## THE COLLEGE CREST

The College Crest is enshrined within a lotus in full bloom to represent the cult of devotion preached by Mahaprabhu Shri Vallabhacharya. At the centre of the Crest is a sacrificial fire, which symbolizes the Lord himself "Yagna Vai Vishnu". The Lord is reached by the three steps of the altar signifying KSHARA, AKSHARA AND POORNA PURUSHOTHAMA. The Volume at the foot of the altar stands for the Book of knowledge (the vedas) and the three flowers show the factors that conduce to the accumulation and propagation of knowledge, intelligence, action and material resources. The aim of Knowledge is the realization of the Supreme Truth and this is embodied in the College motto taken from Srimad Bhagavatam.

**'SATYAM PARAM DHEEMAHI'**

"Let the truth uphold supreme in my consciousness (or) truth and the transcendental divinity uphold my awareness".

## EDITORIAL MESSAGE

"Empowering women through education is not just about offering knowledge; it's about unlocking limitless potential, fostering independence, and igniting the flames of change that illuminate generations to come." -

Malala Yousafzai

Shri. Devkunvar Nanalal Bhatt Vaishnav College for Women stands as the pioneering women's institution with a rich history of nurturing a profound sense of purpose and enthusiasm for life among its female students over the span of 55 years. Our college boasts state-of-the-art facilities, cutting-edge technology, and an extensive array of resources aimed at enriching the educational journey of our students.

The curriculum we offer is designed to prioritize 21st-century skills, such as effective communication, critical thinking, creativity, problem-solving, and collaborative abilities, thus ensuring that our students are equipped to navigate the complexities of the modern world with a global perspective.

To our beloved students, I wish to convey that success in the realm of Generative Artificial Intelligence is not solely reliant on chance or innate brilliance. Rather, it hinges upon meticulous preparation and unwavering determination. As individuals who possess immense potential and significance, I urge you to cultivate traits such as innovative thinking, adaptability, persuasive skills, organizational acumen, and dynamic leadership qualities during your tenure at Vaishnav College. It is with great pleasure that I extend an invitation to you to join us in our collective endeavor to contribute to the development and progress of our region and nation through dedication and discipline, thereby embracing our college's mission and vision wholeheartedly.

Best Wishes

## UNION ACTIVITIES FOR THE ACADEMIC YEAR 2022-2023

The Students Union of SDNB Vaishnav College in the academic year 2022-2023 conducted a series of vibrant activities, showcasing a dynamic engagement with diverse interests. One notable event was the intra-college Chess competition, titled "Check Mates," held on August 2nd, 2022. This competition, organized in the college's indoor stadium, provided a platform for participants to showcase their chess skills and talents.

In addition to the competition, on August 4th, 2022, students came together for a unique event - a Mass Fabric Chessboard Formation. This event, with the participation of 512 students from various streams, both undergraduate and postgraduate courses, involved the creation of a chessboard on the college football ground using black and white shawls. This initiative was undertaken in honor of the 44th NDE Chess Olympiad, a significant event being hosted in Chennai for the first time.

## Oath Taking Ceremony - Drive Against Drug - 11/08/2022

The young achievers of SDNB Vaishnav College were entrusted with the task of leading the society with courage, confidence, and competence during the Oath-taking ceremony. This ceremony had a singular focus on raising awareness about the dangers of drug abuse, with the slogan "Drive Against Drug."

To commemorate the 75th Independence Day the Union conducted an Essay competition on 08/08/2022.

Held online on August 11th, the event brought together over 100 participants, including faculty members, students, Student Union Office bearers, college Department Association secretaries, and Class Representatives. The aim was to educate students about the harmful effects of drugs and to conduct regular activities aligned with the guidelines set by the Tamil Nadu Government.

## 75th Independence Day Celebration

On August 15th, 2022, India commemorated its 75th Independence Day with the 'Azadi Ka Amrit Mahotsav,' symbolizing the essence of freedom. It was a day filled with immense pride and joy for all Indians, as we honored our heroes and freedom fighters who made sacrifices for the nation's freedom, bringing us peace and joy.

SDNB Vaishnav College joined in the nationwide celebration with great pride and enthusiasm. The day commenced with all students assembling in orderly lines on the ground. A prayer song and the rendition of "Tamizhthai Vazhthu" by choir girls echoed through the air, setting a reverent tone for the occasion.

Dr. Geetha, Principal, along with the chief guest, Ms. Aparajitha Balamurukan, hoisted the national flag, marking the beginning of the ceremony and symbolizing our collective reverence for the nation and its ideals.

### Awareness Programme on Anti Drugs campaign - 16/08/2022

On August 16th, 2022, an awareness program on the adverse effects of drug usage was jointly organized by the Tamil Nadu Police Department and our college union. The event aimed to shed light on the detrimental consequences of drug abuse and the profound impact it has on individuals and society as a whole.

Dr. Dhamu, a distinguished figure renowned for his contributions to Lead India 2020 Mission initiated by former President of our country, delivered an insightful speech during the program. He emphasized the importance of harnessing the power of youth for societal betterment and addressed the students on this crucial topic.

On August 16th, 2022, Dell India organized "Dell Padhai," a program aimed at nurturing budding entrepreneurial ideas and fostering creativity among students. The event, held at Seminar Hall in the Golden Jubilee Block, attracted a total of 400 students from both aided and SFS streams.

Throughout the day, participants engaged in orientation sessions and challenges organized by Dell India across four different time slots. The emphasis was on encouraging creative thinking and efficiency in various aspects. As an incentive, all student participants were promised an Amazon voucher worth ₹500.

The event concluded with a photo session to capture memories and a vote of thanks, highlighting the appreciation for everyone's participation and contribution towards making the event a success.

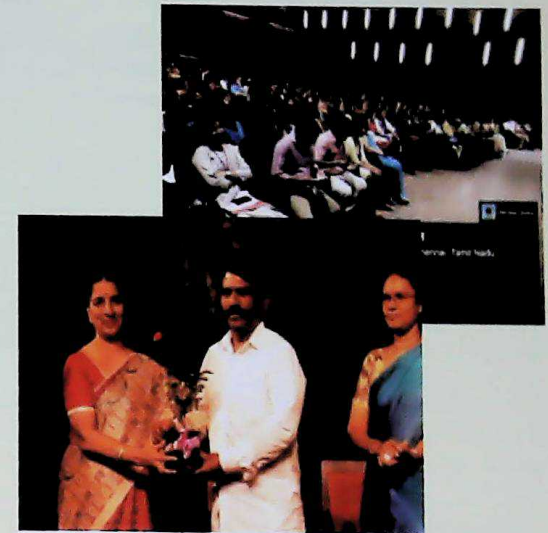

Mr. Murugesan, Assistant Commissioner of Police, also addressed the gathering, highlighting the prevalent issue of digital addiction among college students in today's modern age.

The program was poignant as it delved into sensitive topics related to drug abuse and its societal repercussions. Principal Dr. R. Geetha extended felicitations to the chief guest and government officials in attendance.

The event concluded with a vote of thanks and the rendition of the National Anthem, leaving attendees with a heightened awareness of the pressing issue at hand.

Krishna Jayanthi, also known as Janmashtami, commemorates the birth of Lord Krishna, the ninth avatar of Lord Vishnu. SDNB Vaishnav College celebrated this auspicious day with immense joy and enthusiasm.

The celebration began with a prayer song sung by the choir girls, setting a devotional atmosphere. Dr. Seetha Lakshmi was the chief guest. Adding to the spiritual ambiance, Dr. Seetha Lakshmi also sang a melodious song dedicated to Lord Krishna, initiating the event with divine grace and blessings. The celebration of Krishna Jayanthi at SDNB Vaishnav College was marked by reverence, devotion, and a sense of spiritual fulfillment.

## Student Induction Program

From August 22nd to August 26th, 2022, SDNB Vaishnav College conducted a comprehensive Student Induction Program aimed at welcoming and motivating our first-year undergraduate students. The program featured a lineup of distinguished guests who shared their insights and experiences with the incoming students.

The session began with a motivating address by V. Nandakumar IRS, Additional Commissioner of the Income Tax Department of Revenue, Ministry of Finance, Government of India. Mr. Nandakumar shared his journey from Dr. Ambedkar Government Art College to his current position in the Indian Revenue Service, inspiring students with his career trajectory and dedication to public service.

Following Mr. Nandakumar, Ms. Aishwarya Ejournal, known for her hard work, fast learning, and adaptability in team settings, shared her experiences in corporate environments and her pursuit of a post-graduate diploma in Human Resource Management.

Dr. Mrs. Umaiyal Murugesan, an esteemed Obstetrician & Gynecologist specializing in Laparoscopy and Infertility at Sri Kumaran Speciality Hospital, shared her journey in the medical field, highlighting her achievements and contributions to the community.

Lastly, Bhavani Baskar, a passionate Mathematics teacher and recipient of the Best Trainer Award in the Inspire Teach to Future program, engaged students with her expertise in education and training initiatives.

The program concluded on a positive note as students had the opportunity to interact with departmental teachers and seniors, fostering a friendly and supportive atmosphere among the new cohort. Overall, the Student Induction Program provided invaluable insights and inspiration to our incoming students as they embark on their academic journey at SDNB Vaishnav College.

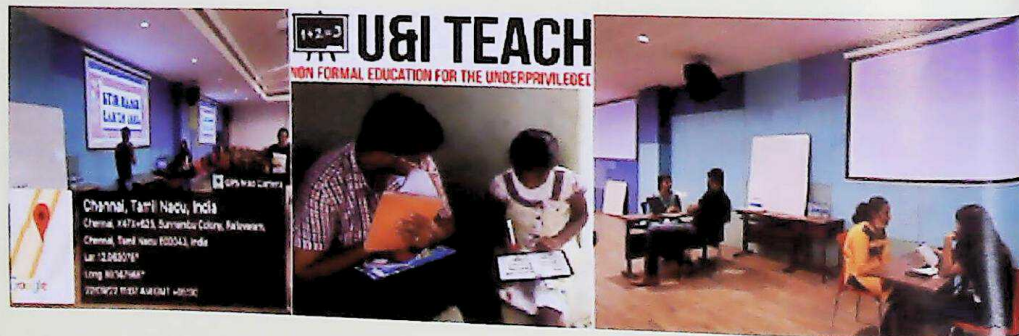

On September 7th, 2022, SDNB Vaishnav College joyously celebrated Onam, marking a return to grandeur after a two-year hiatus due to the pandemic. Both students and teachers adorned themselves in traditional Kerala attire, such as Kasavu sarees, to honor the occasion.

