed to the ancient masters.

ADITHYA HRUDAYAM

Maharishi Agastya was one of those that came there with deva host to witness the wonderful battle between Rama and Ravana. He observed that Ravana was fatigued after a hard fight but faced Rama once again with boundless anger. At that time to strengthen his heart agastya and Rama worshipped Sun God and taught him Adityahrudaya. In Adityahrudaya there are thirty Slokas in total.

सर्वमङ्गलमाङ्गल्यं सर्वपापप्रनाशनम्।

PARAMOUNTCY OF GOD'S OWN LANGUAGE

MAHATHMA GANDHI proclaimed that, "Sanskrit is like river Ganga for all languages"

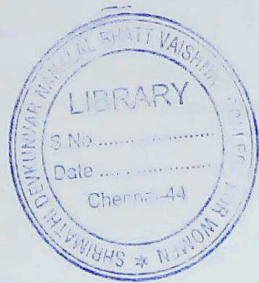

SANSKRIT is the most ancient and perfect among the great languages of the world. It is a true symbol of Indian tradition and thought, which has exhibited full freedom in the search of truth, and has shown catholicity towards the universal truth. The Vedas in Sanskrit are the soul of Indian culture and tradition. It is also widely known as the root of many branches of science as various seers, poets, writers and commentators have made entries about it. In 1786, SIR WILLIAM JONES, in his address to the Royal Asiatic Society of Bengal emphasized the flawless purity of SANSKRIT by saying;

"the Sanskrit language, whether, be its antiquity, is of wonderful structure, more perfect than the Greek, more copious than the Latin and more refined than either".

The culture of SANSKRIT and its literature is actually the culture of synthesis and assimilation. THE NATIONAL BRAIN RESEARCH CENTRE (NBRC) has discovered that learning and reading DEVANAGARIScript of SANSKRIT involves more areas of human brain than ROMAN scripts. This means learning our divine language is a brilliant brain exercise. NASA scientist RICK BRIGGS declared that SANSKRIT is the best and most suitable language for computer programming and operations in his paper, "KNOWLEDGE REPRESENTATION IN SANSKRIT AND ARTIFICIAL INTELLIGENCE" which was published in 1985.

By analogy of ENGLAND, NETHERLAND, SOVIETLAND etc, India, is in fact SANSKRITLAND. If one learns Sanskrit, one will get a glimpse of ancient world religions, languages, customs, traditions and culture from the glass of Vedic and Sanskrit literature. We are able understand the prominence of Sanskrit language when we become aware of its merits. Ergo, it is highly imperative for a person to drink the elixir of wisdom by acquiring the knowledge of this magnificent language.