The festivities commence with the creation of a stunning floral decoration known as "pookalam" near the Krishna statue on our college campus. This intricate arrangement, skillfully crafted by Srividhya and Mithra from the Department of Computer Science, served as a beautiful homage to Kerala's agrarian heritage and added a vibrant touch to the celebrations.

முதல் பரிசு பெற்ற கவிதை எங்கள் தந்தையர் நாடென்ற பேச்சினிலே

தகிட தகிட தகிட தோம் தோம்  
தகிட தகிட தகிட தகிட தோம் தோம்  
நீயென்ன நானென்ன வேறென்ன  
ஒன்றன என்றோம்  
காடென மேடென வீடென  
நாடென கண்டோம்  
மூன்றூர பாக்குற ஆழியே

வேலியென சூழ  
 இருபுறம் தேக்குற மேகங்கறைய  
 மலைகள் ஆளா  
 முக்கனி நெல்லும் முப்போகம்  
 விளையும் மருதம்  
 பாலை யாழினைக் கொற்றவையும்  
 மீட்டும் அது தம்  
 வாழ்வும் வளமும் அறமும்  
 ஐந்திணையாய் இயங்கும்  
 கீழ்மேல் கணக்கும் ஐங்காப்பியம்  
 அது படைக்கும்  
 எங்கள் தந்தையர் நாடென்ற பேச்சினிலே  
 புகழ் பாடி மெய்யுரைத்தது  
 என் நாவினிலே  
 தகிட தகிட தகிட தகிட தோம் தோம்  
 தகிட தகிட தகிட தகிட தோம் தோம்  
 நாடாளா காடாளா திணைப்பிரித்து  
 ஆர்பரித்து நெற்குவித்து யானைக் கட்டி  
 போராடித்து - அப்பப்பா  
 பழம் பெருமைக்குச் செவி கொடுங்கள்  
 சமூக நீதி மறந்து  
 சாதியம் புகுந்து  
 சமத்துவம் துறந்து  
 மதமாய் இணைந்து  
 சகோதரத்துவம் இழந்து  
 சமாதானம் சிறந்து  
 சுதந்திரத்தின் வெற்றியாய்  
 மலத்தின் வாசம் ஸி தேசிய  
 மணமாய் வீசுகிறது  
 மக்களை ஆளும்  
 மன்னரின் யோக்கியத்தைப்  
 பிசியும் பேசுகிறது - மீண்டும்  
 இம்மண்ணில் பிறக்க ஆசை  
 மனிதனாக அல்ல பசுவாக ஸி ஏனென்றால் பெண்களை விட  
 பசுவிற்கு அதிக பாதுகாப்பு

நான் பசுவாய் பிறந்தால் - எனக்காக  
 அவனைப்பு தினம் அனுசரிக்கப்படும்  
 நான் புனிதமாக்கப்படுவேன்  
 எனது கோமியம் கோவில்  
 கருவறைக்குள் நுழையும் ஸி சில  
 மாநிலங்களில் முதலமைச்சரே வணிகதூதர்  
 எனது சாணம் கழனியில்  
 உதவுமோ என்று தெரியாது  
 சாதியவாதிகளுக்குக் குடிநீர்  
 தொட்டியில் கலக்க உதவும்  
 என்னைப் பாதுகாக்க சட்டம்  
 மற்றும் அரசியல் திட்டம்  
 எங்கள் தந்தையர் நாடென்ற பேச்சினிலே  
 அவமானம் பிறக்குது இப்பாரினிலே  
 மாக்கள் போல் எதிர்க்காமல்  
 இருப்பதே அழகு ஸி இல்லையெனில்  
 இனி ரௌத்திரம் பழகு  
 தத்தகிட தத்தகிட தத்தகிட தத்தோம்  
 தத்தகிட தத்தகிட தத்தகிட தத்தோம்

எங்கள் தந்தையர் நாடென்ற பேச்சினிலே

சாதியில்லா வீதி  
 சமத்துவ நீதி  
 மதம் போற்றா நாடு  
 மனிதம் பேசும் வீடு...  
 எல்லோர்க்கும் உரிமை  
 ஏமாஸற்றும் நிலைமை  
 அனைவரும் கற்க  
 அதன்படி நிற்க...

பெண்ணடிமை நீங்க  
பெருமைகள் ஓங்க  
செந்தமிழ் வாழ  
செயற்கையோ வீழ...  
வறுமைகள் மாற  
வளமைகள் சேர  
இருப்பதைக் காக்க  
இன்னலைப் போக்க...  
இல்லையேத் தீட்டு  
இழுத்து நீ பூட்டு  
சமத்துவம் ஊட்டு  
சமம் எனக் காட்டு  
இப்படி எல்லாம் நமக்கு  
இருக்கனும் உயிர் மூச்சினிலே  
இருக்குது மாறாக  
இங்கு வெறும் பேச்சினிலே.

### மூன்றாம் பரிசு பெற்ற கவிதை எங்கள் தந்தையர் நாடென்ற பேச்சினிலே

வளமையான இந்நாட்டில்  
வலிமையான இந்நாட்டில்  
இனிமையான இந்நாட்டில்  
இளமையான இந்நாட்டில்  
ஒருவருக்கொருவர் தாங்க வேண்டும்  
ஒற்றுமை செழித்து ஓங்க வேண்டும்  
ஆன்றோரைச் சான்றோரை மதிக்க வேண்டும்  
அன்பினை யாவரும் பதிக்க வேண்டும்  
கல்வியை யாவரும் கற்க வேண்டும்  
களத்திலே உறுதியாய் நிற்க வேண்டும்

பெண் சமுதாயத்தைக் காக்க வேண்டும்  
பாலியல் தொல்லைகள் போக்க வேண்டும்  
இளையோர் எழுச்சியாய் வர வேண்டும்  
இந்தியா எழுச்சியைப் பெற வேண்டும்  
வள்ளல் குணமாய் ஆக வேண்டும்  
வறுமை இங்கே சாக வேண்டும்  
செய்யும் செயலில் பற்று வேண்டும்  
சேதங்கள் யாவும் வற்ற வேண்டும்  
அன்பைப் பகிர்ந்து உண்ண வேண்டும்  
அனைவரையும் சமமாய் என்ன வேண்டும்  
பெண்கள் வாழ்விலே புதுமை வேண்டும்  
பேதம் இல்லாமல் பொதுமை வேண்டும்  
நாவினில் இவைகள் உன் பேச்சாக வேண்டும்  
நாட்டில் வாழும் நம்மில் இவை மூச்சாக வேண்டும்  
இவையாவும் எண்ணிக் காத்தால்  
நம் தந்தையர் நாடென்ற பேச்சினிலே  
புது சக்தி பிறக்கும் நம் மூச்சினிலே.

#### POP WITH HINDI - REPORT

Venue : seminar hall

No. of Participants : 270 ( Non Hindi students)

On the occasion of Hindi Diwas – Our Hindi Department had arranged a unique and a very interesting program called POP WITH HINDI on 14 Sep 2022 .

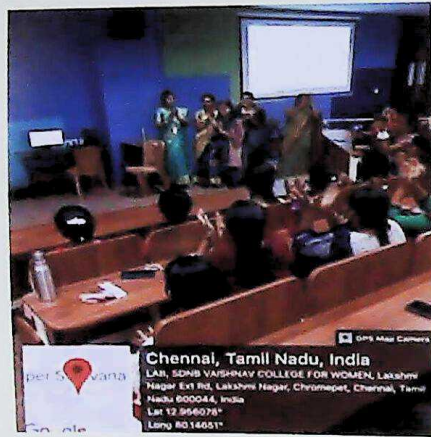

Young generation has a strong taste for music and they are passionate about POP songs

Keeping this in mind, our Department of Hindi planned for such a program that aimed to introduce Hindi to Non-Hindi students, through famous English POP songs .

Pop Songs that were chosen for this program were theme based. For instance , songs that highlighted Mother's love , Self Love , Healthy friendship etc were played in the program with Hindi subtitles . Our Hindi students who played the role of anchors, explained the theme bilingually ( both English and Tamil ). The thematic words and their usage in sentences were explained in Tamil – English & Hindi. Our enthusiastic participants interacted with our Hindi students and tried to learn the usage of the Hindi words in sentences . Nearly 100 Hindi words , their pronunciation and various contexts in which these words could be used in sentences were taught in the program . This way the students could learn simple Hindi words very effectively and effortlessly.

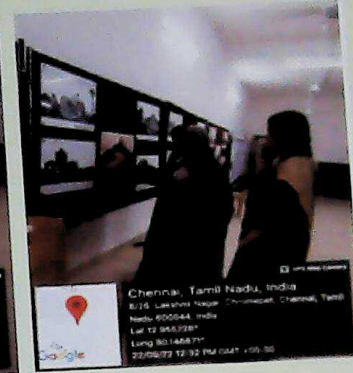

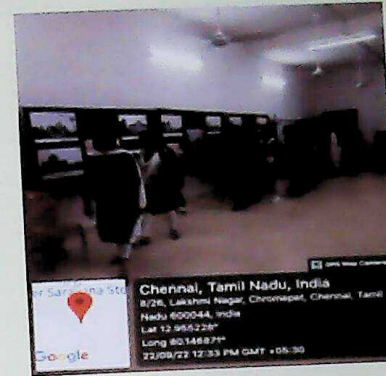

The program was a feast to their ears and nourishment to their knowledge. From the enthusiastic participation and the encouraging feedback from our students, we could understand that our Program the EDUTAINMENT EVENT - POP WITH HINDI was very successful in attaining it's motto of teaching Hindi in a fun filled way .

## Rethinking World Tourism Conference

On account of World Tourism Day the Department of History and Tourism and B.Voc Travel and Tourism conducted a program on Rethinking Tourism on September 27th 2022 at our college premises.

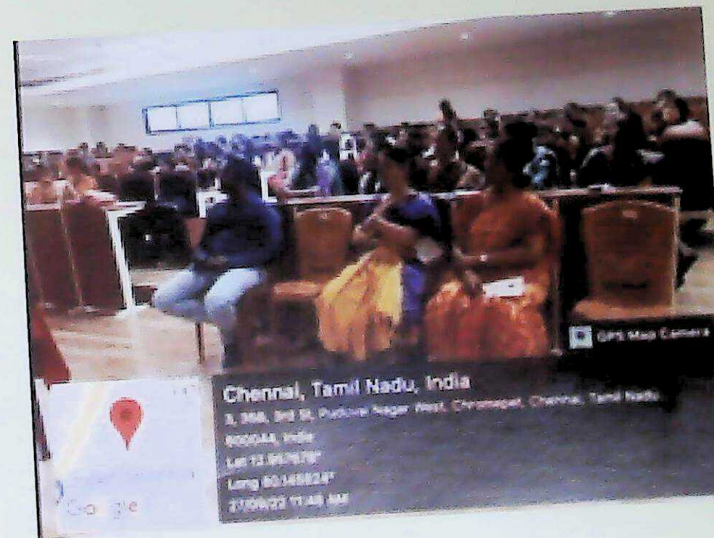

The chief guest for the events were Mr.Sharah Nambiar – Director, Dakshinachitra Museum, Chennai, Mr. Y.Mohamed Halith – Senior Manager tour operating SOTC and Mr.Mohammed Farouk -Associate Professor, Dr.Rela, Institute & Medical Centre.

The meeting was conducted to promote important discussions about the tourism industry. Tourism has become an integral part of world economy and is contributing significantly to employment, revenue, and GDP growth. However, the industry also faces significant challenges related to sustainability, over-tourism, and environmental impact, among others.

The conference has covered topics such as:

- The impact of tourism on the environment and local communities
- The need for sustainable tourism practices
- The role of technology in enhancing the tourism industry
- The importance of cultural preservation in tourism
- The challenges and opportunities for tourism in a post-pandemic world.

The "Rethinking World Tourism Conference" is an excellent opportunity to explore these issues and to discuss potential solutions.

## WORKSHOP AND WEBINAR CONDUCTED DURING THE ACADEMIC YEAR 2022-2023

Event Name	Multivariate statistical analysis using SPSS
Category	Workshop
Department	UG Department of Statistics
Date	15th March 2023
No. of Resource Person	1
No. of Participants	70

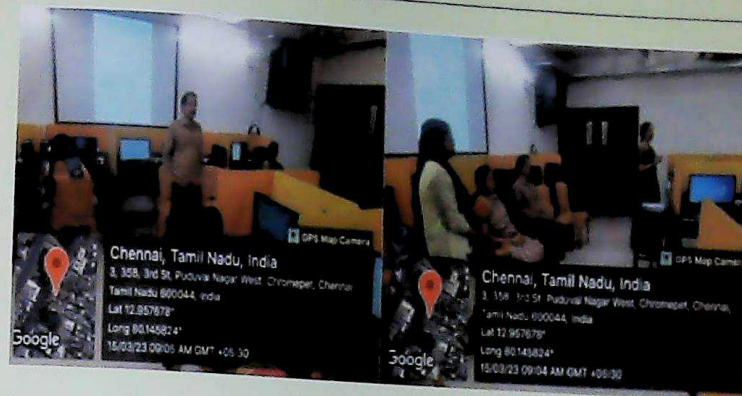

### REPORT:

The Department of Statistics in collaboration with the Internal Quality Assurance cell, conducted a workshop on "Multivariate Statistical analysis using SPSS". It was a six-hour workshop on 15th March 2023 from 9 a.m to 3 p.m. The guest speaker of the workshop was Dr. N Vishwanathan, Associate Professor and Head of the department of Statistics, Presidency college.

The primary objectives of the workshop were to provide participants with an understanding of multivariate statistical analysis, to teach them how to perform multivariate analysis using SPSS software, and to demonstrate how to interpret and present the results. A brief outline of session-wise agenda of the programme is given below:

#### Session 1:

The objectives of the first session were to provide participants with a thorough understanding of the statistical methods used for analysing quantitative variables, including the mathematical equations involved and the associated tests for testing their underlying assumptions. This knowledge will enable participants to conduct appropriate and reliable statistical analyses, interpret the results accurately, and draw meaningful conclusions.

A workshop on **Multivariate statistical analysis using SPSS** on 15th March 2023 by Dr. N Vishwanathan, Associate Professor and Head of the department of Statistics, Presidency college.

#### Session 2:

The objectives of the second session of the workshop were to focus on qualitative variables, and specifically to teach the participants about Logistic Regression and Factor Analysis. The participants were introduced to the mathematical equations involved in Logistic Regression and the methods for encoding categorical variables to use them in regression modelling. Additionally, the session included a comprehensive explanation of the associated tests that are useful for testing the underlying assumptions involved in the process.

Event Name	Statistical Inquiry using R programming
Category	Student Development Program
Department	UG Department of Statistics
Date	25th March 2023
No. of Resource Person	1
No. of Participants	70

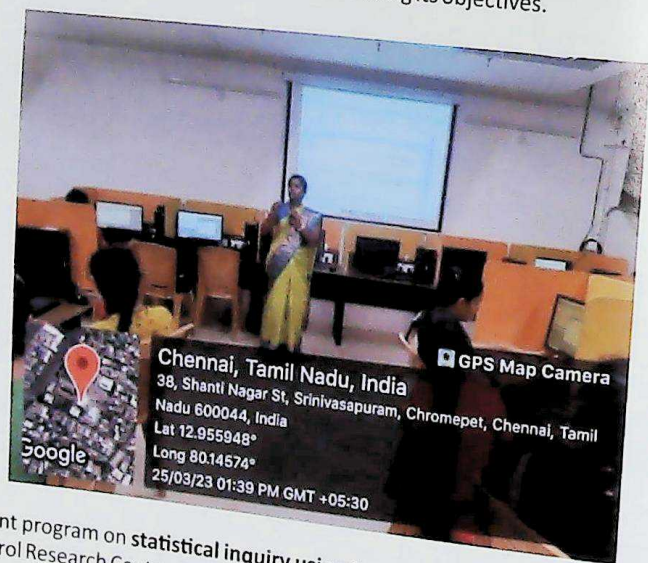

## REPORT:

The Department of Statistics in collaboration with the Internal Quality Assurance cell, conducted a student development program on statistical inquiry using R on 25th March 2023. The program aimed to introduce the Students to the fundamentals of R and data analysis using R. The guest speaker of the program was Dr.R.Amala, Scientist- C, ICMR Vector Control Research centre, Puducherry. The program focused on applied principles of statistics, multivariate concepts and its applications, recent developments, and case studies in medicine.

The SDP was divided into two sessions. The first part of the session focused on the basics of R programming. Students learned about R's data types, variables, data structures, and how to create and manipulate these.

Students learned about importing data into R from different sources such as CSV files, Excel spreadsheets, and databases. They were also introduced to the popular data manipulation packages in R such as 'dplyr' and 'tidyr'.

The second session of the SDP focused on data analysis with R. Students then learned how to perform exploratory data analysis (EDA) on their datasets. They learned how to use R to create visualizations such as histograms, bar plots, and scatter plots. Additionally, Students were introduced to statistical tests such as t-tests and ANOVA using R. Non parametric tests like Mann Whitney U Test, Wilcoxon Signed Rank Test, and Kruskal Wallis test were also discussed in the workshop. Finally, Students were introduced to summarizing their data analysis results. The SDP was successful in achieving its objectives.

## DEPARTMENT OF PHYSICS

Department of Physics organized a seminar on "Perspective and opportunities in Physics" on January 05 2023 in seminar hall (Golden Jubilee block). The main objective of this seminar is the career opportunities after B.Sc. Physics. The chief guest of the seminar was Mr. Joseph Prabagar. He is a physics lecturer in Central Polytechnic college, Tharamani. The programme started at 10:00 AM with a welcome address by Ms. Thasbeeha Banu. Vote of thanks was given by Ms. Kruthika.

The Department of Physics conducted their Interdepartmental competitions on 19.10.2022. The following events were held -

1. Minute to win it
2. Word building
3. Bingo
4. A to Z

Students from various departments actively participated in the competitions and won the prizes.

The Department of Physics conducted their Interdepartmental competitions on 09.03.2023. The following events were held -

1. Truth Lie
2. Brain Out Event
3. Connections
4. Word Building

Students from various colleges actively participated in the competitions and won the prizes.

### DEPARTMENT OF CHEMISTRY 2022-2023

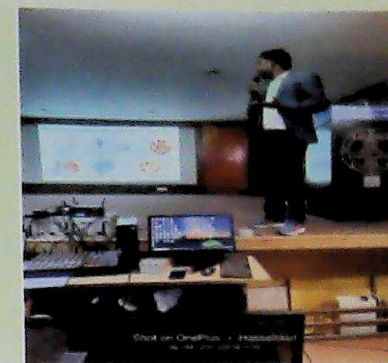

Mr. Uma Shankar, Curator, Government Museum, Kancheepuram, gave hands on training for the students on 07.11.2022 using various solvents like rectified spirit, acetone to clean palm leaf manuscript and poly vinyl acetate or ethyl silicate in acetone to clean stone statues. Also the black deposits on the stone objects are removed by ammonia solution. He also jotted out the job opportunities in various sectors of Government museum.

Dr. Shakhivel Manavalan, PDF-Institute of Polymer Science and Engineering, National Taiwan University, Taiwan shared the Opportunities and life in Electrochemistry in Taiwan

### Universities for the students who aspire for the Research.

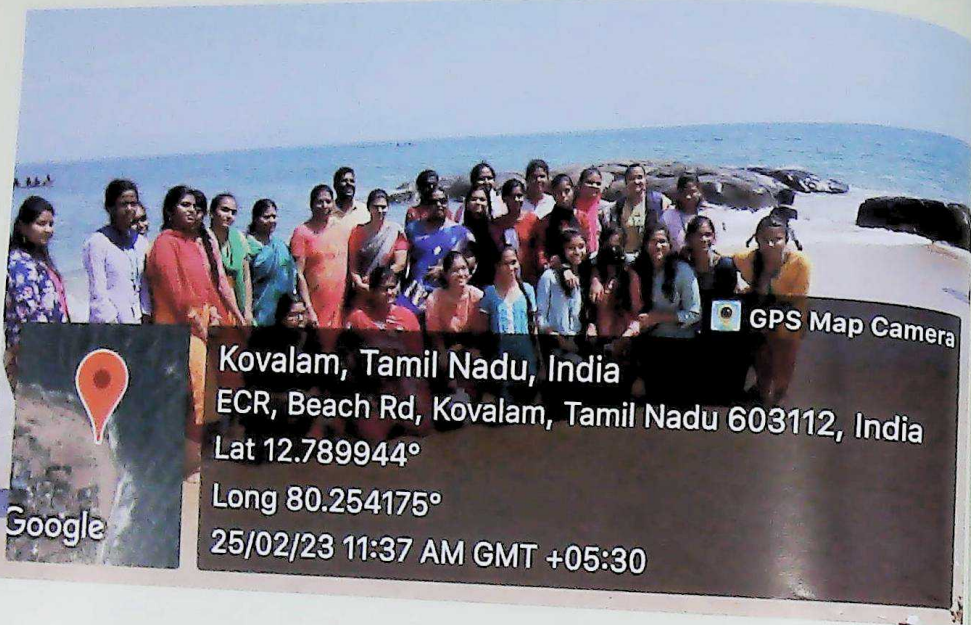

Dr.T.Sivaramakrishnan, Assistant Professor, Department of Chemistry, R.K.M Vivekananda College and Chennai shared the opportunities in various fields like Polymer, Pharmaceuticals, etc on the topic "Future endowments in Chemistry-Enchanting the world". El' Fiesta de Quimica –Intercollegiate events were conducted on 25.01.2023, participants from various colleges took part in the events and over all trophy was bagged by Loyola College, Chennai

### DEPARTMENT OF PLANT BIOLOGY AND PLANT BIOTECHNOLOGY

Educational trip to Ooty, helped the students in the collection and identification of different plant species and algal species for the preparation of Herbarium.

**Interdepartmental activity: Madulika 2023**

Students from other department participated & won many prizes.  
 Intercollegiate: Students from other colleges actively participated & won many prizes.  
 A one day seminar was conducted by the Department of Plant Biology and Plant Biotechnology. Dr. Karthikeyan Ramalingam gave a talk on Future possibilities of Nano-emulsion in Bio-Nanotechnology. Students from other departments were also invited.  
 Dr. E. Gayathri conducted a workshop on "Scientific Paper Writing on Tools and Techniques for Upcoming Research". Hands on training was given.

**World Record Event:**

Students from First Year, Second Year and Third Year participated in a world record event and got certificates. One special prize was won by Plant Biology and Plant Biotechnology department.

**Students Achievements:**

- 1) Sangeetha and Ramalaksmi won 3<sup>rd</sup> Prize in Quiz competition conducted by Vivekananda Cultural Center.
- 2) Soniya and Harini Won 2<sup>nd</sup> Prize in dumb-charades conducted by SDNB Vaishnav College History Department.
- 3) Shalini and her team won 3<sup>rd</sup> Prize in the Zonal Competition conducted by University of Madras.

- 4) Thirsha, Vishnupriya, Aasiya haseena, Archana, Swetha & Sangeetha participated and Won 2<sup>nd</sup> Prize in Ad zap conducted by BBA department.
- 5) Soniya participated and won 3<sup>rd</sup> place in the Corporate Walk conducted by the BBA department.
- 6) Third year students of Plant Biology and Plant Biotechnology participated and won prizes in many events conducted by Madras Christian College. The overall winner trophy was won by the Plant Biology and Plant Biotechnology department.

- 7) Presidency College Intercollegiate event PhytoNika2023: Students from PBPBT participated and won the following prizes.
  - Amrita Mohanty & Vrisha Prasad won 1<sup>st</sup> prize in Flameless cooking competition.
  - Sangeetha, Kishoari & Krithika Gayathri won 2<sup>nd</sup> Prize in phytoquiz competition.
  - Priyadhardhini. M, Subasree and Kiruthika. B won special prize in Rangoli Competition. Overall trophy runner up was won by our students.
- 8) Keerthana participated and presented their project in an **International Conference** conducted by **Rajalakshmi Engineering College**.
- 9) Thirsha, Keerthana and Krithika Gayathri participated and presented their project and Thirsha won second prize in an **International Conference** conducted by **Mahalakshmi College for women**.
- 10) Thirsha and Keerthana participated and presented their project work in the National Conference conducted by **Alpha College of arts & Science**.
- 11) Thirsha, Keerthana, Krithika Gayathri, Amrita Mohanty and Ashika Sheerin S. participated and presented their project work in the **Inter national Conference** conducted by **Loyola College**.
- 12) Keerthana, Thirsha and Krithika Gayathri published their project work in the **UGC International Journal Annals. Food Science and Technology**.

## DEPARTMENT OF COMPUTER SCIENCE

### WEBINAR ON INTERNET OF THINGS-(IOT)

The UG and research department of computer science hosted a Online webinar on "Internet of things" on September 22, 2022. The resource person for this webinar was Dr. Poorinima Nedunchezian, assistant professor, senior grade, Department of information security scope, Vellore institute of Technology, Vellore campus. The goal of this webinar was to educate students and to conduct an interactive session with the resource person. The programme drew 52 participants from Department of computer science 3<sup>rd</sup> year S.D.N.B vaishnav college. The webinar was organized by faculty members of S.D.N.B vaishnav college for women's UG and research department of computer science with the assistance of the principal and management. The students acknowledged their appreciation for being a part of the session and expressed confidence that they will put their training into practice in their classroom performances.

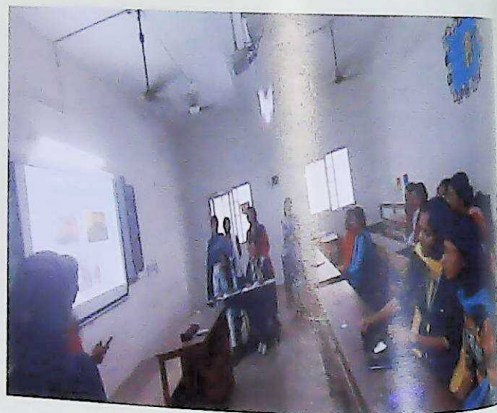

### INTER-DEPARTMENT EVENT

The UG Department of Computer Science(aided) conducted the Inter-departmental competitions Technovanza 2022-2023 on 20/01/2023. Event like Meme creations, Memory game, T-shirt painting, Connection, Logo designing were conducted for the students in our college. There was an enthusiastic participation of many students from various departments.

## DEPARTMENT OF COMMERCE

Interdisciplinary International symposium on the topic '*Post Pandemic Ramification at the Global level – A panoramic view*' is conducted at Shrimathi Devkunvar Nanalal Bhatt Vaishnav College for Women on 14<sup>th</sup> Oct 2022 by Department of Economics & Department of Commerce.

The eminent speakers of the symposium are :

- (1) Dr. R. Rangarajan, Dean i/c College Development council, Professor and Head Dept of Commerce, University of Madras.
- (2) Dr. Srivani Seetharaman, Infection prevention and control, Lakeridge Health, Toronto, Canada.
- (3) Dr. Shobana Karthikeyan, Assistant Professor, Dept of Economics, Madras Christian College.

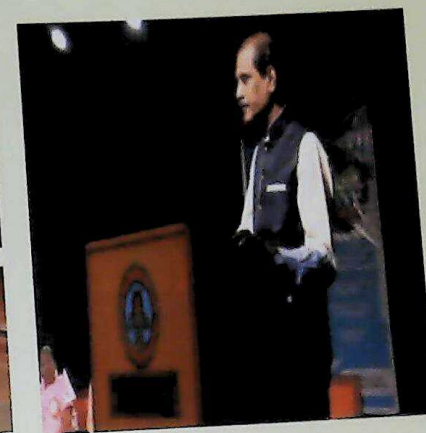

Dr. R. Rangarajan presided about the human behavioral change of pre and post pandemic situation in India. Also, he explained about its negative impact in education system through online classes.

Dr. Srivani Seetharaman explained pandemic at a global level. According to her, during pandemic unemployment level has been increased in global level. The need for personal protective equipment in public health has increased in Indian economy. She also explained about the impact of pandemic on human life in our economy.

Dr. Shobana Karthikeyan talk on various aspects how women have been disproportionately affected by losing employment opportunities compared to men. Violence against women had become a major issue during pandemic. Lockdowns and other mobility restrictions have left many women trapped with their abusers.

isolated from social contact and support networks. Violence against women can lead to depression, post traumatic stress and other anxiety disorders, sleep difficulties and suicide attempt. Estimates published by WHO indicates that globally about one in three of women worldwide have been subjected to either physical or sexual intimate violence or non-partner sexual violence in their lifetime.

All the speakers have beautifully added to the glory of this symposium and answered the questions raised by the students. This Symposium is beneficial in elevating the quality of healthcare being dispensed everywhere. This Symposium was very much useful for both students and faculties.

The Research Department of Commerce has organized many events and webinar for the betterment of each and every student. Firstly on 19<sup>th</sup> of September 2022 the department and the Sraddha Academy for financial education cordially organized a seminar about "FDP ON FINANCIAL EDUCATIONAL PROGRAM FOR COMMERCE FACULTY" with Mr. Shankar Sundaresn securities market trainee-SEBI, founder and CEO- Sraddha Academy for Financial Education (S.A.F.E). The secession elaborated explained about the financial market and recent trends about stock market.

Research Department of Commerce organized Vaish- comfest "Effulgence" – 2022 on 9th January 2023. Mr. G Nagarajan Founder & CEO of Artha Vidhya inaugurated Vaish Comfest "Effulgence" – 2022 and he spoke about self-motivation through some interesting stories in his inaugural speech. A different inter departmental events such as RAZZMATAZZING (Adzap), RING A BELL (Memory game), EXTRAVAGANZA (Dumb C), TURNCOAT (Block and Tackle) was held to bring out the talents of our students and they showed a great interest towards it. Department of Statistics won the overall trophy. 10th January 2023 Intercollegiate competitions like RAZZMATAZZING (Adzap), EMBARK ON (Business Plan), BREAKTHROUGH (Potpourri), WAYMARK (Poster Making) competitions were conducted. Students from nearly 20 colleges participated in various intercollegiate competition and Guru Nanak College won the overall trophy. Later Valedictory was given by Dr. P.R Ramakrishnan Dean and Professor at VELS Institute concluded his speech with stock market importance and distributed the prizes

## Workshops

Department of General English conducted a workshop titled 'Critical Thinking for 21<sup>st</sup> Century Student' on 29/10/2022. Dr. Deepesh Chandrasekharan, Assistant Professor in English, Shiv Nadar University was the Resource Person. He enlightened the students with the importance of Critical Thinking in the 21st century.

The Department of General English and the Delight Book Club of SDNB Vaishnav College for Women organized a Workshop titled, 'Read to Lead' on 03/09/2023 aimed at inspiring the students to read, and making them aware of the importance of reading. Dr. A. Ganesan, Assistant Professor in English, Ramakrishna Mission Vivekananda College was the guest speaker.

## Department of B.A. English (2022-2023)

### Guest Lecture

As a part of the Capacity Development and Skill Enhancement program the Department of BA. English (SFS) deemed it an honour on teacher's day to welcome Dr. Ganesh, visiting faculty of the University of Madras to address the topic "Literature: Its Present, Past and Future". A complete genealogy of the trends in literature from classic to contemporary was traced in the session. It was an ardent call for the students to equip themselves for the inevitable scholarly demands of the future that urges for a greater critical, wider, and deeper outlook on literature and life.

## Extending The Corridors of Learning: Collaborative Activities

In collaboration with Stella Maris college, Department of B.A., English, SDNB Vaishnav College, organized a mutually comprehensive learning program. The second year students of B. A., English (SFS) visited the Department of B.A., English (Shift I) of Stella Maris College as a part of classroom extension activity for 5 days from 6th to 10th February 2023. Both the Departments agreed to design and implement collaborative learning modules wherein the students of both will benefit from the sharing of teaching-learning resources. As planned, the 5 days collaborative program offered a wealth of helpful and inclusive exposure to Travel Writing, Children's Literature, ELT, a Workshop on picture books, seminars on Disability Studies followed by every day Grammar Assessment and Practice Sessions (in the language lab). The students were so excited to witness the talents of their peer student community in the collegiate competitions organized by Stella Maris.

Apparently, this second significant activity organized by the UG Department of English (SFS), SDNBVC in 2023 had set the ball rolling by creating a space to extend peer networking and professional upgradation.

## International Symposium: Breaking The Hegemony

The Department of B.A. English (SFS) organized a one-day international symposium titled "Breaking The Hermeneutic Hegemony" on 25th January 2023 under the guidance of their honorable Principal Dr. Geetha. The symposium hosted a multitude of critical approaches to De-colonisation and Indigenous studies. The premium forum had academic scholars from varied places who presented their myriad views. Following the inaugural address, the keynote speaker from St. Thomas More College, University of Saskatchewan, Dr. Arul Kumaran edified the audience by tracing the legacy of colonialism and indigenization in Canada.

Other prolific guest speakers are Dr. Supala Pandiarajan, Associate professor, University of Madras, Dr. T. Prabhu, an Assistant professor, Loganatha Narayanaswamy Government College, Dr. Siva Shankari, Head and Assistant professor, SDNBV and Dr. Divya Jyoti Singh, Assistant professor, from the Jc Bose University of Science and Technology, Haryana. The event was a great success as it received affirmative feedback not just from the students but also from esteemed scholars. The symposium was an attempt to initiate more academic meet-ups for productive growth.

## Department of Mathematics (UG & PG) (2022-2023)

### Seminar

#### Stochastic Modeling and its Applications in Real World Problems

Date : 17/10/2022

Venue: Seminar hall I

Resource Person: **Dr.V.Vidhya,**

Assistant Professor

Vellore Institute of Technology , Chennai.

The seminar imparted in depth knowledge to the participants on how stochastic modeling plays an important role in solving real world problems and served as a venue to put forward and discuss mathematics problems faced by us in our day to day life.

### Math Zest

## Seminar Graph Theory and its Applications

The seminar on "Graph theory and its applications" organized by the Department of Mathematics was held on March 8, 2023 in Seminar hall I. The Resource Person was Associate Professor Dr. K. Sankar, Department of Mathematics, Anna University, Chennai. Dr. K. Sankar started with the origin of women's day celebration and later on explained algorithms for shortest path problems.

The Resource Person elaborated on SWAYAM MOOC. In order to make the program more interesting and to encourage the students, our speakers gave prizes. School students were enthusiastic throughout the program. A Student from Christ king Girls Matric Hr Secondary school (Tambaram) had given a short note on the program by observing the speakers and gave a note on what she understood. She shared her observations. SWAYAM Coordinators also distributed certificates to school teachers and students who had attended the program.

In order to collect more memories, the school teachers from different schools have also taken photos with our college faculties. Entirely the program has been very useful to the school students and teachers. Few teachers also stated that they come to know more about SWAYAM all over the school to gain more knowledge and gain benefits through SWAYAM.

## Seminar "Career Opportunities That Leverage Mathematical Talent"

The PG Department of Applicable Mathematics hosted a one-day Seminar on 13/3/2023. The chief was Dr. G.Latha, Scientist, NIOT is the Head of Ocean Acoustics and Modelling group. She presented the audience with an idea of the different projects that were part of her career in NIOT. An enthusiastic Q&A session was led by her, where the students learnt about the opportunities in NIOT and eligibility for different positions in NIOT.

## DEPARTMENT of COMPUTER SCIENCE 2022 - 2023

### Techtrix'22

The UG Department of Computer Science and the UG department of Computer Applications conducted Inter-Departmental Competitions titled TECHTRIX'22.

On October 13<sup>th</sup>, 2022 at 1:00 pm. The competition was composed of the following events: BRAINZEE, HACK N TRACK, TIE IT N LINK IT, ENSIGN, and PICK/DROP/RECKON IT.

#### Ensign - "Digital Logo Making"

Students from various departments created and explained digital logos on technology. Mrs. Matilda, Assistant Professor from the Department of B.com (A and F), SDNBVC, was the judge for this event.

#### Pick Or Drop - "Guess The Best"

Pick or drop was a fun event and the Students picked the correct options from the displayed images. Mrs. Radhika, Assistant Professor from the Department of Computer science, SDNBVC, was the judge for this event.

#### Reckon It - "Identifying The Icons"

Two rounds were conducted in this competition. First round was an odd one out and the second round was identifying the icons. Mrs. Anbarasi, Assistant Professor from the Department of Mathematics, SDNBVC, was the judge for this event.

#### Workshop - How to Protect Profile Picture in Social Media

A Workshop on the topic "How to protect profile picture in social media" was organized by cyber awareness cell on September 29<sup>th</sup> 2022 at 10:00am. The topic of the event was streamlined down to protection of profile pictures on social media, as discussions and awareness on such topics were in the need of the hour. We were privileged enough to be informed about and be made aware upon the importance of securing our privacy by protecting our profile pictures in social media, through the valuable workshop from our Resource Person Mr. Pradhan Vijaykumar, founder, ZERO2INFINITE (leading cyber security service and training company). Various sections were discussed in the workshop beginning with email hacking to the future of block chain, tracking of bitcoin. The session was very interactive and informative.

#### A Global Vision Towards IOT & IIOT - Beyond The Buzz

The UG department of Computer Science and the UG department of Computer Applications conducted a seminar titled "A Global vision towards IoT&IIoT - Beyond the Buzz". The Resource Person was Dr.M.Rameshkumar, Assistant Professor & Head, PG and Research Department of Computer Science, Government Arts College for Men (Autonomous) on November 18<sup>th</sup>, 2022 from 1:30 pm to 2:30 pm in Seminar Hall 2 of Golden Jubilee Block.

The seminar was interactive and informative to the students. It included a detailed explanation about IOT and IIOT and their applications. Dr. M. Rameshkumar took over the session by introducing the basics of IOT & IIOT to the students. He taught the students about the objectives of IOT and the different phases of internet evolution. This session gave the students a vision on how IOT is being used in medical fields.

## Seminar

### Smart Techniques To Enrich Career Opportunities

The UG Department of Computer Science and the UG department of Computer Applications conducted a seminar titled "Smart Techniques to Enrich Career Opportunities" on February 28th 2023 in the Mini Auditorium. The seminar was interactive and informative to the students. It included a detailed explanation about the smart techniques to improve career opportunities.

Mr. J. Parthasarathi explained the importance of the transition (using the free resources effectively), knowing about the competitors while seeking jobs, bridging the gap between the companies and the talented and skilled candidates. He also talked about how to upskill ourselves and also gave the students some content in detail. He also gave the students many ideas to upskill their talents, to succeed in their path.

## Workshop

### Regression And Cluster Analysis Using R

The UG Department of Computer Science and the UG Department of Computer Applications conducted a workshop on the topic "Regression And Cluster Analysis Using R" by the Resource Persons S. Radha, Assistant Professor (Sr.), Division of Mathematics and School of Advanced Sciences VIT, Chennai and Dr. G. Hannah Grace Assistant Professor (Sr.), Division of Mathematics and School of Advanced Sciences VIT, Chennai on March 14th, 2023 at 10.00 am to 3.00 pm in SB Lab 7. The workshop was interactive and informative to the students. It included a detailed explanation about the regression and cluster analysis using R programming.

The workshop was conducted in two sessions. In the morning session, S. Radha explained the basics of R programming, elaborating on regression, data types in R. She taught about the number recycling in vectors, sorting method, data frames, factors in R, vector manipulation, plotting R and matrices. The session was explained with a presentation which consisted of a lot of useful information, and she asked the students to practice the same.

In the evening session, Dr. G. Hannah Grace explained what a cluster algorithm is. She clearly explained about the basic concepts of partitioning algorithm, databases of objects with a set of k-clusters, method of measuring distance, partitioning around medoids, elbow method and clustering application. The session was explained with a presentation which consisted of a lot of useful information, and she told the students to practice in systems.

## Department of B.C.A (UG)

### Seminar - Full Stack Development

The Department of B.C.A conducted a seminar on Full Stack Development held on 12<sup>th</sup> October 2022. The Resource Person Ms. Punitha from LIVEWIRE delivered the seminar. She explained the uses of full stack software and how to become a full stack developer.

### Seminar - Career Opportunities & Internship Using LinkedIn

The department of B.C.A conducted a seminar Career Opportunities & Internship Using LinkedIn on 17<sup>th</sup> November 2022. The Resource Person was Dr.S.Jayachandran from SRM University. He gave a detailed account of LinkedIn professional enrollment and how it lightens the support of career opportunities to students.

### Seminar - Current Trends in Software Development

The UG Department of Computer Applications and the UG Department of Computer Science conducted a joint seminar on the topic "Current Trends in Software Development" by the Resource Persons Mr.D.Vijayasundaram, Director, BI Worldwide India Private Ltd and Mr.G.V.Ramachandran, Technical Lead-Vert Markets on March 4<sup>th</sup>, 2023. The seminar included a detailed explanation on IOT and IIOT and their applications.

### Workshop - Regression And Cluster Analysis Using R

The UG Department of Computer Applications and the UG Department of Computer Science conducted a workshop on the topic "Regression And Cluster Analysis Using R" by the Resource Persons S.Radha, Assistant Professor (Sr.), Division of Mathematics and School of Advanced Sciences VIT, Chennai and Dr. G. Hannah Grace Assistant Professor (Sr.), Division of Mathematics and School of Advanced Sciences VIT, Chennai on March 14th, 2023.

The workshop was conducted in two sessions. In the morning session, S. Radha explained the basics of R programming, elaborating on regression, data types in R. In the evening session, Dr. G. Hannah Grace explained what a cluster algorithm is.

### Seminar - Natural Language Processing and its Applications

The UG Department of Computer Applications and the UG Department of Computer Science conducted a seminar on the topic "Natural Language Processing and its Applications" by the Resource Person Dr. P.S.Sreeja, Associate Professor, School of Computing Sciences, Hindustan Institute of Technology and Science on February 25<sup>th</sup>, 2023. The Resource Person talked about the overview of NLP technology for the real world and gave examples of NLP applications about healthcare, education, finance and agriculture.

## Department of Computer Science with Artificial Intelligence (2022 - 2023)

### Data RobtX – Inter Collegiate Fest'23

The Department of Computer Science with Artificial Intelligence and the Department of Computer Science with Data Science conducted an Inter-collegiate Fest on 27<sup>th</sup> February, 2023. The Department of Artificial Intelligence conducted two Events based on Artificial Intelligence: Tech-It-Out and Chatbot.

#### Robotics Workshop

The Department of Computer Science with Artificial Intelligence organized a week-long workshop for 7/12/2022 to 16/12/2022. The lectures and hands-on training in the workshop were given by a team of experts from Diya Edulabs Pvt., Ltd. Chennai. The expert started with an introduction to IOT, the necessity of learning robotics and internet of things in recent times, and the future of IOT along with quality of coding.

#### Logic Programming In Prolog For Artificial Intelligence

The Department of Computer Science with Artificial Intelligence organized a workshop on 27/10/2022. The Chief Guest, Dr. J. Padmavathi, Associate Professor and Head of the Department, SRM institute of Science and Technology, Chennai, delivered a lecture and provided hands-on training on logic programming using Prolog. She initiated the session with an introduction to AI, current status of AI, future of AI along with the quality of Prolog coding.

#### Webinar - Data Science & Artificial Intelligence:

##### Unlocking The Best Role In Near Future

The Department of Data Science and the Department of Artificial Intelligence conducted a webinar on "Data Science & Artificial Intelligence: Unlocking the Best Role in the Near Future" on 1<sup>st</sup> October, 2022 through Google Meet. The session was preceded by the chief guest Ms. Deepa Jayaveer, Product Architect at TCS. Ms. Deepa started her presentation by answering the quintessential question "What is Data Science? How is it used?" She provided productive guidelines about securing a career in this field and threw light on the countless opportunities that lie in the field of Data Science And Artificial Intelligence. She highlighted the increased usage of Data Science, as an analyst in the health sector in the future.

#### Data RobtX – Inter-Departmental Fest'23

The Department of Computer Science with Artificial Intelligence and the Department of Computer Science with Data Science conducted an Inter-Departmental Fest on 20<sup>th</sup> February, 2023. The Department of Artificial Intelligence hosted two events: Brainiacs and Baffle.

## Department of B.Sc.Computer Science With Cognitive Systems (2022-2023)

### Data Science And Analytics Using Python

The Department of Computer Science with Cognitive Systems conducted a two days hands-on workshop on the topic "Data science and analytics using python" and its use cases on 14.09.2022. Dr.K.B.Priya Iyer was the Resource Person. Around 43 students from both first and year were the participants of the event. The event started with a welcome address. The agenda was to make students understand the basics of Data Science and features of Python language and to apply various libraries of python in analyzing real datasets. The event ended with the vote of thanks.

#### Hands-On Training Program on ITIL – Framework And ITIL

Department of computer science with cognitive systems conducted a Two days hands-on training program on the topic ITIL - FRAMEWORK AND ITIL - PROCESS on 07.02.2023 to 08.02.2023. Mr. Ranjit Raja was the Resource Person. Around 43 students from both first and year were the participants of the event. The event started with a welcome address. Students got a brief introduction about ITIL and its uses. They also got insight on wamp, xampp servers, itil service operations, design, improvements. The event ended with the vote of thanks.

#### Interdepartmental Events

Department of computer science with cognitive systems conducted an inter-department event 'cognizance 2k22' on 20<sup>th</sup> Apr 2022, to showcase the talent of students and to make them aware about the recent trends in technology. Paper presentation, bits and bytes were the events conducted. Students from various departments had actively participated and won prizes.

#### Webinar On Robotic Process Automation And Its Use Cases

Department of computer science with cognitive systems conducted an online webinar on the topic robotic process automation and its use cases on 14.09.2022. Dr.S.Karpagavalli was the Resource Person. Around 43 students from both first and year were the participants of the event. The event started with a welcome address. Students got a brief introduction about RPA and its uses. They also got insight on Ulpath studio, a platform which can be used to create soft bots for several use cases. The event ended with the vote of thanks.

#### Inter Departmental Event

The Department of Computer Science with cognitive systems conducted an inter-department event 'cognizance 2023' on 25<sup>th</sup> January 2023, to showcase the talent of students and to make them aware about the recent trends in technology. Mysterium, E-advert, Hangman were the events conducted. 60 Students from various department had actively participated and won prize.

## Department of B.Sc. Computer Science with Data Science (2022 - 2023)

### Webinar

#### Unlocking The Best Role in Near Future

The Department of Data Science and Department of Artificial Intelligence conducted a webinar titled "Data Science and Artificial Intelligence: Unlocking the Best Role in the Near Future" on 1, October 2022 through Google meet. Ms. Deepa Jayaveer, a Product Architect at TCS with 15 years of experience in building Java based applications was our guest speaker.

She provided productive guidelines about the career, elaborating on the scope for Data Science and Artificial Intelligence and the possible careers as Data Scientists, Analysts and also in the healthcare system, which proved to be very useful to our students. Ms. Deepa patiently answered all the queries, gave insightful career guidelines, elaborated on many such courses. This informative webinar brought great impact among students.

#### Workshop - Numpy And Pandas Basics

The Department of B.Sc Computer Science with Data Science conducted a workshop titled, "The Data Science Duology - Numpy and Pandas Basics Report". Ms.K.Vani, Assistant Professor, Shri Shankarlal Sundarbai Shasun Jain College for Women, T.Nagar was the chief guest.

In this workshop, students learnt about the Jupyter notebook and its uses. She taught how to install python libraries (Pandas & Numpy) to work with. She highlighted the difference in working between the Jupyter and Python IDLE environment. She analyzed many datasets in pandas and visualized the result using matplotlib library. The students benefited from this workshop and also gained knowledge about "What is Dataset and different approaches of analyzing the data?".

#### Inter-Departmental Fest - Data Robotix (*The Thrill of Solving*)

The Department of B.Sc Computer Science with Data Science organized an Inter- Departmental Association on 20th January 2023. To highlight the technical part, two events were conducted **Connexion** and **Pic 'o' Pick** based on Computer Science concepts. Many students participated enthusiastically in the events. There were participants from both the arts and science stream.

#### Intercollegiate Fest - Data Robotix (*The Thrill of Solving*)

The Intercollegiate event was held on 27th February 2023. The participants from various colleges around Chennai have actively participated in the competitions. The technical knowledge of the participants was overwhelming. The event included two competitions: Papyrus-paper presentation on topic Datafication in AI Revolution and **Figure Freaks-Data** visualization on the given dataset.

## Department of B.Com (General)

### Guest Lecture

The Department of B.Com (Gen) organized an invited talk on "Unconscious bias and Initiating Inclusiveness in the field of Education". Our guest Sugabradhayini explained about how we have to face the difficulty both mentally and physically. She gave a clear view, how to overcome the obstacles which we face in day to day life in the society. She had also given an effective way to deal with our exam preparation. This was helpful for the students to get over their mental stress. Besides, she also elaborated on the parental responsibility, care and support in taking care of such children. This energized the students with optimistic insights. This also opened up avenues for upcoming researchers, as the speaker's ideas were highly inspired by her own personal experiences, the challenges she faced and her own research works. Her innovative ideas and tips for the exam preparation were also very helpful for the students.

## Workshop On Foundations of Bioinformatics

Bioinformatics is defined as the application of tools of computation and analysis to capture and interpret of biological data. It helps in developing the methods and software tools for understanding biological data when the data sets are large and complex.

The main difference between genes and proteins depends on what they are composed of, genes are composed of nucleotides, and the proteins are composed of amino acids. The flow of information from DNA to RNA to proteins is one of the fundamental principles of molecular biology. It is often referred to as "central dogma." Through the processes of transcription and translation, information from genes is used to make proteins. The 3 main funda of amino acids is that they possess similar series, similar structure, and similar function.

### Awareness Program Balanced Diet

The Department visited Christ King Girls High School, East Tambaram on 27-01-2023 to create awareness on the millets. Millet recipes were shared with the students and the preparation of fireless millet recipes was demonstrated for the school students. A puppet show on millets was also performed.

### Guest Lecture

#### Holistic Nourishment for Glowing Mind and Body

On 27th February 2023, the Department of Nutrition, Food Service Management, and Dietetics, in collaboration with the VLCC Institute of Beauty and Nutrition, held a session on Holistic Nourishment for a Glowing Mind and Body. VLCC Institute, India's largest Beauty and Nutrition Institute, provides specialized and professional beauty and skin care courses to society in order to enhance social and personal well-being.

Mrs.Thamarai Selvi mam, Nutrition Faculty and Dietician, started the session with nutrition explanations on how to lose weight properly, diet focused on weight reduction, YOYO diet and its influence, and psychology of semi fasting diet, which can fulfill all the essential nutritional demands in a short period of time. The program was then enlightened by another VLCC guest speaker, Ms.C.Krithika, an aesthetician and Skin Faculty. She discussed subjects connected to skin and the products should be properly used. Cleanser, toner, skin moisturizer, and sunscreen are crucial aspects to consider while caring for your skin, since they can protect you from skin damage caused by UVB radiation from the sun. Ms. Karthika Ramesh, a Hair Faculty at VLCC, thoroughly presented hair care and hair physiology, giving techniques and

suggestions to increase hair development, treatments for dandruff and lice using garlic and lemon as home remedies, and basic knowledge on hair care. The session closed with yet another guest speaker, Mrs. N.Nazreen Fathima, a Cosmetologist and makeup instructor, who talked more about cosmetics and how to use makeup properly.

### Guest Lecture

#### Integrated Approaches In Conservation And Use of Nutri Millets

The Department of Nutrition, Food Service Management and Dietetics were so glad and honoured to organize an Invited Guest Talk session by Dr. E. D. Israel Oliver King, Director - Biodiversity, M S Swaminathan Research Foundation on 8th of March, 2023 commemorating the International Year of Millet. The lecture emphasized on the importance of millets and why the International Year of Millet is to be celebrated, in order to create awareness among the upcoming generations. He then moved on by explaining different types of millets which are available amidst us and also about their nutritional significance. It was interesting to learn the fact that the millets are climate resilient, provide environment security, and food security. It is also much higher grade with regard to the nutrient profile when compared to our conventional rice and wheat varieties.

He highlighted the importance of Tamil Nadu's contribution in millet production. The Agro-biodiversity and cultural diversity of millets also preserve the native varieties. He also emphasized on the importance and need of custodian farmers who preserve the heirloom seed and millets of all kinds. Discussing the 4C approach towards Empowering communities in conservation and sustainable development was highly informative. The students understood the importance of learning and understanding our native and indigenous recipes and cuisine. He elaborated on empowering the women of Kollihills through the value added millet products which was an eye opener.

Guest lecture on Abnormal Psychology on Dissociative Disorder was held on 14-11-22, Monday for 3rd year students of Psychology Department from 9am onwards via gmeet. Ms. Janani Vasanth, senior clinical psychologist at Amaha facilitated this event hosted by Priya. This session elaborated on Dissociative Identity Disorder and Dissociative Amnesia, their causes and treatment.

### Hypothesis Testing

The Department of Psychology organised a webinar on Hypothesis Testing on 10th November 2022 at 11.30 am. The webinar was attended by 2nd year students of department of Psychology. The webinar was facilitated by Dr.S.Santhana Lakshmi, Assistant Professor, PG Department of Biostatistics, Srimathi Devkunvar Nanalal Bhatt College for Women.

She taught the young minds on what is hypothesis testing, the types, the uses and methods in detail. The webinar was interesting and was very useful in progressing in the learning of statistics. The event came to an end with an vote of thanks given by Reshika of 2nd year Psychology.

## Department of Media Science

### Interdepartmental Competition

#### Online Photography Contest

The Department of Visual Communication organized an Interdepartmental competition (Online Photography Contest) on account of World Photography Day. The theme of the photography contest was "Pandemic lockdown through the lens". The online photography contest was open to all the students of SDNB VAISHNAV COLLEGE FOR WOMEN and 50 students from both the shifts participated in the contest. The students were asked to take photographs in their mobile and it should not be copied from other source. Mr. Ramanidharan, Legendary Photographer viewed the photographs submitted. K. Swetha from B.Sc Psychology, III year, Supriya, B.C.A II year, Pavithra, B.Com A&F, III year bagged the first three prizes. They were honored with a special award and a Trophy By Chief Guest Mr. R. Ramanidharan AFIP, AFIAP, certified trainer.

#### Bonny - Put On A Smile

The Department of Visual Communication students of SDNB Vaishnav College for Woman, final years conducted an event exclusively for teachers named 'BONNY', which means beauty and attractive Teachers' day, It was a model photo shoot for the faculty members of the college which commenced from 5th to 9th September, from 10 am to 4pm at the Photo studio lab in the department.

The Principal and Vice Principal honored the event by being the first models for the event. Each faculty member registered prior through Google forms and were segregated among slots. Around 24 departments in the college, about 80 faculties took part in the model photo shoot. Both indoor and outdoor photo shoots were done with backdrops, lighting and properties. The makeup team guided the professors through their dressings and touch up. Students asked for feedback from every model after their shoot which was collected through sticky notes and clustered together through the board. The main motto is to give hands-on experience to students for to shape the model photography skills and a platform to start up their freelance career in model photography and event photography.

Hands-on training was given to school students to take photographs using professional cameras and to talk and record for radio programs. Department strongly believe that the visit will influence a great vision of creativity through this exhibition.

## PG Department of Biostatistics (2022 - 2023)

### Workshop - SQL

The PG Department of Biostatistics hosted a five-day SQL Workshop in January 2023 (2/01/2023-6/01/2023). This workshop was a hands-on session held in the Computer Lab on the third floor of the Autonomous Block.

The PG Department of Biostatistics hosted a two day Workshop on "Structural Equation Modeling Using AMOS" in February 2023 (13/02/2023-14/02/2023) presided by Dr. S. Xavier Assistant Professor, Department of Statistics, Loyola College, Chennai-34. This workshop was a hands-on session held in the Computer Lab on the second of the Golden Jubilee Block.

### Inter-Departmental Activity

The PG Department of Biostatistics hosted an inter-departmental activity, "BIO TRUISM'23" on January 27, 2023. Four competitions were held: Poster Presentation, Delve-Word Search, Logo Design and Candy Graph.

### Winners

#### Poster Presentation

### Seminar

The PG Department of Biostatistics hosted a guest lecture on "Is Artificial Intelligence 'AI' the only alternative?" on February 4<sup>th</sup>, 2023. The talk was given by Dr. C. Ponuraja, Scientist E, Statistics Department, NIRT-ICMR, Chennai. The first part of the guest talk covered an introduction to artificial intelligence and how this research relates to machine learning techniques.

#### Guest Lecture

The PG department of Biostatistics conducted a one-day guest lecture on "Statistical methods compared with Bootstrapping for Survival Data" on February 4<sup>th</sup>, 2023, given by Dr. Ramakrishnan.M, Assistant Professor, Department of Mathematics, RKM Vivekananda College, Chennai. He discussed the significance of predictors in the analysis of survival data using nonparametric, semi parametric, and parametric methods. The speaker also provided an example of how to compare the statistics and bootstrapping procedures for Leukaemia and ADDICTS after the theoretical section.

### PG Department of Chemistry (2022 - 2023)

#### Seminar - Basics of Mass Spectrometry

A one-day seminar on "Basics of Mass Spectrometry" was held on 4th January 2023 at PG department of chemistry. Mr. A.Gopalakrishnan, Assistant Professor, introduced the technique, discussed working principles, and covered fragmentation patterns in organic compounds.

#### Seminar - Materials Processing and Fabrication of Lithium-ion Battery

A one-day seminar on "An outlook on the Materials Processing and Fabrication of Lithium-ion Battery" was organized by the PG department of chemistry on 5th January 2023. Dr. Sony Varghese delivered the lecture, discussing energy conservation, storage, and the societal benefits of green energy sources. The seminar covered the production process, advantages of solid state electrolytes, and Fast Ion Conductors (FIC). The seminar provided valuable insights into the fabrication of lithium-ion batteries and recent advancements in material science.

#### Workshop - Organic Spectrometry Problems

A one-day workshop on Organic Spectroscopy Problems was organized by the PG department of Chemistry at S.D.N.B. Vaishnav College for Women on 20th January 2023. The workshop aimed to create awareness about CSIR and GATE exams, through interactive sessions with Resource Persons. The workshop covered fundamentals of UV-Vis, IR, NMR, and Mass spectrometry, and ended with multiple-choice questions. The students found this workshop helpful and were very optimistic about implementing their training in their classrooms.

## PG Department of Accounting and Finance (2022-2023)

### Guest Lecture

A Guest Lecture on "Goods and Services Tax Deeds and Needs" was arranged by PG Department of Accounting and Finance, on 27th October 2022, at 10 A.M. M.Com A&F staff and second year students attended the address by Guest speaker of the day CA. Manimaran Kathiresan, B.Com., F.C.A., LLB, DISA, Certified Forensic Accountant, was such an informative and practical session.

### Invited Talk

An invited talk on "An overview of Accounting Standards" was arranged by PG Department of Accounting and Finance, on 1st November 2022, at 10 A.M. M.Com A&F staff and second year students and students M.Com Corporate Secretaryship attended the address by Guest speaker of the day CA.Rajasekaran.K, B.Com., FCA, L.L.B., discussed Accounting Standards and how it is applied in practice of accounting, was a very useful and informative session.

To enlighten the knack of the subject, the knowledge of the subject is mandatory, which was made possible in the form of an interactive invited talk on the session "Success Path to UGC-NET for Teaching and Research Aptitude" on 07 th March 2023 by Mr. Arun Kumar C, Director of Arun Academy and Assistant Professor and Head, Department of Commerce (Corporate Secretaryship), Don Bosco College, Chennai who had provided the tool of confidence through his knowledgeable session.

### Workshop

An awareness program on "Self Finance" was arranged by PG Department of Accounting and Finance, on 18<sup>th</sup> January, 2023 at 10 AM. M.Com A&F staff and around 300 students from various departments attended the workshop on "Self defence techniques" applied in practice and on safeguarding from social media and cyber attacks, was a very useful and informative sessions

## Event

The most expected and the brand identity of the department "Vaish Concrete 2023 AVINYA" was held on 04 th March 2023 under the title "Crack the Com". The judges for the event were Dr. Fathima Nancy, Assistant Professor, Department of Corporate Secretaryship and Accounting and Finance, AM Jain College, Chennai and Mrs. Priyadharshini. G, Assistant Professor, Department of Commerce, Women's Christian College, Chennai who had the added value of the fruitfulness to the event. The participants enthusiastically participated in the event that increased another success' stepping stone.

## Inter-Departmental Competitions

Another proud and glorified opportunity provided to the department was to organize the Inter-Departmental Competition "Spark the Word" on 20 th January 2023. The judges for the event were Mrs. Anitha, Associate Professor, Department of English (SFS) and Mrs. Brindha. P, Assistant Professor, Department of Business Administration added delightfulness to the event. The students were very delighted to participate and win prizes that had added feather to the uniqueness of the department.

## M.Sc. Computer Science (2022 - 2023)

### Workshop - Cyber Security And Its Methodologies

The PG Department of Computer Science conducted a Workshop of Cyber Security and its Methodologies on 12/10/2022, aiming at educating the students with the knowledge of the cyber world, where data leaks and cyber crimes are burning issues. Mr. Ram Sundar. S, Founder and Director – Technical from HebeSec Technologies Pvt Ltd was the speaker for the day. Mr.Ram Sundar gave a clear presentation and explanation about the basics of cyber security and career opportunities in cyber security.

Mr. Hari Haran R, Security Analyst, HebeSec Technologies discussed the Methodologies in Cyber Security. He also gave hands-on experience with a few commands related to cyber security. The seminar was informative of how to secure one's personal credentials from cyber theft and stealing.

### E-Technofiesta (Inter-Collegiate Event)

**Judge: Mr. P. Vidhyasankar**, Assistant Vice President – Business Development & Operational Excellence in Arich Infotech Pvt Ltd.

The PG Department of Computer Science conducted the Inter-Collegiate competitions E-TECHNOFIESTA on 25/02/2023, which involved several events like Paper Presentation, Debugging, App Savvies, Tech Expo 2K23 were conducted.

## M.Sc. Plant Biology & Plant Biotechnology (2022 - 2023)

### Seminar - Bio-enzyme Day

On account of Bio-enzyme day, PG Department of Plant biology and Plant Biotechnology conducted a seminar program on 04/01/2023. The Resource Person was **Vasudha Binjani** who was the member of Bio-enzyme Entrepreneurs Academy of India, Vice president- Chennai, WICCI.

The session kicked off with an informational speech introducing bio-enzymes, procedure for the preparation of composite, uses of bio-enzymes, methods for bio-enzyme preparation. That was so useful for the young generation to discover innovative usage of chemicals. She also explained her personal experience in the preparation process.

### Workshop - Bioinformatics

The department conducted a one-day workshop on **Bioinformatics** on 13<sup>th</sup> December 2022, The Resource Person was **Dr. Kothandan Gugan**, Assistant Professor who has done CAS in Crystallography & Biophysics, University of Madras, Guindy, Chennai.

The speech of the Resource Person included the basics of bioinformatics and the fields in which bioinformatics are used. He explained about databases, the need for databases and where to access them to use in research.

### Interdepartmental Competition

The PG department of Plant Biology & Plant Biotechnology organised interdepartmental competitions on 25/02/23. Five events, namely: Nature Collage, Soap Carving, Doll Décor, Themed Photography and Connexions were held.

### WINNERS

#### I. Nature Collage:

Winner : Ramya Sree, G B.Com (CS)  
Runners 1: Madhumitha, G B.Sc (CS)  
Runner 2 : Swethaa. M, M.Sc Mathematics

#### II. SOAP CARVING

Winner : Tharuneya. C M.sc (cs)  
Runner 1 : Joice Sharon. G B.sc psychology  
Runner 2 : Raksha. S V B.sc psychology, Binjith Binoli. V B.com (a&f)

#### III. DOLL DÉCOR

Winner : Pooja.B ; Amrutha.S B.com hons  
Runner I : Indira.S M; Oviya.G M.sc FSND  
Runner II : Sweena Swedin; Vidhya Vassri MA English

#### IV. THEMED PHOTOGRAPHY

Winner : Vishnupriya.S.M.Sc Applicable Maths  
Runner I : Bhavana.S.U.M.Sc Computer Science  
Runner II : Pavithra.P.K.B.Com A&F

#### V. CONNEXION

Winner : Mahalakshmi.M; Nivedha.E (B.Sc Psychology)  
Runner I : Divya Bharathi; Janane.G (M.A English)  
Runner II : Julfiya Banu.T; Bhuvaneshwari.S B.Com (A&F)

### Inter Collegiate Activity

The department hosted an Inter Collegiate Fest 'Madhulika' on 15th February 2023 consisting of the events: Bio-Brain Teaser, Themed photography, Doll Decor, Bio-Tune, Miss Madhulika

#### WINNERS LIST

##### I. Themed Photography

Winner : S. Rahul (RKMVC)  
Runners 1 : S. Sri Umesh (RKMVC)  
Runner 2 : R. Gurushalini (Ethiraj College for Women)

##### II. Doll décor

Winner : Varshinimutharasi.M; Duraimurugan (Vels University)  
Runners 1 : Karuvaki.B; Jayapriya (Ethiraj College for Women)  
Runner 2 : Paruvarsha Mishra; Rosalin Reshma Fernando (Ethiraj College Women)

##### III. Bio-brain teaser:

Winner : Deepak.S (RKMVC)  
Runners 1 : Gayathri devi.S (Ethiraj College for Women)  
Runner 2 : Sandhiya.S (Vels University)

##### IV. Bio-tune

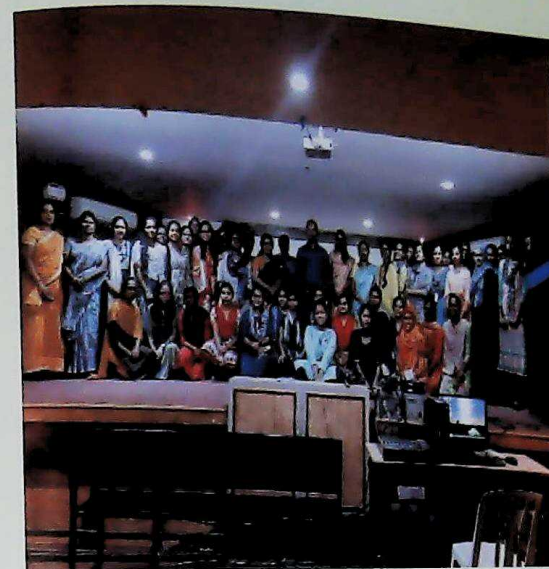

Winner : Harini; M. Kavya; C. Rajalakshmi (Ethiraj College for Women)  
Runners 1 : Thangathamizselvan; Saral; Ramees Fathima (Government Arts College)  
Runner 2 : Haripriya; Raeshana; Subhalakshmi (Ethiraj College for Women)

##### V. Miss Madhulika

Winner : Haripriya; Sowmiya (Ethiraj College)  
Runners 1 : Dharanisree; Thilagam (Ethiraj College)  
Runner 2 : Swetha; Jayashree (Govt Arts College)

### Outreach Activity

An outreach activity was initiated by the PG Department of Plant Biology and Plant Biotechnology in collaboration with Vaishnav Centre for Innovation, Incubation & Entrepreneurship Development (VCIED) to educate the tribal inhabitants of Yelagiri Hills about the methods to prepare simple bio-enzymes using everyday ingredients on 28/02/2023. K.S. Soumya and V. Gayathri of 1st year, M.Sc Plant Biology and Plant Biotechnology demonstrated the preparation of Bio-enzyme production using peels of citrus, watermelon, lime, Kamala orange and vegetable peels, jaggery and water.

Seminar

Reflections on the Evolution and Emerging Trends in Popular Culture Studies

The PG Department of English organized this three-day national level seminar on "Reflections on the Evolution and Emerging Trends in Popular Culture Studies" on 12<sup>th</sup>, 13<sup>th</sup> & 14<sup>th</sup> December 2022 to explore the interpretative patterns in reading and influence of popular culture.

In the first session, Dr. Avishek Parui, Professor of Humanities & Social Sciences, IIT Madras introduced and elaborated on 'Research in Memory Studies'. He expounded memory interface between brain and cultural molecular mechanisms, the interplay between remembering and forgetting and the impact of the past on the future. He also highlighted cultural oblivion and the impact of memory studies in language, literature and popular culture. The narrative of who speaks and what he/ she speaks remains a dominant influential force in popular media and literature.

With the session on Memory Studies pertaining to the trends in popular milieu, one can assess the imprint of values, thoughts and notions wrought upon people leading to either a creation of a new memory or erasure of a true memory that may seem to be unfavorable to one party in hegemonic politics.

The initial session of the second day was on "Politics of the Gaze in Popular Culture" delivered by Dr. Samuel Rufus, Assistant Professor, Department of English, Madras Christian College, Chennai. The gaze, ideology and language were the focal point of the session. How others look at and how others dictate one's looks becomes the central discussion of gaze, ideology and language politics. Thereby, the society conditions one's existence by ways of looking. Ideas and beliefs are capacitated to condition one's way of thinking, seeing and acting.

Dr. D.M. Vedhapriya, Assistant Professor, Department of English, Ethiraj College for Women, took over the second session on "Pop Music- Sounds of Change" focusing on the evolution of music and the various popular opinions about the kinds of music. Popular music is beyond genre, it is the product of the society and culture rather than the individual. She also spoke on the influence of music on the individual and collective psychologies.

On day three, a passionate speaker Dr. Veena Selvam, Assistant Professor, Department of English, College of Engineering, Anna University gave an overview on 'Cultural Studies. She presented on what culture really is and the need for culture studies highlighting the problematic areas in the cultural practices in a heterogeneous community. The session illustrated how the meaning is attributed to each aspect of culture leading to varied meaning productions.

The final session was on, 'Popular Fiction and its Popularity' by Dr. Elizabeth Thomas. She highlighted the ideas of Leslie Fiesler in the study of popular culture. She explained the impact of popular culture in literature through her interactive presentation. Popular fiction is primarily assigned to entertain the young readers and the entry of flash fiction has choreographed the genre of popular fiction writing globally.

paper presenters too had a voluminous range of new age ideas with an induction of novelty in the of themes - ranging from memes in popular culture, representation of women and marginalized in culture, centralizing the study of antagonists, non-living entities like robots in popular films and etc.

Seminar

Current Trends in English Language Teaching and Research

The Seminar on 'Current Trends in English Language Teaching and Research' was conducted on 25<sup>th</sup> March 2023 in the Seminar Hall 1.

The first session was initiated by the Resource Person Dr. S. Soundiraraj, Professor, Head of the English Department, Anna University on the topic 'English Language Teaching And Research In India'. He spoke on 'Canale and Swain's Model of CC-1-4 Components' that distinguishes into Grammatical Competence, Sociolinguistic Competence, Discourse Competence and Strategic Competence. Following Canale's model, he put forth the terms given by Edward Anthony for approaches, methods and techniques. He had also explained three aspects of Theoretical Views of Language which comprises Structural View, Interactional View and Interactional View. Finally, he ended his session discussing on the current trends of ELT Eclecticism ; Learner Centred Classroom, Reflective Practice and Rethinking Goals.

The Second Session on 'Multidisciplinary Approach To English Language Teaching and Research' was delivered by Dr. C. Alamelu, Professor, School of Social Sciences and Languages, Vellore Institute of Technology. The lecture emphasized on the predominance of technology in our everyday lives and it provides and necessitates today's English teachers to equip themselves with different teaching methods. She also elaborated on the holistic education (Basic Skills; Thinking Skills; Personal Qualities) and moved to a multidisciplinary perspective and its advantages. She concluded the session with a brief note on Multidisciplinary Approach In Learning and literature.

In the online session organized on 25th February, we had an eminent speaker Dr. Shwetha Rajasekar, Academician, Toronto, Canada, who rendered a lecture on the title 'The Role of Pedagogy in Early Childhood Education'.

The session focused on the significance of English language teaching, its worldwide relevance, its influence on the social and cultural milieu and the scopes and trends in research. She also elaborated on the significance of early childhood education, its major components and how it creates learning opportunities.

The speaker introduced one of the major components in early childhood learning, the importance of social and cultural context in the process of language acquisition, sounds, stress, and rhythm of the language, language learning vs language acquisition. The lecture concluded with elaborating the limitations in language teaching and acquisition which was followed by an interactive Q and A session, which also shed light on the research scopes and career opportunities available in Canada.

## Lecture

### Literary Insights in Postcolonial Studies: A Panoramic View

On October 12<sup>th</sup> 2023, the Resource Person Dr. S. Samuel Rufus addressed the UG and PG students from the Department of English, SDNB Vaishnav College. His lecture was centred upon two key terms, "identity" and "self", "Discourse" and how an individual identity is constructed. He also spoke on binarism - which he elaborated contextualizing gender and colonization - how does a male / colonial gaze defines / stereotypes a gender / a race. He shed light on the western patriarchal society which normalizes binarism. He also illustrated how literature and society portray, reinstate and operate with the stereotypical notions of gender and race. The resistive voices can question and break out of these stereotypes. He happened to share a heart touching short story authored by Shyam Selvadurai on how a black boy was judged and humiliated. He ended the lecture with a note on the importance of appreciating one's own identity - which the Post-colonial studies insist upon.
